STATE OF NEW YORK

8839

IN ASSEMBLY

January 18, 2024

Introduced by M. of A. GUNTHER -- read once and referred to the Committee on Insurance

AN ACT to amend the insurance law and the public health law, in relation to setting a minimum reimbursement rate for ambulatory behavioral health services

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Paragraph 35 of subsection (i) of section 3216 of the insurance law is amended by adding a new subparagraph (K) to read as 3 follows:

4 (K) Every policy which provides medical, major medical, or similar 5 comprehensive-type coverage shall reimburse in network, participating 6 providers licensed pursuant to article twenty-eight of the public health 7 law or article thirty-one or thirty-two of the mental hygiene law for ambulatory behavioral health services provided to its insureds, at a 9 minimum, at a rate equivalent to the payments established for such 10 services under the ambulatory patient group (APG) rate-setting methodol-11 ogy at the time of service, utilized by the department of health or by 12 the office of mental health or offices of addiction services and 13 supports for rate-setting purposes for ambulatory behavioral health 14 services provided to enrollees in the medical assistance program under 15 title eleven of article five of the social services law. Insurers and in 16 network, participating providers may negotiate different rates and methods of payments, however insurers shall pay no less than the equivalent 17 18 of rates that would be paid for ambulatory behavioral health services pursuant to the medical assistance program under title eleven of article 19 20 five of the social services law.

§ 2. Paragraph 5 of subsection (1) of section 3221 of the insurance law is amended by adding a new subparagraph (K) to read as follows:

21

22

23

25

(K) Every insurer delivering a group or blanket policy or issuing a group or blanket policy for delivery in this state that provides cover-24 age for hospital, major medical, or similar comprehensive-type 26 coverage shall reimburse in network, participating providers licensed pursuant to article twenty-eight of the public health law or article

EXPLANATION -- Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

thirty-one or thirty-two of the mental hygiene law for ambulatory behav-1 ioral health services provided to its insureds, at a minimum, at a rate 2 equivalent to the payments established for such services under the ambu-3 4 latory patient group (APG) rate-setting methodology at the time of 5 service, utilized by the department of health or by the office of mental 6 health or offices of addiction services and supports for rate-setting 7 purposes for ambulatory behavioral health services provided to enrollees 8 in the medical assistance program under title eleven of article five of 9 the social services law. Insurers and in network, participating provid-10 ers may negotiate different rates and methods of payments, however 11 insurers shall pay no less than the equivalent of rates that would be 12 paid for ambulatory behavioral health services pursuant to the medical assistance program under title eleven of article five of the social 13 14 services law.

- § 3. Subsection (g) of section 4303 of the insurance law is amended by adding a new paragraph 12 to read as follows:
- (12) A medical expense indemnity corporation, a hospital service corporation or a health service corporation that provides coverage for medical, major medical, or similar comprehensive-type coverage shall reimburse in network, participating providers licensed pursuant to article twenty-eight of the public health law or article thirty-one or thirty-two of the mental hygiene law for ambulatory behavioral health services provided to its insureds, at a minimum, at a rate equivalent to the payments established for such services under the ambulatory patient group (APG) rate-setting methodology at the time of service, utilized by the department of health or by the office of mental health or offices of addiction services and supports for rate-setting purposes for ambulatory behavioral health services provided to enrollees in the medical assistance program under title eleven of article five of the social services law. Insurers and in network, participating providers may negotiate different rates and methods of payments, however insurers shall pay no less than the equivalent of rates that would be paid for ambulatory behavioral health services pursuant to the medical assistance program under title eleven of article five of the social services law.
- 35 § 4. Section 4403 of the public health law is amended by adding a new 36 subdivision 10 to read as follows:
- 37 10. A health maintenance organization shall reimburse in network, participating providers licensed pursuant to article twenty-eight of 38 39 this chapter or article thirty-one or thirty-two of the mental hygiene law for ambulatory behavioral health services provided to its enrollees, 40 at a minimum, at a rate equivalent to the payments established for such 41 42 services under the ambulatory patient group (APG) rate-setting methodol-43 ogy at the time of service, utilized by the department or by the office 44 of mental health or offices of addiction services and supports for rate-45 setting purposes for ambulatory behavioral health services provided to 46 enrollees in the medical assistance program under title eleven of arti-47 cle five of the social services law. Organizations and in network, 48 participating providers may negotiate different rates and methods of 49 payments, however organizations shall pay no less than the equivalent of rates that would be paid for ambulatory behavioral health services 50 pursuant to the medical assistance program under title eleven of article 51 52 five of the social services law.
- § 5. This act shall take effect September 1, 2024 and shall apply to all policies and contracts issued, renewed, modified, altered or amended on or after such date.
