Introduced by M. of A. STIRPE -- read once and referred to the Committee on Economic Development

AN ACT to amend the New York state urban development corporation act, in relation to enacting the food retail establishment subsidization for healthy communities (FRESH Communities) act

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Short title. This act shall be known and may be cited as the "food retail establishment subsidization for healthy communities act".

§ 2. Legislative intent. The legislature finds that the lack of access 4 5 to fresh foods is a problem of growing concern in many communities across the state. Substantial increases in urban land values and rents, 6 7 limited access to financing and other economic pressures have left many 8 lower-income residents in urban and rural areas underserved by supermarkets and other food retail establishments. The resulting lack of access 9 10 to a variety of fresh food retailers makes it more difficult and expen-11 sive for these residents to maintain a nutritionally balanced diet and 12 leads to increased public health costs, dilutes the value of public 13 assistance for food purchases, leads to greater travel times and energy 14 expenditures to obtain fresh food, and deprives the state's farmers of 15 markets for their products. Providing access to financial assistance for 16 urban and rural supermarkets in underserved areas will remedy these 17 adverse conditions, create employment opportunities and help to revitalize and stabilize currently underserved neighborhoods. 18

19 § 3. Subdivision 1 of section 16-m of section 1 of chapter 174 of the 20 laws of 1968, constituting the New York state urban development corpo-21 ration act, is amended by adding a new paragraph (p) to read as follows: 22 (p) Loans, loan guarantees, interest subsidies and grants to busi-23 nesses, municipalities, not-for-profit corporations or local development 24 corporations for the purpose of attracting, maintaining or permitting 25 the expansion of food retail establishments in underserved areas. The 26 corporation shall consider the economic viability of the project and the 27 potential impact on the community when evaluating applications for such

loans, loan quarantees, interest subsidies and grants. The corporation 1 shall establish performance indicators to assess the progress of the 2 projects receiving monies pursuant to the authorization provided in this 3 paragraph, and track and publish this information on its website. For 4 purposes of this paragraph, "underserved areas" shall include low or 5 6 moderate-income census tracts, areas of below average supermarket densi-7 ty or having a supermarket customer base with more than fifty percent 8 living in low-income census tracts, or other areas demonstrated to have 9 significant access limitations due to travel distance, as determined by 10 the corporation, and "food retail establishments" shall include supermarkets and other grocery retailers that operate on a self-service basis 11 12 and sell a minimum percentage, as determined by the corporation, of produce, meat, poultry, seafood, baked goods and/or dairy products and 13 14 which: 15 (i) participate in the New York grown and certified program; 16 (ii) accept payment from electronic benefit transfer through the 17 supplemental nutrition assistance program and through the special 18 supplemental nutrition program for women, infants, and children; 19 (iii) do not charge a membership fee; and 20 (iv) hire residents living within a twenty mile radius of such retail 21 food establishment. 22 § 4. This act shall take effect on the first of April next succeeding 23 the date on which it shall have become a law; provided, however that the urban development corporation shall be immediately authorized to take 24 25 any and all actions necessary to fully implement the provision of section three of this act on or before such effective date; and provided 26 27 further, that the amendments to section 16-m of the urban development

28 corporation act made by section three of this act shall not affect the 29 expiration of such section and shall be deemed to expire therewith.
