

STATE OF NEW YORK

9302

IN ASSEMBLY

February 23, 2024

Introduced by M. of A. JENSEN -- read once and referred to the Committee on Health

AN ACT to amend the tax law and the public health law, in relation to providing expanded enrollment through New York state of health through tax returns (Part A); to amend the public health law, in relation to allowing for enrollment through the New York state of health at any time for first-time enrollees (Part B); to amend the insurance law and the legislative law, in relation to creating the New York health benefit and cost commission (Part C); and to amend the public health law and the tax law, in relation to establishing New York health care savings accounts to expand and incentivize purchasing private health insurance (Part D)

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "real choice health act".

3 § 2. Legislative intent. The Legislature recognizes the importance of
4 ensuring a robust and responsive healthcare system that meets the needs
5 and preferences of its residents. Although significant improvements have
6 been made to reduce the number of uninsured New Yorkers and control
7 costs, there is still substantial work to be done. However, despite the
8 need to ensure that more New Yorkers are insured and can afford their
9 healthcare costs, preserving individual choices in healthcare is para-
10 mount. Although some argue that a single-payer system in the State of
11 New York would improve access and reduce costs, doing so would eliminate
12 important healthcare choices for many New Yorkers by creating blanket
13 State coverage, require significant tax increases on individuals and
14 businesses in New York, which would further perpetuate our outmigration
15 problem, create potential domestic migration of individuals with costly
16 adverse health issues, eliminate jobs by dismantling the health insur-
17 ance industry and lead to voluntary unemployment without the need for
18 employer-based coverage and require continued and expanded reliance on
19 the Federal government for funding and waivers. The single-payer system
20 would place the responsibility of healthcare for all New Yorkers solely

1 in the hands of the State, exposing healthcare needs to even more poli-
2 tical pressures. New York State government has proven that it has diffi-
3 culty administrating large programs effectively and without mismanage-
4 ment, with both the existing Medicaid program and the roll-out of legal
5 recreational cannabis serving as important examples.

6 Moving forward, New York should continue to improve on the positive
7 changes in the current system that have been made thus far. Doing so
8 would continue to enable a competitive healthcare system that encourages
9 innovation and drives continuous improvements in care, ensuring access
10 to cutting-edge treatments and technologies for all residents. This
11 system would ensure that the opinions and preferences of the population
12 would continue to shape the healthcare system.

13 Therefore, this proposal focuses on preserving individual choices by
14 improving access to health insurance enrollment through expanded enroll-
15 ment period and enhanced outreach, creating a State process for analyz-
16 ing costs before significant health insurance changes are made, and
17 incentivizing individuals to purchase health insurance and reduce out-
18 of-pocket costs by creating a New York health care savings account.

19 § 3. This act enacts into law major components of legislation provid-
20 ing expanded enrollment through New York state of health through tax
21 returns, allowing for enrollment through the New York state of health at
22 any time for first-time enrollees, expanding New York state of health
23 navigator program, creating the New York health benefit and cost commis-
24 sion, and establishing New York health care savings accounts to expand
25 and incentivize purchasing private health insurance. Each component is
26 wholly contained within a Part identified as Parts A through D. The
27 effective date for each particular provision contained within such Part
28 is set forth in the last section of such Part. Any provision in any
29 section contained within a Part, including the effective date of the
30 Part, which makes reference to a section "of this act," when used in
31 connection with that particular component, shall be deemed to mean and
32 refer to the corresponding section of the Part in which it is found.

33 PART A

34 Section 1. The tax law is amended by adding a new section 664 to read
35 as follows:

36 § 664. Health marketplace eligibility. The commissioner shall require
37 that all income tax returns allow the taxpayer to request, by checking a
38 box, to be included on the return, that the department of health review
39 relevant and necessary taxpayer data in order to provide the taxpayer
40 with information related to their eligibility for health marketplace
41 programs, plans, and available incentives. Adjacent to such box, there
42 shall be a statement in prominent type, "IF YOU CHECK THIS BOX, YOU
43 AFFIRM THAT YOU ARE UNINSURED, DO NOT HAVE EMPLOYER-SPONSORED COVERAGE
44 AVAILABLE, AND ARE (1) REQUESTING THAT THE STATE DEPARTMENT OF HEALTH
45 REVIEW NECESSARY PORTIONS OF YOUR TAX FILING, (2) USE SUCH DATA AS
46 NECESSARY TO MAKE DETERMINATIONS AS TO YOUR ELIGIBILITY FOR MEDICAL
47 ASSISTANCE (MEDICAID), THE BASIC HEALTH PLAN (ESSENTIAL PLAN), OR PLANS
48 THROUGH THE NY STATE OF HEALTH AND AVAILABLE INCENTIVES, AND (3) CONTACT
49 YOU TO PROVIDE SUCH ELIGIBILITY INFORMATION."

50 § 2. Section 206 of the public health law is amended by adding a new
51 subdivision 32 to read as follows:

52 32. The commissioner shall create a program within the department to
53 assist uninsured individuals without employer-sponsored coverage with

1 enrolling in health insurance coverage through state income tax filings.

2 This program shall:

3 (a) review relevant and necessary taxpayer data authorized under the
4 tax law within thirty days of receiving such authorization;

5 (b) contact individuals who opt to have their tax filings reviewed
6 within thirty days of such review;

7 (c) determine whether an individual is eligible for medical assist-
8 ance, child health insurance plan, or basic health plan coverage;

9 (d) upon determining an individual is eligible for medical assistance,
10 child health insurance plan, or basic health plan coverage, offer such
11 individuals an invitation to select a plan, provided that the individual
12 does not have employer-sponsored coverage available; and

13 (e) in the case of individuals ineligible for medical assistance,
14 child health insurance plan, or basic health plan coverage, provide a
15 referral to a navigator certified under subdivision fifteen of section
16 two hundred sixty-eight-c of this chapter.

17 § 3. This act shall take effect January 1, 2025.

18 PART B

19 Section 1. Subdivisions 5 and 15 of section 268-c of the public health
20 law, as added by section 2 of part T of chapter 57 of the laws of 2019,
21 are amended to read as follows:

22 5. Maintain enrollment periods in the best interest of qualified indi-
23 viduals consistent with federal and state law. Such periods shall
24 include, but may not be limited to:

25 (a) allowing special enrollment at any time for currently uninsured
26 individuals enrolling in the Marketplace for the first time who do not
27 have employer-sponsored coverage available; and

28 (b) allowing special enrollment for uninsured individuals who do not
29 have employer-sponsored coverage available enrolling through the estab-
30 lished income tax return process.

31 15. Operate a program under which the Marketplace awards grants to
32 entities to serve as navigators in accordance with applicable federal
33 law and regulations adopted thereunder, and/or a program under which the
34 Marketplace awards grants to entities to provide community based enroll-
35 ment assistance in accordance with requirements developed by the Market-
36 place; and/or a program under which the Marketplace certifies New York
37 state licensed producers to provide assistance to eligible individuals
38 and/or small employers pursuant to federal or state law. Subject to
39 appropriation, additional grants shall be awarded on an annual basis to
40 providers in the city of New York and counties where the rate of unin-
41 insured individuals below four hundred percent of the federal poverty
42 level is above the statewide average.

43 § 2. This act shall take effect January 1, 2025.

44 PART C

45 Section 1. The insurance law is amended by adding a new section 3221-a
46 to read as follows:

47 § 3221-a. Health benefit and cost commission. (a) For the purposes of
48 this section, "mandated health benefit" shall mean any requirement that

51 (ii) the extent to which the proposed mandated health benefit is
52 already a covered health benefit;

53 (iii) if coverage is not generally available, the extent to which the
54 lack of coverage results in persons being unable to obtain necessary
55 health care and results in financial hardship for those needing such
56 care;

(iv) projected utilization rates and access to service that would result from the proposed mandated health benefit;

(v) whether the proposed mandated health benefit is a medical or a broader social need and whether it is consistent with the role of health insurance and managed health care; and

(vi) the extent to which the proposed mandated health benefit is generally recognized by the medical community as being effective and efficacious, including appropriate review by scientific and medical peer review literature; and

(c) report on access to coverage and economic issues, including:

(i) the impact on premiums, rates, and costs of health coverage in all affected markets;

(ii) the impact that the proposed mandated health benefit may have on the availability of other benefits;

(iv) report on any other matter, question, or concern relating to a mandated health benefit as may be determined relevant by the commission or by the person having issued the request.

4. The commission shall allow a thirty-day public comment period and issue a report to the governor and the legislature within ninety days after receipt of a written request. The commission may extend its review period and reporting time upon the consent of the person having issued the request.

5. The commission shall review and report on utilization rates, public and patient health effects, and impact on premiums and access to health care and health coverage of all mandated health benefits existing on the effective date of this section.

§ 3. This act shall take effect immediately.

18 § 4855. Program requirements; New York state health care savings
19 account. 1. New York health care savings accounts established pursuant

21 this section.

22 2. A New York health care savings account may be opened by any person
23 who desires to save money for the payment of the qualified health care-
24 related expenses of the designated beneficiary or his or her member of
25 the family. An account owner may designate another person as successor

38 (b) The comptroller and the department may establish a nominal fee for
39 such application.

40 3. Any person, including the account owner, may make contributions to
41 the account after the account is opened.

42 4. Contributions to accounts may be made in cash or may be deposited
43 by a taxpayer who has elected to contribute all or a portion of a refund
44 of personal income tax to an account that has been established under
45 this article.

46 (a) Taxpayer contributions shall be made by direct deposit to the
47 designated account. The amount elected to be contributed by the taxpayer
48 must be at least twenty-five dollars and may be applied as a contrib-
49 ution only for the tax year in which the refund is issued.

50 (b) The election shall be made on a form prescribed by the department
51 of taxation and finance and filed with the taxpayer's tax return for the
52 tax year or at such other time and in such other manner as the depart-
53 ment may prescribe. The department shall prescribe the maximum number of
54 accounts to which a taxpayer may elect to contribute a portion of the
55 refund.

1 (c) The election to contribute all or a portion of a refund shall not
2 be revocable.

3 (d) All or a portion of a refund may not be contributed to an account
4 that has been established under this article if the amount of the
5 taxpayer's elected refund for such tax year is reduced by any other
6 sections of the tax law to the amount less than the minimum amount of
7 contribution authorized under this section.

8 5. An account owner may withdraw all or part of the balance from an
9 account on sixty days notice or such shorter period as may be authorized
10 under rules governing the program. Such rules shall include provisions
11 that will generally enable the determination as to whether a withdrawal
12 is a nonqualified withdrawal or a qualified withdrawal.

13 6. (a) An account owner may change the designated beneficiary of an
14 account to an individual who is a member of the family of the prior
15 designated beneficiary in accordance with procedures established by the
16 memorandum of understanding pursuant to the provisions of section four
17 thousand eight hundred fifty-three of this article.

18 (b) An account owner may transfer all or a portion of an account to
19 another New York health care savings account, the subsequent designated
20 beneficiary of which is a member of the family.

21 (c) Changes in designated beneficiaries and transfers under this
22 subdivision shall not be permitted to the extent that they would cause
23 all accounts for the same beneficiary to exceed the permitted aggregate
24 maximum account balance.

25 7. The program shall provide separate accounting for each designated
26 beneficiary.

27 8. No account owner or designated beneficiary of any account shall be
28 permitted to direct the investment of any contributions to an account or
29 the earnings thereon more than two times in any calendar year.

30 9. Neither an account owner nor a designated beneficiary may use an
31 interest in an account as security for a loan. Any pledge of an interest
32 in an account shall be of no force and effect.

33 10. The comptroller shall promulgate rules or regulations to prevent
34 contributions on behalf of a designated beneficiary in excess of an
35 amount that would cause the aggregate account balance for all accounts
36 for a designated beneficiary to exceed a maximum account balance, as
37 established from time to time by the comptroller and the department on
38 the basis of health care costs in the state, with adequate safeguards to
39 prevent more contributions than necessary to provide for qualified
40 health care expenses of the beneficiary or his or her member of the
41 family.
