The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The vehicle and traffic law is amended by adding a new
2 section 1180-g to read as follows:

3 § 1180-g. Owner liability for failure of operator to comply with
4 certain posted maximum speed limits. (a) 1. Notwithstanding any other
5 provision of law, the city of Kingston is hereby authorized to establish
6 a demonstration program imposing monetary liability on the owner of a
7 vehicle for failure of an operator thereof to comply with posted maximum
8 speed limits in a school speed zone within such city (i) when a school
9 speed limit is in effect as provided in paragraphs one and two of subdivi-
10 vision (c) of section eleven hundred eighty of this article or (ii) when
11 other speed limits are in effect as provided in subdivision (b), (d),

ities at the school and up to thirty minutes immediately before and up to thirty minutes immediately after such student activities. In selecting a school speed zone in which to install and operate a photo speed violation monitoring system, the city shall consider criteria including, but not limited to, the speed data, crash history, and the roadway geometry applicable to such school speed zone.

2. No photo speed violation monitoring system shall be used in a school speed zone unless (i) on the day it is to be used it has successfully passed a self-test of its functions; and (ii) it has undergone an annual calibration check performed pursuant to paragraph four of this subdivision. The city shall install signs giving notice that a photo speed violation monitoring system is in use to be mounted on advance warning signs notifying motor vehicle operators of such upcoming school speed zone and/or on speed limit signs applicable within such school speed zone, in conformance with standards established in the MUTCD.

3. Operators of photo speed violation monitoring systems shall have completed training in the procedures for setting up, testing, and operating such systems. Each such operator shall complete and sign a daily set-up log for each such system that he or she operates that (i) states the date and time when, and the location where, the system was set up that day, and (ii) states that such operator successfully performed, and the system passed, the self-tests of such system before producing a recorded image that day. The city shall retain each such daily log until the later of the date on which the photo speed violation monitoring system to which it applies has been permanently removed from use or the final resolution of all cases involving notices of liability issued based on photographs, microphotographs, videotape or other recorded images produced by such system.

4. Each photo speed violation monitoring system shall undergo an annual calibration check performed by an independent calibration laboratory which shall issue a signed certificate of calibration. The city shall keep each such annual certificate of calibration on file until the final resolution of all cases involving a notice of liability issued during such year which were based on photographs, microphotographs, videotape or other recorded images produced by such photo speed violation monitoring system.

5. (i) Such demonstration program shall utilize necessary technologies to ensure, to the extent practicable, that photographs, microphotographs, videotape or other recorded images produced by such photo speed violation monitoring systems shall not include images that identify the driver, the passengers, or the contents of the vehicle. Provided, however, that no notice of liability issued pursuant to this section shall be dismissed solely because such a photograph, microphotograph, videotape or other recorded image allows for the identification of the driver, the passengers, or the contents of vehicles where the city shows that it made reasonable efforts to comply with the provisions of this paragraph in such case.

(ii) Photographs, microphotographs, videotape or any other recorded image from a photo speed violation monitoring system shall be for the exclusive use of the city for the purpose of the adjudication of liability imposed pursuant to this section and of the owner receiving a notice of liability pursuant to this section, and shall be destroyed by the city upon the final resolution of the notice of liability to which such photographs, microphotographs, videotape or other recorded images relate, or one year following the date of issuance of such notice of liability, whichever is later. Notwithstanding the provisions of any

1 other law, rule or regulation to the contrary, photographs, microphoto-
2 graphs, videotape or any other recorded image from a photo speed
3 violation monitoring system shall not be open to the public, nor subject
4 to civil or criminal process or discovery, nor used by any court or
5 administrative or adjudicatory body in any action or proceeding therein
6 except that which is necessary for the adjudication of a notice of
7 liability issued pursuant to this section, and no public entity or
8 employee, officer or agent thereof shall disclose such information,
9 except that such photographs, microphotographs, videotape or any other
10 recorded images from such systems:

11 (A) shall be available for inspection and copying and use by the motor
12 vehicle owner and operator for so long as such photographs, microphoto-
13 graphs, videotape or other recorded images are required to be maintained
14 or are maintained by such public entity, employee, officer or agent; and

15 (B) (1) shall be furnished when described in a search warrant issued
16 by a court authorized to issue such a search warrant pursuant to article
17 six hundred ninety of the criminal procedure law or a federal court
18 authorized to issue such a search warrant under federal law, where such
19 search warrant states that there is reasonable cause to believe such
20 information constitutes evidence of, or tends to demonstrate that, a
21 misdemeanor or felony offense was committed in this state or another
22 state, or that a particular person participated in the commission of a
23 misdemeanor or felony offense in this state or another state, provided,
24 however, that if such offense was against the laws of another state, the
25 court shall only issue a warrant if the conduct comprising such offense
26 would, if occurring in this state, constitute a misdemeanor or felony
27 against the laws of this state; and

28 (2) shall be furnished in response to a subpoena duces tecum signed by
29 a judge of competent jurisdiction and issued pursuant to article six
30 hundred ten of the criminal procedure law or a judge or magistrate of a
31 federal court authorized to issue such a subpoena duces tecum under
32 federal law, where the judge finds and the subpoena states that there is
33 reasonable cause to believe such information is relevant and material to
34 the prosecution, or the defense, or the investigation by an authorized
35 law enforcement official, of the alleged commission of a misdemeanor or
36 felony in this state or another state, provided, however, that if such
37 offense was against the laws of another state, such judge or magistrate
38 shall only issue such subpoena if the conduct comprising such offense
39 would, if occurring in this state, constitute a misdemeanor or felony in
40 this state; and

41 (3) may, if lawfully obtained pursuant to this clause and clause (A)
42 of this subparagraph and otherwise admissible, be used in such criminal
43 action or proceeding.

44 (b) If the city of Kingston establishes a demonstration program pursu-
45 ant to subdivision (a) of this section, the owner of a vehicle shall be
46 liable for a penalty imposed pursuant to this section if such vehicle
47 was used or operated with the permission of the owner, express or
48 implied, within a school speed zone in violation of subdivision (c) or
49 during the times authorized pursuant to subdivision (a) of this section
50 in violation of subdivision (b), (d), (f) or (g) of section eleven
51 hundred eighty of this article, such vehicle was traveling at a speed of
52 more than ten miles per hour above the posted speed limit in effect
53 within such school speed zone, and such violation is evidenced by infor-
54 mation obtained from a photo speed violation monitoring system; provided
55 however that no owner of a vehicle shall be liable for a penalty imposed
56 pursuant to this section where the operator of such vehicle has been

1 convicted of the underlying violation of subdivision (b), (c), (d), (f)
2 or (g) of section eleven hundred eighty of this article.

19 mail such notice of liability.

20 (h) Adjudication of the liability imposed upon owners of this section
21 shall be by the city of Kingston parking violations bureau.

22 (i) If an owner receives a notice of liability pursuant to this
23 section for any time period during which the vehicle or the number plate

25 having been stolen, it shall be a valid defense to an allegation of
26 liability for a violation of subdivision (b), (c), (d), (f) or (g) of

28 that the vehicle or the number plate or plates of such vehicle had been
