27 (a) if the income of the owner or the combined income of the owners of
 28 the property for the income tax year immediately preceding the date of
 29 making application for exemption exceeds the sum of three thousand
 30 dollars, or such other sum not less than three thousand dollars nor more
 31 than twenty-six thousand dollars beginning July first, two thousand six,

 36 and [~~in a city with a population of one million or more~~] fifty thousand
 37 dollars beginning July first, two thousand seventeen, as may be provided
 38 by the local law, ordinance or resolution adopted pursuant to this
 39 section. Where the taxable status date is on or before April fourteenth,
 40 income tax year shall mean the twelve-month period for which the owner
 41 or owners filed a federal personal income tax return for the year before
 42 the income tax year immediately preceding the date of application and
 43 where the taxable status date is on or after April fifteenth, income tax
 44 year shall mean the twelve-month period for which the owner or owners
 45 filed a federal personal income tax return for the income tax year imme-

 47 either the husband or the wife, their combined income may not exceed
 48 such sum, except where the husband or wife, or ex-husband or ex-wife is
 49 absent from the property as provided in subparagraph (ii) of paragraph
 50 (d) of this subdivision, then only the income of the spouse or ex-spouse

residing on the property shall be considered and may not exceed such sum. Such income shall include social security and retirement benefits, interest, dividends, total gain from the sale or exchange of a capital asset which may be offset by a loss from the sale or exchange of a capital asset in the same income tax year, net rental income, salary or earnings, and net income from self-employment, but shall not include a return of capital, gifts, inheritances, payments made to individuals because of their status as victims of Nazi persecution, as defined in P.L. 103-286 or monies earned through employment in the federal foster grandparent program and any such income shall be offset by all medical and prescription drug expenses actually paid which were not reimbursed or paid for by insurance, if the governing board of a municipality, after a public hearing, adopts a local law, ordinance or resolution providing therefor. In addition, an exchange of an annuity for an annuity contract, which resulted in non-taxable gain, as determined in section one thousand thirty-five of the internal revenue code, shall be excluded from such income. Provided that such exclusion shall be based on satisfactory proof that such an exchange was solely an exchange of an annuity for an annuity contract that resulted in a non-taxable transfer determined by such section of the internal revenue code. Furthermore, such income shall not include the proceeds of a reverse mortgage, as authorized by section six-h of the banking law, and sections two hundred eighty and two hundred eighty-a of the real property law; provided, however, that monies used to repay a reverse mortgage may not be deducted from income, and provided additionally that any interest or dividends realized from the investment of reverse mortgage proceeds shall be considered income. The provisions of this paragraph notwithstanding, such income shall not include veterans disability compensation, as defined in Title 38 of the United States Code provided the governing board of such municipality, after public hearing, adopts a local law, ordinance or resolution providing therefor. In computing net rental income and net income from self-employment no depreciation deduction shall be allowed for the exhaustion, wear and tear of real or personal property held for the production of income;
