BROWN -- read once and referred to the Committee on Environmental Conservation -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee -- again reported from said committee with amendments, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the environmental conservation law, in relation to establishing a town of Huntington deer management pilot program; and providing for the repeal of certain provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The environmental conservation law is amended by adding a new section 11-0522-b to read as follows:

§ 11-0522-b. Town of Huntington deer management pilot program.

1. For the purposes of this section, "nuisance wildlife specialist" shall mean an employee of or a contractor for the federal or state government responsible for wildlife management acting pursuant to a deer management plan and deer cull permit. A nuisance wildlife specialist must be in compliance with criteria established by the department that at a minimum shall require:

a. a minimum level of marksmanship qualifications appropriate to the firearm or hunting implement to be used;

b. liability insurance coverage or other financial arrangements identified by the department;

c. a copy of the cull permit and a copy of the log of nuisance wildlife specialists using the permit, be on the nuisance wildlife specialist's person when exercising any privilege of such permit; and

d. reporting requirements.

2. The department may, after reviewing the town of Huntington's cull permit application and site-specific deer management plan, and upon a finding by the town of Huntington that deer have become a nuisance, destructive to public or private property or a threat to public health or welfare, issue a deer cull permit for use within the boundaries of the town of Huntington, authorizing use of a nuisance wildlife specialist to take deer pursuant to the terms of the deer cull permit.

3. Each cull permit application shall at a minimum include requirements for: the timeframe during which the permit must be used, a site-specific deer management plan, a geographic description of the area for

7 subdivisions two-a and four-a of section 11-0931 of this article,
8 provided that any such authorization subsequently granted shall be
9 explicitly included on any cull permit, and details regarding expected
10 local law enforcement consultation.

11 4. Nothing in this section shall be construed as requiring or obligat-
12 ing the department to issue a permit to take deer when in its opinion
13 the nuisance, destruction of property or threat to public health and
14 welfare will not be effectively abated thereby.

15 § 2. Subdivisions 3, 9 and 10 of section 11-0505 of the environmental
16 conservation law, subdivision 3 as separately amended by chapters 683
17 and 704 of the laws of 2023, paragraph b of subdivision 3 and subdivi-

§ 5. The department of environmental conservation, following consultation with the town of Huntington shall prepare a report examining the effectiveness of the town of Huntington deer management pilot program established pursuant to section 11-0522-b of the environmental conservation law in addressing deer overpopulation and the effectiveness in addressing destruction to public or private property in the town of Huntington. The report shall include the number of cull permits issued, and the number of deer taken. The report shall also include recommendations for program improvements, including the potential effectiveness of authorizing future programs. The report shall be delivered to the governor, the speaker of the assembly and the temporary president of the senate, as well as published on the department's public website, no later than thirty months after the effective date of this act.

§ 6. This act shall take effect on the first of January next succeeding the date on which it shall have become a law and sections one and five shall expire and be deemed repealed three years after such date; provided further, however, that the amendments to subdivisions 3, 9 and 10 of section 11-0505 of the environmental conservation law made by section two of this act, subdivision 2 of section 11-0901 of the environmental conservation law made by section three of this act and subdivision 2 and subparagraph 1 of paragraph b of subdivision 4 of section 11-0931 of the environmental conservation law made by section four of this act shall be subject to the expiration and reversion or repeal, as applicable, of such subdivisions and such paragraph pursuant to section 6 of chapters 683 and 704 of the laws of 2023, as amended, when upon such date the provisions of sections two-a, three-a, and four-a of this act shall take effect.
