16 use in participating in the electoral process.

17 8. Upon its receipt by the county board of elections, each application
18 form shall be reviewed and examined by such board. If the application
19 shall contain substantially all the required information indicating that
20 the applicant is legally qualified to register and/or enroll as stated
21 in [~~his or her~~] their application, the county board of elections shall
22 transfer all information on such application to the appropriate regis-
23 tration records. If requested by any member of the board, the applica-

26 representing different political parties. Such members or employees
27 shall place their initials or other identifying information on the
28 registration poll record of such voter or on a computer generated list
29 of such registrations. Such lists shall be preserved in the same manner,
30 and for the same time, as such registration poll records. If the appli-
31 cation indicates that the voter does not have a driver's license or
32 department of motor vehicles non-driver photo ID number or a social
33 security number, the state board of elections shall, upon the trans-
34 mission of voter information to the statewide voter registration list as
35 required by section 5-614 of this article, assign such voter a unique
36 identifier.

37 9. The county board of elections shall, [~~promptly~~] as soon as practi-
38 cable and in any event, not later than [~~twenty-one~~] seven days after
39 receipt by it of the application, verify the identity of the applicant.
40 In order to do so, the county board of elections shall utilize the
41 information provided in the application and shall attempt to verify such
42 information with the information provided by the department of motor
43 vehicles, social security administration and any other lawful available
44 information source. If the county board of elections is unable to verify
45 the identity of the applicant within [~~twenty-one~~] seven days of the
46 receipt of the application, it shall immediately take steps to confirm
47 that the information provided by the applicant was accurately utilized
48 by such county board of elections, was accurately verified with other
49 information sources and that no data entry error, or other similar type
50 of error, occurred. Following completion of the preceding steps, the
51 county board of elections shall mail (a) a notice of its approval, (b) a
52 notice of its approval which includes an indication that such board has
53 not yet been able to verify the identity of the applicant and a request
54 for more information so that such verification may be completed, or (c)
55 a notice of its rejection of the application to the applicant in a form
56 approved by the state board of elections. Notices of approval, notices

1 of approval with requests for more information or notices of rejection
2 shall be sent by nonforwardable first class or return postage guaranteed
3 mail on which is endorsed such language designated by the state board of
4 elections to ensure postal authorities do not forward such mail but
5 return it to the board of elections with forwarding information, when it
6 cannot be delivered as addressed and which contains a request that any
7 such mail received for persons not residing at the address be dropped
8 back in the mail. The voter's registration and enrollment shall be
9 complete upon receipt of the application by the appropriate county board
10 of elections. The failure of a county board of elections to verify an
11 applicant's identity shall not be the basis for the rejection of a
12 voter's application, provided, however, that such verification failure
13 shall be the basis for requiring county board of elections to take the
14 additional verification steps provided by this chapter. The notice shall
15 also advise the registrant of the date when ~~his~~ their registration and
16 enrollment is effective, of the date and the hours of the next regularly
17 scheduled primary or general election in which ~~he~~ such registrant will
18 be eligible to vote, of the location of the polling place of the
19 election district in which ~~he~~ such registrant is or will be a quali-
20 fied voter, whether such polling place is accessible to physically hand-
21 icapped voters, an indication that physically handicapped voters or
22 voters who are ill or voters who will be out of the city or county on
23 the day of the primary or general election, may obtain an absentee
24 ballot and the phone number to call for absentee ballot applications,
25 the phone numbers to call for location of polling places, to obtain
26 registration forms and the phone number to call to indicate that the
27 voter is willing to serve on election day as an inspector, poll clerk or
28 interpreter. The notice of approval, notice of approval with request for
29 more information or notice of rejection shall also advise the applicant
30 to notify the board of elections if there is any inaccuracy. The form of
31 such mail notification shall be prescribed by the state board of
32 elections and shall contain such other information and instructions as
33 it may reasonably require to carry out the purposes of this section. The
34 request for more information shall inform the voter that "THE FAILURE TO
35 CONTACT THE BOARD OF ELECTIONS AND CORRECT ANY INACCURACIES IN THE
36 APPLICATION OR PROVIDE REQUESTED ADDITIONAL INFORMATION MAY RESULT IN A
37 REQUEST FOR IDENTIFICATION AT THE POLLS IN ORDER TO CAST A VOTE ON A
38 VOTING MACHINE." If such notice is returned undelivered without a new
39 address, the board shall forthwith send such applicant a confirmation
40 notice pursuant to the provisions of section 5-712 of this article and
41 place such applicant in inactive status. The state board of elections
42 shall prepare uniform notices by this section as provided for in subdi-
43 vision eight of section 3-102 of this chapter.

44 10. If the board of elections has been unable to verify the identity
45 of the applicant within forty-five days of the application, the board
46 shall mail a second request for more information to the applicant. This
47 notice shall inform the voter that "THE FAILURE TO CONTACT THE BOARD OF
48 ELECTIONS AND CORRECT ANY INACCURACIES IN THE APPLICATION OR PROVIDE
49 REQUESTED ADDITIONAL INFORMATION MAY RESULT IN A REQUEST FOR IDENTIFICA-
50 TION AT THE POLLS IN ORDER TO CAST A VOTE ON A VOTING MACHINE." If the
51 board of elections remains unable to verify the identity of the voter it
52 shall so indicate with a notation next to the voter's name in the regis-
53 tration list. Such a voter may provide information to assist the county
54 board to verify ~~his or her~~ their identity at any time and such nota-
55 tion shall be removed by the board of elections upon such verification.

11. If the county board of elections suspects or believes that for any reason the applicant is not entitled to registration and enrollment, it shall make inquiry in reference thereto. If the board of elections shall find that the applicant is not qualified to register and enroll, the application shall be rejected and the applicant notified of such rejection and the reason therefor, no later than ~~[ten]~~ seven days before the day of the first primary or general election occurring at least ~~[twenty-five]~~ ten days after the filing of the application.

12. Whenever the county board of elections is not satisfied from an examination of an application for registration and enrollment, or after its initial inquiry, that the applicant is entitled to such registration or enrollment, it may order an investigation through any officer or employee of the state or county board of elections, police officer, sheriff or deputy sheriff.

13. An affidavit or a signed statement by any officer or employee of the state or county board of elections or any police officer, sheriff or deputy sheriff, that such person visited the premises claimed by the applicant as ~~[his or her]~~ their residence and interrogated an incarcerated individual, house-dweller, keeper, caretaker, owner, proprietor or landlord thereof or therein as to such applicant's residence therein or thereat, and that ~~[he or she was]~~ they were informed by one or more such persons, naming them, that they knew the persons residing upon such premises and that the applicant did not reside upon such premises as set forth in ~~[his or her]~~ their application, shall be sufficient authority for a determination by the board that the applicant is not entitled to registration or enrollment; but this provision shall not preclude the board from making such other determination, as the result of other inquiry, as it may deem appropriate.

14. Notwithstanding the entry by the county board of elections on the registration poll record of the information contained on an application form prescribed by this section, such entry shall not preclude the county board of elections from subsequently rejecting the application if it is not satisfied that the applicant is entitled to register and enroll as provided by this section, provided that the applicant is notified of such rejection and reasons therefor no later than ~~[ten]~~ seven days before the day of the first primary or general election occurring at least ~~[twenty-five]~~ ten days after the filing of such application form.

15. a. The county board of elections shall keep a record of applications for registration as they are received and at least once each month, shall, upon request of the chairman of a political party in the county, give such chairman a complete list of the persons whose applications were approved together with their addresses and telephone numbers, and their election and assembly districts or wards, if any.

b. Not more than four times a year, on dates determined by the state board of elections, the county board of elections shall send to the chairman of each political party in the county a complete list of the persons whose applications were approved together with their addresses, their election and assembly districts or wards, if any, their party enrollments and an indication of whether such persons are eligible to vote in the primary elections to be held in that calendar year. Not more than twice a year, in even numbered years, on dates determined by the state board of elections, the county board of elections shall send a copy of such list to the state board of elections. In counties of over one hundred thousand population, each such list shall be, and in other counties each such list may be, cumulative and include the names of all such persons whose names do not appear in the annual enrollment lists

1 last published by such board of elections, together with an indication
2 of which such names did not appear on the previous list. Such lists may
3 also include the names of those persons whose names do appear in the
4 annual enrollment lists. Such lists shall be arranged in the same manner
5 as the annual enrollment lists. Additional copies of such lists shall be
6 available to the public at a charge not exceeding the cost of publica-
7 tion or reproduction.
