IN ASSEMBLY

April 3, 2024

Introduced by M. of A. CARROLL -- read once and referred to the Committee on Corporations, Authorities and Commissions

AN ACT to direct the metropolitan transportation authority to study the feasibility and impact of installing sliding access doors on subway platforms

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The metropolitan transportation authority shall conduct a study to examine the feasibility and impact of the installation of sliding access doors upon platforms at subway facilities operated by such authority including, but not limited to the following issues:

(a) increased benefits to the safety of customers;

(b) the likelihood of fatality prevention; and

(c) the fiscal impact of installation.

§ 2. Within one year of the effective date of this act, the chairman of the metropolitan transportation authority shall submit a written report to the governor, temporary president of the senate, speaker of the assembly and mayor of the city of New York, with the findings and recommendations of the study conducted pursuant to section one of this act.

§ 3. This act shall take effect immediately.
