§ 2899-d. Definitions. As used in this article:

1. "Adult" means an individual who is eighteen years of age or older.

2. "Attending physician" means the physician who has primary responsibility for the care of the patient and treatment of the patient's terminal illness or condition.

3. "Capacity" means the ability to understand and appreciate the nature and consequences of health care decisions, including the benefits and risks of and alternatives to any proposed health care, including medical aid in dying, and to reach an informed decision.

4. "Consulting physician" means a physician who is qualified by specialty or experience to make a professional diagnosis and prognosis regarding a person's terminal illness or condition.

5. "Health care facility" means a general hospital, nursing home, or residential health care facility as defined in section twenty-eight hundred one of this chapter, or a hospice as defined in section four thousand two of this chapter; provided that for the purposes of section twenty eight hundred ninety-nine-m of this article, "hospice" shall refer only to a facility providing in-patient hospice care or a hospice residence.

6. "Health care provider" means a person licensed, certified, or authorized by law to administer health care or dispense medication in the ordinary course of business or practice of a profession.

7. "Informed decision" means a decision by a patient who is suffering from a terminal illness or condition to request and obtain a prescription for medication that the patient may self-administer to end the patient's life that is based on an understanding and acknowledgment of the relevant facts and that is made voluntarily, of the patient's own volition and without coercion, after being fully informed of:

(a) the patient's medical diagnosis and prognosis;

(b) the potential risks associated with taking the medication to be prescribed;

(c) the probable result of taking the medication to be prescribed;

(d) the possibility that the patient may choose not to obtain the medication, or may obtain the medication but may decide not to self-administer it; and

(e) the feasible alternatives and appropriate treatment options, including but not limited to palliative care and hospice care.

8. "Medical aid in dying" means the medical practice of a physician prescribing medication to a qualified individual that the individual may choose to self-administer to bring about death.

9. "Medically confirmed" means the medical opinion of the attending physician that a patient has a terminal illness or condition and has made an informed decision which has been confirmed by a consulting physician who has examined the patient and the patient's relevant medical records.

10. "Medication" means medication prescribed by a physician under this article.

11. "Mental health professional" means a licensed physician, who is a diplomate or eligible to be certified by a national board of psychiatry, psychiatric nurse practitioner, or psychologist, licensed or certified under the education law acting within his or her scope of practice and

1 who is qualified, by training and experience, certification, or board
2 certification or eligibility, to make a determination under section
3 twenty-eight hundred ninety-nine-i of this article.

4 12. "Palliative care" means health care treatment, including interdis-
5 ciplinary end-of-life care, and consultation with patients and family
6 members, to prevent or relieve pain and suffering and to enhance the
7 patient's quality of life, including hospice care under article forty of
8 this chapter.

9 13. "Patient" means a person who is eighteen years of age or older
10 under the care of a physician.

11 14. "Physician" means an individual licensed to practice medicine in
12 New York state.

13 15. "Qualified individual" means a patient with a terminal illness or
14 condition, who has capacity, has made an informed decision, and has
15 satisfied the requirements of this article in order to obtain a
16 prescription for medication.

17 16. "Self-administer" means a qualified individual's affirmative,
18 conscious, and voluntary act to ingest medication under this article.
19 Self-administration does not include lethal injection or lethal
20 infusion.

21 17. "Terminal illness or condition" means an incurable and irrevers-
22 ible illness or condition that has been medically confirmed and will,
23 within reasonable medical judgment, produce death within six months.

24 § 2899-e. Request process. 1. Oral and written request. A patient
25 wishing to request medication under this article shall make an oral
26 request and submit a written request to the patient's attending physi-
27 cian.

28 2. Making a written request. A patient may make a written request for
29 and consent to self-administer medication for the purpose of ending his
30 or her life in accordance with this article if the patient:

31 (a) has been determined by the attending physician to have a terminal
32 illness or condition and which has been medically confirmed by a
33 consulting physician; and

34 (b) based on an informed decision, expresses voluntarily, of the
35 patient's own volition and without coercion the request for medication
36 to end his or her life.

37 3. Written request signed and witnessed. (a) A written request for
38 medication under this article shall be signed and dated by the patient
39 and witnessed by at least two adults who, in the presence of the
40 patient, attest that to the best of his or her knowledge and belief the
41 patient has capacity, is acting voluntarily, is making the request for
42 medication of his or her own volition and is not being coerced to sign
43 the request. The written request shall be in substantially the form
44 described in section twenty-eight hundred ninety-nine-k of this article.

45 (b) One of the witnesses shall be an adult who is not:

46 (i) a relative of the patient by blood, marriage or adoption;

47 (ii) a person who at the time the request is signed would be entitled
48 to any portion of the estate of the patient upon death under any will or
49 by operation of law; or

50 (iii) an owner, operator, employee or independent contractor of a
51 health care facility where the patient is receiving treatment or is a
52 resident.

53 (c) The attending physician, consulting physician and, if applicable,
54 the mental health professional who provides a capacity determination of
55 the patient under this article shall not be a witness.

1 4. No person shall qualify for medical aid in dying under this article
2 solely because of age or disability.

3 5. Requests for a medical aid-in-dying prescription must be made by
4 the qualified individual and may not be made by any other individual,
5 including the qualified individual's health care agent, or other agent
6 or surrogate, or via advance healthcare directive.

7 § 2899-f. Attending physician responsibilities. 1. The attending
8 physician shall examine the patient and his or her relevant medical
9 records and:

10 (a) make a determination of whether a patient has a terminal illness
11 or condition, has capacity, has made an informed decision and has made
12 the request voluntarily of the patient's own volition and without coer-
13 cion;

14 (b) inform the patient of the requirement under this article for
15 confirmation by a consulting physician, and refer the patient to a
16 consulting physician upon the patient's request;

17 (c) refer the patient to a mental health professional pursuant to
18 section twenty-eight hundred ninety-nine-i of this article if the
19 attending physician believes that the patient may lack capacity to make
20 an informed decision;

21 (d) provide information and counseling under section twenty-nine
22 hundred ninety-seven-c of this chapter;

23 (e) ensure that the patient is making an informed decision by discuss-
24 ing with the patient: (i) the patient's medical diagnosis and prognosis;
25 (ii) the potential risks associated with taking the medication to be
26 prescribed; (iii) the probable result of taking the medication to be
27 prescribed; (iv) the possibility that the patient may choose to obtain
28 the medication but not take it; (v) the feasible alternatives and appro-
29 priate treatment options, including but not limited to (1) information
30 and counseling regarding palliative and hospice care and end-of-life
31 options appropriate to the patient, including but not limited to: the
32 range of options appropriate to the patient; the prognosis, risks and
33 benefits of the various options; and the patient's legal rights to
34 comprehensive pain and symptom management at the end of life; and (2)
35 information regarding treatment options appropriate to the patient,
36 including the prognosis, risks and benefits of the various treatment
37 options;

38 (f) offer to refer the patient for other appropriate treatment
39 options, including but not limited to palliative care and hospice care;

40 (g) discuss with the patient the importance of:

41 (i) having another person present when the patient takes the medica-
42 tion and the restriction that no person other than the patient may
43 administer the medication;

44 (ii) not taking the medication in a public place; and

45 (iii) informing the patient's family of the patient's decision to
46 request and take medication that will end the patient's life; a patient
47 who declines or is unable to notify family shall not have his or her
48 request for medication denied for that reason;

49 (h) inform the patient that he or she may rescind the request for
50 medication at any time and in any manner;

51 (i) fulfill the medical record documentation requirements of section
52 twenty-eight hundred ninety-nine-j of this article; and

53 (j) ensure that all appropriate steps are carried out in accordance
54 with this article before writing a prescription for medication.

55 2. Upon receiving confirmation from a consulting physician under
56 section twenty-eight hundred ninety-nine-h of this article and subject

1 to section twenty-eight hundred ninety-nine-i of this article, the
2 attending physician who determines that the patient has a terminal
3 illness or condition, has capacity and has made a voluntary request for
4 medication as provided in this article, may personally, or by referral
5 to another physician, prescribe or order appropriate medication in
6 accordance with the patient's request under this article, and at the
7 patient's request, facilitate the filling of the prescription and deliv-
8 ery of the medication to the patient.

9 3. In accordance with the direction of the prescribing or ordering
10 physician and the consent of the patient, the patient may self-adminis-
11 ter the medication to himself or herself. A health care professional or
12 other person shall not administer the medication to the patient.

13 § 2899-g. Right to rescind request; requirement to offer opportunity
14 to rescind. 1. A patient may at any time rescind his or her request for
15 medication under this article without regard to the patient's capacity.

16 2. A prescription for medication may not be written without the
17 attending physician offering the qualified individual an opportunity to
18 rescind the request.

19 § 2899-h. Consulting physician responsibilities. Before a patient who
20 is requesting medication may receive a prescription for medication under
21 this article, a consulting physician must:

22 1. examine the patient and his or her relevant medical records;

23 2. confirm, in writing, to the attending physician and the patient,
24 whether: (a) the patient has a terminal illness or condition; (b) the
25 patient is making an informed decision; (c) the patient has capacity, or
26 provide documentation that the consulting physician has referred the
27 patient for a determination under section twenty-eight hundred ninety-
28 nine-i of this article; and (d) the patient is acting voluntarily, of
29 the patient's own volition and without coercion.

30 § 2899-i. Referral to mental health professional. 1. If the attending
31 physician or the consulting physician determines that the patient may
32 lack capacity to make an informed decision due to a condition, includ-
33 ing, but not limited to, a psychiatric or psychological disorder, or
34 other condition causing impaired judgement, the attending physician or
35 consulting physician shall refer the patient to a mental health profes-
36 sional for a determination of whether the patient has capacity to make
37 an informed decision. The referring physician shall advise the patient
38 that the report of the mental health professional will be provided to
39 the attending physician and the consulting physician.

40 2. A mental health professional who evaluates a patient under this
41 section shall report, in writing, to the attending physician and the
42 consulting physician, his or her independent conclusions about whether
43 the patient has capacity to make an informed decision, provided that if,
44 at the time of the report, the patient has not yet been referred to a
45 consulting physician, then upon referral the attending physician shall
46 provide the consulting physician with a copy of the mental health
47 professional's report. If the mental health professional determines that
48 the patient lacks capacity to make an informed decision, the patient
49 shall not be deemed a qualified individual, and the attending physician
50 shall not prescribe medication to the patient.

51 3. A determination made pursuant to this section that an adult patient
52 lacks decision-making capacity shall not be construed as a finding that
53 the patient lacks capacity for any other purpose.

54 § 2899-j. Medical record documentation requirements. An attending
55 physician shall document or file the following in the patient's medical
56 record:

1 1. the dates of all oral requests by the patient for medication under
2 this article;

3 2. the written request by the patient for medication under this arti-
4 cle, including the declaration of witnesses and interpreter's declara-
5 tion, if applicable;

6 3. the attending physician's diagnosis and prognosis, determination of
7 capacity, and determination that the patient is acting voluntarily, of
8 the patient's own volition and without coercion, and has made an
9 informed decision;

10 4. if applicable, written confirmation of capacity under section twenty-
11 eight hundred ninety-nine-i of this article; and

12 5. a note by the attending physician indicating that all requirements
13 under this article have been met and indicating the steps taken to carry
14 out the request, including a notation of the medication prescribed or
15 ordered.

16 § 2899-k. Form of written request and witness attestation. 1. A
17 request for medication under this article shall be in substantially the
18 following form:

19 REQUEST FOR MEDICATION TO END MY LIFE

20 I, _____, am an adult who has capacity,
21 which means I understand and appreciate the nature and consequences of
22 health care decisions, including the benefits and risks of and alterna-
23 tives to any proposed health care, and to reach an informed decision and
24 to communicate health care decisions to a physician.

25 I have been diagnosed with _____ (insert diagnosis), which my
26 attending physician has determined is a terminal illness or condition,
27 which has been medically confirmed by a consulting physician.

28 I have been fully informed of my diagnosis and prognosis, the nature
29 of the medication to be prescribed and potential associated risks, the
30 expected result, and the feasible alternatives and treatment options
31 including but not limited to palliative care and hospice care.

32 I request that my attending physician prescribe medication that will
33 end my life if I choose to take it, and I authorize my attending physi-
34 cian to contact another physician or any pharmacist about my request.

35 INITIAL ONE:

36 () I have informed or intend to inform one or more members of my
37 family of my decision.

38 () I have decided not to inform any member of my family of my deci-
39 sion.

40 () I have no family to inform of my decision.

41 I understand that I have the right to rescind this request or decline
42 to use the medication at any time.

43 I understand the importance of this request, and I expect to die if I
44 take the medication to be prescribed. I further understand that although
45 most deaths occur within three hours, my death may take longer, and my
46 attending physician has counseled me about this possibility.

47 I make this request voluntarily, of my own volition and without being
48 coerced, and I accept full responsibility for my actions.

49 Signed: _____

50 Dated: _____

51 DECLARATION OF WITNESSES

I declare that the person signing this "Request for Medication to End My Life":

(a) is personally known to me or has provided proof of identity;

(b) voluntarily signed the "Request for Medication to End My Life" in my presence or acknowledged to me that he or she signed it; and

(c) to the best of my knowledge and belief, has capacity and is making the "Request for Medication to End My Life" voluntarily, of his or her own volition and is not being coerced to sign the "Request for Medication to End My Life".

I am not the attending physician or consulting physician of the person signing the "Request for Medication to End My Life" or, if applicable, the mental health professional who provides a capacity determination of the person signing the "Request for Medication to End My Life" at the time the "Request for Medication to End My Life" was signed.

I further declare under penalty of perjury that the statements made herein are true and correct and false statements made herein are punishable.

Witness 1, Date:

(Printed name)

NOTE: Only one of the two witnesses may (i) be a relative (by blood, marriage or adoption) of the person signing the "Request for Medication to End My Life", (ii) be entitled to any portion of the person's estate upon death under any will or by operation of law, or (iii) own, operate, be employed or be an independent contractor at a health care facility where the person is receiving treatment or is a resident.

2. (a) The "Request for Medication to End My Life" shall be written in the same language as any conversations, consultations, or interpreted conversations or consultations between a patient and at least one of his or her attending or consulting physicians.

(b) Notwithstanding paragraph (a) of this subdivision, the written "Request for Medication to End My Life" may be prepared in English even when the conversations or consultations or interpreted conversations or consultations were conducted in a language other than English or with

auxiliary aids or hearing, speech or visual aids, if the English language form includes an attached declaration by the interpreter of the conversation or consultation, which shall be in substantially the following form:

INTERPRETER'S DECLARATION

I, _____ (insert name of interpreter) _____, (mark as applicable):

() for a patient whose conversations or consultations or interpreted conversations or consultations were conducted in a language other than English and the "Request for Medication to End My Life" is in English: I declare that I am fluent in English and (insert target language). I have the requisite language and interpreter skills to be able to interpret effectively, accurately and impartially information shared and communications between the attending or consulting physician and (name of patient).

I certify that on (insert date), at approximately (insert time), I interpreted the communications and information conveyed between the physician and (name of patient) as accurately and completely to the best of my knowledge and ability and read the "Request for Medication to End My Life" to (name of patient) in (insert target language).

(Name of patient) affirmed to me his/her desire to sign the "Request for Medication to End My Life" voluntarily, of (name of patient)'s own volition and without coercion.

() for a patient with a speech, hearing or vision disability: I declare that I have the requisite language, reading and/or interpreter skills to communicate with the patient and to be able to read and/or interpret effectively, accurately and impartially information shared and communications that occurred on (insert date) between the attending or consulting physician and (name of patient).

I certify that on (insert date), at approximately (insert time), I read and/or interpreted the communications and information conveyed between the physician and (name of patient) impartially and as accurately and completely to the best of my knowledge and ability and, where needed for effective communication, read or interpreted the "Request for Medication to End my Life" to (name of patient).

(Name of patient) affirmed to me his/her desire to sign the "Request for Medication to End My Life" voluntarily, of (name of patient)'s own volition and without coercion.

I further declare under penalty of perjury that (i) the foregoing is true and correct; (ii) I am not (A) related to (name of patient) by blood, marriage or adoption, (B) entitled at the time (name of patient) signed the "Request for Medication to End My Life" to any portion of the estate of (name of patient) upon his/her death under any will or by operation of law, or (C) an owner, operator, employee or independent contractor of a health care facility where (name of patient) is receiving treatment or is a resident, except that if I am an employee or independent contractor at such health care facility, providing interpreter services is part of my job description at such health care facility or I have been trained to provide interpreter services and (name of patient) requested that I provide interpreter services to him/her for the purposes stated in this Declaration; and (iii) false statements made herein are punishable.

1 Executed at (insert city, county and state) on this (insert day of
2 month) of (insert month), (insert year).

3 _____ (Signature of Interpreter)

4 _____ (Printed name of Interpreter)

5 _____ (ID # or Agency Name)

6 _____ (Address of Interpreter)

7 _____ (Language Spoken by Interpreter)

8 (c) An interpreter whose services are provided under paragraph (b) of
9 this subdivision shall not (i) be related to the patient who signs the
10 "Request for Medication to End My Life" by blood, marriage or adoption,
11 (ii) be entitled at the time the "Request for Medication to End My Life"
12 is signed by the patient to any portion of the estate of the patient
13 upon death under any will or by operation of law, or (iii) be an owner,
14 operator, employee or independent contractor of a health care facility
15 where the patient is receiving treatment or is a resident; provided that
16 an employee or independent contractor whose job description at the
17 health care facility includes interpreter services or who is trained to
18 provide interpreter services and who has been requested by the patient
19 to serve as an interpreter under this article shall not be prohibited
20 from serving as a witness under this article.

21 § 2899-l. Protection and immunities. 1. A physician, pharmacist, other
22 health care professional or other person shall not be subject to civil
23 or criminal liability or professional disciplinary action by any govern-
24 ment entity for taking any reasonable good-faith action or refusing to
25 act under this article, including, but not limited to: (a) engaging in
26 discussions with a patient relating to the risks and benefits of end-of-
27 life options in the circumstances described in this article, (b) provid-
28 ing a patient, upon request, with a referral to another health care
29 provider, (c) being present when a qualified individual self-administers
30 medication, (d) refraining from acting to prevent the qualified individ-
31 ual from self-administering such medication, or (e) refraining from
32 acting to resuscitate the qualified individual after he or she self-ad-
33 ministers such medication.

34 2. Nothing in this section shall limit civil or criminal liability for
35 negligence, recklessness or intentional misconduct.

36 § 2899-m. Permissible refusals and prohibitions. 1. (a) A physician,
37 nurse, pharmacist, other health care provider or other person shall not
38 be under any duty, by law or contract, to participate in the provision
39 of medication to a patient under this article.

40 (b) If a health care provider is unable or unwilling to participate in
41 the provision of medication to a patient under this article and the
42 patient transfers care to a new health care provider, the prior health
43 care provider shall transfer or arrange for the transfer, upon request,
44 of a copy of the patient's relevant medical records to the new health
45 care provider.

46 2. (a) A private health care facility may prohibit the prescribing,
47 dispensing, ordering or self-administering of medication under this
48 article while the patient is being treated in or while the patient is
49 residing in the health care facility if:

1 (i) the prescribing, dispensing, ordering or self-administering is
2 contrary to a formally adopted policy of the facility that is expressly
3 based on sincerely held religious beliefs or moral convictions central
4 to the facility's operating principles; and

5 (ii) the facility has informed the patient of such policy prior to
6 admission or as soon as reasonably possible.

7 (b) Where a facility has adopted a prohibition under this subdivision,
8 if a patient who wishes to use medication under this article requests,
9 the patient shall be transferred promptly to another health care facili-
10 ty that is reasonably accessible under the circumstances and willing to
11 permit the prescribing, dispensing, ordering and self-administering of
12 medication under this article with respect to the patient.

13 3. Where a health care facility has adopted a prohibition under this
14 subdivision, any health care provider or employee or independent
15 contractor of the facility who violates the prohibition may be subject
16 to sanctions otherwise available to the facility, provided the facility
17 has previously notified the health care provider, employee or independ-
18 ent contractor of the prohibition in writing.

19 § 2899-n. Relation to other laws and contracts. 1. (a) A patient who
20 requests medication under this article shall not, because of that
21 request, be considered to be a person who is suicidal, and self-adminis-
22 tering medication under this article shall not be deemed to be suicide,
23 for any purpose.

24 (b) Action taken in accordance with this article shall not be
25 construed for any purpose to constitute suicide, assisted suicide,
26 attempted suicide, promoting a suicide attempt, euthanasia, mercy kill-
27 ing, or homicide under the law, including as an accomplice or accessory
28 or otherwise.

29 2. (a) No provision in a contract, will or other agreement, whether
30 written or oral, to the extent the provision would affect whether a
31 person may make or rescind a request for medication or take any other
32 action under this article, shall be valid.

33 (b) No obligation owing under any contract shall be conditioned or
34 affected by the making or rescinding of a request by a person for medi-
35 cation or taking any other action under this article.

36 3. (a) A person and his or her beneficiaries shall not be denied bene-
37 fits under a life insurance policy for actions taken in accordance with
38 this article.

39 (b) Notwithstanding the provisions of any law or contract, the sale,
40 procurement or issuance of a life or health insurance or annuity policy,
41 or the rate charged for a policy, shall not be conditioned upon or
42 affected by a patient making or rescinding a request for medication
43 under this article.

44 4. An insurer shall not provide any information in communications made
45 to a patient about the availability of medication under this article
46 absent a request by the patient or by his or her attending physician
47 upon the request of such patient. Any communication shall not include
48 both the denial of coverage for treatment and information as to the
49 availability of medication under this article.

50 5. The sale, procurement, or issue of any professional malpractice
51 insurance policy or the rate charged for the policy shall not be condi-
52 tioned upon or affected by whether the insured does or does not take or
53 participate in any action under this article.

54 § 2899-o. Safe disposal of unused medications. A person who has
55 custody or control of any unused medication prescribed under this arti-
56 cle after the death of the qualified individual shall personally deliver

1 the unused medication for disposal to the nearest qualified facility
2 that properly disposes of controlled substances or shall dispose of it
3 by lawful means in accordance with regulations made by the commissioner,
4 regulations made by or guidelines of the commissioner of education, or
5 guidelines of a federal drug enforcement administration approved take-
6 back program. A qualified facility that properly disposes of controlled
7 substances shall accept and dispose of any medication delivered to it as
8 provided hereunder regardless of whether such medication is a controlled
9 substance. The commissioner may make regulations as may be appropriate
10 for the safe disposal of unused medications prescribed, dispensed or
11 ordered under this article as provided in this section.

12 § 2899-p. Death certificate. 1. If otherwise authorized by law, the
13 attending physician may sign the qualified individual's death certifi-
14 cate.

15 2. The cause of death listed on a qualified individual's death certifi-
16 cate who dies after self-administering medication under this article
17 will be the underlying terminal illness or condition.

18 § 2899-q. Reporting. 1. The commissioner shall annually review a
19 sample of the records maintained under sections twenty-eight hundred
20 ninety-nine-j and twenty-eight hundred ninety-nine-p of this article.
21 The commissioner shall adopt regulations establishing reporting require-
22 ments for physicians taking action under this article to determine
23 utilization and compliance with this article. The information collected
24 under this subdivision shall not constitute a public record available
25 for public inspection and shall be confidential and collected and main-
26 tained in a manner that protects the privacy of the patient, his or her
27 family, and any health care provider acting in connection with such
28 patient under this article, except that such information may be
29 disclosed to a governmental agency as authorized or required by law
30 relating to professional discipline, protection of public health or law
31 enforcement.

32 2. The commissioner shall prepare a report annually containing rele-
33 vant data regarding utilization and compliance with this article and
34 shall send such report to the legislature, and post such report on the
35 department's website.

36 § 2899-r. Penalties. 1. Nothing in this article shall be construed to
37 limit professional discipline or civil liability resulting from conduct
38 in violation of this article, negligent conduct, or intentional miscon-
39 duct by any person.

40 2. Conduct in violation of this article shall be subject to applicable
41 criminal liability under state law, including, where appropriate and
42 without limitation, offenses constituting homicide, forgery, coercion,
43 and related offenses, or federal law.

44 § 2899-s. Severability. If any provision of this article or any appli-
45 cation of any provision of this article, is held to be invalid, or to
46 violate or be inconsistent with any federal law or regulation, that
47 shall not affect the validity or effectiveness of any other provision of
48 this article, or of any other application of any provision of this arti-
49 cle, which can be given effect without that provision or application;
50 and to that end, the provisions and applications of this article are
51 severable.

52 § 3. This act shall take effect immediately.
