The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The general municipal law is amended by adding a new  
2 section 26 to read as follows:

3 § 26. Funding of mandates. 1. Definitions. As used in this section,  
4 the following terms shall have the following meanings unless the context  
5 shall otherwise require:

6 (a) "Mandate" means:

7 (i) any state law, rule or regulation which establishes a new program  
8 or requires a higher level of service for an existing program which a  
9 municipal corporation is required to provide; or

10 (ii) any provision of general law which grants a new property tax  
11 exemption or abatement or increases an existing property tax exemption  
12 or abatement which a municipal corporation is required to provide.

13 (b) "Unfunded mandate" shall mean:

14 (i) any state law, rule or regulation which establishes a new program  
15 or requires a higher level of service for an existing program which a  
16 municipal corporation is required to provide, and which results in a net  
17 additional cost to such municipal corporation;

18 (ii) any alteration in funding provided to a municipal corporation for  
19 the purpose of defraying the costs of a program which it is required to  
20 provide, thereby resulting in a net additional cost to such municipal

(iii) any provision of general law which grants a new property tax exemption or abatement or increases an existing property tax exemption or abatement which any municipal corporation is required to provide, thereby resulting in a net additional cost to such municipal corporation.

(c) "Net additional cost" means the increased cost or costs incurred or anticipated to be incurred within a one year period by a municipal corporation in performing or administering a mandate after subtracting therefrom any revenues received or receivable by such municipal corporation on account of the mandated program or service, including but not limited to:

(i) fees charged to the recipients of the mandated program or service;

(ii) state or federal aid paid specifically or categorically in connection with the program or service; and

(iii) an offsetting savings resulting from the diminution or elimination of any other program or service directly attributable to the performance or administration of the mandated program.

2. Funding of municipal corporation mandates. Notwithstanding any other provision of law to the contrary, no unfunded mandate shall be enacted which creates an increased annual net additional cost to any municipal corporation. Each mandate which imposes a net additional cost upon a municipal corporation shall provide for compensation or funding by the state of the full amount of the net additional cost thereof. In the event such compensation or funding is not provided, the mandate shall be void.

3. Exemptions to the funding of municipal corporation mandates requirement. (a) The state shall not be required to fund any mandate if:

(i) The mandate is required by a court order or judgment;

(ii) The mandate is provided at the option of the local government under a law, regulation, rule or order that is permissive rather than mandatory;

(iii) The mandate results from the enactment of legislation requested by the municipal corporation in a home rule message requesting authority to implement the program or service specified in the statute, and the statute imposes costs only upon that municipal corporation which requests the authority to implement the program or service;

(iv) The mandate is required by, or arises from, an executive order of the governor exercising his or her emergency powers; or

(v) The mandate is required by statute or executive order that implements a federal law or regulation and results from costs mandated by the federal government to be borne at the local level, unless the statute or executive order results in costs which exceed the costs mandated by the federal government.

(b) Every statute, rule or regulation establishing a mandate shall provide that the effective date of any such mandate imposed on municipal corporations shall be consistent with the needs of the state and municipal corporations to plan implementation thereof and be consistent with the availability of required funds.

§ 2. The education law is amended by adding a new section 1527-b to read as follows:

§ 1527-b. Funding of mandates imposed on school districts. 1. Definitions. As used in this section, the following terms shall have the following meanings unless the context shall otherwise require:

(a) "Mandate" means:

1 (i) any state law, rule or regulation which establishes a new program  
2 or requires a higher level of service for an existing program which a  
3 school district is required to provide; or

4 (ii) any provision of general law which grants a new property tax  
5 exemption or abatement or increases an existing property tax exemption  
6 or abatement which a school district is required to provide.

7 (b) "Unfunded mandate" shall mean:

8 (i) any state law, rule or regulation which establishes a new program  
9 or requires a higher level of service for an existing program which a  
10 school district is required to provide and which results in a net addi-  
11 tional cost to such school district;

12 (ii) any alteration in funding provided to a school district for the  
13 purpose of defraying the costs of a program which it is required to  
14 provide, thereby resulting in a net additional cost to such school  
15 district; or

16 (iii) any provision of general law which grants a new property tax  
17 exemption or abatement or increases an existing property tax exemption  
18 or abatement which a school district is required to provide, thereby  
19 resulting in a net additional cost to such school district.

20 (c) "Net additional cost" means the increased cost or costs incurred  
21 or anticipated to be incurred within a one year period by a school  
22 district in performing or administering a mandate after subtracting  
23 therefrom any revenues received or receivable by such school district on  
24 account of the mandated program or service, including but not limited  
25 to:

26 (i) fees charged to the recipients of the mandated program or service;

27 (ii) state or federal aid paid specifically or categorically in  
28 connection with the program or service; and

29 (iii) an offsetting savings resulting from the diminution or elimi-  
30 nation of any other program or service directly attributable to the  
31 performance or administration of the mandated program.

32 2. Funding of school district mandates. Notwithstanding any other  
33 provision of law to the contrary, no unfunded mandate shall be enacted  
34 which creates a net additional cost to any school district. Each  
35 mandate which imposes a net additional cost upon a school district shall  
36 provide for compensation or funding by the state of the full amount of  
37 the net additional costs thereof. In the event such compensation or  
38 funding is not provided, the mandate shall be void.

39 3. Exemptions to the funding of school district mandates requirement.

40 (a) The state shall not be required to fund any mandate for school  
41 districts if:

42 (i) The mandate is required by a court order or judgment;

43 (ii) The mandate is provided at the option of the school district  
44 under a law, regulation, rule or order that is permissive rather than  
45 mandatory;

46 (iii) The mandate results from the enactment of legislation requested  
47 by the school district in a home rule message requesting authority to  
48 implement the program or service specified in the statute, and the stat-  
49 ute imposes costs only upon that school district which requests the  
50 authority to implement the program or service;

51 (iv) The mandate is required by, or arises from, an executive order of  
52 the governor exercising his or her emergency powers; or

53 (v) The mandate is required by statute or executive order that imple-  
54 ments a federal law or regulation and results from costs mandated by the  
55 federal government to be borne at the local level, unless the statute or

1 executive order results in costs which exceed the costs mandated by the  
2 federal government.

3 (b) Every statute, rule or regulation establishing a mandate shall  
4 provide that the effective date of any such mandate imposed on school  
5 districts shall be consistent with the needs of the state and school  
6 districts to plan implementation thereof, and be consistent with the  
7 availability of required funds.

8 § 3. New York state mandate review council. 1. There shall be estab-  
9 lished a New York state mandate review council. Such council shall  
10 consist of fifteen members as follows: eight members appointed by the  
11 governor; three members appointed by the state comptroller; one member  
12 appointed by the temporary president of the senate; one member appointed  
13 by the speaker of the assembly; one member appointed by the minority  
14 leader of the senate; and one member appointed by the minority leader of  
15 the assembly. Such members shall be appointed and the council shall  
16 first convene no later than ninety days after this act shall have become  
17 law.

18 2. The members of the council shall include: at least one current or  
19 former county executive; at least one current or former county comp-

30 required pursuant to subdivision 5 of this section.

31 4. The council shall review all mandates in the state and compile a  
32 report outlining all mandates which have no cost on either the state or  
33 localities, all mandates whose costs are covered by the state, and all  
34 mandates which counties, cities, towns and villages are required to pay  
35 for. The council shall have the authority to eliminate or suspend any  
36 mandate; provided, however that the council shall not be allowed to add  
37 any new mandates or refine any existing mandates other than to eliminate  
38 or suspend such mandates.

39 5. The council shall draft a report which provides information on all  
40 mandates in the state, indicating those mandates imposed by the state on  
41 localities, the cost of each mandate, the percentage of each county's  
42 budget which accounts for state-imposed mandates, legislative recommen-  
43 dations, and any other information that the council deems relevant.

44 6. The report required pursuant to subdivision 5 of this section shall  
45 be provided to the governor, the state comptroller, the speaker of the

48 website of the state comptroller on the same day that such report is  
49 provided to such state officials.

50 § 4. No new mandates may be imposed on localities until the report of

52 three of this act has been published.

53 § 5. This act shall take effect immediately and sections one and two  
54 of this act shall apply to mandates enacted on or after such effective  
55 date.
