AN ACT to amend the public health law, in relation to potable water testing at state and local parks

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The public health law is amended by adding a new section 1110-a to read as follows:

§ 1110-a. Park potable water testing and standards. 1. The person, officer, board or commission having the management and control of the potable water supply of any state or local park shall conduct periodic first-drawn tap testing of potable water systems to monitor for lead contamination in each park under his or her jurisdiction as required by regulations promulgated pursuant to this section. The testing shall be conducted and the results analyzed by an entity or entities approved by the commissioner. Such periodic first-drawn tap testing shall occur at least once every three years.

2. Where a finding of lead contamination is made, the person, officer, board or commission having the management and control of the potable water supply of such park shall: (a) continue first-drawn tap water testing pursuant to regulations promulgated pursuant to this section; (b) provide park visitors with an adequate supply of safe, potable water for drinking as required by rules and regulations of the department until future tests indicate lead levels pursuant to regulations promulgated pursuant to this section; (c) conspicuously post warnings to park

1 visitors the form and content of such warnings to be promulgated by the  
2 commissioner, as well as posting such warnings and test results on the  
3 park's website; (d) notwithstanding any provision of law to the contra-  
4 ry, abate such contamination within ninety days; and (e) immediately  
5 transmit a copy of the results of all such testing, including laboratory  
6 reports, and any lead remediation plans to the commissioner of parks,  
7 recreation and historic preservation in a format to be determined by  
8 such commissioner.

9 3. The commissioner, in consultation with the commissioner of parks,  
10 recreation and historic preservation, shall promulgate regulations to  
11 carry out the provisions of this section, provided that such regulations  
12 shall include that lead action levels are exceeded if the concentration  
13 of lead is greater than 0.005 milligrams per liter.

14 4. The commissioner of parks, recreation and historic preservation  
15 shall make a copy of the results of all such testing and any lead reme-  
16 diation plans available to the public on the office of parks, recreation  
17 and historic preservation's website and any additional means as chosen  
18 by such commissioner. A copy of the results of all testing shall also be  
19 immediately transmitted to the department in a format to be determined  
20 by the commissioner. The commissioner of parks, recreation and historic  
21 preservation, in conjunction with the commissioner, shall publish a  
22 report biennially based on the findings from the tap water testing  
23 conducted according to the provisions of this section. Such report shall  
24 be sent to the commissioner, the governor, the temporary president of  
25 the senate, and the speaker of the assembly and shall be made available  
26 on the department's and office of parks, recreation and historic preser-  
27 vation's websites.

28 § 2. This act shall take effect on the ninetieth day after it shall  
29 have become a law. Effective immediately, the addition, amendment  
30 and/or repeal of any rule or regulation necessary for the implementation  
31 of this act on its effective date are authorized to be made and  
32 completed on or before such effective date.
