AN ACT to amend the executive law, in relation to the use of biodiesel and renewable diesel fuel in state vehicles

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The executive law is amended by adding a new section 201-b to read as follows:

§ 201-b. Use of biodiesel and renewable diesel in state vehicles. 1. Any diesel operated vehicles within the state fleet shall be replaced or retrofitted, if necessary, to operate on biodiesel or renewable diesel at the following levels:

a. For January first, two thousand twenty-five through December thirty-first, two thousand twenty-five, five percent biodiesel or renewable diesel;

b. For January first, two thousand twenty-six through December thirty-first, two thousand twenty-six, ten percent biodiesel or renewable diesel;

c. For January first, two thousand twenty-seven and thereafter, twenty percent biodiesel or renewable diesel.

2. For purposes of this section, "biodiesel" or "renewable diesel" shall mean a fuel that meets the requirements of the ASTM international specification D6751 or the requirements of the ASTM international specification D975. "Renewable diesel" shall not include cessed biomass with a feedstock that is not biomass; provided, however, that "renewable diesel" shall be produced from hydroprocessing renewable biomass feedstocks. "Biodiesel" shall mean renewable, biodegradable, mono alkyl ester

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
