2023-2024 Regular Sessions

## IN SENATE

January 13, 2023

---

Introduced by Sens. SKOUFIS, MAY -- read twice and ordered printed, and when printed to be committed to the Committee on Agriculture -- reported favorably from said committee and committed to the Committee on Finance -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to establish a youth development agriculture technology challenge

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. There is hereby established a youth development agricul-  
2 ture technology challenge competition ("challenge") for students in  
3 elementary, secondary, and higher education. Such challenge shall be  
4 coordinated by the department of agriculture and markets ("department")  
5 as part of the state fair in conjunction with Cornell cooperative exten-  
6 sion and other interested partners, including, but not limited to,  
7 institutions of higher education, school districts and boards of cooper-  
8 ative education services, youth agricultural organizations promoting  
9 leadership and career success in agriculture, and other science, tech-  
10 nology, engineering and mathematics and/or robotics competition  
11 programs. The department is authorized to utilize funds appropriated for  
12 the state fair and received pursuant to section 31-c of the agriculture  
13 and markets law and to receive, accept and use gifts and donations for  
14 the purpose of this act. All money received as  
15 gifts or donations shall be deposited in a special fund pursuant to  
16 section 31-c of the agriculture and markets law and disbursed for the  
17 purposes of this act or paid to the commissioner of taxation and  
18 finance, who together with the state comptroller is hereby constituted  
19 and appointed the joint custodian thereof and shall constitute a special  
20 fund to be used under the direction of the department for the purposes  
21 of this act. The department, Cornell cooperative extension and other  
22 participating partners shall work together to establish the challenge to  
23 engage students to develop solutions to relevant technological problems

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

1 and issues faced by farmers and food producers including, but not limit-  
2 ed to, increasing food production, increasing energy efficiency and  
3 decreasing the cost of farming and food production, and addressing the  
4 impact of farming on the environment and the impact of environmental  
5 changes such as climate change or pollinator loss on farming. The  
6 department and its partners shall identify resources including training  
7 or coaching that will assist students in underserved rural and urban  
8 communities to participate in the challenge, and develop deadlines,  
9 parameters including establishing elementary, secondary, or higher  
10 education categories, and relevant judging criteria for the projects  
11 submitted for the agriculture technology challenge. Subject to funds  
12 available for the purposes of this act prizes may be awarded for the  
13 winning submissions of the challenge.

14 § 2. This act shall take effect immediately.
