1 b. Retirement allowance. A member, covered by the provisions of this
2 section at the time of retirement, shall be entitled to retire upon
3 completion of twenty years of total creditable service in such titles,
4 and shall retire upon the attainment of the mandatory retirement age
5 prescribed by this section, by filing an application therefor in a
6 manner similar to that provided in section three hundred seventy of this
7 article.

8 1. Upon completion of twenty years of such service and upon retire-
9 ment, each such member shall receive a pension which, together with an
10 annuity for such years of service as provided in paragraph four of this
11 subdivision, shall be sufficient to provide him or her with a retirement
12 allowance of one-half of his or her final average salary.

13 2. Upon completion of more than twenty years of such service and upon
14 retirement, each such member shall receive, for each year of service in
15 excess of twenty, an additional pension which, together with an annuity
16 for each such year as provided in paragraph four of this subdivision,
17 shall be equal to one-sixtieth of his or her final average salary,
18 provided, however, that the pension payable pursuant to this section
19 shall not exceed three-quarters of final average salary.

20 3. Upon attainment of the mandatory retirement age without completion
21 of twenty years of such service, each such member shall receive a
22 pension which, together with an annuity for such years of service as
23 provided in paragraph four of this subdivision, shall be equal to one-
24 fortieth of his or her final average salary for each year of creditable
25 service in such titles. Every such member shall also be entitled to an
26 additional pension equal to the pension for any creditable service
27 rendered while not an employee in such titles as provided under para-

30 total allowance to more than one-half of his or her final average sala-

34 ment, of the member's accumulated contributions based upon the rate of
35 contribution fixed under section three hundred eighty-three of this
36 title and upon the salaries earned while in such service. Such annuity
37 shall be computed as it would be if it were not reduced by the actuarial
38 equivalent of any outstanding loan nor by reason of the member's
39 election to decrease his or her contributions toward retirement in order
40 to apply the resulting amount toward payment of contributions for old
41 age and survivor's insurance. Any accumulated contributions in excess of
42 the amount required to provide the annuity computed pursuant to this
43 paragraph shall be used to increase the member's retirement allowance.

44 c. Credit for previous service. In computing the years of total cred-
45 itable service for each member described herein, full credit shall be
46 given and full allowance shall be made for service rendered as a police

48 department of a state park authority or commission or an organized
49 police force or department of a county, city, town, village, police
50 district, authority or other participating employer or member of the
51 capital police force in the office of general services while a member of
52 the New York state and local police and fire retirement system, of the
53 New York state and local employees' retirement system or of the New York
54 city police pension fund and for all service for which full credit has
55 been given and full allowance made pursuant to the provisions of section
56 three hundred seventy-five-h of this article provided, however, that

1 full credit pursuant to the provisions of such section shall mean only
2 such service as would be creditable service pursuant to the provisions
3 of section three hundred eighty-three, three hundred eighty-three-a,
4 three hundred eighty-three-b, as added by chapter six hundred seventy-
5 four of the laws of nineteen hundred eighty-six, three hundred eighty-

7 nineteen hundred eighty-six, three hundred eighty-three-c or three
8 hundred eighty-three-d of this title or pursuant to the provisions of
9 title thirteen of the administrative code of the city of New York for
10 any member contributing pursuant to this section who transferred to the
11 jurisdiction of the department of environmental conservation including
12 but not limited to environmental conservation officers and forest
13 rangers, regional state park police or state university of New York
14 peace officers.

15 d. Retirement for cause. Upon receipt of a certificate from the head
16 of the entity where such member is employed or his or her designee, a
17 member as described in subdivision a of this section, who has accrued
18 twenty-five or more years of service credit under this section shall be
19 retired on the first day of the second month next succeeding the date
20 such certificate was filed with the comptroller.

21 e. Credit for military service. In computing the years of total cred-
22 itable service full credit shall be given and full allowance shall be
23 made for service of such member in war after world war I as defined in
24 section three hundred two of this article, provided such member at the
25 time of his or her entrance into the armed forces was in police service
26 as defined in subdivision eleven of section three hundred two of this
27 article.

28 f. Transfer of membership to employees' retirement system. Any member
29 currently enrolled pursuant to this section and who previously trans-
30 ferred service credit from the New York state and local employees'
31 retirement system to the New York state and local police and fire
32 retirement system, may elect to transfer such previously transferred
33 service credit back to the New York state and local employees' retire-
34 ment system, and such member shall have the option to retroactively
35 transfer his or her membership into such employees' retirement system.

36 g. The provisions of this section shall be controlling, notwithstand-
37 ing any provision of this article to the contrary.

38 § 2. All past service costs associated with implementing the
39 provisions of this act shall be borne by the state of New York and may
40 be amortized over a period of ten years.

41 § 3. This act shall take effect on the sixtieth day after it shall
42 have become a law.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow any non-seasonally appointed sworn member or officer of the division of law enforcement, a police officer, or forest ranger in the department of environmental conservation, a regional state park police officer, or a university police officer to become covered by the provisions of a special 20-year retirement plan, which will provide a benefit of one-half of final average salary upon retirement and an additional benefit of one-sixtieth of final average salary for each year of creditable service in excess of 20 years, not to exceed 12 years.

If this bill is enacted during the 2023 legislative session, we anticipate that there will be an increase of approximately \$6.0 million in the annual contributions of the State of New York for the fiscal year ending March 31, 2024. In future years, this cost will vary as the billing rates and salary of the affected members change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$66.7 million which will be borne by the State of New York as a one-time payment. This estimate assumes that payment will be made on March 1, 2024. If the State of New York elects to amortize this cost over a 10-year period, the cost for the first year including interest would be \$8.51 million.

These estimated costs are based on 1,167 affected members employed by the State of New York, with annual salary of approximately \$133 million as of March 31, 2022.
