AN ACT to amend the education law and the state finance law, in relation to enacting The New Deal for CUNY

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This enacts "The New Deal for CUNY".
2 § 2. Legislative intent. The Legislature hereby recognizes the need
3 for The New Deal for CUNY to ensure that the commitment the Legislature
4 articulated in establishing the city university of New York is extended
5 to present and future generations. The 1961 legislation recognized that
6 the creation of a city university as a single unified system was "justi-
7 fied" by the special needs of a multi-racial urban constituency and the
8 "vital importance" of creating opportunities for disadvantaged New York-
9 ers. Those needs have only grown in the half-century since the Legisla-
10 ture's action. Yet CUNY's ability to fulfill them has diminished as
11 enrollment has skyrocketed and investment has failed to keep pace. The
12 New Deal for CUNY reimagines CUNY as the vital urban university it must
13 be if it is to serve the people of New York. It enhances CUNY's historic
14 role as a leader in educational justice and economic transformation.
15 This legislation restores free tuition, ensures adequate faculty staff-
16 ing, and aligns student support with nationally recommended standards.
17 In doing so, The New Deal for CUNY restores New York to national leader-
18 ship in public higher education and removes the barriers to student
19 success that have prevented thousands of CUNY students from realizing

1 the full potential of a college degree. The New Deal for CUNY gradually
2 increases the ratio of students to full-time faculty at CUNY to
3 nationally recommended levels, with a special emphasis on racial and
4 ethnic diversity in hiring. It also replaces the system of underpayment
5 for contingent faculty with a dignified labor system that provides
6 students with the support they urgently need. CUNY students, perhaps
7 more than any other college population in the country, bear stresses
8 that make it extraordinarily difficult to stay in college, sometimes
9 even to survive. The New Deal for CUNY addresses the urgent need for
10 student support by gradually escalating the hiring of mental health and
11 other counselors to bring CUNY into line with national standards. The
12 New Deal for CUNY mandates that all tuition and student fees for
13 in-state undergraduate students within specified time frames for
14 completion of degree be eliminated, and that the revenue to the colleges
15 that would otherwise derive from tuition and fees be replaced annually
16 by federal, state, and city funds.

17 § 3. Subdivision A of section 6221 of the education law is amended by
18 adding a new paragraph 4-b to read as follows:

19 4-b. Notwithstanding any other provision of law, rule or regulation to
20 the contrary, subject to amounts made available by appropriation,
21 commencing in the two thousand twenty-five--two thousand twenty-six
22 academic year, the city university shall be entitled to annually receive
23 one hundred percent reimbursement for the annual cost of tuition and
24 student fees for each matriculated undergraduate student at a city
25 university senior college and community college who is enrolled in
26 credit-bearing academic coursework and is on track to graduate. The
27 state comptroller shall establish a separate fund for such monies to be
28 distributed to the city university of New York. The city university
29 shall receive an amount equal to the full cost of in-state undergraduate
30 tuition and student fees for each qualifying, matriculated student who
31 successfully completes credit-bearing academic coursework and is on
32 track to graduate. The full cost of tuition shall not include any addi-
33 tional funds the student may receive from any other New York state or
34 federal grant, award, or scholarship program. The deposit of these funds
35 shall be utilized as first dollar awards to the students at the city
36 university. Any student not successfully completing credit-bearing
37 academic coursework in a semester shall still be eligible to receive all
38 other grants, awards, and scholarships for which they qualify but shall
39 not be eligible for the tuition and student fee reimbursement described
40 herein. Students shall be eligible to receive a one semester exemption
41 from the requirement to complete credit-bearing academic coursework for
42 such tuition reimbursement as promulgated by the higher education
43 services corporation. Such exemption shall not preclude any student from
44 exercising their right to appeal pursuant to higher education services
45 corporation policy. The state comptroller shall deposit such monies with
46 the city university no later than thirty days after the start of the
47 semester.

48 § 4. Section 6206 of the education law is amended by adding three new
49 subdivisions 23, 24 and 25 to read as follows:

50 23. Each community college and senior college of the city university
51 of New York shall maintain, at a minimum, a ratio of one clinical, non-
52 student mental health staff member per one thousand students. Within two
53 years of the effective date of this subdivision, each community and
54 senior college shall establish, and require a meeting of, a board of
55 advisors having expertise in the area of clinical mental health
56 services. The advisory boards shall, using current data, update and

1 modify, as necessary, such ratios based on actual ratios in this state
2 and any new information related to appropriate benchmarks for clini-
3 cian-to-student ratios. Data collected by the advisory boards may be
4 used as a means to increase the number of mental health staff members.
5 In no event shall the ratio fall below one clinical, non-student mental
6 health staff member per one thousand students. Following the initial
7 meeting, advisory boards shall meet once every five years. This subdivi-

12 provisions of this subdivision. Any faculty and staff hired through the

27 § 5. The second undesignated paragraph of section 6220 of the educa-

29 follows:

30 16-a. Part-time and adjunct faculty shall receive wages and compen-
31 sation equal to those in the lecturer title of this section based on
32 comparable hours, duties and level of responsibility assigned to those

34 sation for adjunct faculty with professoriate titles shall correlate to

37 § 6. Section 22-c of the state finance law is amended by adding a new
38 subdivision 7 to read as follows:

39 7. For the fiscal year beginning on April first, two thousand twenty-
40 four and every fifth fiscal year thereafter, the governor shall submit
41 to the legislature as part of the annual executive budget, five-year
42 capital plans for the state university of New York state operated
43 campuses and city university of New York senior colleges. Such plans
44 shall provide for the annual appropriation of capital funds to cover one
45 hundred percent of the annual critical maintenance needs identified by
46 each university system, and may include funds for new infrastructure or
47 other major capital initiatives, provided that such funding for new
48 infrastructure or other major capital initiatives shall not count
49 towards meeting the overall critical maintenance requirement. In the
50 event that such plan is unable to fund one hundred percent of the crit-
51 ical maintenance needs due to the limitation imposed by article five-B
52 of this chapter, the director of the budget shall develop five-year
53 capital plans whereby the implementation of each capital plan would
54 annually reduce the overall facility condition index for each university
55 system. For the purposes of this subdivision, "facility condition index"
56 shall mean an industry benchmark that measures the ratio of deferred

1 maintenance dollars to replacement dollars for the purposes of analyzing
2 the effect of investing in facility improvements. The apportionment of
3 capital appropriations to each state-operated campus or senior college
4 shall be based on a methodology to be developed by the director of the
5 budget, in consultation with the state university of New York and the
6 city university of New York.

7 § 7. This act shall take effect immediately.
