"Water" means any beverage identified through the use of letters, words or symbols on its product label as a type of water, including any flavored water or nutritionally enhanced water.

§ 3. Subdivision 12 of section 27-1003 of the environmental conservation law, as added by section 3 of part SS of chapter 59 of the laws of 2009, is amended and a new subdivision 14 is added to read as follows:

12. "Reverse vending machine" means an automated device that uses a laser scanner, microprocessor, or other technology to accurately recognize the universal product code (UPC) on containers to determine if the container is redeemable and accumulates information regarding containers redeemed, including the number of such containers redeemed, thereby enabling the reverse vending machine to accept containers from redeemers and to issue a scrip or receipt for their refund value. Such definition shall also apply to alternative technology approved by the commissioner pursuant to subparagraph (iii) of paragraph (b) of subdivision one of section 27-1007 of this title.

14. "State-specific UPC code" means a universal product code and label design that is unique to New York or used only in New York and any other states that have a substantially similar refund value law.

§ 4. Section 27-1007 of the environmental conservation law, as added by section 4 of part SS of chapter 59 of the laws of 2009, paragraph (b) of subdivision 1 as amended by chapter 459 of the laws of 2011, and subdivision 12 as added by section 3 of part F of chapter 58 of the laws of 2013, is amended to read as follows:

§ 27-1007. Mandatory acceptance.

Except as provided in section 27-1009 of this title:

1. (a) A dealer shall accept at his or her place of business from a redeemer any empty beverage containers of the design, shape, size, color, composition and brand sold or offered for sale by the dealer, and shall pay to the redeemer the refund value of each such beverage container as established in section 27-1005 of this title. Redemptions of refund value must be in legal tender, or a scrip or receipt from a reverse vending machine, provided that the scrip or receipt can be exchanged for legal tender for a period of not less than sixty days without requiring the purchase of other goods. In the event such scrip or receipt expires, such scrip or receipt must indicate any expiration date and the dealer must post a conspicuous sign indicating how many days a redeemer has to exchange the scrip or receipt for legal tender. If such notification is not provided, a dealer must redeem the full refund value indicated on any legible scrip or receipt. The use or presence of a reverse vending machine shall not relieve a dealer of any obligations imposed pursuant to this section. If a dealer utilizes a reverse vending machine to redeem containers, the dealer shall provide redemption of beverage containers when the reverse vending machine is full, broken, under repair or does not accept a type of beverage container sold or offered for sale by such dealer and may not limit the hours or days of redemption except as provided by subdivision three of this section.

(b) Beginning March first, two thousand ten, a dealer whose place of business is part of a chain engaged in the same general field of business which operates ten or more units in this state under common ownership and whose business has at least: (i) forty thousand but less than sixty thousand square feet devoted to the display of merchandise for

1 sale to the public shall install and maintain at least two reverse vend-  
2 ing machines at the dealer's place of business; (ii) sixty thousand but  
3 less than eighty-five thousand square feet devoted to the display of  
4 merchandise for sale to the public shall install and maintain at least  
5 three reverse vending machines at the dealer's place of business; or  
6 (iii) eighty-five thousand square feet devoted to the display of  
7 merchandise for sale to the public shall install and maintain at least  
8 four reverse vending machines at the dealer's place of business. The  
9 requirements of ~~[paragraph (b) of]~~ this subdivision to install and main-  
10 tain reverse vending machines shall not apply to a dealer that: (i)  
11 sells only beverage containers of twenty ounces or less where such  
12 beverage containers are packaged in quantities fewer than six; (ii)  
13 sells beverage containers and devotes no more than five percent of its  
14 floor space to the display and sale of consumer commodities, as defined  
15 in section two hundred fourteen-h of the agriculture and markets law; or  
16 (iii) obtains a waiver from the commissioner authorizing dealers to  
17 provide consumers with an alternative technology that: (A) determines if  
18 the container is redeemable, (B) provides protections against fraud  
19 through a system that validates each container redeemed by reading the  
20 universal product code and, except with respect to refillable contain-  
21 ers, renders the container unredeemable, (C) accumulates information  
22 regarding containers redeemed, and (D) issues legal tender, or a scrip,  
23 receipt, or other form of credit for the refund value, that can be  
24 exchanged for legal tender for a period of not less than sixty days  
25 without requiring the purchase of other goods and includes any expira-  
26 tion date on the scrip, receipt, or other form of credit. Notwithstand-  
27 ing the foregoing, if the alternative technology does not allow consum-  
28 ers to immediately obtain the refund value of the redeemed container, a  
29 dealer shall be permitted to deploy such alternative technology only if  
30 it also offers an alternative that allows consumers to conveniently and  
31 immediately obtain such refund value through a reverse vending machine  
32 or other alternative method.

33 (c) A dealer to which paragraph (b) of this subdivision does not apply  
34 and whose place of business is at least forty thousand square feet which  
35 does not utilize reverse vending machines to process empty beverage  
36 containers for redemption shall: (i) establish and maintain a dedicated  
37 area within such business to accept beverage containers for redemption;  
38 (ii) adequately staff such area to facilitate efficient acceptance and  
39 processing of such containers during business hours; and (iii) post one  
40 or more conspicuous signs conforming to the size and color requirements  
41 described in subdivision two of this section at each public entrance to  
42 the business which describes where in the business the redemption area  
43 is located. The commissioner may establish in rules and regulations  
44 additional standards for the efficient processing of beverage containers  
45 by such dealers.

46 (d) For the purposes of this subdivision on any day that a dealer is  
47 open for less than twenty-four hours, the dealer may restrict or refuse  
48 the payment of refund values during the first and last hour the dealer  
49 is open for business.

50 2. A dealer shall post a conspicuous sign, at the point of sale, that  
51 states:

52 "NEW YORK BOTTLE BILL OF RIGHTS

53 STATE LAW REQUIRES US TO REDEEM EMPTY RETURNABLE BEVERAGE CONTAINERS OF  
54 THE SAME TYPE AND BRAND THAT WE SELL OR OFFER FOR SALE

1 YOU HAVE CERTAIN RIGHTS UNDER THE NEW YORK STATE RETURNABLE CONTAINER  
2 ACT:

3 THE RIGHT to return your empties for refund to any dealer who sells  
4 the same brand, type and size, whether you bought the beverage from the  
5 dealer or not. It is illegal to return containers for refund that you  
6 did not pay a deposit on in New York state.

7 THE RIGHT to get your deposit refund in cash, without proof of  
8 purchase.

9 THE RIGHT to return your empties any day, any hour, except for the  
10 first and last hour of the dealer's business day (empty containers may  
11 be redeemed at any time in 24-hour stores).

12 THE RIGHT to return your containers if they are empty and intact.  
13 Washing containers is not required by law, but is strongly recommended  
14 to maintain sanitary conditions.

15 The New York state returnable container act can be enforced by the New  
16 York state department of environmental conservation, the New York state  
17 department of agriculture and markets, the New York state department of  
18 taxation and finance, the New York state attorney general and/or by your  
19 local government."

20 Such sign must be no less than eight inches by ten inches in size and  
21 have lettering a minimum of one quarter inch high, and of a color which  
22 contrasts with the background. The department shall maintain a toll free  
23 telephone number for a "bottle bill complaint line" that shall be avail-  
24 able from 9:00 a.m. to 5:00 p.m. each business day to receive reports of  
25 violations of this title. The telephone number shall be listed on any  
26 sign required by this section.

27 3. On or after June first, two thousand nine, a dealer may limit the  
28 number of empty beverage containers to be accepted for redemption at the  
29 dealer's place of business to no less than seventy-two containers per  
30 visit, per redeemer, per day, provided that:

31 (a) The dealer has a written agreement with a redemption center, be it  
32 either at a fixed physical location within the same county and within  
33 [~~one-half~~] one mile of the dealer's place of business, or a mobile  
34 redemption center, operated by a redemption center, that is located  
35 within one-quarter mile of the dealer's place of business. The redemp-  
36 tion center must have a written agreement with the dealer to accept  
37 containers on behalf of the dealer; and the redemption center's hours of  
38 operation must cover at least 9:00 a.m. through 7:00 p.m. daily or in  
39 the case of a mobile redemption center, the hours of operation must  
40 cover at least four consecutive hours between 8:00 a.m. and 8:00 p.m.  
41 daily. The dealer must post a conspicuous, permanent sign, meeting the  
42 size and color specifications set forth in subdivision two of this  
43 section, open to public view, identifying the location and hours of  
44 operation of the affiliated redemption center or mobile redemption  
45 center; and

46 (b) The dealer provides, at a minimum, a consecutive two hour period  
47 between 7:00 a.m. and 7:00 p.m. daily whereby the dealer will accept up  
48 to two hundred forty containers, per redeemer, per day, and posts a  
49 conspicuous, permanent sign, meeting the size and color specifications  
50 set forth in subdivision two of this section, open to public view, iden-  
51 tifying those hours. The dealer may not change the hours of redemption  
52 without first posting a thirty day notice; and

53 (c) The dealer's primary business is the sale of food or beverages for  
54 consumption off-premises, and the dealer's place of business is less  
55 than ten thousand square feet in size.

4. A deposit initiator shall accept from a dealer or operator of a redemption center any empty beverage container of the design, shape, size, color, composition and brand sold or offered for sale by the deposit initiator, and shall pay the dealer or operator of a redemption center the refund value of each such beverage container as established by section 27-1005 of this title. A deposit initiator shall accept and redeem all such empty beverage containers from a dealer or redemption center without limitation on quantity.

5. A deposit initiator's or distributor's failure to pick up empty beverage containers, including containers processed in a reverse vending machine, from a redemption center, dealer or the operator of a reverse vending machine, in a timely manner and at reasonable times as provided by the department pursuant to the regulations promulgated pursuant to paragraph (c) of subdivision eight of this section shall be a violation of this title.

6. In addition to the refund value of a beverage container as established by section 27-1005 of this title, a deposit initiator shall pay to any dealer or operator of a redemption center a handling fee of three and one-half cents for each beverage container accepted by the deposit initiator from such dealer or operator of a redemption center. Beginning April first, two thousand twenty-six, the handling fee will be six cents. Payment of the handling fee shall be as compensation for collecting, sorting and packaging of empty beverage containers for transport back to the deposit initiator or its designee. Payment of the handling fee may not be conditioned on the purchase of any goods or services, nor may such payment be made out of the refund value account established pursuant to section 27-1012 of this title. A distributor who does not initiate deposits on a type of beverage container is considered a dealer only for the purpose of receiving a handling fee from a deposit initiator.

7. A deposit initiator on a brand shall accept from a distributor who does not initiate deposits on that brand any empty beverage containers of that brand accepted by the distributor from a dealer or operator of a redemption center and shall reimburse the distributor the refund value of each such beverage container, as established by section 27-1005 of this title. In addition, the deposit initiator shall reimburse such distributor for each such beverage container the handling fee established under subdivision six of this section. Without limiting the rights of the department or any person, firm or corporation under this subdivision or any other provision of this section, a distributor shall have a civil right of action to enforce this subdivision, including, upon three days notice, the right to apply for temporary and preliminary injunctive relief against continuing violations, and until arrangements for collection and return of empty containers or reimbursement of such distributor for such deposits and handling fees are made.

8. It shall be the responsibility of the deposit initiator or distributor to provide to a dealer or redemption center a sufficient number of bags, cartons, or other suitable containers, at no cost, for the packaging, handling and pickup of empty beverage containers that are not redeemed through a reverse vending machine. The bags, cartons, or containers must be provided by the deposit initiator or distributor on a schedule that allows the dealer or redemption center sufficient time to sort the empty beverage containers prior to pick up by the deposit initiator or distributor. In addition:

(a) When picking up empty beverage containers, a deposit initiator or distributor shall not require a dealer or redemption center to load

1 their own bags, cartons or containers onto or into the deposit initi-  
2 ator's or distributor's vehicle or vehicles or provide the staff or  
3 equipment needed to do so. However, where pallets or skids, bags,  
4 cartons or containers are readily movable only by means of a forklift or  
5 similar equipment, a deposit initiator or distributor may require a  
6 dealer or redemption center to move or load such items at no cost using  
7 a forklift or similar equipment belonging to the dealer or redemption  
8 center provided that such equipment and appropriate staff are readily  
9 available.

10 (b) A deposit initiator or distributor shall not require empty  
11 containers to be counted at a location other than the redemption center  
12 or dealer's place of business. The dealer or redemption center shall  
13 have the right to be present at the count. In the event of a discrepancy  
14 between the count of the dealer or redemption center and the count of  
15 the deposit initiator or distributor for containers not processed  
16 through a reverse vending machine all such empty containers shall be  
17 retained and a re-count may be requested. The re-count may be held at a  
18 location other than the redemption center or dealer's place of business  
19 only if the dealer or redemption center agrees and is present.

20 (c) A deposit initiator or distributor shall pick up empty beverage  
21 containers from the dealer or redemption center in a timely manner and  
22 at reasonable times [~~and intervals~~] as determined in rules or regu-  
23 lations promulgated by the department no later than April first, two  
24 thousand twenty-six.

25 9. No person shall return or assist another to return to a dealer or  
26 redemption center an empty beverage container for its refund value if  
27 such container had previously been accepted for redemption by a dealer,  
28 redemption center, or deposit initiator who initiates deposits on bever-  
29 age containers of the same brand.

30 10. A redeemer, dealer, distributor or redemption center shall not  
31 knowingly redeem an empty beverage container on which a deposit was  
32 never paid in New York state.

33 11. Notwithstanding the provisions of subdivision two of section  
34 27-1009 of this title, a deposit initiator or distributor shall accept  
35 and redeem beverage containers as provided in this title, if the dealer  
36 or operator of a redemption center shall have accepted and paid the  
37 refund value of such beverage containers.

38 12. No person shall intentionally program, tamper with, render inaccu-  
39 rate, or circumvent the proper operation of a reverse vending machine to  
40 wrongfully elicit deposit monies when no valid, redeemable beverage  
41 container has been placed in and properly processed by the reverse vend-  
42 ing machine.

43 13. The department and the department of taxation and finance are  
44 authorized to audit any reverse vending machine.

45 § 5. Paragraph (b) of subdivision 3 of section 27-1011 of the environ-  
46 mental conservation law, as added by section 1 of part PP of chapter 58  
47 of the laws of 2018, is amended and a new subdivision 4 is added to read  
48 as follows:

49 (b) comply with minimum post-consumer recycled material content and  
50 hole diameter limitations as defined in rules and regulations promulgat-  
51 ed by the department no later than April first, two thousand  
52 twenty-five, and is recyclable and indicates a resin identification  
53 code.

54 4. (a) Effective January first, two thousand twenty-six, every glass  
55 beverage container shall contain a minimum percentage of thirty-five  
56 percent post-consumer glass and every aluminum beverage container shall

1 contain a minimum percentage of thirty-five percent post-consumer alumi-  
2 num.

3 (b) Effective January first, two thousand twenty-nine, every polyethy-  
4 lene terephthalate (PET) beverage container shall contain no less than  
5 twenty-five percent post-consumer PET.

6 (c) Effective January first, two thousand thirty-one, every plastic  
7 beverage container shall contain no less than thirty percent post-con-  
8 sumer plastic.

9 (d) The department may, by regulation, grant a reduction or waiver of  
10 the percentage requirement established pursuant to this subdivision if  
11 the department finds and determines that it is technologically infeasible  
12 for the bottler to achieve the specified percent requirement.

13 § 6. Paragraph c of subdivision 3 of section 27-1012 of the environ-  
14 mental conservation law, as added by section 8 of part SS of chapter 59  
15 of the laws of 2009, is amended to read as follows:

16 c. all withdrawals from the refund value account during such quarter,  
17 including all reimbursements paid pursuant to subdivision two of this  
18 section, all service charges on the account, provided that such service  
19 charges do not exceed the maximum amount authorized by the commissioner,  
20 and all payments made pursuant to subdivision four of this section; and

21 § 7. Paragraph a of subdivision 4 of section 27-1012 of the environ-  
22 mental conservation law, as added by section 8 of part SS of chapter 59  
23 of the laws of 2009, is amended to read as follows:

24 a. Quarterly payments. An amount equal to eighty percent of the  
25 balance outstanding in the refund value account at the close of each  
26 quarter shall be paid to the commissioner of taxation and finance at the  
27 time the report provided for in subdivision three of this section is  
28 required to be filed. The commissioner of taxation and finance may  
29 require that the payments be made electronically. The remaining twenty  
30 percent of the balance outstanding at the close of each quarter shall be  
31 the monies of the deposit initiator and may be withdrawn from such  
32 account by the deposit initiator. However, until April first, two thou-  
33 sand twenty-eight, a deposit initiator who initiates deposits on refill-  
34 able beverage containers or beverage containers with a state-specific  
35 universal product code may be entitled to pay an amount equal to seven-  
36 ty-five percent of the balance outstanding in the refund value account  
37 specifically attributable to refillable beverage containers or beverage  
38 containers bearing such product code at the close of each quarter to the  
39 commissioner of taxation and finance at the time the report provided for  
40 in subdivision three of this section is required to be filed. No later  
41 than October first, two thousand twenty-seven, the commissioner of tax-  
42 ation and finance shall submit a report to the governor and the legisla-  
43 ture regarding the implementation of the state-specific universal prod-  
44 uct code and an evaluation of its effectiveness in decreasing fraud. If  
45 the provisions of this section with respect to such account have not  
46 been fully complied with, each deposit initiator shall pay to such  
47 commissioner at such time, in lieu of the amount described in the  
48 preceding sentence, an amount equal to the balance which would have been  
49 outstanding on such date had such provisions been fully complied with.  
50 The commissioner of taxation and finance may require that the payments  
51 be made electronically.

52 § 8. Subdivision 12 of section 27-1012 of the environmental conserva-  
53 tion law, as amended by section 6 of part F of chapter 58 of the laws of  
54 2013, is amended to read as follows:

55 12. a. Each deposit initiator shall provide a report to the department  
56 describing all the types of beverage containers on which it initiates

1 deposits. The report shall include the product name, type of beverage,  
2 size and composition of the beverage container, universal product code,  
3 the presence of any state-specific universal product code and the  
4 percentage of products covered by such code, the methods used to prevent  
5 the fraudulent sale and redemption of beverage containers, and any other  
6 information the department may require. Upon request, a deposit initi-  
7 ator shall also provide to the department a copy of the container label  
8 or a picture of any beverage container sold or offered for sale in this

10 provided in a form as prescribed by the department. The department may  
11 require that such forms be filed electronically.

12 b. A bottler may place on a beverage container a state-specific  
13 universal product code [~~or other distinctive marking that is specific to~~  
14 ~~the state or used only in the state and any other states with laws~~  
15 ~~substantially similar to this title~~] as a means of preventing the sale  
16 or redemption of beverage containers on which no deposit was initiated.

17 c. A bottler or deposit initiator shall notify the department, in a  
18 form prescribed by the department, whenever a beverage container or  
19 beverage container label is revised by altering the universal product  
20 code, or whenever the container on which a universal product code  
21 appears is changed in size, composition or glass color, or whenever the  
22 container or container label on which a universal product code appears  
23 is changed to include a state-specific universal product code [~~that is~~  
24 ~~unique to the state or used only in the state and any other states with~~  
25 ~~laws substantially similar to this title~~].

26 § 9. Section 27-1014 of the environmental conservation law, as amended  
27 by section 10 of part SS of chapter 59 of the laws of 2009, is amended  
28 to read as follows:

31 27-1007, 27-1009, 27-1011, 27-1012, and 27-1013 of this title, the  
32 commissioner shall have the power to promulgate rules and regulations  
33 necessary and appropriate for the administration of this title.

34 § 10. Section 27-1005 of the environmental conservation law, as added  
35 by section 4 of part SS of chapter 59 of the laws of 2009, is amended to  
36 read as follows:

38 No person shall sell or offer for sale a beverage container in this  
39 state unless the deposit on such beverage container is or has been

42 2026 a refund value of not less than ten cents, which is clearly indi-  
43 cated thereon as provided in section 27-1011 of this title.

44 § 11. This act shall take effect April 1, 2025; provided, however,  
45 that section two of this act shall take effect April 1, 2026. Effective  
46 immediately, the addition, amendment and/or repeal of any rule or regu-  
47 lation necessary for the implementation of this act on its effective  
48 date are authorized to be made and completed on or before such effective  
49 date.
