8 2. No court in this state shall admit or consider a finding of abuse
9 based on the parent or guardian allowing their child to receive or seek
10 gender-affirming care as evidence in any proceeding with respect to that
11 parent or guardian and any of their children, unless such conduct would

5 of lawful gender-affirming care performed in this state. Nothing in this
6 section shall prohibit the investigation of any criminal activity in
7 this state which may involve the performance of gender-affirming care
8 provided that no information relating to any medical procedure performed

15 under this section in connection with an out-of-state proceeding relat-
16 ing to any gender-affirming care which was legally performed, sought,
17 received, or supported in this state, unless such out-of-state proceed-
18 ing (1) sounds in tort or contract, or is based on statute, (2) is

32 purpose of taking testimony in actions pending in the state. The supreme
33 court or a county court shall make any appropriate order in aid of
34 taking such a deposition; provided that no order may be issued under
35 this section in connection with an out-of-state proceeding relating to

21 of the public health law, or any other law, rule or regulation governing
22 the licensure, certification, or authorization of such practitioner, nor
23 shall any license, certification or authorization of a health care prac-
