2023-2024 Regular Sessions

# IN SENATE

January 23, 2023

Introduced by Sen. COMRIE -- read twice and ordered printed, and when printed to be committed to the Committee on Aging

AN ACT authorizing the study of the number of senior citizens in New York state who have filed for bankruptcy in the past ten years; and providing for the repeal of such provisions upon the expiration thereof

**The People of the State of New York, represented in Senate and Assembly, do enact as follows:**

Section 1. The office for the aging is authorized and directed to conduct a study on the number of senior citizens residing in New York state who have filed for bankruptcy in the past ten years and the underlying causes which resulted in such bankruptcy filings.

§ 2. On or before one year after the effective date of this act, the director of the office for the aging shall deliver a copy of the findings of the study conducted pursuant to section one of this act and any legislative recommendations he or she deem to be necessary to the governor, the temporary president of the senate, and the speaker of the assembly.

§ 3. The director of the office for the aging may request, and is authorized to receive, any information from any state agencies or assisted living facilities that is relevant and material to the completion of this study and report. Such information received by the office for the aging shall be subject to the same requirements for confidentiality and limitations on use, if any, as is applicable to each such state agency's use of such information.

§ 4. This act shall take effect immediately and shall be deemed repealed thirty days after the delivery of the report to the governor and the legislature as provided for in section two of this act; provided that the office for the aging shall notify the legislative bill drafting commission upon the occurrence of the delivery of the report provided for in section two of this act in order that the commission may maintain

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
