48 ted a deceptive and abusive violation of this article with regard to a  
49 specific consumer litigation funding, the contract shall be null and  
50 void.

51 2. Nothing in this article shall be construed to restrict the exercise

6 deemed a loan or to be subject to any of the provisions governing loans.  
7 A consumer litigation funding transaction that complies with this arti-  
8 cle is not subject to any other statutory or regulatory provisions  
9 governing loans or investment contracts. To the extent that this article  
10 conflicts with any other law, this article supersedes any other law for  
11 the purposes of regulating consumer litigation funding in the state of

32 a two hundred dollar fee. A registration must be renewed every two years  
33 and expires on the thirtieth of September.

34 3. A certificate of registration may not be issued unless the depart-  
35 ment of state, upon investigation, finds that the character and fitness  
36 of the applicant company, and of the officers and directors thereof, are  
37 such as to warrant belief that the business will be operated honestly  
38 and fairly within the purposes of this article.

39 4. Every registrant shall also, at the time of filing such applica-  
40 tion, file with the department of state, if the department of state so

43 of the registrant, the registrant may post an irrevocable letter of  
44 credit. The terms of the bond must run concurrent with the period of  
45 time during which the registration will be in effect. The bond must  
46 provide that the registrant will faithfully conform to and abide by the  
47 provisions of this article and to all rules lawfully made by the admin-  
48 istrator under this act and to any such person or persons any and all  
49 amounts of money that may become due or owing to the state or to such  
50 person or persons from the registrant under and by virtue of this arti-  
51 cle during the period for which the bond is given.

52 5. Upon written request, the applicant shall be entitled to a hearing  
53 on the question of the applicant's qualifications for registration if:

54 (a) the department of state has notified the applicant in writing that  
55 the application has been denied, or

1 (b) the department of state has not issued a registration within sixty  
2 days after the application for the registration was filed.

3 6. A request for a hearing may not be made more than fifteen days  
4 after the department has mailed a written notice to the applicant that  
5 the application has been denied and stating in substance the department  
6 of state's findings supporting denial of the application.

7 7. Notwithstanding the prior approval requirement of subdivision one  
8 of this section, a consumer litigation funding company that registered  
9 with the department of state between the effective date of this article  
10 or when the department of state has made applications available to the  
11 public, whichever is later, and one hundred eighty days thereafter may  
12 engage in consumer litigation funding while the company's registration  
13 is pending approval with the department of state. All funding agreements  
14 entered into prior to the effective date of this article are not subject  
15 to the terms of this article.

16 8. No consumer litigation funding company may use any form of consumer  
17 litigation funding contract in this state unless it has been filed with  
18 the department of state in accordance with the filing procedures set

21 regulations to implement the provisions of this section as needed.

22 § 899-jjjj. Reporting. 1. Each consumer litigation funding company

29 made.

30 2. The department of state shall make these figures available to the  
31 public, in a manner which maintains the confidentiality of the name of  
32 each company and consumer, no later than one year after the reports are  
33 delivered.

34 § 899-kkkk. Severability. If any provision of this article is, for any  
35 reason, declared unconstitutional or invalid, in whole or in part, by  
36 any court of competent jurisdiction, such portion shall be deemed sever-  
37 able, and such unconstitutionality or invalidity shall not affect the  
38 validity of the remaining portions of this article, which remaining  
39 portions shall continue in full force and effect.

40 § 4. This act shall take effect on the one hundred eightieth day after  
41 it shall have become a law; provided, however, it shall not apply or in  
42 any way affect or invalidate any consumer litigation funding previously  
43 effectuated prior to the effective date of this act.
