STATE OF NEW YORK

2023-2024 Regular Sessions

IN SENATE

January 24, 2023

Introduced by Sen. BRESLIN -- read twice and ordered printed, and when printed to be committed to the Committee on Insurance

AN ACT to amend the insurance law, in relation to establishing the interstate insurance product regulation compact to regulate certain insurance products

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Legislative findings and intent. An interstate compact is 1 2 a contract between the states that allows them to cooperate on multi-3 state or national issues while still retaining state control. Interstate 4 compacts are specifically mentioned in the U.S. Constitution and have been historically used to address border disputes and water rights. The 5 6 use of interstate compacts has expanded significantly in recent decades 7 to cover tax, motor vehicle licensing, environmental, emergency manage-8 ment and other issues. Over 200 interstate compacts currently exist, and 9 on average every state belongs to at least 25 compacts. The Interstate 10 Insurance Product Regulation Compact, which to date has been adopted by 44 member states, representing approximately two-thirds of the premium 11 volume in the nation, created the Interstate Insurance Product Regu-12 13 lation Commission (IIPRC). The IIPRC provides the States with a vehicle 14 to (1) develop uniform national product standards that will afford a 15 high level of protection to consumers of life insurance, annuities, 16 disability income and long-term care insurance products; (2) establish a central point of filing for these insurance products; and (3) thoroughly 17 review product filings and make regulatory decisions according to the 18 19 uniform product standards. The IIPRC is an important modernization 20 initiative that benefits state insurance regulators, consumers, and the 21 insurance industry. The Compact enhances the efficiency and effective-22 ness of the way insurance products are filed, reviewed, and approved 23 allowing insurance customers to have faster access to competitive insur-24 ance products in an ever-changing global marketplace. The Compact

promotes uniformity through application of uniform product standards
embedded with strong consumer protections. The state of New York seeks
to join with other states as a member of the Interstate Insurance Prod uct Regulation Compact and Commission.

selection and term of any legislative committee member shall be as set 1 forth in the by-laws. Prior to the adoption by the commission of any 2 uniform standard, revision to the by-laws, annual budget or other 3 4 significant matter as may be provided in the by-laws, the management 5 committee shall consult with and report to the legislative committee. 6 (j) The commission shall establish two advisory committees, one of 7 which shall comprise consumer representatives independent of the insur-8 ance industry and the other comprising insurance industry represen-9 tatives. 10 (k) The commission may establish additional advisory committees as its 11 by-laws may provide for the carrying out of its functions. 12 (1) The commission shall maintain its corporate books and records in 13 accordance with the by-laws. (m) The members, officers, executive director, employees and represen-14 15 tatives of the commission shall be immune from suit and liability, either personally or in their official capacity, for any action taken 16 17 reasonably and in good faith which results in a claim for damage to or loss of property or personal injury or other civil liability caused by 18 or arising out of any actual or alleged act, error or omission that 19 20 occurred, or that such person had a reasonable basis for believing 21 occurred within the scope of commission employment, duties or responsi-22 bilities; provided, that nothing in this section shall be construed to protect any such person from suit and/or liability for any damage, loss, 23 injury or liability caused by the intentional or willful and wanton 24 25 misconduct of that person. (n) The commission shall defend any member, officer, executive direc-26 27 tor, employee or representative of the commission in any civil action 28 seeking to impose liability arising out of any actual or alleged act, error or omission that occurred within the scope of commission employ-29 30 ment, duties or responsibilities, or that the defendant had a reasonable basis for believing occurred within the scope of commission employment, 31 32 duties or responsibilities; provided, that nothing in this section shall 33 be construed to prohibit that person from retaining his or her own coun-34 sel; and provided further, that the actual or alleged act, error or omission did not result from that person's intentional or willful and 35 wanton misconduct. 36 37 (o) The commission shall indemnify and hold harmless any member, officer, executive director, employee or representative of the commission 38 39 for the amount of any settlement or judgment obtained against such persons arising out of any actual or alleged act, error or omission that 40 occurred within the scope of commission employment, duties or responsi-41 bilities, or that such person had a reasonable basis for believing 42 43 occurred within the scope of commission employment, duties or responsi-44 bilities, provided, that the actual or alleged act, error or omission 45 did not result from the intentional or willful and wanton misconduct of 46 any such person. 47 § 8207. Meetings and acts of the commission. (a) The commission shall 48 meet and take such actions as are consistent with the provisions of this 49 compact and the by-laws. 50 (b) Each member of the commission shall have the right and power to 51 cast a vote to which that compacting state is entitled and to partic-52 ipate in the business and affairs of the commission. A member shall vote in person or by such other means as provided in the by-laws. The by-laws 53 may provide for members' participation in meetings by telephone or other 54 means of communication. 55

(c) The commission shall meet at least once during each calendar year. 1 Additional meetings shall be held as set forth in the by-laws. 2 3 § 8208. Rules and operating procedures; rule making functions of the 4 commission and opting out of uniform standards. (a) The commission shall 5 promulgate reasonable rules, including uniform standards and operating 6 procedures, in order to effectively and efficiently achieve the purposes 7 of the compact. Notwithstanding the foregoing, in the event the commis-8 sion exercises its rule making authority in a manner that is beyond the 9 scope of the purposes of this article, or the powers granted in this 10 section, then such action by the commission shall be invalid and have no 11 force and effect. 12 (b) Rules and operating procedures shall be made pursuant to a rule making process that conforms to the state administrative procedure act 13 14 of 1981 as amended, as may be appropriate to the operations of the 15 commission. Before the commission adopts a uniform standard, the commission shall give written notice to the relevant state legislative commit-16 17 tee in each compacting state responsible for insurance issues of its intention to adopt such uniform standard. The commission in adopting a 18 uniform standard shall consider fully all submitted materials and issue 19 20 a concise explanation of its decision. 21 (c) A uniform standard shall become effective ninety days after its 22 promulgation by the commission or such later date as the commission may determine; provided, however, that a compacting state may opt out of a 23 uniform standard as provided in this article. "Opt out" shall be defined 24 as any action by a compacting state to decline to adopt or participate 25 in a promulgated uniform standard. All other rules and operating proce-26 27 dures, and amendments thereto, shall become effective as of the date 28 specified in each rule, operating procedure or amendment. 29 (d) A compacting state may opt out of a uniform standard, either by 30 legislation or regulation duly promulgated by the superintendent under the state administrative procedure act. If a compacting state elects to 31 32 opt out of a uniform standard by regulation, it must give written notice 33 to the commission no later than ten business days after the uniform 34 standard is promulgated or at the time the state becomes a compacting state, and find that the uniform standard does not provide reasonable 35 36 protections to the citizens of the state given the conditions in the 37 state. The superintendent shall make specific findings of fact and conclusions of law, based on a preponderance of the evidence, detailing 38 39 the conditions in the state which warrant a departure from the uniform standard and determining that the uniform standard would not reasonably 40 protect the citizens of the state. The superintendent must consider and 41 42 balance the following factors and find that the conditions in the state 43 and needs of the citizens of the state outweigh: 44 (1) the intent of the legislature to participate in, and the benefits of, an interstate agreement to establish national uniform consumer 45 46 protections for the products subject to this article; and 47 (2) the presumption that a uniform standard adopted by the commission 48 provides reasonable protections to consumers of the relevant product.

Notwithstanding the foregoing, a compacting state may, at the time of its enactment of the compact, prospectively opt out of all uniform standards involving the long-term care insurance products by expressly providing for such opt out in the enacted compact, and such opt out shall not be treated as a material variance in the offer or acceptance of any state to participate in the compact. Such an opt out shall be effective at the time of enactment of the compact by the compacting

9

10

state and shall apply to all existing uniform standards involving long-1 term care insurance products and those subsequently promulgated. 2 3 (e) If a compacting state elects to opt out of a uniform standard, the 4 uniform standard shall remain applicable in the compacting state elect-5 ing to opt out until such time the opt out legislation is enacted into 6 law or the regulation is promulgated. 7 (f) Once the opt out of a uniform standard by a compacting state 8 becomes effective as provided under the laws of that state, the uniform 9 standard shall have no further force and effect in that state unless and 10 until the legislation or regulation implementing the opt out is repealed 11 or otherwise becomes ineffective under the laws of the state. If a 12 compacting state opts out of a uniform standard after the uniform standard has been made effective in that state, the opt out shall have the 13 14 same prospective effect as provided under section eight thousand two 15 hundred fifteen of this article for withdrawals. (q) If a compacting state has formally initiated the process of opting 16 out of a uniform standard by regulation, and while the regulatory opt 17 out is pending, the compacting state may petition the commission, at 18 least fifteen days before the effective date of the uniform standard, to 19 20 stay the effectiveness of the uniform standard in that state. The 21 commission may grant a stay if it determines the regulatory opt out is 22 being pursued in a reasonable manner and there is a likelihood of success. If a stay is granted or extended by the commission, the stay or 23 24 extension thereof may postpone the effective date by up to ninety days, 25 unless affirmatively extended by the commission; provided however, a stay may not be permitted to remain in effect for more than one year 26 27 unless the compacting state can show extraordinary circumstances which 28 warrant a continuance of the stay including, but not limited to, the existence of a legal challenge which prevents the compacting state from 29 30 opting out. A stay may be terminated by the commission upon notice that 31 the rule making process has been terminated. 32 (h) Not later than thirty days after a rule or operating procedure is 33 promulgated, any person may file a petition for judicial review of the rule or operating procedure; provided, however, that the filing of such 34 a petition shall not stay or otherwise prevent the rule or operating 35 36 procedure from becoming effective unless the court finds that the peti-37 tioner has a substantial likelihood of success. The court shall give deference to the actions of the commission consistent with applicable 38 39 law and shall not find the rule or operating procedure to be unlawful if 40 the rule or operating procedure represents a reasonable exercise of the 41 commission's authority. 42 § 8209. Commission records and enforcement. (a) The commission shall 43 promulgate rules establishing conditions and procedures for public 44 inspection and copying of its information and official records, except 45 such information and records involving the privacy of individuals and 46 insurers' trade secrets. The commission may promulgate additional rules 47 under which it may make available to federal and state agencies, includ-48 ing law enforcement agencies, records and information otherwise exempt from disclosure, and may enter into agreements with such agencies to 49 50 receive or exchange information or records subject to nondisclosure and 51 confidentiality provisions. 52 (b) Except as to privileged records, data and information, the laws of 53 any compacting state pertaining to confidentiality or nondisclosure 54 shall not relieve any compacting state commissioner of the duty to disclose any relevant records, data or information to the commission; 55 56 provided however, that disclosure to the commission shall not be deemed

to waive or otherwise affect any confidentiality requirement; and 1 provided further that, except as otherwise expressly provided in this 2 3 article, the commission shall not be subject to the laws of any compact-4 ing state pertaining to confidentiality and nondisclosure with respect 5 to records, data and information in its possession. Confidential infor-6 mation of the commission shall remain confidential after such informa-7 tion is provided to any commissioner. 8 (c) The commission shall monitor compacting states for compliance with 9 duly adopted by-laws, rules, including uniform standards, and operating 10 procedures. The commission shall notify such noncomplying compacting 11 state in writing of its noncompliance with commission by-laws, rules or 12 operating procedures. If the noncomplying compacting state fails to remedy such noncompliance within the time specified in the notice of 13 noncompliance, the compacting state shall be deemed to be in default as 14 15 set forth in section eight thousand two hundred fifteen of this article. (d) The commissioner of any state in which an insurer is authorized to 16 17 do business, or is conducting the business of insurance, shall continue to exercise his or her authority to oversee the market regulation of the 18 activities of the insurer in accordance with the provisions of the 19 state's law. The commissioner's enforcement of compliance with the 20 21 compact is governed by the following provisions: 22 (1) with respect to the commissioner's market regulation of a product or advertisement that is approved or certified by the commission, the 23 content of the product or advertisement shall not constitute a violation 24

of the provisions, standards or requirements of the compact except upon a final order of the commission, issued at the request of a commissioner after prior notice to the insurer and an opportunity for hearing before the commission.

29 (2) before a commissioner may bring an action for violation of any 30 provision, standard or requirement of the compact relating to the content of an advertisement not approved or certified by the commission, 31 32 the commission or an authorized commission officer or employee, must 33 authorize the action. However, authorization pursuant to this paragraph 34 does not require notice to the insurer, opportunity for hearing or disclosure of requests for authorization or records of the commission's 35 36 action on such requests.

37 § 8210. Dispute resolution. The commission shall attempt, upon the 38 request of a member, to resolve any disputes or other issues that are 39 subject to this compact and which may arise between two or more compact-40 ing states, or between compacting states and non-compacting states, and 41 the commission shall promulgate an operating procedure providing for 42 resolution of such disputes.

43 <u>§ 8211. Product filing and approval. (a) Insurers and third-party</u> 44 filers seeking to have a product approved by the commission shall file 45 such product with, and pay applicable filing fees to, the commission. Nothing in this article shall be construed to restrict or otherwise 46 47 prevent an insurer from filing its product with the insurance department 48 in any state wherein such insurer is licensed to conduct the business of insurance, and such filing shall be subject to the laws of the states 49 50 where filed. (b) The commission shall establish appropriate filing and review proc-51 52 esses and procedures pursuant to commission rules and operating proce-

53 dures. Notwithstanding any provision in this section to the contrary, 54 the commission shall promulgate rules to establish conditions and proce-55 dures under which the commission will provide public access to product

56 filing information. In establishing such rules, the commission shall

12

consider the interests of the public in having access to such informa-1 2 tion, as well as protection of personal medical and financial informa-3 tion and trade secrets, that may be contained in a product filing or 4 supporting information. 5 (c) Any product approved by the commission may be sold or otherwise issued in those compacting states in which the insurer is legally 6 7 authorized to do business. 8 <u>§ 8212. Review of commission decisions regarding filings. (a) Not</u> later than thirty days after the commission has given notice of a disap-9 10 proved product or advertisement filed with the commission, the insurer 11 or third party filer whose filing was disapproved may appeal the deter-12 mination to a review panel appointed by the commission. The commission shall promulgate rules to establish procedures for appointing such 13 14 review panel and provide for notice and hearing. An allegation that the 15 commission, in disapproving a product or advertisement filed with the commission, acted arbitrarily, capriciously or in a manner that is an 16 17 abuse of discretion or otherwise not in accordance with law, is subject to judicial review in accordance with subsection (e) of section eight 18 19 thousand two hundred four of this article. 20 (b) The commission shall have authority to monitor, review and recon-21 sider products and advertisement subsequent to their filing or approval 22 upon a finding that the product does not meet the relevant uniform standard. Where appropriate, the commission may withdraw or modify its 23 approval after proper notice and hearing, subject to the appeal process 24 25 set forth in subsection (a) of this section. <u>§ 8213. Finance. (a) The commission shall pay or provide for the</u> 26 27 payment of the reasonable expenses of its establishment and organiza-28 tion. To fund the cost of its initial operations, the commission may accept contributions and other forms of funding from the NAIC, compact-29 30 ing states and other sources. Contributions and other forms of funding from other sources shall be of such a nature that the independence of 31 32 the commission concerning the performance of its duties shall not be 33 compromised. 34 (b) The commission shall collect a filing fee from each insurer and 35 third party filer filing a product with the commission to cover the cost 36 of the operations and activities of the commission and its staff in a 37 total amount sufficient to cover the commission's annual budget. (c) The commission's budget for a fiscal year shall not be approved 38 39 until it has been subject to notice and comment as set forth in section eight thousand two hundred eight of this article. 40 41 (d) The commission shall be exempt from all taxation in and by the 42 compacting states. 43 (e) The commission shall not pledge the credit of any compacting 44 state, except by and with the appropriate legal authority of that 45 compacting state. 46 (f) The commission shall keep complete and accurate accounts of all 47 its internal receipts, including grants and donations and disbursements 48 of all funds under its control. The internal financial accounts of the 49 commission shall be subject to the accounting procedures established under its by-laws. The financial accounts and reports including the 50 system of internal controls and procedures of the commission shall be 51 52 audited annually by an independent certified public accountant. Upon the 53 determination of the commission, but no less frequently than every three 54 years, the review of such independent auditor shall include a management and performance audit of the commission. The commission shall make an 55 56 annual report to the governor and legislature of the compacting states,

13

1	which shall include a report of such independent audit. The commission's
2	internal accounts shall not be confidential and such materials may be
3	shared with the commissioner of any compacting state upon request,
4	provided, however, that any work papers related to any internal or inde-
5	pendent audit and any information regarding the privacy of individuals
6	and insurers' proprietary information, including trade secrets, shall
7	<u>remain confidential.</u>
8	(g) No compacting state shall have any claim to or ownership of any
9	property held by or vested in the commission or to any commission funds
10	held pursuant to the provisions of this compact.
11	§ 8214. Compacting states, effective date and amendment. (a) Any state
12	is eligible to become a compacting state.
13	(b) The compact shall become effective and binding upon legislative
14	enactment of the compact into law by two compacting states; provided
15	however, that the commission shall become effective for purposes of
16	adopting uniform standards for reviewing, and giving approval or disap-
17	proval of, products filed with the commission that satisfy applicable
18	uniform standards only after twenty-six states are compacting states or,
19	alternatively, by states representing greater than forty percent of the
20	premium volume for life insurance, annuity, disability income and long-
21	term care insurance products, based on records of the NAIC for the prior
22	year. Thereafter, it shall become effective and binding as to any other
23	compacting state upon enactment of the compact into law by that state.
24	(c) Amendments to the compact may be proposed by the commission for
25	enactment by the compacting states. No amendment shall become effective
26	and binding upon the commission and the compacting states unless and
27	until all compacting states enact the amendment into law.
28	§ 8215. Withdrawal, default and termination. (a)(1) Once effective,
29	the compact shall continue in force and remain binding upon each and
30	every compacting state; provided that a compacting state may withdraw
31	from the compact ("withdrawing state") by enacting a statute specif-
32	ically repealing the statute which enacted the compact into law.
33	(2) The effective date of withdrawal is the effective date of the
34 25	repealing statute. However, the withdrawal shall not apply to any prod-
35	uct filings approved or self-certified, or any advertisement of such
36	products, on the date the repealing statute becomes effective, except by
37	mutual agreement of the commission and the withdrawing state unless the
38 39	approval is rescinded by the withdrawing state as provided in paragraph five of this subsection.
39 40	(3) The commissioner of the withdrawing state shall immediately notify
	the management committee in writing upon the introduction of legislation
41 42	repealing this compact in the withdrawing state.
43	(4) The commission shall notify the other compacting states of the
43 44	introduction of such legislation within ten days after its receipt of
45	notice thereof.
46	(5) The withdrawing state is responsible for all obligations, duties
47	and liabilities incurred through the effective date of withdrawal,
48	including any obligations, the performance of which extend beyond the
49	effective date of withdrawal, except to the extent those obligations may
50	have been released or relinquished by mutual agreement of the commission
51	and the withdrawing state. The commission's approval of products and
52	advertisement prior to the effective date of withdrawal shall continue
53	to be effective and be given full force and effect in the withdrawing
54	state, unless formally rescinded by the withdrawing state in the same
55	manner as provided by the laws of the withdrawing state for the prospec-

1	tive disapproval of products or advertisement previously approved under
2	state law.
3	(6) Reinstatement following withdrawal of any compacting state shall
4	occur upon the effective date of the withdrawing state's legislation
5	reenacting the compact.
6	(b) (1) If the commission determines that any compacting state has at
7	any time defaulted ("defaulting state") in the performance of any of its
8	obligations or responsibilities under this compact, the by-laws or duly
9	promulgated rules or operating procedures, then, after notice and hear-
	ing as set forth in the by-laws, all rights, privileges and benefits
10	
11	conferred by the compact on the defaulting state shall be suspended from the effective date of default as fixed by the commission. The grounds
12	
13	for default include, but are not limited to, failure of a compacting state to perform its obligations or responsibilities, and any other
14 15	grounds designated in commission rules. The commission shall immediately
16	notify the defaulting state in writing of the defaulting state's suspen- sion pending a cure of the default. The commission shall stipulate the
17 18	conditions and the time period within which the defaulting state must
$10 \\ 19$	cure its default. If the defaulting state fails to cure the default
20	within the time period specified by the commission, the defaulting state
21	shall be terminated from the compact and all rights, privileges and
22	benefits conferred by the compact shall be terminated from the effective
23	date of termination.
24	(2) Product approvals by the commission or product self-certifica-
25	tions, or any advertisement in connection with such product, that are in
26	force on the effective date of termination shall remain in force in the
27	defaulting state in the same manner as if the defaulting state had with-
28	drawn voluntarily under this section.
29	(3) Reinstatement following termination of any compacting state
30	requires a reenactment of the compact by that state.
31	(c)(1) The compact dissolves effective upon the date of the withdrawal
32	or default of the compacting state which reduces membership in the
33	compact to one compacting state.
34	(2) Upon the dissolution of the compact, the compact becomes null and
35
