6 condominium, a note and mortgage upon each of the [~~housing accommo-~~
7 ~~dations~~] condominium units aided by such loan, or in the case of a coop-

19 g. For purposes of this [~~section~~] article, (i) the term "mortgage"
20 shall include any pledge or assignment of shares or assignment of a

29 § 3. Section 696-a of the general municipal law, as amended by chapter
30 465 of the laws of 1993, is amended to read as follows:

31 § 696-a. Loans. Notwithstanding the provisions of any general, special
32 or local law, an agency is hereby authorized to make or contract to make
33 grants or loans[~~+(i)~~] to the owner of any property that is part of an
34 urban development action area project for the purpose of: (i) rehabili-
35 tation of an existing private or multiple dwelling or construction of a
36 new private or multiple dwelling, (ii) [~~for the purpose of~~] providing
37 site improvements, incidental or appurtenant to such rehabilitation or
38 such construction, within the urban development action area in which the
39 urban development action area project is located, including, but not
40 limited to, water and sewer facilities, sidewalks, landscaping, parks
41 and open space, social, recreational, communal and other non-residential
42 facilities and the outfitting thereof, the curing of problems caused by
43 abnormal site conditions, excavation and construction of footings and
44 foundations and other improvements associated with the provision of
45 infrastructure, or (iii) [~~for the purpose of~~] providing for other costs
46 of construction for the development of private and multiple dwelling
47 housing accommodations. In the case of a grant made under this section
48 for the rehabilitation of an existing multiple dwelling intended to be
49 converted to a condominium or cooperative form of ownership or for the
50 development of one to four unit housing accommodations or a condominium
51 or cooperative housing corporation, such grant shall require a regulato-
52 ry agreement with the agency limiting profits. Any loan made in accord-
53 ance with this section shall be secured by a note and mortgage upon the
54 property improved, other than any such property title to which is held
55 by the municipality, or, in the case of a condominium, a note and mort-
56 gage upon each of the [~~housing accommodations~~] condominium units aided

1 by such loan, or in the case of a cooperative housing corporation, a
2 note and mortgage upon the economic interest in such corporation of each
3 tenant-shareholder aided by such loan, or upon the property improved,
4 other than any such property title to which is held by the municipality,
5 or upon both such economic interest or property; provided, however, that
6 all or part of any such loan may be unsecured if necessary to satisfy
7 the requirements of any participating lender. Such loan shall be repaid
8 over such period as the agency shall determine. In the case of a loan
9 for rehabilitation of an existing multiple dwelling intended to be
10 converted to a condominium or cooperative form of ownership or a loan
11 for the provision of infrastructure or for the provision of other costs
12 of construction for the development of one to four unit housing accommo-
13 dations or a condominium or cooperative housing corporation, such note
14 and mortgage may provide that the loan shall automatically be reduced to
15 zero over a period of owner-occupancy of the housing accommodations
16 assisted by such loan. In the case of a grant or loan made under this
17 section for the purpose of providing rental housing for persons of low
18 income as defined in section two of the private housing finance law,
19 such loan or grant shall require a regulatory agreement with the agency
20 limiting profits and rentals charged. In the case of a loan made under
21 this section for the purpose of providing rental housing for persons of
22 low income as defined in section two of the private housing finance law,
23 such note and mortgage may provide that the loan shall automatically be
24 reduced to zero over a period of up to thirty years of compliance by the
25 owner with a regulatory agreement with the agency limiting profits and
26 rentals charged. The repayment of any loan made in accordance with this
27 section shall be made in such manner as may be provided in such note and
28 mortgage in connection with such loan, and may authorize the owner, with
29 the consent of the agency, to prepay the principal of the loan subject
30 to such terms and conditions as therein provided. Such note and mortgage
31 may contain such other terms and conditions not inconsistent with the
32 provisions of this article as the agency may deem necessary or desirable
33 to carrying out the purposes and provisions of this article including,
34 but not limited to, provisions concerning the repayment of the loan, the
35 interest, if any, thereon, and other charges in connection therewith.
36 For purposes of this ~~section~~ article, (1) the term "mortgage" shall
37 include any pledge or assignment of shares or assignment of a proprie-
38 tary lease in a cooperative housing corporation where such pledge or
39 assignment is intended as security for the performance of an obligation
40 and which imposes a lien on or affects title to such shares or such
41 proprietary lease; and (2) the term "owner" shall mean an individual,
42 partnership, corporation or other entity, including a non-profit compa-
43 ny, a mutual company, or a housing development fund company, having
44 record or beneficial title in fee simple to real property or the lessee
45 thereof under a lease having a term of at least forty-nine years.

46 § 4. The general municipal law is amended by adding two new sections
47 696-e and 696-f to read as follows:

48 § 696-e. Charges. A municipality, or an agency, making a loan or grant
49 pursuant to this article, may require the payment of charges by an owner
50 in consideration for the financing, regulation, supervision and audit of
51 such loan, or for regulation, supervision and audit of such grant. Such
52 charges shall be paid into the treasury of the municipality requiring
53 the charges and shall be paid and deposited in the general fund of any
54 such municipality.

55 § 696-f. Servicing. An agency may make provision in a note and loan
56 agreement or by separate agreement for the performance of loan or grant

servicing functions, including, but not limited to, functions related to lending or providing a grant for construction, as may generally be performed by an institutional lender. Such agency may act in such capacity or appoint or consent to the appointment of a financial institution or other qualified entity, as determined by such agency, to act in such capacity on behalf of such agency. Such agency may pay a reasonable and customary fee to such financial institution or other qualified entity appointed by such agency, or to whose appointment such agency provided consent, for the performance of such loan or grant servicing functions.

30. "Climate resiliency improvements." Improvements for the purpose of protecting land or any structures thereon from damage resulting from or which may result from changes in climate, including, but not limited to, extreme weather events, abnormal temperatures, and sea level rise, or of reducing the impact of the operation of such structures on climate change, including, but not limited to, improvements that reduce energy consumption or promote the efficient use of natural resources.

31. "Private lender." One or more banking organizations, foundations, labor unions, credit unions, employers' associations, veterans' organizations, colleges, universities, educational institutions, child care institutions, hospitals, medical research institutes, insurance companies, trustees or fiduciaries, trustees of pensions and retirement funds and systems, corporations, partnerships, individuals or other entities or any combination of the foregoing, and shall include any public benefit corporation and the United States of America and any of its agencies and departments. § 7. Section 400 of the private housing finance law is amended to read as follows:

§ 400. Policy and purposes of article. It is hereby declared that there exists in municipalities in this state a seriously inadequate supply of safe and sanitary dwelling accommodations for persons and families of low income; that such shortage constitutes an emergency and a grave menace to the health, safety, morals, welfare and comfort of citizens of this state; that there exists in such municipalities a large number of multiple dwellings which are inadequate, unsafe or insanitary by reason of the absence of proper heating facilities or by reason of the necessity for elimination of conditions dangerous to human life or detrimental to health, including nuisances as defined[7] in section three hundred nine of the multiple dwelling law, or for other rehabilitation or improvement and which can be made adequate, safe and sanitary, by the installation of proper heating facilities or by other rehabilitation, preservation or improvement or by the elimination of such conditions; that such installation, rehabilitation, preservation or improvement cannot readily be provided by the ordinary unaided operation of private enterprise for occupancy by persons or families of low income without public aid in the form of low interest loans or grants to owners of such multiple dwellings for the purpose of such installation, rehabilitation, preservation or improvement; that the installation of proper heating facilities in such multiple dwellings or other rehabilitation, preservation or improvement thereof for occupancy by persons of low income as defined in this article is a public use and a public purpose for which public money may be loaned or granted; that such conditions require the provisions hereinafter enacted; and the necessity in the public interest for the provisions hereinafter enacted is hereby declared as a matter of legislative determination.

§ 8. Subdivision 3 of section 401 of the private housing finance law, paragraph a as amended by chapter 44 of the laws of 1976, and paragraph b as amended by chapter 904 of the laws of 1962, is amended to read as follows:

3. a. The term "persons or families of low income" shall mean "persons of low income" or "families of low income" as defined in section two of this chapter[7, whose probable aggregate annual income during the period of occupancy does not exceed six times the rental (including the value or cost to them of heat, light, water and cooking fuel) of dwelling units occupied by such persons or families in existing multiple dwellings aided by a loan pursuant to this article, except that in the case of persons or families with three or more dependents, such ratio shall not exceed seven to one, and except further that the income limitations prescribed by this paragraph shall be subject to the provisions of subdivision two of section four hundred three of this article.

~~In calculating annual income, social security payments and income received from private pension funds by any person sixty two years of age or more shall be excluded up to a total maximum amount of seventy five dollars per month. The term "probable aggregate annual income" means the annual income of the chief wage earner of the family, plus all other income of other members of the family over the age of twenty one years, plus a proportion of income of gainfully employed members under the age of twenty one years, the proportion to be determined by the agency. The agency may exclude a proportion of the income of other members of the family over the age of twenty one years for the purpose of determining eligibility for commencement of occupancy or continued occupancy, or for establishing rental of such family, or for all such purposes].~~

b. Notwithstanding the provisions of paragraph a of this subdivision, ~~[and subject to the provisions of subdivision three of section four hundred three of this article]~~ the term "persons or families of low income" shall also mean any person or family who, immediately prior to the date on which a contract for a loan with respect to an existing multiple dwelling is entered into pursuant to the provisions of this article, occupies any dwelling unit in such multiple dwelling and who continuously occupies such unit during and after completion of central heating or other rehabilitation or improvement performed pursuant to such contract provided, however, that any person or family required to remove from any such dwelling unit because of such installation, rehabilitation or improvement shall, for the purpose of this section, be deemed to have continuously occupied such unit and shall have preference in re-entering such multiple dwelling upon completion of the aforesaid work.

§ 9. Subdivision 6 of section 401 of the private housing finance law, as added by chapter 505 of the laws of 1973, is amended to read as follows:

6. The term "owner" shall mean a person having record or beneficial title in fee simple to real property or the lessee thereof under a lease having an unexpired term of at least thirty years.

§ 10. Subdivision 1 of section 402 of the private housing finance law, as amended by chapter 808 of the laws of 1971, is amended and a new subdivision 1-a is added to read as follows:

1. Notwithstanding the provisions of any general, special or local law, a municipality, by such officer or agency as determined by its local legislative body, is hereby authorized:

(a) to make or contract to make loans to the owners of existing multiple dwellings within its territorial limits, subject to the limitations in subdivision two of this section, in such amounts as may be required for the installation of proper heating facilities, the incorporation of climate resiliency improvements, or elimination of conditions dangerous to human life or detrimental to health, including nuisances as defined in section three hundred nine of the multiple dwelling law, or other rehabilitation, preservation or improvement of such multiple dwellings, and if such owner acquires the multiple dwelling for the purposes of such rehabilitation, preservation or improvement or owns the multiple dwelling subject to an outstanding indebtedness, such loans may be made exclusively for or may include such amounts as may be required for the cost of such acquisition or for the refinancing of such outstanding indebtedness, and may make temporary loans or advances to such owners in anticipation of the permanent municipal loans for such purposes[-]; and

(b) to make or contract to make grants to any owner described in paragraph (a) of this subdivision, on the same terms as permitted under such paragraph for a loan.

1-a. As used in this article, the term "loan" shall include any grant made by a municipality pursuant to this article, provided, however, that any provision of this article concerning the repayment or forgiveness of, or security for, a loan shall not apply to any grant made pursuant to this article.

§ 11. Subdivisions 2-a, 2-b, 2-c and 4 of section 402 of the private housing finance law, subdivision 2-a as added by chapter 213 of the laws of 1975, subdivision 2-b as amended by chapter 362 of the laws of 2000, and subdivision 2-c as amended by chapter 101 of the laws of 1994, are amended to read as follows:

~~[2-a.]~~ 2-b. 4. The agency may ~~[charge the]~~ require the payment of charges by an owner of such multiple dwelling ~~[reasonable fees]~~ in consideration for the financing, regulation, supervision and audit of such loan. ~~3. a. 55 consideration for the financing, regulation, supervision and audit of
56 such loan. Such ~~[fees]~~ charges shall be ~~[kept by the municipality in a~~

§ 453. Conditions precedent to making such loans. [~~1.~~] No such loan shall be made by a municipality to an owner of an existing multiple dwelling unless the owner of such multiple dwelling shall covenant in writing that so long as any part of such loan shall remain unpaid or for a period of at least ten years from the date of the loan, whichever is later:

[~~(a)~~] 1. Each dwelling unit in such multiple dwelling shall be available solely for occupancy by persons of low income;

[~~(b)~~] 2. No person who lives in such multiple dwelling at the time the loan is made shall be required to move because of the rehabilitation or improvement financed thereby, except that a temporary relocation may be required in connection with such rehabilitation or improvement;

[~~(c)~~] 3. All persons operating or managing such multiple dwelling will permit the duly authorized officers, employees, agents or inspectors of the municipality to enter in or upon and inspect such multiple dwelling at all reasonable hours; [~~and~~

~~(d)~~] 4. [~~(e)~~] 5. The owner will submit to the supervising agency annually a statement of the income and expenses of such multiple dwelling, in such form as shall be approved by such agency.

~~[2. No such loan shall be made by a municipality unless such owner executed an affidavit that he was unable to obtain financing for such rehabilitation or improvement because of the neighborhood, the age of the building, or other factors indicating an inability of the private sector unaided to cause such rehabilitation or improvement to be made.]~~

§ 19. The article heading of article 8-B of the private housing finance law, as added by chapter 786 of the laws of 1987, is amended to read as follows:

LOANS TO [~~OWNER-OCCUPANTS~~] OWNERS OF ONE TO FOUR UNIT
PRIVATE AND MULTIPLE DWELLINGS

§ 20. Section 470 of the private housing finance law, as amended by chapter 200 of the laws of 1997, is amended to read as follows:

§ 470. Policy and purposes of article. It is hereby declared and found that there exists in municipalities within the state substandard and unsanitary areas and neighborhoods containing deteriorated [~~owner-occupied~~] one to four unit private and multiple dwellings, and that the rehabilitation or preservation of such dwellings is necessary in order to aid in the prevention and elimination of slums and blight in such areas and neighborhoods.

It further is found that there exists in such municipalities a seriously inadequate supply of safe and sanitary [~~owner-occupied~~] one to four unit private and multiple dwellings, particularly for persons of

low and moderate income, that existing non-compliance with local housing codes and with the multiple dwelling law and the multiple residence law threatens to decrease such supply, and that the rehabilitation, preservation and improvement of such dwellings is necessary to arrest such conditions of deterioration.

It further is found that there exists in such municipalities a seriously inadequate supply of dwelling units, particularly for persons of low and moderate income, and that there are many basements and cellars in one to four unit private and multiple dwellings that could be converted into lawful dwelling units.

It further is found that the elimination of such conditions by rehabilitation or other improvements in one to four unit private and multiple dwellings, and the conversion of basements and cellars in existing one to four unit private and multiple dwellings into lawful dwelling units, cannot be readily provided without public aid in the form of low interest loans or grants to [~~low and moderate income owner-occupants~~] owners of such one to four unit dwellings.

The rehabilitation, preservation or other [~~improvements~~] improvement of such private and multiple dwellings [~~owned and occupied by low and moderate income persons or families,~~] and the conversion of basements and cellars in such private and multiple dwellings into lawful dwelling units is hereby declared a public purpose and a municipal purpose for which public monies may be loaned or granted.

In order, further, to promote the preservation and rehabilitation of such dwellings and the conversion of basements and cellars in such dwellings into lawful dwelling units, it is hereby declared that additional provisions should be made to provide public monies for interest reduction subsidies for private loans made by private investors for such rehabilitation.

The necessity in the public interest for the provisions of this article is hereby declared as a matter of legislative determination.

§ 472. Loans to ~~[owner-occupants]~~ owners. 1. Notwithstanding the provisions of any general, special or local law, a municipality, acting through an agency, is authorized:

(a) to make, or contract to make, loans to ~~[low and moderate income owner-occupants]~~ owners of one to four unit existing private or multiple dwellings within its territorial limits, subject to the limitation of subdivisions two through seven of this section, in such amounts as shall be required for the rehabilitation, improvement or acquisition of such dwellings~~[,]~~ provided, ~~[however, that such loans shall not exceed sixty~~

Such~~ that any such rehabilitation or improvement may include climate resiliency improvements and the conversion of basements and cellars to lawful dwelling units. Such loans may also be made exclusively for or include the refinancing of the outstanding indebtedness of such dwellings, and the municipality may make temporary loans or advances to such ~~[owner-occupants]~~ owners in anticipation of permanent loans for such purposes; and

(b) to make or contract to make grants to any owner described in paragraph (a) of this subdivision, on the same terms as permitted under such paragraph for a loan.

1-a. As used in this article, the term "loan" shall include any grant made by a municipality pursuant to this article, provided, however, that provisions of this article concerning the repayment or forgiveness of, or security for, a loan shall not apply to any grant made pursuant to this article.

2. Each loan shall be evidenced by a note executed by the ~~[owner-occupant]~~ owner of the existing dwelling. Repayment of each such note shall be within a period of ~~[the probable life of the existing dwelling which is hereby determined to be thirty years, or such shorter period as the agency shall determine]~~ forty years, provided that such period may be extended as the agency may determine necessary to ensure the continued affordability or economic viability of the existing dwelling. The repayment shall be made in such manner as may be provided in such note and contract, if any, in connection with such loan, and may authorize such ~~[owner-occupant]~~ owner, with the consent of the agency, to prepay the principal of the loan subject to such terms and conditions as therein provided. In order to make any such loan affordable to the ~~[owner-occupant]~~ owner, the agency may provide in such note and contract that all of the outstanding principal of said loan may be self-liquidated over a ~~[fifteen-year]~~ period of [owner-occupancy] not less than fifteen years of continuous compliance by the owner with a regulatory agreement or other restrictive covenant with or approved by the agency and upon the satisfaction of any additional conditions specified therein. Such note and contract may contain such other terms and provisions not inconsistent with the provisions of this article as the agency may deem necessary or desirable to secure repayment of the loan, the interest thereon, if any, and other charges in connection therewith, and to carry out the purposes and provisions of this article, including, but not limited to, providing that the lien created by the note and mortgage, and, if applicable, any regulatory agreement executed by such owner and agency, or restrictive covenant approved by such agency, may be recorded in an equal or subordinate position, or subsequently made equal or subordinate, to a lien recorded by any private lender against such existing dwelling.

3. The agency in its discretion may require that the ~~[owner-occupant]~~ owner execute, acknowledge and deliver a uniform commercial code financing statement for the real property improvement to be in such form as the agency shall specify and in accordance with the requirements of section 9--502 of the uniform commercial code of the state of New York. Said financing statement shall be filed or recorded without charge in accordance with the provisions of paragraph one of subsection (a) of section 9--501 of the uniform commercial code, and from the date of such filing the municipality shall have a lien against said real property improvement for the amount advanced or so much thereof as remains unpaid together with the interest thereon. Upon payment of all sums advanced by the municipality and interest thereon, and upon demand of the then

6 4. The agency may require the ~~[owner-occupant]~~ owner to execute a
7 mortgage as security for a loan in lieu of or in addition to a financing
8 statement as provided in subdivision three of this section. Such mort-

10 provisions of this article as the agency shall deem necessary or desira-
11 ble to secure repayment of the loan.

12 5. Loans may be made with respect to a one to four unit private or

29 ~~[owner-occupants]~~ owners of one to four unit existing private and multi-
30 ple dwellings with such funds advanced by such private investor to
31 ~~[owner-occupants]~~ owners of existing dwellings. The portion of the loan
32 funded by the agency may be equal to or subordinate in lien to the
33 portion of the loan funded by the private investor and the note and
34 contract may contain such terms with respect to interest rate, if any,
35 and time of payment of principal and interest as determined by the agen-
36 cy. The agency may make provision, either in the mortgage or mortgages
37 or by separate agreement, for the performance by the private investor of
38 such services as are generally performed by a banking institution which
39 itself holds a mortgage, including, without limitation, construction
40 loan advances, construction supervision, initiation of foreclosure
41 proceedings, procurement of insurance, and all other matters in
42 connection with the financing, supervision, regulation and audit of any

44 owner, the agency may provide an interest reduction subsidy pursuant to
45 section four hundred seventy-five of this article, or may provide that
46 all or part of the agency's portion of the outstanding principal of any
47 such participation loan may be self-liquidated over a ~~[fifteen-year]~~
48 period of ~~[owner-occupancy]~~ not less than fifteen years of continuous
49 compliance by the owner with a regulatory agreement or other restrictive
50 covenant with or approved by the agency and upon the satisfaction of any
51 additional conditions specified therein.

52 § 23. Subdivisions 1 and 2 of section 473 of the private housing
53 finance law, as added by chapter 786 of the laws of 1987, are amended to
54 read as follows:

55 1. No such loan shall be made to an ~~[owner-occupant]~~ owner of an
56 existing private or multiple dwelling unless the ~~[owner-occupant]~~ owner

1 of such private or multiple dwelling shall covenant in writing that so
2 long as any part of such loan shall remain unpaid or any requirement
3 imposed as a condition for making such loan that survives the repayment
4 of such loan, including, but not limited to, in a regulatory agreement

6 by such agency, remains in effect: (i) the [~~owner-occupant~~] owner or

12 the [~~owner-occupant~~] owner of such dwelling to furnish such reports and
13 information as it may require concerning such rehabilitation or improve-
14 ment and shall have full power to audit the books of said owner with
15 respect to such matters; and (iii) if the property to be rehabilitated

20 [~~owner-occupant~~] owner of an existing private or multiple dwelling
21 pursuant to this article unless the agency finds that (i) the area in
22 which such dwelling is situated is a blighted, deteriorated or deteri-
23 orating area or has a blighting influence on the surrounding area, or is
24 in danger of becoming a slum or a blighted area because of the existence
25 of substandard, unsanitary, deteriorating or deteriorated conditions, an
26 aged housing stock, or other factors indicating an inability of the
27 private sector to cause such rehabilitation to be made; (ii) the loan
28 will be used to finance the conversion of a basement or cellar in such
29 private or multiple dwelling to one or more lawful dwelling units and
30 any additional rehabilitation or improvement of such dwelling; or (iii)
31 the owner of such private or multiple dwelling is a person or family of
32 low income.

33 § 24. Subdivision 2 of section 474 of the private housing finance law,
34 as added by chapter 786 of the laws of 1987, is amended to read as
35 follows:

36 2. The agency is authorized to make provision in the note and loan
37 agreement or by separate agreement for the servicing of such loans by a
38 loan servicing company or other qualified entity, as determined by the
39 agency, and such services may include, but not be limited to, the
40 collection of the debt services on such loans and the establishment,
41 administration, and distribution of an escrow account for the payment of
42 the [~~owner-occupant's~~] owner's real estate taxes, sewer and water rents
43 and fire insurance.

44 § 25. Section 475 of the private housing finance law, as added by
45 chapter 786 of the laws of 1987, is amended to read as follows:

46 § 475. Interest reduction subsidies. Notwithstanding the provisions of
47 any general, special or local law, a municipality, acting through an
48 agency, is authorized to provide, or contract to provide, interest
49 reduction subsidies for loans made by private investors to [~~low and~~
50 ~~moderate income owner-occupants~~] owners of one to four unit existing
51 private or multiple dwellings within its territorial limits, if such
52 [~~owner-occupants~~] owners would have been eligible under the provisions
53 of this article for a loan made by the municipality pursuant to this
54 article.

§ 26. Subdivision 1 of section 576-c of the private housing finance law, as amended by section 1 of chapter 254 of the laws of 1998, is amended to read as follows:

1. In addition to the powers granted to municipalities pursuant to this article, a municipality, acting by its supervising agency, may make loans for the purposes of acquisition, rehabilitation or construction of dwelling accommodations to a non-profit housing development fund company, a wholly-owned subsidiary of such company, a partnership the controlling interest of which is held by such company and which has agreed to limit profits or rate of return of investors in accordance with a formula established or approved by the company, or a private developer which has agreed to limit profits or rate of return of investors in accordance with a formula established or approved by the company, which agrees to provide housing accommodations exclusively for persons and families of low income, at least thirty percent of whom are referred to it by a municipality and have prior to their initial occupancy in such accommodations resided in emergency shelter facilities operated by or on behalf of the municipality or who are otherwise in need of emergency shelter as determined by the municipality, providing, however, that in the case of a building acquired by such a company, subsidiary, partnership, or developer the obligation to provide housing accommodations for such persons shall be applicable only to dwelling accommodations which are or become vacant after the date of acquisition. Such loans may be made for such period of time and pursuant to such terms and conditions as may be required by the municipality, including, but not limited to, terms and conditions providing that the lien created by the note and mortgage, and, if applicable, any regulatory agreement executed by the owner and such municipality or restrictive covenant approved by a supervising agency, may be recorded in an equal or subordinate position, or subsequently made equal or subordinate, to a lien recorded by any private lender against the dwelling aided by the loan made pursuant to this article, and the supervising agency of such municipality may provide that the amount of the note and mortgage shall automatically be reduced to zero in five equal decrements commencing on the tenth year after the initial occupancy date, provided that, as of the date of such reduction, such accommodations have been and continue to be owned and operated in a manner consistent with an agreement with the municipality contained in such note and mortgage to provide housing for such persons. Notwithstanding such provision as contained in the note and mortgage, the loan shall be reduced to zero only if, prior to or simultaneously with delivery of such note and mortgage, the supervising agency made a written determination that such reduction would be necessary to ensure the continued affordability or economic viability of such housing project. Such written determination shall document the basis upon which the loan was determined to be eligible for evaporation.

§ 27. Section 576-c of the private housing finance law, as amended by section 2 of chapter 254 of the laws of 1998, is amended to read as follows:

§ 576-c. Loans to housing development companies by a municipality. In addition to the powers granted to municipalities pursuant to this article, a municipality, acting by its supervising agency, may make loans for the purposes of acquisition, rehabilitation or construction of dwelling accommodations to a non-profit housing development fund company, a wholly-owned subsidiary of such company, a partnership the controlling interest of which is held by such company and which has agreed to limit profits or rate of return of investors in accordance

5 persons and families of low income, at least thirty percent of whom are
6 referred to it by a municipality and have prior to their initial occu-
7 pancy in such accommodations resided in emergency shelter facilities
8 operated by or on behalf of the municipality or who are otherwise in

26 [~~continues~~] continue to be owned and operated in a manner consistent
27 with an agreement with the municipality contained in such note and mort-
28 gage to provide housing for such persons. Notwithstanding such
29 provision as contained in the note and mortgage, the loan shall be
30 reduced to zero only if, prior to or simultaneously with delivery of
31 such note and mortgage, the supervising agency made a written determi-
32 nation that such reduction would be necessary to ensure the continued
33 affordability or economic viability of such housing project. Such writ-
34 ten determination shall document the basis upon which the loan was

28 records, shall constitute a separate violation of this section. The
29 civil penalty for each such violation shall be not more than two hundred
30 fifty dollars, provided that such penalty shall not apply to any period
31 during which such subpoena or other requirement to testify or produce
32 books and records is the subject of a pending judicial proceeding
33 commenced prior to the expiration of the period of time established by
34 such supervising agency or public benefit corporation for compliance
35 with such subpoena or other requirement to testify or produce books and
36 records.

37 3. Any such supervising agency or public benefit corporation may
38 promulgate rules and regulations to carry out the provisions of this
39 section.

40 § 613. Charges. A municipality, or a supervising agency thereunder,
41 may require the payment of charges by an owner in consideration for
42 financing, regulation, supervision and audit of loans and grants made
43 pursuant to the provisions of this chapter. Such charges shall be paid
44 into the treasury of the municipality requiring the charges and shall be
45 paid and deposited in the general fund of any such municipality.

46 § 614. Servicing loans. An agency may make provision in a note and
47 loan agreement or by separate agreement for the performance of loan or
48 grant servicing functions, including, but not limited to, functions
49 related to lending or providing a grant for construction, as may gener-
50 ally be performed by an institutional lender. Such agency may act in
51 such capacity or appoint or consent to the appointment of a financial
52 institution or other qualified entity, as determined by such agency, to
53 act in such capacity on behalf of such agency. Such agency may pay a
54 reasonable and customary fee to such financial institution or other
55 qualified entity appointed by such agency, or to whose appointment such

1 agency provided consent, for the performance of such loan or grant
2 servicing functions.

3 § 29. Section 800 of the private housing finance law, as amended by
4 chapter 456 of the laws of 2003, is amended to read as follows:

5 § 800. Policy and purposes of article. It is hereby declared and found
6 that there exists in municipalities in this state substandard and insan-
7 itary areas and neighborhoods characterized by undermaintained and dete-
8 riorating housing accommodations and under-utilized non-residential
9 buildings and under-utilized vacant land. It is further found that there
10 exists in such municipalities a diminishing and seriously inadequate
11 supply of safe and sanitary dwelling accommodations, particularly for
12 persons of low income; that the loss of housing accommodations is caused
13 by the inability of the ordinary unaided operations of private enter-
14 prise to make loans for rehabilitation or construction purposes or for
15 conversion which accelerates the process of deterioration and abandon-
16 ment, turning active and viable neighborhoods into slums and blighted
17 areas; and that the prevention of deterioration and loss through aban-
18 donment can only be achieved by the elimination of conditions which are
19 unsafe or detrimental to health, the replacement of antiquated heating,
20 plumbing, and electrical systems and, where necessary, the overall reha-
21 bilitation of certain housing accommodations, the construction of new
22 housing accommodations on vacant land and the conversion of under-uti-
23 lized non-residential property to residential use, and that the unavail-
24 ability of funds for the conversion of under-utilized property to resi-
25 dential use, for the preservation and rehabilitation of housing
26 accommodations and for the construction of new housing accommodations on
27 vacant land constitutes a threat to the health, safety and well-being of
28 the persons who occupy them and denies to others the possibility of
29 living in safe and sanitary housing accommodations.

30 In order to promote the preservation and rehabilitation of such hous-
31 ing accommodations, the creation of new housing accommodations by the
32 conversion of under-utilized non-residential property into multiple
33 dwellings and the construction of new housing accommodations on vacant
34 land in such areas and to encourage the investment of private capital in
35 such areas, provision should be made for a municipality to attract
36 private investment for such purposes by utilizing funds, which are
37 available from the federal government through specific or discretionary
38 grants, or are available from other financing sources, for joint partic-
39 ipation loans with private investors, or loans or grants by the munici-
40 pality. to effect the required construction, rehabilitation or conver-
41 sion.

42 The necessity in the public interest for the provisions hereinafter
43 enacted is hereby declared as a matter of legislative determination.

44 § 30. Subdivision 5 of section 801 of the private housing finance law,
45 as amended by chapter 456 of the laws of 2003, is amended to read as
46 follows:

47 5. "Owner" shall mean an individual, partnership, corporation or other
48 entity, including a non-profit company, a mutual company, or a housing
49 development fund company, which holds record or beneficial title in fee
50 simple to the existing multiple dwelling to be rehabilitated or the
51 non-residential property to be converted into a multiple dwelling and
52 the real property upon which it is situate or to vacant land upon which
53 the new multiple dwelling is to be constructed, or is the lessee of any
54 such real property having an unexpired term of at least thirty years.

55 § 31. Section 801 of the private housing finance law is amended by
56 adding a new subdivision 5-a to read as follows:

1 5-a. "Participation loan" and the municipality's "participation" in,
2 "portion" of, or "investment" in a loan, or words of similar meaning,
3 shall mean any loan or grant made by the municipality or the New York
4 city housing development corporation pursuant to this article either
5 with or without a private investor, provided, however, that provisions
6 of this article concerning the repayment or forgiveness of, or security
7 for, a loan shall not apply to any grant made pursuant to this article.

8 § 32. Subdivision 6 of section 801 of the private housing finance law,
9 as amended by chapter 456 of the laws of 2003, is amended to read as
10 follows:

11 6. "Private investor" shall mean one or more banking organizations,
12 foundations, labor unions, credit unions, employers' associations,
13 veterans' organizations, colleges, universities, educational insti-
14 tutions, child care institutions, hospitals, medical research insti-
15 tutes, insurance companies, trustees or fiduciaries, trustees of pension
16 and retirement funds and systems, corporations, partnerships, individ-
17 uals or other entities or any combination of the foregoing, and shall
18 include the United States of America and the state of New York and any
19 ~~[of its agencies acting as a lender under the loan program pursuant to~~
20 ~~section three hundred twelve of the housing act of nineteen hundred~~
21 ~~sixty-four and any amendments thereto or any similar program]~~ agency,
22 office or public benefit corporation thereof. As used in this subdivi-
23 sion, the terms "trustees" and "fiduciaries" shall include any fiduciary
24 or fiduciaries holding funds for investment, and the term "banking
25 organizations" shall have the same meaning as in subdivision eleven of
26 section two of the banking law.

27 § 33. Subdivisions 1, 3 and 4 of section 802 of the private housing
28 finance law, subdivisions 1 and 3 as amended by chapter 456 of the laws
29 of 2003 and subdivision 4 as added by chapter 822 of the laws of 1976,
30 are amended to read as follows:

31 1. (a) Notwithstanding the provisions of any general, special or local
32 law, one or more private investors and a municipality, acting through
33 its agency, shall have the power to participate and invest in making
34 loans to the owners of existing multiple dwellings or to the owners of
35 non-residential property or to the owners of vacant land subject to the
36 limitations of subdivisions two through seven of this section, in such
37 amounts as shall be required for (i) the rehabilitation of such existing
38 multiple dwellings or for the conversion of such non-residential proper-
39 ty or for the construction of [a] new multiple ~~[dwelling]~~ dwellings on
40 such vacant land, provided that such rehabilitation, conversion or
41 construction may include climate resiliency improvements, and if any
42 such owner acquires the existing multiple dwelling or the non-residen-
43 tial property or the vacant land for the purpose of such rehabilitation,
44 conversion or construction or owns the existing multiple dwelling or the
45 non-residential property or the vacant land subject to an outstanding
46 indebtedness, such loans may be made exclusively for or may include such
47 amounts as may be required for the cost of such acquisition or for the
48 refinancing of such outstanding indebtedness, (ii) providing site
49 improvements located on the property on which such existing multiple
50 dwellings are located or on such non-residential property or vacant land
51 or in a public right-of-way, incidental or appurtenant to such rehabili-
52 tation, conversion or construction, including, but not limited to, water
53 and sewer facilities, sidewalks, landscaping, parks and open space,
54 social, recreational, communal and other non-residential facilities and
55 the outfitting thereof, the curing of problems caused by abnormal site
56 conditions, excavation and construction of footings and foundations and

1 other improvements associated with the provision of infrastructure for
2 housing accommodations, or (iii) providing for other costs of developing
3 housing accommodations, and such private investors and a municipality
4 may jointly participate or invest in the making of temporary loans or
5 advances to such owners in anticipation of the permanent participation
6 loans for such purposes.

7 (b) Notwithstanding the provisions of any general, special or local
8 law, and in addition to the power to make or contract to make partic-
9 ipation loans granted by paragraph (a) of this subdivision, the munici-
10 pality, acting through its agency, and the New York city housing devel-
11 opment corporation shall each have the power to make or contract to make
12 loans or grants to any owner described in paragraph (a) of this subdivi-
13 sion without the participation of a private investor, on the same terms
14 as permitted under such paragraph for a participation loan.

15 3. ~~[(a)]~~ Each participation loan shall be secured by a bond or note
16 and single participating mortgage or by separate bonds or notes and
17 mortgages upon the existing multiple dwelling or the non-residential
18 property and the land upon which it is situated or, in the case of the
19 construction of a new multiple dwelling, upon the vacant land and the
20 multiple dwelling to be constructed, or, in the case of a multiple
21 dwelling held in the condominium form of ownership, a note and mortgage
22 upon the condominium units rehabilitated with such participation loan,
23 provided that a participation loan to an owner who is a lessee shall be
24 secured by a leasehold interest in such property, and provided, further,
25 that each such loan shall be made upon such terms and conditions as may
26 be approved by the agency, including but not limited to, provisions that
27 ~~[(i)]~~ (a) priority may be given to the payment of the principal of and
28 interest on that portion of the mortgage indebtedness attributable to
29 participation in the loan by one or more private investors, ~~[(ii)]~~ (b)
30 the interest of the municipality created as a result of making such a
31 mortgage loan may be subordinated to the interest that one or more of
32 such private investors may have upon such participation, ~~[(iii)]~~ (c) the
33 interest of each upon such participation need not be of equal priority
34 as to lien nor be equal as to interest rate, time or rate of amorti-
35 zation of principal or time of payment of interest, or otherwise, ~~[(iv)]~~
36 (d) the bond or note and mortgage may provide that the municipality's
37 portion of a participation loan made to an owner shall be reduced to
38 zero commencing in the fifteenth year after the execution of the bond or
39 note and mortgage, provided that, as of the date of any such reduction,
40 such multiple dwelling has been and continues to be owned and operated
41 in a manner consistent with a regulatory agreement with the munici-
42 pality. Notwithstanding such provision as contained in the bond or note
43 and mortgage, the municipality's portion of the loan shall be reduced to
44 zero only if, prior to or simultaneously with delivery of such bond or
45 note and mortgage, the agency made a written determination that such
46 reduction would be necessary to ensure the continued affordability or
47 economic viability of the multiple dwelling. Such written determination
48 shall document the basis upon which the loan was determined to be eligi-
49 ble for evaporation.

50 ~~[(b) The aggregate amount of each such participation loan shall not~~
51 ~~exceed the cost of the rehabilitation, conversion or construction, plus~~
52 ~~the costs of any or all undertakings necessary for the planning, financ-~~
53 ~~ing, acquisition, satisfaction of tax liens and other municipal liens~~
54 ~~and encumbrances, construction, equipment and development in connection~~
55 ~~therewith, provided that, if any portion of such loan is used for the~~
56 ~~cost of acquisition or for refinancing, the amount of a municipality's~~

~~portion of such loan shall not exceed one and one half times the cost of rehabilitation, conversion or construction.~~

~~(c) The amount of any such loan, together with the amount of all prior liens and encumbrances, shall not exceed, except in the case of a loan made to a non-profit company, a mutual company, or a housing development fund company, ninety per centum of value unless the agency makes a written determination that the owner has insufficient resources to pay for the remaining ten per centum of value, in which case such loan shall not exceed ninety-five per centum of value. The amount of any such loan, together with the amount of all prior liens and encumbrances, made to a non-profit company, a mutual company, or a housing development fund company shall not exceed value, provided that when after completion of such rehabilitation, conversion or construction, such multiple dwelling is, or is to be operated, exclusively for the benefit of persons and families who are entitled to occupancy by reason of ownership of stock in the corporate owners, such loan shall not exceed ninety-eight per centum of value unless the agency makes a written determination that the owner has insufficient resources to pay for the remaining two per centum of value, in which case such loan shall not exceed value.]~~

4. Each such bond or note and mortgage or bonds or notes and mortgages shall be repaid over or within a period of [~~thirty~~] forty years, provided that such period may be extended as the agency may determine necessary to ensure the continued affordability or economic viability of the multiple dwelling, in such manner as may be provided in such bond or note and mortgage or bonds or notes and mortgages [~~but in no case shall the term of such loan exceed the probable life of the multiple dwelling which is hereby determined to be thirty years~~]. Such bond or note and mortgage or bonds or notes and mortgages and any contract in connection with such permanent and temporary loans may contain such other terms and provisions not inconsistent with the provisions of this article as the local legislative body or the agency may deem necessary or desirable to secure repayment of the loan, the interest thereon and other charges in connection therewith and to carry out the purposes and provisions of this article.

§ 34. Subdivisions 2, 3 and 6 of section 1151 of the private housing finance law, subdivision 2 as amended by chapter 567 of the laws of 1993 and subdivisions 3 and 6 as added by chapter 639 of the laws of 1989, are amended to read as follows:

2. "Eligible project" shall mean a project intended to construct new housing accommodations on an eligible site by new construction or substantial rehabilitation, provided that such new construction or substantial rehabilitation may include climate resiliency improvements. An eligible project shall serve the needs of persons of low income, including privately-owned one to four family dwellings, condominiums and cooperatives, and rental projects.

3. [~~"Development costs" shall mean the reasonable and necessary costs for planning, financing, acquisition of land or buildings and construction of new buildings or the reconstruction, rehabilitation, repair or remodeling of existing buildings and the costs of necessary site improvements~~] "Participation loan" and the city's "participation" in, "portion" of, or "investment" in a loan, or words of similar meaning, shall mean any loan or grant made by the agency pursuant to this article either with or without a private lender, provided, however, that provisions of this article concerning the repayment or forgiveness of, or security for, a loan shall not apply to any grant.

6. "Loan" shall mean a [~~first~~] mortgage loan made by a private lender in participation with the city of New York to a sponsor for the purpose of construction of an eligible project including a loan in which the portion of the loan funded by the agency is represented by a separate note and mortgage.

§ 35. Section 1152 of the private housing finance law, as added by chapter 639 of the laws of 1989, subdivision 4 as amended and subdivision 13 as added by chapter 241 of the laws of 1998, subdivision 12 as added by chapter 400 of the laws of 1994 and paragraph e of subdivision 12 as amended by chapter 118 of the laws of 2003, is amended to read as follows:

§ 1152. Affordable housing development loans. 1. (a) Notwithstanding the provisions of any general, special or local law, one or more private lenders and the city of New York, acting through the agency, shall have the power to participate and invest in making loans to sponsors for the construction of eligible projects. Such loans may be made exclusively for or may include such amounts as may be required for site acquisition or the refinancing of eligible projects. Each such participation loan shall be secured by a bond or note and single participating mortgage or by separate bonds or notes and mortgages upon the eligible project. Such bond or note and mortgage or bonds or notes or mortgages may contain such other terms and provisions not inconsistent with the provisions of this article as the agency may deem necessary or desirable, including, but not limited to, terms providing that the lien created by such note and mortgage, and, if applicable, any regulatory agreement executed by the sponsor and such agency or restrictive covenant approved by such agency, may be recorded in an equal or subordinate position, or subsequently made equal or subordinate, to the lien created by any private lender against such eligible project.

(b) Notwithstanding the provisions of any general, special or local law, and in addition to the power to make or contract to make participation loans granted by paragraph (a) of this subdivision, the city of New York, acting through the agency, shall have the power to make or contract to make loans or grants to any owner described in paragraph (a) of this subdivision without the participation of a private lender, on the same terms as permitted under such paragraph for a participation loan.

2. [~~The portion of such loan funded by the agency shall not exceed an amount equal to sixty percent of the actual total development cost of an eligible project.~~] The agency may enter into an agreement with a private lender to deposit its share of a loan with the private lender to be advanced by the private lender. The portion of the loan funded by the agency may be equal to or subordinate in lien to the portion of the loan funded by the private lender and may contain such terms with respect to interest rate, if any, rate of amortization of principal, if any, and time of payment of interest and principal as determined by the agency. The agency may make provision either in the mortgage or mortgages or by separate agreement for the performance by the private lender of such services as are generally performed by a banking institution which itself holds a mortgage, including, without limitation, construction loan advances, construction supervision, initiation of foreclosure proceedings, procurement of insurance, and all other matters in connection with the financing, supervision, regulation and audit of any such loan to any such eligible project.

3. [~~If a portion of the loan is to be utilized for acquisition of an eligible site such portion shall in no event exceed fifteen percent of~~

~~the total amount of such loan or the appraised value of the site, which ever is the lesser.~~

4.] If the eligible project is to consist of one to four unit dwelling accommodations or cooperative or condominium units, the agency's share of the loan may be converted after completion of construction into mortgages on such dwelling accommodations or condominium units or financing statements filed with respect to such cooperative shares, provided such units or such cooperative shares are purchased by persons of [eligible] low income. Such mortgages and any blanket mortgage that the agency retains on any portion of, or on all of, the eligible project may provide that [they] such mortgages and such blanket mortgage will automatically be reduced to zero over a period of continuous ~~owner-occupancy of the housing accommodations assisted by such loan~~ compliance by the mortgagor with a regulatory agreement or restrictive covenant with or approved by the agency and upon the satisfaction of any additional conditions specified therein. Notwithstanding such provision as contained in such mortgage, the loan shall be reduced to zero only if, prior to or simultaneously with delivery of such mortgage, the agency made a written determination that such reduction would be necessary to ensure the continued affordability or economic viability of the eligible project. Such written determination shall document the basis upon which the loan was determined to be eligible for evaporation. Such period of continuous ~~owner-occupancy~~ compliance with such regulatory agreement or restrictive covenant shall not be less than fifteen years.

~~5.]~~ 4. If the eligible project is to consist of one to four unit dwelling accommodations or cooperative or condominium units, the agency shall require that the dwelling units be offered only to bona fide purchasers who intend to occupy a unit as their principal place of residence; provided, however, that in the case of two to four unit dwelling accommodations the bona fide purchaser may occupy only a single unit as a principal place of residence. If the purchaser ceases to occupy the unit as a principal place of residence, the agency may provide for recapture of all or a portion of the agency's share of the loan.

~~6.]~~ 5. If the eligible project is a rental project, the agency's share of the loan may be converted after completion of construction into a ~~non-interest bearing, non-amortizing thirty year loan~~ permanent loan with a term of forty years, provided that such period may be extended as the agency may determine is necessary to ensure the continued affordability or economic viability of the eligible project, payable ~~at the end of its term, provided that such loan shall be also payable out of profits upon any sale or refinancing of the project prior to the end of such thirty year period~~ in such manner as may be provided in the note and any mortgage in connection with such loan. Such note and mortgage may contain such terms and conditions as the agency may deem necessary or desirable to effectuate the purposes and provisions of this article. The sponsor or any subsequent owner or owners of such a project shall agree to rent such units only to persons of [eligible] low income for such ~~thirty year~~ period ~~and shall agree that all~~ as the agency may determine. All such units shall be subject to the emergency tenant protection act of nineteen seventy-four and the rent stabilization law of nineteen hundred sixty-nine, as amended ~~for a period of thirty years after initial occupancy~~, unless converted to a cooperative or condominium pursuant to subdivision ~~eight~~ seven of this section. ~~At the end of such period each unit shall continue to be subject to such law there after until the first vacancy occurs at which time the unit shall be~~

~~decontrolled.~~] Initial rentals for all rental units shall be set by the agency.

~~[7.]~~ 6. If the eligible project is a rental project annual profits shall be limited to an amount set by the agency for as long as the loan is outstanding. Excess profits shall be used to establish project reserves, provide capital improvements or reduce the principal amount of the agency's loan, as determined by the agency.

~~[8.]~~ 7. If the eligible project is a rental project, no conversion to a cooperative or condominium shall be permitted for a period of twenty years after initial occupancy, and unless (i) the agency's share of the loan is prepaid upon such conversion, (ii) the conversion shall be done pursuant to section three hundred fifty-two-eeee of the general business law as a non-eviction plan, and (iii) apartments occupied by non-purchasing tenants continue to be subject to the rent stabilization law of nineteen hundred sixty-nine as amended, until the occurrence of a vacancy.

~~[9.]~~ 8. A loan made pursuant to this article shall be exempt from the mortgage recording taxes imposed by article eleven of the tax law.

~~[10.]~~ 9. Notwithstanding the provisions of any general, special or local law or charter, the agency shall have power, without soliciting competing bids, to contract with any sponsor or to make provision in a loan for the construction or reconstruction of any site improvements located in the public right-of-way or on the eligible site which are necessary for the development of an eligible project. Such site improvements may include, but shall not be limited to, streets, sidewalks, landscaping, parks and open space, social, recreational, communal and other non-residential facilities and the outfitting thereof, lighting fixtures, and water and sewer lines, incidental or appurtenant to the construction of such eligible projects.

~~[11.]~~ 10. No loan shall be made pursuant to the provisions of this article unless the agency finds that: (a) the construction of the eligible project does not directly displace current low and moderate income residents of the eligible site; (b) the eligible project leverages private and other public investment, if any, so as to reduce the amount of assistance provided pursuant to this article to the minimal amount which is necessary for construction of the eligible project; (c) the eligible project will be built by a private developer/builder who has agreed to limit its profit in accordance with a formula satisfactory to the agency; (d) the eligible project will provide assistance to an area which is blighted or deteriorated or has a blighting influence on the surrounding area, or is in danger of becoming a slum or a blighted area because of neighborhood conditions indicating an inability or unwillingness of the private sector to cause the type of construction for which a loan is to be provided; and (e) the eligible project will make home ownership or rental housing affordable to persons who cannot presently afford the housing available based upon the ordinary unaided operation of private enterprise.

~~[12.]~~ 11. a. The agency may make non-interest bearing advances to sponsors to defray the pre-development costs of eligible projects in accordance with the provisions of this chapter.

b. No such advances shall be made unless the agency finds that: (i) the sponsor proposes to finance the eligible project in whole or in part by a loan granted pursuant to this article or that the project, if otherwise financed, will provide housing for persons or families of low income, and that such project is otherwise consistent with the purposes of this article; (ii) the project site is suitable, there is a need for

1 the housing type proposed in the area to be served and the project is
2 feasible; and (iii) it is reasonable to anticipate that financing will
3 be obtained and the agency makes a finding to that effect.

4 c. No such advances may be made to a sponsor unless such sponsor
5 enters into an agreement with the agency which provides that such spon-
6 sor shall be regulated with respect to rents, profits, dividends and
7 disposition of its property or franchise, in accordance with the
8 provisions of this article.

9 d. An advance granted pursuant to this section shall be used only to
10 defray the pre-development costs of eligible projects. For purposes of
11 this subdivision, the term pre-development costs shall include, but
12 shall not be limited to: the reasonable and necessary costs for plan-
13 ning, site preparation, developing architectural drawings and conducting
14 engineering and environmental studies, but shall not include acquisition
15 of land or buildings, drainage and landscaping of vacant land,
16 construction of new buildings or the reconstruction or rehabilitation of
17 existing buildings.

18 e. Each such advance shall be repaid in full to the agency by the
19 sponsor. Such repayment shall be made upon receipt by the sponsor or its
20 successor in interest of the proceeds of its mortgage or construction
21 loan for the eligible project, unless the agency extends the period for
22 the repayment of such advances. In no event shall the time of repayment
23 be extended to a date later than the date of final advance of funds
24 pursuant to such mortgage or construction loan. Notwithstanding this
25 paragraph, the agency may reduce such advance to zero over a period of
26 continued compliance with the agency's agreement with the sponsor pursu-
27 ant to paragraph c of this subdivision if the agency has made a written
28 determination that such reduction would be necessary to ensure the
29 continued affordability or economic viability of the eligible project.
30 Such written determination shall document the basis upon which the agen-
31 cy's non-interest bearing advance was determined eligible for evapo-
32 ration.

33 f. If the agency, in its discretion, determines at any time that mort-
34 gage or construction financing for the eligible project may not be
35 obtained, then all advances made to the sponsor pursuant to this subdivi-
36 sion shall become immediately due and payable upon the demand of the
37 agency.

38 ~~[13-]~~ 12. If the eligible project is a rental project, the bond or
39 note and mortgage or bonds or notes or mortgages issued by the sponsor
40 of any eligible project to secure a participation loan may provide that
41 the city's portion of such loan shall be reduced to zero commencing on
42 the fifteenth year after the execution of such bond or note and mortgage
43 or bonds or notes or mortgages, provided that, as of the date of any
44 such reduction, the eligible project has been and continues to be owned
45 and operated in a manner consistent with a regulatory agreement with the
46 city. Notwithstanding such provision as contained in the bond or note
47 and mortgage or bonds or notes or mortgages, the loan shall be reduced
48 to zero only if, prior to or simultaneously with delivery of such bond
49 or note and mortgage or bonds or notes or mortgages, the agency made a
50 written determination that such reduction would be necessary to ensure
51 the continued affordability or economic viability of the eligible
52 project. Such written determination shall document the basis upon which
53 the loan was determined to be eligible for evaporation.

54 § 36. Paragraph (g) of subdivision 6 of section 1802 of the charter of
55 the city of New York, as amended by vote of the people of the city of

1 New York at the general election held in November of 1989, is amended to
2 read as follows:

3 (g) [~~impose and collect~~] require the payment of charges [~~and fees~~] in
4 consideration for the financing, regulation, supervision and audit of
5 municipally-aided projects and loan programs administered by the commis-
6 sioner, which charges [~~and fees~~] shall be [~~set aside in a special~~
7 ~~account for administrative expenses of the department~~] paid into the
8 treasury of the city and shall be paid and deposited in the general fund
9 of the city;

10 § 37. This act shall take effect immediately, provided that: (i) the
11 amendments to subdivision 1 of section 696-a of the general municipal
12 law made by section two of this act shall be subject to the expiration
13 and reversion of such subdivision pursuant to section 2 of chapter 613
14 of the laws of 1996, as amended, when upon such date the provisions of
15 section three of this act shall take effect; and (ii) the amendments to
16 subdivision 1 of section 576-c of the private housing finance law made
17 by section twenty-six of this act shall be subject to the expiration and
18 reversion of such subdivision pursuant to section 2 of chapter 84 of the
19 laws of 1993, as amended, when upon such date the provisions of section
20 twenty-seven of this act shall take effect.
