1. Arrest and field testing. (a) Arrest. Notwithstanding the provisions of section 140.10 of the criminal procedure law, a police officer may, without a warrant, arrest a person, in case of a violation of subdivision one of section eleven hundred ninety-two of this article, if such violation is coupled with an accident or collision in which such person is involved, which in fact has been committed, though not in the police officer's presence, when the officer has reasonable cause to believe that the violation was committed by such person.

(b) Field testing. Every person operating a motor vehicle which has been involved in an accident or which is operated in violation of any of the provisions of this chapter shall, at the request of a police officer, submit to a breath test and/or oral/bodily fluid test to be administered by the police officer. If such test indicates that such operator has consumed alcohol or a drug or drugs, the police officer may request such operator to submit to a chemical test and/or an evaluation conducted by a drug recognition expert in the manner set forth in subdivision two of this section.

(c) Refusal to submit to a breath test and/or oral/bodily fluid test pursuant to paragraph (b) of this subdivision shall be a traffic infraction.

2. Chemical tests and drug recognition evaluations. (a) When authorized. Any person who operates a motor vehicle in this state shall be deemed to have given consent to an evaluation conducted by a certified drug recognition expert, and/or a chemical test of one or more of the following: breath, blood, urine, or ~~[saliva]~~ oral/bodily fluid, for the purpose of determining the alcoholic and/or drug content ~~[of the blood]~~ provided that such test is administered by or at the direction of a police officer with respect to a chemical test of breath, urine or ~~[saliva]~~ oral/bodily fluid or, with respect to a chemical test of blood, at the direction of a police officer:

(1) having reasonable grounds to believe such person to have been operating in violation of any subdivision of section eleven hundred ninety-two of this article and within two hours after such person has been placed under arrest for any such violation; or having reasonable grounds to believe such person to have been operating in violation of section eleven hundred ninety-two-a of this article and within two hours after the stop of such person for any such violation,

(2) within two hours after a breath test, as provided in paragraph (b) of subdivision one of this section, indicates that alcohol has been consumed by such person and in accordance with the rules and regulations established by the police force of which the officer is a member;

(3) for the purposes of this paragraph, "reasonable grounds" to believe that a person has been operating a motor vehicle after having consumed alcohol in violation of section eleven hundred ninety-two-a of this article shall be determined by viewing the totality of circumstances surrounding the incident which, when taken together, indicate that the operator was driving in violation of such subdivision. Such

1 circumstances may include any visible or behavioral indication of alco-
2 hol consumption by the operator, the existence of an open container
3 containing or having contained an alcoholic beverage in or around the
4 vehicle driven by the operator, or any other evidence surrounding the
5 circumstances of the incident which indicates that the operator has been
6 operating a motor vehicle after having consumed alcohol at the time of
7 the incident; or

8 (4) notwithstanding any other provision of law to the contrary, no
9 person under the age of twenty-one shall be arrested for an alleged
10 violation of section eleven hundred ninety-two-a of this article.
11 However, a person under the age of twenty-one for whom a chemical test
12 and/or an evaluation conducted by a certified drug recognition expert is
13 authorized pursuant to this paragraph may be temporarily detained by the
14 police solely for the purpose of requesting or administering such chemi-
15 cal test and/or an evaluation conducted by a certified drug recognition
16 expert whenever arrest without a warrant for a petty offense would be
17 authorized in accordance with the provisions of section 140.10 of the
18 criminal procedure law or paragraph (a) of subdivision one of this
19 section.

20 (a-1) For the purposes of this section the driver shall not be deemed
21 to consent to answer custodial questions as part of an evaluation
22 conducted by a certified drug recognition expert pursuant to paragraph
23 (a) of this subdivision and declining to answer such questions shall not
24 constitute a refusal to submit to the evaluation when the driver submits
25 to the other portions of such evaluation and no report of refusal shall
26 be made pursuant to paragraph (b) of this subdivision and the driver's
27 license shall not be revoked pursuant to paragraphs (c) and (d) of this
28 subdivision solely on the basis of the driver declining to answer such
29 custodial questions.

30 (b) Report of refusal. (1) If: (A) such person having been placed
31 under arrest; or (B) after a breath and/or oral/bodily fluid test indi-
32 cates the presence of alcohol and/or a drug or drugs in the person's
33 system; or (C) with regard to a person under the age of twenty-one,
34 there are reasonable grounds to believe that such person has been oper-
35 ating a motor vehicle after having consumed alcohol in violation of
36 section eleven hundred ninety-two-a of this article; and having there-
37 after been requested to submit to such chemical test and/or an evalu-
38 ation conducted by a certified drug recognition expert and having been
39 informed that the person's license or permit to drive and any non-resi-
40 dent operating privilege shall be immediately suspended and subsequently
41 revoked, or, for operators under the age of twenty-one for whom there
42 are reasonable grounds to believe that such operator has been operating
43 a motor vehicle after having consumed alcohol in violation of section
44 eleven hundred ninety-two-a of this article, shall be revoked for
45 refusal to submit to such chemical test or any portion thereof, and/or
46 an evaluation conducted by a certified drug recognition expert or any
47 portion thereof whether or not the person is found guilty of the charge
48 for which such person is arrested or detained, refuses to submit to such
49 chemical test or any portion thereof, [~~unless a court order has been~~
50 ~~granted pursuant to subdivision three of this section,~~] and/or an evalu-
51 ation conducted by a certified drug recognition expert or any portion
52 thereof the test shall not be given and a written report of such refusal
53 shall be immediately made by the police officer before whom such refusal
54 was made. Such report may be verified by having the report sworn to, or
55 by affixing to such report a form notice that false statements made
56 therein are punishable as a class A misdemeanor pursuant to section

1 210.45 of the penal law and such form notice together with the
2 subscription of the deponent shall constitute a verification of the
3 report.

4 (2) The report of the police officer shall set forth reasonable
5 grounds to believe such arrested person or such detained person under
6 the age of twenty-one had been driving in violation of any subdivision
7 of section eleven hundred ninety-two or eleven hundred ninety-two-a of
8 this article, that said person had refused to submit to such chemical
9 test, ~~[and that no chemical test was administered pursuant to the~~
10 ~~requirements of subdivision three of this section]~~ or an evaluation
11 conducted by a certified drug recognition expert or any portion thereof.

12 The report shall be presented to the court upon arraignment of an
13 arrested person, provided, however, in the case of a person under the
14 age of twenty-one, for whom a test was authorized pursuant to the
15 provisions of subparagraph two or three of paragraph (a) of this subdi-
16 vision, and who has not been placed under arrest for a violation of any
17 of the provisions of section eleven hundred ninety-two of this article,
18 such report shall be forwarded to the commissioner within forty-eight
19 hours in a manner to be prescribed by the commissioner, and all subse-
20 quent proceedings with regard to refusal to submit to such chemical test
21 and/or an evaluation conducted by a certified drug recognition expert by
22 such person shall be as set forth in subdivision three of section eleven
23 hundred ninety-four-a of this article.

24 (3) For persons placed under arrest for a violation of any subdivision
25 of section eleven hundred ninety-two of this article, the license or
26 permit to drive and any non-resident operating privilege shall, upon the
27 basis of such written report, be temporarily suspended by the court
28 without notice pending the determination of a hearing as provided in
29 paragraph (c) of this subdivision. Copies of such report must be trans-
30 mitted by the court to the commissioner and such transmittal may not be
31 waived even with the consent of all the parties. Such report shall be
32 forwarded to the commissioner within forty-eight hours of such arraign-
33 ment.

34 (4) The court or the police officer, in the case of a person under the
35 age of twenty-one alleged to be driving after having consumed alcohol,
36 shall provide such person with a scheduled hearing date, a waiver form,
37 and such other information as may be required by the commissioner. If a
38 hearing, as provided for in paragraph (c) of this subdivision, or subdi-
39 vision three of section eleven hundred ninety-four-a of this article, is
40 waived by such person, the commissioner shall immediately revoke the
41 license, permit, or non-resident operating privilege, as of the date of
42 receipt of such waiver in accordance with the provisions of paragraph
43 (d) of this subdivision.

44 (c) Hearings. Any person whose license or permit to drive or any non-
45 resident driving privilege has been suspended pursuant to paragraph (b)
46 of this subdivision is entitled to a hearing in accordance with a hear-
47 ing schedule to be promulgated by the commissioner. If the department
48 fails to provide for such hearing fifteen days after the date of the
49 arraignment of the arrested person, the license, permit to drive or
50 non-resident operating privilege of such person shall be reinstated
51 pending a hearing pursuant to this section. The hearing shall be limited
52 to the following issues: (1) did the police officer have reasonable
53 grounds to believe that such person had been driving in violation of any
54 subdivision of section eleven hundred ninety-two of this article; (2)
55 did the police officer make a lawful arrest of such person; (3) was such
56 person given sufficient warning, in clear or unequivocal language, prior

1 to such refusal that such refusal to submit to such chemical test or any
2 portion thereof and/or an evaluation conducted by a certified drug
3 recognition expert or any portion thereof, would result in the immediate
4 suspension and subsequent revocation of such person's license or operat-
5 ing privilege whether or not such person is found guilty of the charge
6 for which the arrest was made; and (4) did such person refuse to submit
7 to such chemical test or any portion thereof and/or an evaluation
8 conducted by a certified drug recognition expert or any portion thereof.
9 A refusal to answer custodial questions shall not be considered a
10 refusal for the purposes of this section pursuant to paragraph (a-1) of
11 this subdivision. If, after such hearing, the hearing officer, acting on
12 behalf of the commissioner, finds on any one of said issues in the nega-
13 tive, the hearing officer shall immediately terminate any suspension
14 arising from such refusal. If, after such hearing, the hearing officer,
15 acting on behalf of the commissioner finds all of the issues in the
16 affirmative, such officer shall immediately revoke the license or permit
17 to drive or any non-resident operating privilege in accordance with the
18 provisions of paragraph (d) of this subdivision. A person who has had a
19 license or permit to drive or non-resident operating privilege suspended
20 or revoked pursuant to this subdivision may appeal the findings of the
21 hearing officer in accordance with the provisions of article three-A of
22 this chapter. Any person may waive the right to a hearing under this
23 section. Failure by such person to appear for the scheduled hearing
24 shall constitute a waiver of such hearing, provided, however, that such
25 person may petition the commissioner for a new hearing which shall be
26 held as soon as practicable.

27 (d) Sanctions. (1) Revocations. a. Any license which has been revoked
28 pursuant to paragraph (c) of this subdivision shall not be restored for
29 at least one year after such revocation, nor thereafter, except in the
30 discretion of the commissioner. However, no such license shall be
31 restored for at least eighteen months after such revocation, nor there-
32 after except in the discretion of the commissioner, in any case where
33 the person has had a prior revocation resulting from refusal to submit
34 to a chemical test and/or an evaluation conducted by a certified drug
35 recognition expert or any portion thereof, or has been convicted of or
36 found to be in violation of any subdivision of section eleven hundred
37 ninety-two or section eleven hundred ninety-two-a of this article not
38 arising out of the same incident, within the five years immediately
39 preceding the date of such revocation; provided, however, a prior find-
40 ing that a person under the age of twenty-one has refused to submit to a
41 chemical test and/or an evaluation conducted by a certified drug recog-
42 inition expert or any portion thereof pursuant to subdivision three of
43 section eleven hundred ninety-four-a of this article shall have the same
44 effect as a prior finding of a refusal pursuant to this subdivision
45 solely for the purpose of determining the length of any license suspen-
46 sion or revocation required to be imposed under any provision of this
47 article, provided that the subsequent offense or refusal is committed or
48 occurred prior to the expiration of the retention period for such prior
49 refusal as set forth in paragraph (k) of subdivision one of section two
50 hundred one of this chapter.

51 b. Any license which has been revoked pursuant to paragraph (c) of
52 this subdivision or pursuant to subdivision three of section eleven
53 hundred ninety-four-a of this article, where the holder was under the
54 age of twenty-one years at the time of such refusal, shall not be
55 restored for at least one year, nor thereafter, except in the discretion
56 of the commissioner. Where such person under the age of twenty-one years

1 has a prior finding, conviction or youthful offender adjudication
2 resulting from a violation of section eleven hundred ninety-two or
3 section eleven hundred ninety-two-a of this article, not arising from
4 the same incident, such license shall not be restored for at least one
5 year or until such person reaches the age of twenty-one years, whichever
6 is the greater period of time, nor thereafter, except in the discretion
7 of the commissioner.

8 c. Any commercial driver's license which has been revoked pursuant to
9 paragraph (c) of this subdivision based upon a finding of refusal to
10 submit to a chemical test and/or an evaluation conducted by a certified
11 drug recognition expert or any portion thereof, where such finding
12 occurs within or outside of this state, shall not be restored for at
13 least eighteen months after such revocation, nor thereafter, except in
14 the discretion of the commissioner, but shall not be restored for at
15 least three years after such revocation, nor thereafter, except in the
16 discretion of the commissioner, if the holder of such license was oper-
17 ating a commercial motor vehicle transporting hazardous materials at the
18 time of such refusal. However, such person shall be permanently disqual-
19 ified from operating a commercial motor vehicle in any case where the
20 holder has a prior finding of refusal to submit to a chemical test
21 and/or an evaluation thereof conducted by a certified drug recognition
22 expert or any portion thereof pursuant to this section or has a prior
23 conviction of any of the following offenses: any violation of section
24 eleven hundred ninety-two of this article; any violation of subdivision
25 one or two of section six hundred of this chapter; or has a prior
26 conviction of any felony involving the use of a motor vehicle pursuant
27 to paragraph (a) of subdivision one of section five hundred ten-a of
28 this chapter. Provided that the commissioner may waive such permanent
29 revocation after a period of ten years has expired from such revocation
30 provided:

31 (i) that during such ten year period such person has not been found to
32 have refused a chemical test or an evaluation conducted by a certified
33 drug recognition expert or any portion thereof pursuant to this section
34 and has not been convicted of any one of the following offenses: any
35 violation of section eleven hundred ninety-two of this article; refusal
36 to submit to a chemical test or an evaluation conducted by a certified
37 drug recognition expert or any portion thereof pursuant to this section;
38 any violation of subdivision one or two of section six hundred of this
39 chapter; or has a prior conviction of any felony involving the use of a
40 motor vehicle pursuant to paragraph (a) of subdivision one of section
41 five hundred ten-a of this chapter;

42 (ii) that such person provides acceptable documentation to the commis-
43 sioner that such person is not in need of alcohol or drug treatment or
44 has satisfactorily completed a prescribed course of such treatment; and

45 (iii) after such documentation is accepted, that such person is grant-
46 ed a certificate of relief from disabilities or a certificate of good
47 conduct pursuant to article twenty-three of the correction law by the
48 court in which such person was last penalized.

49 d. Upon a third finding of refusal and/or conviction of any of the
50 offenses which require a permanent commercial driver's license revoca-
51 tion, such permanent revocation may not be waived by the commissioner
52 under any circumstances.

53 (2) Civil penalties. Except as otherwise provided, any person whose
54 license, permit to drive, or any non-resident operating privilege is
55 revoked pursuant to the provisions of this section shall also be liable
56 for a civil penalty in the amount of five hundred dollars except that if

1 such revocation is a second or subsequent revocation pursuant to this
2 section issued within a five year period, or such person has been
3 convicted of a violation of any subdivision of section eleven hundred
4 ninety-two of this article within the past five years not arising out of
5 the same incident, the civil penalty shall be in the amount of seven
6 hundred fifty dollars. Any person whose license is revoked pursuant to
7 the provisions of this section based upon a finding of refusal to submit
8 to a chemical test and/or an evaluation conducted by a certified drug
9 recognition expert or any portion thereof while operating a commercial
10 motor vehicle shall also be liable for a civil penalty of five hundred
11 fifty dollars except that if such person has previously been found to
12 have refused a chemical test and/or an evaluation conducted by a certi-
13 fied drug recognition expert or any portion thereof pursuant to this
14 section while operating a commercial motor vehicle or has a prior
15 conviction of any of the following offenses while operating a commercial
16 motor vehicle: any violation of section eleven hundred ninety-two of
17 this article; any violation of subdivision two of section six hundred of
18 this chapter; or has a prior conviction of any felony involving the use
19 of a commercial motor vehicle pursuant to paragraph (a) of subdivision
20 one of section five hundred ten-a of this chapter, then the civil penal-
21 ty shall be seven hundred fifty dollars. No new driver's license or
22 permit shall be issued, or non-resident operating privilege restored to
23 such person unless such penalty has been paid. All penalties collected
24 by the department pursuant to the provisions of this section shall be
25 the property of the state and shall be paid into the general fund of the
26 state treasury.

27 (3) Effect of rehabilitation program. No period of revocation arising
28 out of this section may be set aside by the commissioner for the reason
29 that such person was a participant in the alcohol and drug rehabili-
30 tation program set forth in section eleven hundred ninety-six of this
31 article.

32 (e) Regulations. The commissioner shall promulgate such rules and
33 regulations as may be necessary to effectuate the provisions of subdivi-
34 sions one and two of this section.

35 (f) Evidence. Evidence of a refusal to submit to such chemical test or
36 any portion thereof or an evaluation conducted by a drug recognition
37 expert or any portion thereof shall be admissible in any trial, proceed-
38 ing or hearing based upon a violation of the provisions of section elev-
39 en hundred ninety-two of this article but only upon a showing that the
40 person was given sufficient warning, in clear and unequivocal language,
41 of the effect of such refusal and that the person persisted in the
42 refusal. Evidence of a refusal shall be admissible pursuant to this
43 section regardless of the time of the refusal.

44 (g) Results. Upon the request of the person who was tested, the
45 results of such test shall be made available to such person.

46 3. Compulsory chemical tests. (a) Court ordered chemical tests.
47 Notwithstanding the provisions of subdivision two of this section, no
48 person who operates a motor vehicle in this state may refuse to submit
49 to a chemical test of one or more of the following: breath, blood, urine
50 or ~~[saliva]~~ oral/bodily fluids, for the purpose of determining the alco-
51 holic and/or drug content of the blood or oral/bodily fluids when a
52 court order for such chemical test has been issued in accordance with
53 the provisions of this subdivision.

54 (b) When authorized. Upon refusal by any person to submit to a chemi-
55 cal test or any portion thereof as described above, the test shall not
56 be given unless a police officer or a district attorney, as defined in

subdivision thirty-two of section 1.20 of the criminal procedure law, requests and obtains a court order to compel a person to submit to a chemical test to determine the alcoholic ~~[or]~~ and/or drug content of the person's blood or oral/bodily fluids upon a finding of reasonable cause to believe that:

(1) such person was the operator of a motor vehicle and in the course of such operation ~~[a person other than the operator was killed or suffered serious physical injury as defined in section 10.00 of the penal law]~~ the motor vehicle was involved in a crash; or personal injury has been caused to another person, due to an incident involving the motor vehicle operated by such person or such person has a previous conviction for a violation of any subdivision of section eleven hundred ninety-two of this article; and

(2) a. either such person operated the vehicle in violation of any subdivision of section eleven hundred ninety-two of this article, or

b. a breath test and/or oral/bodily fluid test administered by a police officer in accordance with paragraph (b) of subdivision one of this section indicates that alcohol and/or a drug or drugs has been consumed by such person; and

(3) such person has been placed under lawful arrest; and

(4) such person has refused to submit to a chemical test or any portion thereof and/or an evaluation conducted by a certified drug recognition expert, or any portion thereof, requested in accordance with the provisions of paragraph (a) of subdivision two of this section or is unable to give consent to such a test.

(c) Reasonable cause; definition. For the purpose of this subdivision "reasonable cause" shall be determined by viewing the totality of circumstances surrounding the incident which, when taken together, indicate that the operator was driving in violation of section eleven hundred ninety-two of this article. Such circumstances may include, but are not limited to: evidence that the operator was operating a motor vehicle in violation of any provision of this article or any other moving violation at the time of the incident; any visible indication of alcohol or drug consumption or impairment by the operator; the existence of an open container containing an alcoholic beverage and/or a drug or drugs in or around the vehicle driven by the operator; the odor of cannabis or burnt cannabis; any other evidence surrounding the circumstances of the incident which indicates that the operator has been operating a motor vehicle while impaired by the consumption of alcohol or drugs or intoxicated at the time of the incident.

(d) Court order; procedure. (1) An application for a court order to compel submission to a chemical test or any portion thereof, may be made to any supreme court justice, county court judge or district court judge in the judicial district in which the incident occurred, or if the incident occurred in the city of New York before any supreme court justice or judge of the criminal court of the city of New York. Such application may be communicated by telephone, radio or other means of electronic communication, or in person.

(2) The applicant must provide identification by name and title and must state the purpose of the communication. Upon being advised that an application for a court order to compel submission to a chemical test is being made, the court shall place under oath the applicant and any other person providing information in support of the application as provided in subparagraph three of this paragraph. After being sworn the applicant must state that the person from whom the chemical test was requested was the operator of a motor vehicle and in the course of such operation [~~a~~

~~person, other than the operator, has been killed or seriously injured]~~
the motor vehicle was involved in a crash; or personal injury has been
caused to another person, due to an incident involving the motor vehicle
operated by such person and/or such person has a previous arrest for a
violation of any subdivision of section eleven hundred ninety-two of
this article; and, based upon the totality of circumstances, there is
reasonable cause to believe that such person was operating a motor vehi-
cle in violation of any subdivision of section eleven hundred ninety-two
of this article and, after being placed under lawful arrest such person
refused to submit to a chemical test or any portion thereof, in accord-
ance with the provisions of this section or is unable to give consent to
such a test or any portion thereof. The applicant must make specific
allegations of fact to support such statement. Any other person properly
identified, may present sworn allegations of fact in support of the
applicant's statement.

(3) Upon being advised that an oral application for a court order to
compel a person to submit to a chemical test is being made, a judge or
justice shall place under oath the applicant and any other person
providing information in support of the application. Such oath or oaths
and all of the remaining communication must be recorded, either by means
of a voice recording device or verbatim stenographic or verbatim long-
hand notes. If a voice recording device is used or a stenographic record
made, the judge must have the record transcribed, certify to the accura-
cy of the transcription and file the original record and transcription
with the court within seventy-two hours of the issuance of the court
order. If the longhand notes are taken, the judge shall subscribe a copy
and file it with the court within twenty-four hours of the issuance of
the order.

(4) If the court is satisfied that the requirements for the issuance
of a court order pursuant to the provisions of paragraph (b) of this
subdivision have been met, it may grant the application and issue an
order requiring the accused to submit to a chemical test to determine
the alcoholic and/or drug content of his or her blood [~~and~~] and/or
oral/bodily fluids and ordering the withdrawal of a blood and/or
oral/bodily fluid sample in accordance with the provisions of paragraph
(a) of subdivision four of this section. When a judge or justice deter-
mines to issue an order to compel submission to a chemical test based on
an oral application, the applicant therefor shall prepare the order in
accordance with the instructions of the judge or justice. In all cases
the order shall include the name of the issuing judge or justice, the
name of the applicant, and the date and time it was issued. It must be
signed by the judge or justice if issued in person, or by the applicant
if issued orally.

(5) Any false statement by an applicant or any other person in support
of an application for a court order shall subject such person to the
offenses for perjury set forth in article two hundred ten of the penal
law.

(6) The chief administrator of the courts shall establish a schedule
to provide that a sufficient number of judges or justices will be avail-
able in each judicial district to hear oral applications for court
orders as permitted by this section.

(e) Administration of compulsory chemical test. An order issued pursu-
ant to the provisions of this subdivision shall require that a chemical
test to determine the alcoholic and/or drug content of the operator's
blood and/or oral/bodily fluid must be administered. The provisions of

1 paragraphs (a), (b) and (c) of subdivision four of this section shall be
2 applicable to any chemical test administered pursuant to this section.

3 § 5. The subparagraph heading and clauses a and b of subparagraph 7 of

8 amended to read as follows:

9 Suspension pending prosecution; excessive blood alcohol content or
10 impairment by a drug or drugs. a. Except as provided in clause a-1 of
11 this subparagraph, a court shall suspend a driver's license, pending
12 prosecution, of any person charged with a violation of subdivision two,
13 two-a, three, four or four-a of section eleven hundred ninety-two of
14 this article who, at the time of arrest, is alleged to have had .08 of
15 one percent or more by weight of alcohol in such driver's blood or is
16 alleged to have been impaired by the ingestion of a drug or drugs as
17 shown by chemical analysis of blood, breath, urine or [~~saliva~~]

23 b. The suspension occurring under clause a of this subparagraph shall

26 subparagraph shall occur immediately after the holder's first appearance
27 before the court on the charge which shall, whenever possible, be the
28 next regularly scheduled session of the court after the arrest or at the
29 conclusion of all proceedings required for the arraignment; provided,
30 however, that if the results of any test administered pursuant to
31 section eleven hundred ninety-four of this article are not available
32 within such time period, the complainant police officer or other public

42 drugs in his or her blood as was shown by chemical analysis of such
43 person's blood, breath, urine or [~~saliva~~] oral/bodily fluid, or by an
44 evaluation conducted by a certified drug recognition expert, or any
