STATE OF NEW YORK

3149

2023-2024 Regular Sessions

IN SENATE

January 30, 2023

Introduced by Sen. PALUMBO -- read twice and ordered printed, and when printed to be committed to the Committee on Health

AN ACT to amend the public health law and the environmental conservation law, in relation to 1,4-Dioxane levels

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The public health law is amended by adding a new section 1100-b to read as follows:

§ 1100-b. 1,4-Dioxane. 1. The commissioner shall establish a maximum contaminant level of 0.35 parts per billion for the presence of 1,4-Dioxane in public supplies of potable water.

2. Such standard for 1,4-Dioxane shall be implemented in accordance with department regulations and the state administrative procedure act and be completed as soon as practicable, including implementation by emergency rule if determined by the commissioner as necessary to protect public health.

§ 2. The environmental conservation law is amended by adding a new section 17-0307 to read as follows:

§ 17-0307. 1,4-Dioxane.

1. The department, in consultation with the department of health, shall establish a maximum contaminant level of 0.35 parts per billion for the presence of 1,4-Dioxane in ground water and runoff water from a wastewater treatment plant or water supply treatment plant.

2. Such standard for 1,4-Dioxane shall be implemented in accordance with department regulations and the state administrative procedure act and be completed as soon as practicable, including implementation by emergency rule if determined by the commissioner as necessary to protect public health.

§ 3. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
