

# STATE OF NEW YORK

3169

2023-2024 Regular Sessions

## IN SENATE

January 30, 2023

Introduced by Sen. CLEARE -- read twice and ordered printed, and when printed to be committed to the Committee on Cities 1

AN ACT to amend the administrative code of the city of New York, in relation to requiring alternating high and low, two-toned signal devices on emergency services vehicles

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision (b) of section 24-241 of the administrative  
2 code of the city of New York, as added by local law number 113 of the  
3 city of New York for the year 2005, is amended to read as follows:

4 (b) No person shall operate or permit to be operated an emergency  
5 signal device installed on an authorized emergency vehicle [~~that when~~]  
6 unless:

7 1. When operated at the maximum level such emergency signal device  
8 creates a sound level [~~in excess of~~] that does not exceed 90 dB(A) when  
9 measured at a distance of fifty feet from the center of the forward face  
10 of such vehicle[~~-~~]; and

11 2. Such emergency signal device produces an alternating high and low,  
12 two-toned sound in accordance with implementation standards established  
13 by the department.

14 (c) Within one year after the effective date of this subdivision and  
15 every two years thereafter, emergency signal devices installed on  
16 authorized emergency vehicles shall be tested and certification shall be  
17 submitted, in a form approved by the department, that such devices meet  
18 the [~~standard~~] standards set forth in [~~this~~] subdivision (b) of this  
19 section for operation at maximum level and with an alternating high and  
20 low two-toned sound. Notwithstanding the foregoing provisions, where  
21 compliance with the provisions of [~~this~~] subdivision (b) of this section  
22 would create an undue hardship, the owner or operator of an authorized  
23 emergency vehicle may submit a plan to the commissioner for emergency  
24 signal devices to meet the [~~standard~~] standards set forth in [~~this~~]

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[~~-~~] is old law to be omitted.

LBD05850-01-3

1 subdivision (b) of this section within two years after the effective  
2 date of this subdivision. Such plan shall be submitted within one year  
3 after the effective date of this subdivision in lieu of the required  
4 certification. [~~This subdivision shall not apply to authorized emergency~~  
5 ~~vehicles of the police department, fire department or authorized emer-~~  
6 ~~gency vehicles responding to medical emergencies.~~]

7 § 2. This act shall take effect on the one hundred eightieth day after  
8 it shall have become a law. Effective immediately, the addition, amend-  
9 ment and/or repeal of any rule or regulation necessary for the implemen-  
10 tation of this act on its effective date are authorized to be made and  
11 completed on or before such effective date.
