AN ACT to amend the vehicle and traffic law, in relation to the establishment in the city of New York of a bicycle lane safety program; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The vehicle and traffic law is amended by adding a new  
2 section 1111-g to read as follows:

3 § 1111-g. Owner liability for failure of operator to comply with bicy-  
4 cle lane restrictions. (a) 1. Notwithstanding any other provision of

6 lish a bicycle lane safety program imposing monetary liability on the  
7 owner of a motor vehicle for failure of an operator thereof to comply  
8 with bicycle lane restrictions in such city in accordance with the  
9 provisions of this section. The New York city department of transporta-  
10 tion, for purposes of the implementation of such program, shall install  
11 and operate bicycle lane photo devices on, within or in close proximity  
12 to protected bicycle lanes. Bicycle lane photo devices may be activated

14 provided, however, that there shall be no more than fifty bicycle lane  
15 photo devices located within such city.

16 2. The city of New York shall adopt and enforce measures to protect  
17 the privacy of drivers, passengers, pedestrians and cyclists whose iden-  
18 tity and identifying information may be captured by a bicycle lane photo  
19 device. Such measures shall include:

20 (i) utilization of necessary technologies to ensure, to the extent  
21 practicable, that images produced by a bicycle lane photo device shall  
22 not include images that identify the driver, the passengers, or the  
23 contents of the motor vehicle, provided, however, that no notice of  
24 liability issued pursuant to this section shall be dismissed solely

2 passengers or other contents of a motor vehicle;

3 (ii) a prohibition on the use or dissemination of motor vehicles'  
4 license plate information and other information and images captured by a  
5 bicycle lane photo device except: (A) as required to establish liability

19 program pursuant to subdivision (a) of this section, the owner of a  
20 motor vehicle shall be liable for a penalty imposed pursuant to this  
21 section if such motor vehicle was used or operated with the permission  
22 of the owner, express or implied, in violation of any bicycle lane  
23 restrictions that apply to protected bicycle lanes within such program,  
24 and such violation is evidenced by information obtained from a bicycle  
25 lane photo device; provided, however, that no owner of a motor vehicle  
26 shall be liable for a penalty imposed pursuant to this section where the  
27 operator of such motor vehicle has been convicted of the underlying  
28 violation of any bicycle lane restrictions.

29 (c) For purposes of this section, the following terms shall have the  
30 following meanings:

2 photo device, shall be prima facie evidence of the facts contained ther-  
3 ein. Any photographs, microphotographs, videotape or other recorded  
4 images evidencing such a violation shall be available for inspection in  
5 any proceeding to adjudicate the liability for such violation pursuant  
6 to this section.

7 (e) An owner liable for a violation of a bicycle lane restriction  
8 imposed on any roadway within the bicycle lane safety program shall be  
9 liable for monetary penalties in accordance with a schedule of fines and  
10 penalties promulgated by the parking violations bureau of the city of  
11 New York; provided, however, that the monetary penalty for violating a  
12 bicycle lane restriction shall not exceed fifty dollars; provided,  
13 further, that an owner shall be liable for an additional penalty not to  
14 exceed twenty-five dollars for each violation for the failure to respond  
15 to a notice of liability within the prescribed time period.

16 (f) An imposition of liability pursuant to this section shall not be  
17 deemed a conviction of an operator and shall not be made part of the  
18 operating record of the person upon whom such liability is imposed, nor  
19 shall it be used for insurance purposes in the provision of motor vehi-  
20 cle insurance coverage.

21 (g) 1. A notice of liability shall be sent by first class mail to each  
22 person alleged to be liable as an owner for a violation of a bicycle

34 violation or other document locator number.

35 3. The notice of liability shall contain information advising the  
36 person charged of the manner and the time in which he or she may contest  
37 the liability alleged in the notice. Such notice of liability shall also  
38 contain a warning to advise the person charged that failure to contest  
39 in the manner and time provided shall be deemed an admission of liabil-  
40 ity and that a default judgment may be entered thereon.

41 4. The notice of liability shall be prepared and mailed by the agency  
42 or agencies designated by the city of New York, or any other entity  
43 authorized by such city to prepare and mail such notification of  
44 violation.

45 5. Adjudication of the liability imposed upon owners by this section  
46 shall be by the New York city parking violations bureau.

47 (h) If an owner of a motor vehicle receives a notice of liability  
48 pursuant to this section for any time period during which such motor  
49 vehicle was reported to the police department as having been stolen, it  
50 shall be a valid defense to an allegation of liability for a violation  
51 of a bicycle lane restriction that the motor vehicle had been reported  
52 to the police as stolen prior to the time the violation occurred and had  
53 not been recovered by such time. For purposes of asserting the defense

12 vehicle identified in the notice of liability at the time of such  
13 violation, together with such other additional information contained in  
14 the rental, lease or other contract document, as may be reasonably  
15 required by such bureau pursuant to regulations that may be promulgated  
16 for such purpose.

17 2. Failure to comply with subparagraph (ii) of paragraph one of this  
18 subdivision shall render the lessor liable for the penalty prescribed in  
19 this section.

20 3. Where the lessor complies with the provisions of paragraph one of  
21 this subdivision, the lessee of such motor vehicle on the date of such  
22 violation shall be deemed to be the owner of such motor vehicle for  
23 purposes of this section, shall be subject to liability for such  
24 violation pursuant to this section and shall be sent a notice of liabil-  
25 ity pursuant to subdivision (g) of this section.

26 (j) If the owner liable for a violation of a bicycle lane restriction  
27 was not the operator of the motor vehicle at the time of the violation,  
28 the owner may maintain an action for indemnification against the opera-  
29 tor.

30 (k) Nothing in this section shall be construed to limit the liability  
31 of an operator of a motor vehicle for any violation of bicycle lane  
32 restrictions.

33 (l) If the city of New York adopts a bicycle lane safety program  
34 pursuant to subdivision (a) of this section, it shall submit a report on
