9 Section 1. Section 2 of the volunteer firefighters' benefit law, as
10 amended by chapter 476 of the laws of 2018, is amended to read as
11 follows:

12 § 2. Purpose. One of the finest traditions of American community life
13 is the service which people render to others [~~without remuneration~~].
14 Volunteer firefighters have long been in the forefront of this group. In
15 recognition of the unselfish service by these volunteers, government has
16 undertaken to provide for them and their families some measure of
17 protection against loss from death or injuries in line of duty. Over the
18 years there has developed a dual system of benefits when volunteer fire-
19 fighters are killed or injured. The dual system has caused uncertainty
20 and confusion. This law establishes a new single system of benefits for
21 volunteer firefighters and provides for the administration of such
22 system by the workers' compensation board and the chairman of such
23 board.

24 It is hereby declared that this chapter is intended to effectuate the
25 objects and purposes of section eighteen of article one of the state
26 constitution and that the relationship between the political subdivision
27 liable for benefits under this chapter and a volunteer firefighter enti-
28 tled to such benefits is that of employer and employee within the mean-
29 ing of such provision of the state constitution.

30 § 2. Subdivision 3 of section 3 of the volunteer firefighters' benefit
31 law, as amended by chapter 458 of the laws of 1996, is amended to read
32 as follows:

33 3. "Line of duty" means the performance by a volunteer firefighter as
34 a volunteer firefighter of the duties and activities described in subdivi-
35 sion one of section five of this chapter and the same such duties and
36 activities performed for a specialized team established pursuant to the
37 provisions of section two hundred nine-bb of the general municipal law
38 for which the volunteer firefighter does not receive any remuneration or
39 a gratuity and shall be deemed to include any date of injury as deter-
40 mined by the workers' compensation board pursuant to the provisions of
41 section forty-one of this chapter. The following shall not be deemed to
42 be remuneration or a gratuity: payment of a nominal fee as outlined in
43 section two hundred-aa of the general municipal law; reimbursement of
44 expenses for meals, lodging and actual and necessary travel; the receipt
45 of a mileage allowance in lieu of travel expense; reimbursement of
46 expenses for registration and tuition fees payable under section seven-
47 ty-two-g of the general municipal law, and the acceptance of transporta-
48 tion, food, drink, shelter, clothing and similar items while on duty or
49 engaged in such activities.

50 § 3. The general municipal law is amended by adding a new section
51 200-aa to read as follows:

52 § 200-aa. Nominal fee for volunteer firefighters. 1. For purposes of
53 this section:

1 (a) "fire company" shall have the same meaning as defined in section
2 three of the volunteer firefighters' benefit law.

3 (b) "nominal fee" means payment to a volunteer firefighter of a
4 stipend or a fee for a per call or on call basis. The payment of the
5 nominal fee is not a substitute for compensation and must not be tied to
6 productivity.

7 (c) "volunteer firefighter" shall have the same meaning as defined in
8 section three of the volunteer firefighters' benefit law.

9 2. The governing board of a city, town, village or fire district may,
10 by local law, ordinance or resolution, authorize a fire company to
11 provide nominal fees to volunteer firefighters for: (a) response to a
12 fire, alarm of fire, hazardous material incident or other emergency to
13 which their fire department, fire company, or any unit thereof, either
14 has responded or would be required or authorized to respond; and (b) for
15 completion of certain training, as identified and published by the
16 office of fire prevention and control.

17 3. The office of fire prevention and control may make available state
18 funds through a stipend to volunteer firefighters for completion of
19 certain firefighter training, as identified and published by the office
20 of fire prevention and control.

21 § 4. Subdivision 2 of section 517 of the labor law is amended by
22 adding a new paragraph (j) to read as follows:

23 (j) Any nominal fee paid to a volunteer firefighter pursuant to
24 section two hundred-aa of the general municipal law.

25 § 5. Subparagraph (m) of the opening paragraph of subdivision 5 of
26 section 651 of the labor law, as amended by chapter 105 of the laws of
27 2019, is amended to read as follows:

34 volunteer firefighters' benefit law.

35 § 7. Subdivision 7 of section 201 of the civil service law is amended
36 by adding a new paragraph (h) to read as follows:

37 (h) The term "public employee" shall not mean a volunteer firefighter
38 as defined by section three of the volunteer firefighters' benefit law
39 for purposes of this article.

40 § 8. Paragraph (c) of subdivision 1 of section 205-g of the general
41 municipal law, as added by chapter 559 of the laws of 2006, is amended
42 to read as follows:

43 c. "Line of duty" means the performance by a volunteer firefighter of
44 the duties and activities described in subdivision one of section five
45 of the volunteer firefighters' benefit law and the same such duties and
46 activities performed for a specialized team established pursuant to the
47 provisions of section two hundred nine-bb of this article for which the
48 volunteer firefighter does not receive any remuneration or a gratuity
49 and shall be deemed to include any date of injury as determined by the
50 workers' compensation board pursuant to the provisions of section
51 forty-one of the volunteer firefighters' benefit law. The following
52 shall not be deemed to be remuneration or a gratuity: reimbursement of
53 expenses for meals, lodging and actual and necessary travel; the receipt
54 of a mileage allowance in lieu of travel expense; reimbursement of
55 expenses for registration and tuition fees payable under section seven-
56 ty-two-g of this chapter, ~~and~~ the acceptance of transportation, food,

1 drink, shelter, clothing and similar items while on duty or engaged in
2 such activities; and payment of a nominal fee as outlined in section
3 200-aa of this article.

4 § 9. Section 209-d of the general municipal law, as amended by chapter
5 476 of the laws of 2018, is amended to read as follows:

6 § 209-d. Contracts for outside service by volunteer fire departments
7 and companies. Notwithstanding any other provision of law, no contract
8 shall be made by a municipality or fire district whereby the services of
9 a volunteer fire department or company are to be supplied outside of
10 such municipality or fire district to provide (1) fire protection, (2)
11 emergency service in case of accidents, calamities or other emergencies,
12 or (3) general ambulance service pursuant to the provisions of section
13 two hundred nine-b of this article, unless such volunteer fire depart-
14 ment or company consents thereto. Any such contract may provide for the
15 payment of a portion of the consideration expressed therein to such
16 volunteer fire department or company to be expended for fire department
17 or company purposes only. If the municipality or fire district owns all
18 of the fire apparatus to be used in carrying out the contract, the
19 portion of the consideration which may be paid to such volunteer fire
20 department or company shall not exceed thirty-five per centum, unless a
21 greater portion was being so paid on March fifteenth, nineteen hundred
22 forty-one, under a contract entered into on or before that date, in
23 which event a not greater portion than was being paid on said date may
24 be paid to such volunteer fire department or company in respect to any
25 contract entered into on or after such date. No payments shall be made
26 to individual volunteer firefighters as compensation for rendering such
27 outside service. The payment of a nominal fee to a volunteer firefighter
28 pursuant to section two hundred-aa of this article shall not constitute
29 compensation for rendering such outside service.

30 § 10. This act shall take effect immediately.

11 gender-based violence. Such policy shall also address, including, but
12 not limited to:

13 (i) how survivors are referred to or access services, with the goal of
14 creating uniform response by social services districts and community-

PART K

Section 1. New York's alcoholic beverage control law was enacted in 1934. Since that time, the law has grown organically to meet the changing needs of the industry. However, through that growth over the course of nearly a century, the structure of the law has become unwieldy and inconsistent. Consequently, it is difficult for the industry and regulators to understand, implement, enforce, and comply with the law.

The State believes that with an open, transparent legislative review process, the alcoholic beverage control law can be properly rewritten. To begin the process of modernizing the state's alcoholic beverage control laws, the New York State Liquor Authority ("SLA") is hereby directed to undertake a review of those laws and recommend changes. Such recommended changes shall focus on clearly and rationally delineating policies, procedures, criteria, and legal standards that are in current law but not in an intelligible form. The SLA shall prepare an amended version of the law containing the proposed changes and post it on their website for public review.

§ 2. This act shall take effect immediately.

PART L

Section 1. The alcoholic beverage control law is amended by adding a new section 97-d to read as follows:

§ 97-d. Temporary wholesale permit. 1. Any person may apply to the liquor authority for a temporary permit to operate any alcoholic beverage wholesale business as may be licensed under this chapter. Such application shall be in writing and verified and shall contain information as the liquor authority shall require. Such application shall be accompanied by a check or draft in the amount of one hundred twenty-five dollars for such permit.

2. Upon application, the liquor authority may issue such temporary permit when:

(a) the applicant has a wholesale license application at the same premises pending before the liquor authority, together with all required filing and license fees;

(b) the applicant has obtained and provided evidence of all permits, licenses and other documents necessary for the operation of such a business; and

(c) any current license in effect at the premises that may not under law operate concurrently has been surrendered or placed in safekeeping, or has been deemed abandoned by the authority.

3. The liquor authority in granting such permit shall ensure that:

(a) issuance of the permit will not inordinately hinder the operation or effective administration of this chapter;

(b) the applicant would in all likelihood be able to ultimately obtain the wholesale license being applied for; and

1 (c) the applicant has substantially complied with the requirements
2 necessary to obtain such license.

3 4. The application for a permit shall be approved or denied by the
4 liquor authority within forty-five days after the receipt of such appli-
5 cation.

6 5. A temporary permit shall authorize the permittee to operate a
7 wholesale facility for the sale of alcoholic beverages according to the
8 laws applicable to the type of wholesale license being applied for.

9 6. Such temporary permit shall remain in effect for six months or
10 until the wholesale license being applied for is approved and the
11 license granted, whichever is shorter. Such permit may be extended at
12 the discretion of the liquor authority for additional three-month peri-
13 ods of time upon payment of an additional fee of fifty dollars for each
14 such extension.

15 7. Notwithstanding any provision of law to the contrary, a temporary
16 permit may be summarily cancelled or suspended at any time if the liquor
17 authority determines that good cause for cancellation or suspension
18 exists. The liquor authority shall promptly notify the permittee in
19 writing of such cancellation or suspension and shall set forth the
20 reasons for such action.

21 8. The liquor authority in reviewing such application shall review the
22 entire record and grant the temporary permit unless good cause is other-
23 wise shown. A decision on an application shall be based on substantial
24 evidence in the record and supported by a preponderance of the evidence
25 in favor of the applicant.

26 § 2. This act shall take effect on the ninetieth day after it shall
27 have become law.

28 PART M

29 Section 1. The opening paragraph of subdivision 2 of section 99-d of
30 the alcoholic beverage control law, as amended by chapter 560 of the
31 laws of 2011, is amended to read as follows:

32 Before any change in the members of a limited liability company or the

7 failure to so provide shall constitute good cause for denial. The
8 authority may not act to approve any application subject to this section
9 prior to the passage of thirty days from the date notification was
10 provided to the municipality. This section shall apply to an
11 application:

12 § 2. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would revise the terms of participation in the New York State and Local Retirement Systems (NYSLRS) Contribution Stabilization Program (CSP). Participating employers in the NYSLRS may enter the CSP to reduce volatility in average annual contribution rates. Should employer billing rates increase rapidly, the CSP allows a portion of the increase to be amortized over 10 years for the regular CSP or 12 years for the alternative CSP. Should employer billing rates decrease rapidly, the CSP requires employers to make an additional contribution, called a graded payment. The graded payment is deposited into an interest-bearing reserve fund held within the NYSLRS for the exclusive use by the employer to reduce future amortizations.

This bill revises the CSP in the following ways:

1) Limits the value of the reserve fund assets. Graded payments would cease when the employer's reserve fund assets exceed the employer's actuarial contribution in the prior fiscal year. Currently, the reserve fund is capped at 100% of the employer's payroll.

2) Creates provisions for termination from the CSP, subject to approval by the Comptroller, provided all prior year amortizations are paid in full, including interest. Beginning the fiscal year following termination, the employer would not be required (or allowed) to make a graded payment. Any existing reserve fund assets would be used to reduce future annual bills up to the amount the employer would have been able to amortize if still in the program. The employer would be permitted to re-enter the regular CSP only if eligible to amortize, provided all reserve fund assets are depleted.

3) Allows an employer to utilize its reserve fund assets to pay a portion of its annual bill when the employer's average actuarial contribution rate exceeds the employer's graded rate. Currently, the employer's average actuarial rate must exceed the System graded rate.

If this bill is enacted during the 2023 legislative session, we anticipate some administrative costs to implement the provisions of this legislation.
