§ 2. Subdivision 7-a of section 163 of the state finance law is REPEALED.

§ 3. Section 163 of the state finance law is amended by adding two new subdivisions 7-a and 7-b to read as follows:

7-a. Notwithstanding the electronic bid provisions set forth in subdivision seven of this section, starting April first, two thousand twenty-three, and ending March thirty-first, two thousand twenty-seven, state agencies may require electronic submission as the sole method for the submission of bids for commodity, service and technology contracts, including submission of the statement of non-collusion required by section one hundred thirty-nine-d of this chapter, and the statement of certification required by section one hundred thirty-nine-l of this chapter, and may require electronic signatures on all documents required for submission of a bid, any resulting contracts, and required submissions during the term of any contract. Prior to requiring the electronic submission of bids, the agency shall make a determination, which shall be documented in the procurement record, that electronic submission affords a fair and equal opportunity for offerers to submit responsive offers, and that the electronic signature complies with the provisions of article three of the state technology law.

7-b. On or before December first, two thousand twenty-six, the commissioner of the office of general services shall submit to the speaker of the assembly and the temporary president of the senate and post on the website of the office of general services a report including, but not limited to, the following information:

(a) which state agencies required electronic submission as the sole method by which bids could be submitted for the period from April first, two thousand twenty-three through March thirty-first, two thousand twenty-six;

2 through March thirty-first, two thousand twenty-six;

3 (c) the estimated savings to the state as a result of such state agen-

9 owned business enterprise composition, and geographic distribution of
10 those vendors that submitted bids in response to solicitations from
11 state agencies where electronic submission was the sole method by which
12 bids could be submitted for the period from April first, two thousand
13 twenty-three through March thirty-first, two thousand twenty-six;

14 (e) to the extent practicable, the size, industry, minority- and
15 women-owned business enterprise composition, service-disabled veteran-
16 owned business enterprise composition, and geographic distribution of
17 those vendors that submitted non-electronic bids in response to solic-
18 itations from state agencies where electronic submission was accepted
19 but not required for the period from April first, two thousand twenty-
20 three through March thirty-first, two thousand twenty-six; and

21 (f) recommendations for the future use of electronic bidding as a
22 permissible method of procurement.

23 § 4. This act shall take effect immediately; provided, however, that
24 the amendments to section 163 of the state finance law made by sections
25 one and three of this act shall not affect the repeal of such section
26 and shall be deemed repealed therewith; and provided further that the
27 changes made by this act shall not apply to any contracts or requests
28 for proposals issued before the effective date.

29 PART S

30 Section 1. Section 57 of the civil service law, as added by chapter
31 83 of the laws of 1963, is amended to read as follows:

32 § 57. Continuous recruitment for certain positions. Notwithstanding
33 any other provisions of this chapter or any other law, the civil service
34 department or a municipal commission may establish a continuing eligible
35 list for any class of positions for which it finds ~~[inadequate numbers~~
36 ~~of well-qualified persons available for recruitment]~~ such lists appro-
37 priate. The civil service department may only establish continuing
38 eligible lists for any class of positions filled through open compet-
39 itive examination. Names of eligibles shall be inserted in such list
40 from time to time as applicants are tested and found qualified in exam-
41 inations held at such intervals as may be prescribed by the civil
42 service department or municipal commission having jurisdiction. Such
43 successive examinations shall, so far as practicable, be constructed and
44 rated so as to be equivalent tests of the merit and fitness of candi-
45 dates. The name of any candidate who passes any such examination and who
46 is otherwise qualified shall be placed on the continuing eligible list
47 in the rank corresponding to his or her final rating on such examina-
48 tion. The period of eligibility of successful candidates for certifi-
49 cation and appointment from such continuing eligible list, as a result
50 of any such examination, shall be fixed by the civil service department
51 or municipal commission but, except as a list may reach an announced
52 terminal date, such period shall not be less than one year; nor shall
53 such period of eligibility exceed four years. Subject to such conditions
54 and limitations as the civil service department or municipal commission

1 may prescribe, a candidate may take more than one such examination;
2 provided, however, that no such candidate shall be certified simultane-
3 ously with more than one rank on the continuing eligible list. With
4 respect to any candidate who applies for and is granted additional cred-
5 it in any such examination as a disabled or non-disabled veteran, and
6 for the limited purpose of granting such additional credit, the eligible
7 list shall be deemed to be established on the date on which his or her
8 name is added thereto.

9 § 2. This act shall take effect immediately.

10 PART T

11 Section 1. Subdivision 1 of section 55-b of the civil service law, as
12 amended by chapter 603 of the laws of 1995, is amended to read as
13 follows:

14 1. The commission may determine up to [~~twelve~~] seventeen hundred posi-
15 tions with duties such as can be performed by persons with a physical or
16 mental disability who are found otherwise qualified to perform satisfac-
17 torily the duties of any such position. Upon such determination the said
18 positions shall be classified in the noncompetitive class, and may be
19 filled only by persons who shall have been certified by the employee
20 health service of the department as being a person with either a phys-
21 ical or mental disability. The number of persons appointed pursuant to
22 this section shall not exceed [~~twelve~~] seventeen hundred.

23 § 2. This act shall take effect immediately.

24 PART U

26 PART V

27 Section 1. Section 2 of part HH of chapter 56 of the laws of 2022
28 amending the retirement and social security law relating to waiving
29 approval and income limitations on retirees employed in school districts
30 and board of cooperative educational services, is amended to read as
31 follows:

32 § 2. Notwithstanding any other provision of law to the contrary, none
33 of the provisions of this act shall be subject to section 25 of the
34 retirement and social security law.

35 § 3. This act shall take effect immediately and shall expire and be
36 deemed repealed June 30, [~~2023~~] 2024.

37 § 2. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

Insofar as this bill affects the New York State and Local Retirement System (NYSLRS), this bill would allow retirees employed by a New York State school district or by the board of cooperative educational services (BOCES) to collect a salary without suspension or diminution of their pension benefit through June 30, 2024. Currently, the post-retirement earnings limit is \$35,000. Waivers to that post-retirement earnings limitation are only provided after the employer engages in a rigorous application process, including failed efforts to locate qualified non-retired individuals, requiring approval by the Commissioner of Education, and the retiree so hired did not work with the employer prior to retirement.

If this bill were enacted during the 2023 legislative session, the direct cost incurred would be the retiree's post-retirement earnings for the period July 1, 2023 through June 30, 2024, not to exceed the full pension benefit paid by the NYSLRS during that period.

The number of members and retirees who could be affected by this legislation cannot be readily determined. For each retiree hired pursuant to this proposal, an annual cost of \$35,000 is expected. If large numbers of retirees are hired into such positions, significant annual costs would result.

All costs will be shared by the State of New York and all participating employers in the NYSLRS and spread over future billing cycles. Since this proposal exclusively benefits retirees, the increased costs are primarily attributable to retirees from Tiers 1 - 4. Approximately half the contributions required to fund this proposal will be collected on salary reported for current members of Tier 6.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would amend section 2 of Part HH of Chapter 56 of the Laws of 2022 to extend the waiver of the earnings-after-retirement limit for one year for retirees of the New York State Teachers' Retirement System to June 30, 2024. The current expiration date is June 30, 2023 for the waiver of this limit. This act shall take effect immediately and shall be deemed repealed on June 30, 2024. Retirees must be employed with a school district or a board of cooperative educational services (BOCES). There is no earnings-after-retirement limit for retirees aged 65 and older.

It is estimated that there will be no additional annual cost to the employers of members of the New York State Teachers' Retirement System if this bill is enacted.

Member data is from the System's most recent actuarial valuation files, consisting of data provided by the employers to the Retirement System. Data distributions and statistics can be found in the System's Annual Report. System assets are as reported in the System's financial statements and can also be found in the System's Annual Report. Actuarial assumptions and methods are provided in the System's Actuarial Valuation Report.

PART W

2 Section 1. Paragraphs 2 and 3 of subdivision e of section 19-a of the
3 retirement and social security law, as amended by chapter 48 of the laws
4 of 2017, are amended to read as follows:

5 (2) For any given fiscal year for which (i) the system actuarial
6 contribution rate exceeds nine and one-half percent of payroll as of the
7 end of the previous fiscal year, and (ii) an employer's average actuari-
8 al contribution rate exceeds the ~~[system]~~ employer's graded contribution
9 rate or the alternative ~~[system]~~ employer's graded contribution rate,
10 the balance in the employer's account within such fund shall be applied
11 to reduce the employer's payment to the retirement system for such
12 fiscal year in an amount not to exceed the difference between the
13 employer's actuarial contribution and the employer's graded contribution
14 for the fiscal year.

15 (3) Notwithstanding the provisions of paragraph two of this subdivi-
16 sion, if at the close of any given fiscal year the balance of an employ-
17 er's account within the fund exceeds ~~[one hundred percent of]~~ the
18 employer's ~~[payroll]~~ actuarial contribution for the previous fiscal
19 year, ~~[the excess shall be applied to reduce the employer's payment to~~
20 ~~the retirement system for the next succeeding fiscal year]~~ no graded
21 payment shall be required or allowed.

22 § 2. Section 19-a of the retirement and social security law is amended
23 by adding a new subdivision f to read as follows:

24 f. (1) An amortizing employer may elect to terminate participation in
25 the contribution stabilization program provided that such employer shall
26 have paid in full all such prior year amortization amounts including
27 interest as determined by the comptroller. Furthermore, any amortizing
28 employer that has terminated participation in the contribution stabili-
29 zation program may re-enter the program in a year in which the employer
30 is eligible to amortize and their employer contribution reserve fund has
31 been depleted.

32 (2) An alternative amortizing employer may elect to terminate partic-
33 ipation in the alternative contribution stabilization program provided
34 that such employer shall have paid in full all such prior year amorti-
35 zation amounts including interest as determined by the comptroller.
36 Furthermore, any alternative amortizing employer that has terminated
37 participation in the alternative contribution stabilization program may
38 not re-enter the alternative contribution stabilization program;
39 provided, however, such employer may enter the regular contribution
40 stabilization program as set forth in paragraph one of this subdivision.

41 (3) In order to terminate participation in the contribution stabili-
42 zation or alternative contribution stabilization program, such employer
43 must file an election on a form prescribed by the comptroller. Such
44 election is subject to review and approval by the comptroller.

45 (4) Termination shall take effect for the fiscal year billing cycle
46 following the fiscal year of approval. An employer who has been approved

1 to terminate from the contribution stabilization or alternative contrib-
2 ution stabilization program pursuant to this section shall not be
3 required to make a graded payment starting in the following fiscal year
4 billing cycle.

5 (5) In the event an employer in the contribution stabilization program
6 or alternative contribution stabilization program terminates partic-
7 ipation pursuant to this section, any such balance in their employer
8 contribution reserve fund shall be applied to the employer's annual bill
9 in the maximum amount permitted under paragraph two of subdivision e of
10 this section, for the following fiscal year and continue to be applied
11 to future annual bills until the reserve fund is depleted.

12 § 3. Paragraphs 2 and 3 of subdivision e of section 319-a of the
13 retirement and social security law, as amended by chapter 48 of the laws
14 of 2017, are amended to read as follows:

15 (2) For any given fiscal year for which (i) the system actuarial
16 contribution rate exceeds seventeen and one-half percent of payroll as
17 of the end of the previous fiscal year, and (ii) for which an employer's
18 average actuarial contribution rate exceeds the employer's graded
19 contribution rate or the alternative [~~system~~] employer's graded contrib-
20 ution rate, the balance in the employer's account within such fund shall
21 be applied to reduce the employer's payment to the retirement system for
22 such fiscal year in an amount not to exceed the difference between the
23 employer's actuarial contribution and the employer's graded contribution
24 for the fiscal year.

25 (3) Notwithstanding the provisions of paragraph two of this subdivi-
26 sion, if at the close of any given fiscal year the balance of an employ-
27 er's account within the fund exceeds [~~one hundred percent of~~] the

31 payment shall be required or allowed.

32 § 4. Section 319-a of the retirement and social security law is
33 amended by adding a new subdivision f to read as follows:

34 f. (1) An amortizing employer may elect to terminate participation in
35 the contribution stabilization program provided that such employer shall

38 employer that has terminated participation in the contribution stabili-
39 zation program may re-enter the program in a year in which the employer
40 is eligible to amortize and their employer contribution reserve fund has
41 been depleted.

42 (2) An alternative amortizing employer may elect to terminate partic-
43 ipation in the alternative contribution stabilization program provided
44 that such employer shall have paid in full all such prior year amorti-
45 zation amounts including interest as determined by the comptroller.
46 Furthermore, any alternative amortizing employer that has terminated
47 participation in the alternative contribution stabilization program may
48 not re-enter the alternative contribution stabilization program;
49 provided, however, such employer may enter the regular contribution
50 stabilization program as set forth in paragraph one of this subdivision.

51 (3) In order to terminate participation in the contribution stabiliza-

56 following the fiscal year of approval. An employer who has been approved

1 to terminate from the contribution stabilization or alternative contrib-
2 ution stabilization program pursuant to this section shall not be
3 required to make a graded payment starting in the following fiscal year
4 billing cycle.

5 (5) In the event an employer in the contribution stabilization program
6 or alternative contribution stabilization program terminates partic-
7 ipation pursuant to this section, any such balance in their employer
8 contribution reserve fund shall be applied to the employer's annual bill
9 in the maximum amount permitted under paragraph two of subdivision e of
10 this section, for the following fiscal year and continue to be applied
11 to future annual bills until the reserve fund is depleted.

12 § 5. This act shall take effect immediately, and shall be deemed to
13 have been in full force and effect on and after April 1, 2023.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would revise the terms of participation in the New York State and Local Retirement Systems (NYSLRS) Contribution Stabilization Program (CSP). Participating employers in the NYSLRS may enter the CSP to reduce volatility in average annual contribution rates. Should employer billing rates increase rapidly, the CSP allows a portion of the increase to be amortized over 10 years for the regular CSP or 12 years for the alternative CSP. Should employer billing rates decrease rapidly, the CSP requires employers to make an additional contribution, called a graded payment. The graded payment is deposited into an interest-bearing reserve fund held within the NYSLRS for the exclusive use by the employer to reduce future amortizations.

This bill revises the CSP in the following ways:

1) Limits the value of the reserve fund assets. Graded payments would cease when the employer's reserve fund assets exceed the employer's actuarial contribution in the prior fiscal year. Currently, the reserve fund is capped at 100% of the employer's payroll.

2) Creates provisions for termination from the CSP, subject to approval by the Comptroller, provided all prior year amortizations are paid in full, including interest. Beginning the fiscal year following termination, the employer would not be required (or allowed) to make a graded payment. Any existing reserve fund assets would be used to reduce future annual bills up to the amount the employer would have been able to amortize if still in the program. The employer would be permitted to re-enter the regular CSP only if eligible to amortize, provided all reserve fund assets are depleted.

3) Allows an employer to utilize its reserve fund assets to pay a portion of its annual bill when the employer's average actuarial contribution rate exceeds the employer's graded rate. Currently, the employer's average actuarial rate must exceed the System graded rate.

If this bill is enacted during the 2023 legislative session, we anticipate some administrative costs to implement the provisions of this legislation.

PART GG

Section 1. Section 89-e of the retirement and social security law is amended by adding a new subdivision k to read as follows:

k. Notwithstanding any provision of law to the contrary, where a correction officer would have been entitled to retire pursuant to this section at the time of his or her death and where his or her death occurs on or after the effective date of the chapter of the laws of two thousand twenty-three that added this subdivision, the beneficiary or beneficiaries may elect to receive, in a lump sum, an amount payable which shall be equal to the pension reserve that would have been established had the member retired on the date of his or her death, or the value of the death benefit and the reserve-for-increased-take-home-pay, if any, whichever is greater.

1 § 2. The retirement and social security law is amended by adding a new
2 section 606-c to read as follows:

3 § 606-c. Death benefits for correction officers employed by Westches-
4 ter county. a. As used in this section, the term "correction officer"
5 shall mean a person employed by the Westchester county correction
6 department with a title of correction officer, correction officer-ser-
7 geant, correction officer-captain, assistant warden, associate warden or
8 warden.

9 b. Notwithstanding any provision of law to the contrary, where a
10 correction officer would have been entitled to a service retirement
11 benefit at the time of his or her death and where his or her death
12 occurs on or after the effective date of the chapter of the laws of two
13 thousand twenty-three that added this section, the beneficiary or bene-
14 ficiaries may elect to receive, in a lump sum, an amount payable which
15 shall be equal to the pension reserve that would have been established
16 had the member retired on the date of his or her death, or the value of
17 the death benefit and the reserve-for-increased-take-home-pay, if any,
18 whichever is greater.

19 § 3. All past service costs associated with implementing the

21 may be amortized over a period of ten years.

22 § 4. Notwithstanding any other provision of law to the contrary, none
23 of the provisions of this act shall be subject to the appropriation
24 requirement of section 25 of the retirement and social security law.

25 § 5. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would modify the in-service death benefit for Westchester County correction officers in Tiers 2 through 6. The in-service death benefit will be the value of the pension reserve as if the member had retired on their date of death.

If this bill is enacted during the 2023 legislative session, we anticipate that there will be an increase of approximately \$110,000 in the annual contributions of Westchester County for the fiscal year ending March 31, 2024. In future years, this cost will vary as the billing rates and salary of the affected members change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$812,000 which will be borne by Westchester County as a one-time payment. This estimate assumes that payment will be made on February 1, 2024. If Westchester County elects to amortize this cost over a 10-year period, the cost for the first year including interest would be \$104,000.

These estimated costs are based on 821 affected members employed by Westchester County, with annual salary of approximately \$103 million as of March 31, 2022.

PART HH

2 Section 1. Paragraph 2 of subdivision c of section 513 of the retire-
3 ment and social security law, as added by chapter 890 of the laws of
4 1976, is amended to read as follows:

5 2. (i) A police/fire member shall be eligible to obtain credit for
6 service with a public employer described in paragraph one only if such
7 service, if rendered prior to July first, nineteen hundred seventy-six
8 by a police/fire member who was subject to article eleven of this chap-
9 ter, would have been eligible for credit in the police/fire retirement
10 system or plan involved.

11 (ii) Notwithstanding any other provision of law to the contrary, a
12 member of the New York city fire department pension fund subject to this
13 article shall be eligible to obtain credit for any period of allowable
14 service rendered as an EMT member, as such term is defined in paragraph
15 one of subdivision a of section six hundred four-e of this chapter, as
16 added by chapter five hundred seventy-seven of the laws of two thousand,
17 which immediately precedes service in the uniformed force of the fire
18 department and such service shall be deemed to be in service of the
19 uniformed force of the fire department for purposes of eligibility for
20 benefits and to determine the amount of benefits under the New York city
21 fire department pension fund, provided that such member pays or trans-
22 fers into the New York city fire department pension fund all member
23 contributions set forth in section five hundred seventeen of this arti-
24 cle plus interest, at a rate of five percent per annum. For a member who
25 transfers such contributions from the New York city employees' retire-
26 ment system to the New York city fire department pension fund or for a
27 member who withdraws such contributions from the New York city employ-
28 ees' retirement system, such member's membership in the New York city
29 employees' retirement system shall cease upon such transfer or with-
30 drawal and such member shall retain no credited service in such system.

31 (iii) The provisions of this paragraph shall apply to a member with
32 ten or more years of credited service in the New York city employees'
33 retirement system, notwithstanding the provisions of section six hundred
34 thirteen of this chapter or any other provision of law to the contrary.

35 § 2. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

SUMMARY OF BILL: This proposed legislation would amend subdivision c of section 513 of the Retirement and Social Security Law (RSSL) to allow New York City Fire Pension Fund (FIRE) members subject to Article 14 (Tier 3, Tier 3 Modified, and Tier 3 Enhanced) to obtain service credit for service rendered as an emergency medical technician (EMT) with the New York City Employee's Retirement System (NYCERS).

The EMT service credit with NYCERS must immediately precede service in FIRE. If properly transferred or purchased, such service shall be deemed

as pensionable service for purposes of determining the eligibility for benefits and benefit amounts in FIRE.

Upon attaining eligible service credit with FIRE, the member would relinquish prior membership and applicable benefits with NYCERS.

Effective Date: Upon enactment.

IMPACT ON BENEFITS/PAYABILITY: Currently, the purchase or transfer of service rendered as a NYCERS EMT member does not provide an additional service retirement benefit for FIRE members subject to Article 14.

Under the proposed legislation, EMT service transferred or purchased would count for purposes of determining benefit amounts and eligibility in FIRE and would increase and/or accelerate the payability date of benefits.

MEMBER CONTRIBUTIONS: Member contributions as defined in Article 14, plus 5.0% annual interest, for EMT service purchased or transferred would apply.

Member contributions made as a NYCERS EMT member in excess of the amount required would, if not otherwise utilized for a separate vested benefit, be refunded with 5.0% annual interest.

FINANCIAL IMPACT - PRESENT VALUES: Based on the census data and the actuarial assumptions and methods described herein, the enactment of this proposed legislation would result in an increase in the present value of future employer contributions of approximately \$19.3 million.

This net increase is a result of an increase in the Present Value of Future Benefits (PVFB) of approximately \$16.7 million and a decrease in the present value of member contributions of approximately \$2.6 million.

Under the Entry Age Normal cost method used to determine the employer contributions to FIRE, there would be an increase in the Unfunded Accrued Liability (UAL) of approximately \$40.6 million offset by a decrease in the present value of future employer Normal Cost of approximately \$21.3 million.

FINANCIAL IMPACT - ANNUAL EMPLOYER CONTRIBUTIONS: The enactment of this proposed legislation would result in an initial increase in annual employer contributions of approximately \$3.9 million which is the result of a decrease in the Normal Cost offset by the UAL payment. The average annual employer cost per member included in this fiscal note is approximately \$3,100.

New UAL attributable to benefit changes are generally amortized over the remaining working lifetime of those impacted by the benefit changes. The remaining working lifetime for this group is approximately 19 years and the increase in UAL was therefore amortized over a 19-year period (18 payments under the One-Year Lag Methodology) using level dollar payments.

CENSUS DATA: The estimates presented herein are based on the census data used in the June 30, 2022 actuarial valuation of FIRE to determine the Preliminary Fiscal Year 2024 employer contributions.

There are an estimated 1,261 active FIRE Tier 3 members as of June 30, 2022 who could potentially benefit from the proposed legislation by purchasing or transferring service earned as an EMT member. These active members had an average age of approximately 32.3 years, average service of approximately 5.3 years (before purchasing any additional service), and an average salary of approximately \$98,500.

On average, the 1,261 active FIRE Tier 3 members would be able to purchase 3.0 years of service earned as an EMT member with an estimated purchase cost of \$7,400 per former EMT member as of June 30, 2022.

ACTUARIAL ASSUMPTIONS AND METHODS: The estimates presented herein have been calculated based on the actuarial assumptions and methods to be

used for the Preliminary Fiscal Year 2024 employer contributions of FIRE.

For the purposes of this Fiscal Note, it is assumed that the changes would be reflected for the first time in the June 30, 2022 actuarial valuation of FIRE used to determine employer contributions for Fiscal Year 2024.

RISK AND UNCERTAINTY: The costs presented in this Fiscal Note depend highly on the realization of the actuarial assumptions used, demographics of the impacted population and other factors such as investment, contribution, and other risks. If actual experience deviates from actuarial assumptions, the actual costs could differ from those presented herein.

Costs are also dependent on the actuarial methods used, and therefore different actuarial methods could produce different results. Quantifying these risks is beyond the scope of this Fiscal Note.

Not measured in this Fiscal Note are the following:

- * The employer costs for service purchased by future FIRE Tier 3 members for service earned as an EMT member. However, as noted above, the average annual employer cost per member included in this Fiscal Note is approximately \$3,100.

- * The initial, additional administrative costs to implement the proposed legislation.

- * The impact of this proposed legislation on Other Postemployment Benefit costs.

STATEMENT OF ACTUARIAL OPINION: I, Marek Tyszkiewicz, am the Chief Actuary for, and independent of, the New York City Retirement Systems and Pension Funds. I am an Associate of the Society of Actuaries and a Member of the American Academy of Actuaries. I meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein. To the best of my knowledge, the results contained herein have been prepared in accordance with generally accepted actuarial principles and procedures and with the Actuarial Standards of Practice issued by the Actuarial Standards Board.

FISCAL NOTE IDENTIFICATION: This Fiscal Note 2023-01 dated February 10, 2023 was prepared by the Chief Actuary for the New York City Fire Pension Fund. This estimate is intended for use only during the 2023 Legislative Session.

49 chief fire marshal, chief fire marshal, assistant fire marshal, or fire
50 marshal trainee employed by Nassau county who contracts any condition of
51 impairment of health caused by diseases of the heart, resulting in disa-
52 bility or death to such county fire marshal, fire marshal, supervising
53 fire marshal, division supervising fire marshal, assistant chief fire
54 marshal, chief fire marshal, assistant fire marshal, or fire marshal
55 trainee, presently employed, and who shall have sustained such disabili-
56 ty while so employed, shall be presumptive evidence that such disability

1 was incurred in the performance and discharge of duty and the natural
2 and proximate result of an accident, unless the contrary be proved by
3 competent evidence; provided, however, that prior to entry into service,
4 such county fire marshal, fire marshal, supervising fire marshal, divi-
5 sion supervising fire marshal, assistant chief fire marshal, chief fire
6 marshal, assistant fire marshal, or fire marshal trainee successfully
7 passed a physical examination which failed to disclose evidence of any
8 disease or other impairment of the heart.

9 § 10. The retirement and social security law is amended by adding a
10 new section 606-c to read as follows:

11 § 606-c. Death benefits for fire marshals employed by Nassau county.

12 a. As used in this section, the term "fire marshal" shall mean a member
13 who is employed by Nassau county with a title of county fire marshal,
14 supervising fire marshal, fire marshal, assistant fire marshal, assist-
15 ant chief fire marshal, chief fire marshal, or division supervising fire
16 marshal.

17 b. Notwithstanding any provision of law to the contrary, where a fire
18 marshal would have been entitled to a service retirement benefit at the
19 time of his or her death and where his or her death occurs on or after
20 the effective date of this section, the beneficiary or beneficiaries may
21 elect to receive, in a lump sum, an amount payable which shall be equal
22 to the pension reserve that would have been established had the member
23 retired on the date of his or her death, or the value of the death bene-
24 fit and the reserve-for-increased-take-home-pay, if any, whichever is
25 greater.

26 § 11. Subdivision a of section 607-j of the retirement and social
27 security law, as added by chapter 524 of the laws of 2021, is amended to
28 read as follows:

29 a. The county of Nassau shall make the benefits provided herein avail-
30 able to county fire marshals, chief fire marshals, assistant chief fire
31 marshals, division supervising fire marshals, supervising fire marshals,
32 fire marshals, assistant fire marshals and fire marshal trainees in the
33 employ of Nassau county.

34 § 12. All past service costs associated with implementing the
35 provisions of this act shall be borne by the county of Nassau and may be
36 amortized over a period of ten years.

37 § 13. Notwithstanding any provision of law to the contrary, none of
38 the provisions of this act shall be subject to the appropriation
39 requirement of section twenty-five of the retirement and social security
40 law.

41 § 14. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would modify the in-service death benefit for retirement
eligible members of the New York State and Local Employees' Retirement
System who are employed by Nassau County in certain fire marshal job
titles. The in-service death benefit will be the value of the pension
reserve as if the member had retired on their date of death.

If this bill is enacted during the 2023 legislative session, we antic-
ipate that there will be an increase of approximately \$5,400 in the
annual contributions of Nassau County for the fiscal year ending March
31, 2024. In future years, this cost will vary as the billing rates and
salary of the affected members change.

In addition to the annual contributions discussed above, there will be
an immediate past service cost of approximately \$48,700 which will be
borne by Nassau County as a one-time payment. This estimate assumes that
payment will be made on February 1, 2024. If Nassau County elects to

amortize this cost over a 10-year period, the cost for the first year including interest would be \$6,220.

These estimated costs are based on 44 affected members employed by Nassau County, with annual salary of approximately \$5.0 million as of March 31, 2022.

2 Section 1. Paragraphs 1 and 2 of subdivision b of section 517-c of the
3 retirement and social security law, paragraph 1 as amended and paragraph
4 2 as added by chapter 303 of the laws of 2017, are amended to read as
5 follows:

7 system, the New York state and local police and fire retirement system,
8 the New York city employees' retirement system ~~[or]~~, the New York city
9 board of education retirement system or the New York city police pension
10 fund in active service who has credit for at least one year of member
11 service may borrow, no more than once during each twelve month period,
12 an amount not exceeding seventy-five percent of the total contributions
13 made pursuant to section five hundred seventeen of this article (includ-
14 ing interest credited at the rate set forth in subdivision c of such
15 section five hundred seventeen compounded annually) and not less than
16 one thousand dollars, provided, however, that the provisions of this
17 section shall not apply to a New York city uniformed
18 correction/sanitation revised plan member or an investigator revised
19 plan member.

20 2. A member of the New York state and local employees' retirement
21 system who first joins such system on or after January first, two thou-
22 sand eighteen, or a member of the New York city police pension fund who

24 in active service who has credit for at least one year of member service
25 may borrow, no more than once during each twelve month period, an
26 amount, not less than one thousand dollars and which would not cause the
27 balance owed pursuant to this section, including any amounts borrowed

1 then outstanding, to exceed (i) fifty percent of the member's total
2 contributions made pursuant to section five hundred seventeen of this
3 article (including interest credited at the rate set forth in subdivi-
4 sion c of such section five hundred seventeen compounded annually); or
5 (ii) fifty thousand dollars, whichever is less.

6 § 2. Subdivisions d and i of section 517-c of the retirement and

14 less than the rate set forth in subdivision c of section five hundred
15 seventeen of this article; (2) for members of the New York city employ-
16 ees' retirement system, be one percent less than the regular interest
17 rate established pursuant to ~~[subdivision (c) of section 13-101.12]~~
18 paragraph (c) of subdivision twelve of section 13-101 of the administra-
19 tive code of the city of New York for such system, however, in no event
20 shall the rate be less than the rate set forth in subdivision c of
21 section five hundred seventeen of this article; ~~and~~ (3) for members of
22 the New York city board of education retirement system, be one percent
23 less than the regular interest rate established pursuant to subparagraph
24 four of paragraph (b) of subdivision sixteen of section twenty-five
25 hundred seventy-five of the education law for such system, however, in
26 no event shall the rate be less than the rate set forth in subdivision c
27 of section five hundred seventeen of this article; and (4) for members
28 of the New York city police pension fund, be the regular interest rate
29 established pursuant to subdivision b of section 13-638.2 of the admin-
30 istrative code of the city of New York for such system, however, in no
31 event shall the rate be less than the rate set forth in subdivision c of
32 section five hundred seventeen of this article. Whenever there is a
33 change in the interest rate, it shall be applicable to loans made or
34 renegotiated after the date of such change in the interest rate.

35 i. Notwithstanding the provisions of section five hundred sixteen of
36 this article, whenever a member of such a retirement system, for whom a
37 loan is outstanding, retires, the retirement allowance payable without
38 optional modification shall be reduced by a life annuity which is actu-
39 arially equivalent to the amount of the outstanding loan (all outstand-
40 ing loans shall continue to accrue interest charges until retirement),
41 such life annuity being calculated utilizing the interest rate on thirty
42 year United States treasury bonds as of January first of the calendar
43 year of the effective date of retirement and the mortality tables for
44 options available under section five hundred fourteen of this article. A
45 retiree of the New York city employees' retirement system, board of
46 education retirement system of the city of New York, ~~or~~ the New York
47 state and local employees' retirement system, or the New York city
48 police pension fund whose benefit has been so reduced may repay the
49 outstanding balance of the loan at any time. Benefits payable after the
50 repayment of the loan shall not be subject to the actuarial reduction
51 required by this subdivision.

52 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

SUMMARY OF BILL: This proposed legislation would amend the Retirement
and Social Security Law (RSSL) to permit Tier 3, Tier 3 Revised, and
Tier 3 Enhanced members (who are subject to Article 14) of the New York

City Police Pension Fund (POLICE) to take loans against their accumulated total member contributions with interest.

Effective Date: Upon enactment.

BACKGROUND: Tier 1 and Tier 2 members of POLICE are generally permitted, subject to certain restrictions, to borrow from their accumulated Basic Member Contributions (BMC) with interest. However, Tier 3, Tier 3 Revised, and Tier 3 Enhanced members are currently not permitted to take loans on their contributions.

The proposed legislation would permit Tier 3, Tier 3 Revised, and Tier 3 Enhanced members of POLICE to borrow from their accumulated total member contributions, which include Enhanced Plan Additional Member Contributions (AMC). Loans may be taken no more than once a year, and the dollar amount is subject to minimum and maximum restrictions. For members with a date of membership before January 1, 2018, the members may take out a loan up to 75% of their total contributions plus accumulated interest. For members with a date of membership on and after January 1, 2018, the loan is limited to 50% of their total member contributions plus accumulated interest or \$50,000, whichever is less.

FINANCIAL IMPACT: In the event an outstanding loan exists at retirement, the balance of the unpaid loan is converted to an annuity based on the yield on 30-year U.S. Treasury securities and deducted from the annual retirement allowance otherwise payable. This conversion is made on an actuarial basis that is different than the basis used to determine the employer contribution to POLICE. As a result of this difference in actuarial bases and based on the census data and actuarial assumptions and methods described herein, the enactment of this proposed legislation would increase the Present Value of Future Benefits (PVFB) by approximately \$43.7 million.

Under the Entry Age Normal cost method used to determine the employer contributions to POLICE, there would be an increase in the Unfunded Accrued Liability (UAL) of approximately \$11.3 million and an increase in the Present Value of Future Employer Normal Cost of approximately \$32.4 million.

FINANCIAL IMPACT - ANNUAL EMPLOYER CONTRIBUTIONS: The enactment of this proposed legislation would result in an initial increase in annual employer contributions of approximately \$3.4 million. This increase consists of an increase in the Normal Cost in addition to the UAL payment.

Future costs will vary based on the amount of member contributions eligible for loans. Individual member balances are expected to increase, however in the future, a larger portion of the membership will have membership dates on or after January 1, 2018, and therefore be limited to a maximum loan percentage of 50% and a maximum loan amount of \$50,000.

New UAL attributable to benefit changes are generally amortized over the remaining working lifetime of those impacted by the benefit changes. The remaining working lifetime for this group is approximately 18 years and the increase in UAL was therefore amortized over an 18-year period (17 payments under the One-Year Lag Methodology) using level dollar payments.

CENSUS DATA: The estimates presented herein are based on the census data used in the June 30, 2022 actuarial valuation of POLICE to determine the Preliminary Fiscal Year 2024 employer contributions.

The 19,375 Tier 3, Tier 3 Revised, and Tier 3 Enhanced members in POLICE as of June 30, 2022 had an average age of approximately 32.2

years, average service of approximately 5.7 years, and an average salary of approximately \$101,600.

ACTUARIAL ASSUMPTIONS AND METHODS: The estimates presented herein have been calculated based on the actuarial assumptions and methods used for the Preliminary Fiscal Year 2024 employer contributions of POLICE.

For the purposes of this Fiscal Note, it is assumed that the changes would be reflected for the first time in the June 30, 2022 actuarial valuation of POLICE used to determine employer contributions for Fiscal Year 2024.

It has been further assumed that the yield on 30-year U.S. Treasury securities, on a long-term basis would equal 3.5% per year and that 25% of member balances available for borrowing would be taken as loans at retirement.

RISK AND UNCERTAINTY: The costs presented in this Fiscal Note depend highly on the realization of the actuarial assumptions used, demographics of the impacted population and other factors such as investment, contribution, and other risks. If actual experience deviates from actuarial assumptions, the actual costs could differ from those presented herein.

Costs are also dependent on the actuarial methods used, and therefore different actuarial methods could produce different results. Quantifying these risks is beyond the scope of this Fiscal Note.

Not measured in this Fiscal Note are the following:

* The initial additional administrative costs to implement the proposed legislation.

STATEMENT OF ACTUARIAL OPINION: I, Marek Tyszkiewicz, am the Chief Actuary for, and independent of, the New York City Retirement Systems and Pension Funds. I am an Associate of the Society of Actuaries and a Member of the American Academy of Actuaries. I am a member of NYCERS but do not believe it impairs my objectivity and I meet the Qualification Standards of the American Academy of Actuaries to render the actuarial opinion contained herein. To the best of my knowledge, the results contained herein have been prepared in accordance with generally accepted actuarial principles and procedures and with the Actuarial Standards of Practice issued by the Actuarial Standards Board.

FISCAL NOTE IDENTIFICATION: This Fiscal Note 2023-24 dated April 5, 2023 was prepared by the Chief Actuary for the New York City Police Pension Fund. This estimate is intended for use only during the 2023 Legislative Session.

49 plan and such an occupation, other than a police officer or investigator
50 member of the New York city employees' retirement system or a firefight-
51 er, shall not be permitted to retire prior to the completion of twenty-
52 five years of credited service; provided, however, if such a member in
53 such an occupation is in a plan which permits retirement upon completion
54 of twenty years of service regardless of age, he or she may retire upon
55 completion of twenty years of credited service and prior to the
56 completion of twenty-five years of service, but in such event the bene-

1 fit provided from funds other than those based on such a member's own
2 contributions shall not exceed two per centum of final average salary
3 per each year of credited service.

4 § 3. Section 603 of the retirement and social security law is amended
5 by adding a new subdivision u to read as follows:

6 u. The service retirement benefit specified in section six hundred
7 four of this article shall be payable to members with twenty-five or
8 more years of creditable service, without regard to age, who are

10 section eighty-nine-x of this chapter if: (i) such members have met the
11 minimum service requirements upon retirement, and (ii) in the case of a
12 member subject to the provisions of article fourteen of this chapter,
13 such member files an election therefor which provides that he or she
14 will be subject to the provisions of this article and to none of the
15 provisions of such article fourteen. Such election, which shall be irre-
16 vocable, shall be in writing, duly executed and shall be filed with the

22 § 4. Section 604 of the retirement and social security law is amended
23 by adding a new subdivision u to read as follows:

29 his or her final average salary.

30 § 5. All past service costs associated with implementing the
31 provisions of this act shall be borne by Monroe County.

32 § 6. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would permit members of the New York State and Local Employees' Retirement System (NYSLERS) who are employed by Monroe County in the title of deputy sheriff-civil, as certified by the sheriff, to retire upon completion of twenty-five (25) years of creditable service with a benefit of one-half (50%) final average salary, provided Monroe County has filed a resolution with the New York State Comptroller to provide such benefits on or before December 31, 2024. Additionally, for those members covered under the provisions of Article 14, this bill would permit an irrevocable election to forfeit the benefits of Article 14 in favor of the 25-year plan benefit, when elected on or before December 31, 2024 or within one year of entering service as a deputy sheriff-civil with Monroe County.

If this bill is enacted during the 2023 legislative session, we anticipate that there will be an increase of approximately \$24,000 in the annual contributions of Monroe County for the fiscal year ending March 31, 2024. In future years, this cost will vary as the billing rates and salary of the affected members change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$147,000 which will be borne by Monroe County as a one-time payment. This estimate assumes that payment will be made on February 1, 2024.

These estimated costs are based on 9 affected members employed by Monroe County, with annual salary of approximately \$688,000 as of March

31, 2022. The affected members were identified using information provided by Andrew Toranzo of the New York State Minority Ways and Means Committee.

PART LL

2 Section 1. Subdivision 2 of section 363-a of the retirement and social
3 security law, as amended by chapter 437 of the laws of 2016, is amended
4 to read as follows:

5 2. Notwithstanding any provision of this chapter or of any general,
6 special, or local law to the contrary, any condition of impairment of
7 health caused by diseases of the heart, resulting in disability or death
8 to a police officer, presently employed, and who shall have sustained
9 such disability while so employed, shall be presumptive evidence that it
10 was incurred in the performance and discharge of duty and the natural
11 and proximate result of an accident, unless the contrary be proved by
12 competent evidence.

13 § 2. The retirement and social security law is amended by adding a new
14 section 809 to read as follows:

15 § 809. Effect and rebuttal of certain medical presumptions pertaining
16 to diseases of the heart. a. This section shall apply to certain appli-
17 cations for disability retirement allowances made by or on behalf of a
18 member of the New York state and local employees' retirement system or
19 the New York state and local police and fire retirement system. It
20 shall apply only to applications that are subject under this chapter to
21 a provision that any condition of impairment of health caused by a
22 disease of the heart, resulting in disability, shall be presumptive
23 evidence that such disability was incurred in the performance and
24 discharge of duty and the natural and proximate result of an accident.

25 b. Notwithstanding any other provision of law to the contrary an
26 application for an accidental disability retirement allowance that is
27 based on a permanent incapacity caused by a disease of the heart, shall
28 not be required to allege or establish:

1 (1) that the member sustained an accident or other incident related to
2 the performance and discharge of duty; or
3 (2) that notice was provided thereof.
4 c. Notwithstanding any other provision of law to the contrary, the
5 presumptions referred to in subdivision a of this section may be
6 rebutted only by competent evidence that the disability is not the
7 natural and proximate result of the performance and discharge of duty.

8 § 3. The amendment made to subdivision 2 of section 363-a of the
9 retirement and social security law by section one of this act shall not
10 affect, impair or invalidate any temporary right, privilege or benefit
11 conferred pursuant to the provisions of a general, special or local law
12 (other than pursuant to articles 14 and 15 of the retirement and social
13 security law) for any member of a public retirement system or pension
14 plan funded by the state or one of its political subdivisions, nor shall
15 any amendment thereto affect the application of such provisions as
16 extended by the provisions of section 480 of the retirement and social
17 security law.

18 § 4. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would amend the Retirement and Social Security Law (RSSL) to

1. Eliminate certain eligibility requirements for awarding accidental disability benefits, when the disability is related to diseases of the heart, for members in the New York State and Local Employees' Retirement System (NYSLERS) and the New York State and Local Police and Fire Retirement System (NYSLPFRS). Accidental disability benefits would be granted even where

- a. the member did not sustain an accident,
- b. the member's incapacitation is unrelated to any accident, or
- c. the member failed to provide notice thereof.

The heart presumption could continue to be rebutted by competent evidence that the disability is not the result of the performance and discharge of duty.

2. Increase disability benefits payable to police officers in the NYSLPFRS, who become incapacitated due to diseases of the heart, by providing an accidental disability benefit equal to 75% of salary less workers' compensation. Currently, police officers are eligible for a performance-of-duty disability benefit equal to 50% of salary less workers' compensation.

3. Increase the death benefits payable on behalf of a deceased police officer in the NYSLPFRS, whose death results from diseases of the heart, by providing the special accidental death benefit equal to more than 100% of salary less workers' compensation and social security benefits payable to an eligible beneficiary or beneficiaries. Currently the death benefit would be the continuance afforded under the performance-of-duty disability retirement

Insofar as this bill affects the New York State and Local Retirement System (NYSLRS), more accidental disability benefits and accidental death benefits would be granted. The cost of the revised benefit will depend upon the applicant's age, service, salary, plan and any benefit type otherwise payable. Further, we anticipate that the administrative costs to the NYSLRS, required to process applications and litigate anticipated disputes, will increase.

The number of members and retirees who could be affected by this legislation cannot be readily determined. However, every active member of the NYSLPFRS will be covered, as well as members of the NYSLERS

including uniformed court officers and peace officers employed by the Unified Court System and fire marshals employed by Nassau County.

If this bill is enacted during the 2023 legislative session, we anticipate that there will be increases of approximately \$1.2 million and \$4.3 million in the annual contributions to the NYSLERS and to the NYSLPFRS, respectively, for the fiscal year ending March 31, 2024. These costs will be shared by the State of New York (the State), Nassau County, and other local participating employers in the NYSLPFRS as follows:

Employer	payment to the NYSLERS	payment to the NYSLPFRS
the State	\$1.2 million	\$900,000
Nassau County	\$11,000	
all local participating employers in the NYSLPFRS		\$3.4 million

In future years, these annual costs will vary as the salary of the affected members change.

In addition to the annual contributions discussed above, there will be immediate past service costs of approximately \$12.5 million and \$111,000 which will be borne by the State and Nassau County, respectively, as one-time payments. This estimate assumes that payment will be made by the State and Nassau County on March 1, 2024 and February 1, 2024, respectively.

Estimated costs arising in the NYSLERS are based on 6,287 affected members with annual salary of approximately \$573 million as of March 31, 2022.

Estimated costs arising in the NYSLPFRS are based on 32,169 affected members with annual salary of approximately \$3.88 billion as of March 31, 2022.

7 such member, to sell to such member, or to such surviving spouse, the

26 office shall hereafter terminate, or the surviving spouse of such
27 member, to sell to such member, or to such surviving spouse, the chair
28 last occupied by such member in the assembly [~~for the sum of twenty-five dollars~~]
29 at a cost set at the discretion of the clerk of the assembly, depositing any moneys received from such sale in the state treasury;
30 provided, however, that a written request therefor, accompanied by the
31 payment herein provided, be submitted to the clerk of the assembly within
32 ninety days after such resignation or termination of term of office;
33 and provided further that not more than one such chair may be thus sold,
34 regardless of any service subsequently rendered as a member of the
35 assembly. In the event that any member of the assembly dies leaving no
36 surviving spouse, the clerk of the assembly shall have the power to sell
37 such chair, upon the terms and conditions hereinabove prescribed, and in
38 the following order of priority: (i) to any person designated by such
39 member in a writing filed with the clerk of the assembly, or (ii) to a
40 child of such member, if any, in the order of seniority, (iii) to [~~the father~~]
41 any parent or parents of such member, (iv) to [~~the mother of such member, (v) to a brother or sister~~]
42 siblings of such member, in the
43 order of seniority.

44 § 2. This act shall take effect immediately.

47 PART NN

48 Section 1. Subdivision 1 of section 711 of the executive law, as added
49 by section 2 of part B of chapter 1 of the laws of 2004, is amended to
50 read as follows:

51 1. On or before January thirty-first of each year, the director shall
52 appear before and deliver a report to representatives of each house of
53 the legislature. The temporary president of the senate and the speaker
54 of the assembly shall each appoint [~~three~~] four members of their respec-

tive houses, and the minority leader of each house shall each appoint one member, to hear the director's report. The appointed members may hear the report in a joint meeting of the members of the senate and assembly or in separate meetings attended by the members from one house. The chief information security officer of the state office of information technology services shall participate in such joint or separate meetings to supplement the report delivered by the director. The report shall provide information including, but not limited to: the state's current threat level, imminent threats to New York state, the state's current threat posture and collaborative efforts among localities, regions and with other states to prepare for and defend against acts of terrorism. The chief information security officer of the state office of information technology services shall supplement the report delivered by the director with information on the state's cyber security infrastructure and cyber security resiliency efforts.

§ 2. This act shall take effect immediately.

PART 00

Section 1. Short title. This act shall be known and may be cited as the "unmarked burial site protection act".

§ 2. Section 1503 of the not-for-profit corporation law is amended by adding a new paragraph (c) to read as follows:

(c) Except as otherwise provided in paragraph (c) of section fifteen hundred seven and paragraph (m) of section fifteen hundred ten of this article, this article does not apply to a burial site as defined in paragraph (a) of subdivision one of section one hundred seventy-one of the executive law.

§ 3. Article 7 of the executive law is amended by adding a new section 171 to read as follows:

§ 171. Discovery and disposition of human remains and funerary objects. 1. Definitions. As used in this section:

(a) "Burial site" means any location in which human remains are interred, which is not a cemetery subject to provisions of the not-for-profit corporation law, the religious corporations law, the general municipal law, the county law, the town law or the village law.

(b) "Committee" means the Native American burial site review committee created by subdivision three of this section.

(c) "Culturally-affiliated group" means any group, including a Native American Nation or tribe, whose past or present government, or traditional culture or religion, was or is affiliated with human remains or funerary objects which are the subject of this section.

(d) "Forensic anthropologist or bioarchaeologist" means a person qualified in the medicolegal or osteological investigation/examination of human skeletal remains.

(e) "Funerary objects" means any item or items reasonably believed to have been placed with human remains at the time of burial, including but not limited to burial markers, items of personal adornment, vessels, beads, tools, implements, ceremonial objects and other artifacts.

(f) "Human remains" means the remains of any part of the body of a deceased person, excluding teeth.

(g) "Lineal descendant" means a genealogical descendant established by oral tradition, traditional Indigenous knowledge, or written record.

(h) "Native American Nation or tribe" means any Native American tribe, nation or group.

1 (i) "State archaeologist" means the person appointed to such office
2 pursuant to section two hundred thirty-five of the education law.

3 2. Applicability. (a) This section shall apply to all lands within the
4 state except for lands located upon any Native American territory or
5 reservation located wholly or partly within the state.

6 (b) Subdivisions three, four, five, six, and seven of this section
7 shall not apply to any project that has been reviewed pursuant to
8 section 14.09 of the parks, recreation, and historic preservation law or
9 to state participation in any review conducted pursuant to section 106
10 of the National Historic Preservation Act. If any human remains are
11 discovered during the project, the applicant shall immediately notify
12 the state archaeologist.

13 3. Native American burial site review committee. (a) There is hereby
14 established a Native American burial site review committee consisting of
15 the following:

16 (i) one member to be appointed by each of the Native American Nations
17 or tribes recognized by the state;

18 (ii) the state archaeologist;

19 (iii) a forensic anthropologist or bioarchaeologist appointed by the
20 executive director of the New York state museum;

21 (iv) the chair of the human remains committee or other designee of the
22 New York Archaeological Council; and

23 (v) one member with expertise in the field of historic preservation
24 appointed by the commissioner of the office of parks, recreation and
25 historic preservation.

26 (b) The committee shall elect a chairperson from among its members.
27 The members who are not public employees shall be reimbursed by the
28 state for their reasonable, necessary expenses incurred in the perform-
29 ance of committee functions. Three-fifths of the members of the commit-
30 tee shall constitute a quorum for the purpose of conducting business. A
31 majority vote of all members who have been appointed or who are serving
32 ex-officio shall be necessary for action. Any vacancy shall be filled in
33 the same manner as the original appointment.

34 (c) It shall be the function of the committee to determine the lineal
35 descendants and/or culturally-affiliated groups for Native American
36 human remains and funerary objects subject to this section, and to
37 provide notice to such descendants and/or groups as provided in this
38 section. The state archaeologist shall prepare, and the committee shall
39 adopt, standard procedures for determining the lineal descendants and
40 culturally-affiliated groups for human remains as required by this
41 section, including acceptable types of proof of such descent and affil-
42 iation. Such procedures shall include dispute resolution methods to
43 resolve disagreements among the committee members.

44 4. Discovery of burial site; reporting requirements. (a) Any person
45 who in the course of any ground-disturbing activity discovers a burial
46 site, human remains or funerary objects shall immediately cease any
47 further disturbance of such site, remains or objects, and shall imme-
48 diately report such discovery to the coroner or medical examiner in the
49 county in which the remains were discovered. The coroner or medical
50 examiner shall, within ninety-six hours, determine whether any actions
51 are required pursuant to the provisions of article seventeen-A of the
52 county law. If any such remains appear to the coroner or medical examin-
53 er to be more than fifty years old, the coroner or medical examiner
54 shall immediately provide notice of the discovery of such remains to the
55 state archaeologist, who shall in turn convey such notice to the other
56 members of the committee. If no action is required under article seven-

1 teen-A of the county law, or once such actions are undertaken and no
2 further action is required, the state archaeologist and the committee
3 may commence their inspection or examination of the remains or objects.
4 Any inspection or examination shall be made in situ except as necessary
5 to comply with such article seventeen-A, this section, or to determine
6 the age of the remains. The state archaeologist and the committee may
7 use ground penetrating radar or other pertinent technology or equipment
8 on any portion of the project site that has yet to be disturbed to
9 determine if any other remains exist within the project site.

10 (b) The state archaeologist, or a registered archeologist or regis-
11 tered professional archeologist as may be designated by the state
12 archaeologist, shall, upon receiving notice from a coroner or medical
13 examiner of the discovery of human remains, inspect the site, remains
14 and/or objects which are the subject of such notice. Within ten days of
15 receiving such notice, the state archaeologist shall prepare a report
16 thereon and provide a copy of the report to the committee and to the
17 property owner. The report shall be based upon physical examination of
18 the discovered burial site, remains and/or objects, and shall contain
19 the state archaeologist's conclusion as to whether such site, remains
20 and/or objects may be of Native American origin. In the event the state
21 archaeologist determines there is a reasonable possibility the site
22 contains multiple remains, an additional period of ten days may be
23 provided for assessment by the state archaeologist in consultation with
24 the culturally-affiliated group to determine the parameters of the site.
25 In preparing the report, the state archaeologist may seek and obtain
26 assistance from any employee of the regents, from the committee, and
27 from the office of parks, recreation and historic preservation.

28 (c) The committee may recommend to the office of parks, recreation,
29 and historic preservation that the site should be designated as a place
30 of historic interest under section twelve-a of the Indian law.

31 5. Determination of and notification to lineal descendants or cultur-
32 ally-affiliated groups. (a) If the state archaeologist, the forensic
33 anthropologist or bioarchaeologist, and the committee agree that the
34 burial site does not wholly or partly contain human remains or funerary
35 objects that are of Native American origin, it shall be the responsibil-
36 ity of the state archaeologist to determine, as soon as practicable,
37 whether there are any reasonably ascertainable lineal descendants or
38 culturally-affiliated groups with respect to such site, remains or
39 objects and, immediately upon making such determination, to provide
40 notice to such descendants or groups of the reported discovery.

41 (b) If the state archaeologist, the forensic anthropologist or bioar-
42 chaeologist, and the committee agree that the burial site wholly or
43 partly contains human remains or funerary objects that may be of Native
44 American origin, it shall be the responsibility of the committee to
45 determine the lineal descendants or culturally-affiliated groups. Such
46 determination shall be made as soon as practicable after the committee
47 receives a report from the state archaeologist concerning the burial
48 site. Immediately upon making such determination, the committee shall
49 provide notification to such descendants or groups of the reported
50 discovery.

51 (c) The committee shall have stewardship of Native American human
52 remains and funerary objects from the time it receives notification from
53 the state archaeologist pursuant to subdivision four of this section
54 until the lineal descendants and/or culturally-affiliated groups receive
55 notification from the committee pursuant to this subdivision, at which
56 time such lineal descendants and/or culturally-affiliated groups shall

1 have the right of possession and stewardship of such remains and
2 objects. Upon notification to such lineal descendants or culturally-af-
3 iliated groups pursuant to this subdivision, ownership of and responsi-
4 bility for the human remains and funerary objects shall vest exclusively
5 in such descendants or groups, which shall have authority to determine
6 their disposition subject to the provisions of this section.

7 (d) The state archaeologist shall have stewardship of non-Native Amer-
8 ican human remains and funerary objects from the time he or she receives
9 notification from the coroner or medical examiner pursuant to subdivi-
10 sion four of this section until the lineal descendants and/or cultural-
11 ly-affiliated groups receive notification from the state archaeologist
12 pursuant to this paragraph, at which time such lineal descendants and/or
13 culturally-affiliated groups shall have the right of possession and
14 stewardship of such remains and objects. Upon notification to such
15 lineal descendants or culturally-affiliated groups pursuant to this
16 subdivision, ownership of and responsibility for the human remains and
17 funerary objects shall vest exclusively in such descendants or groups,
18 which shall have authority to determine their disposition subject to the
19 provisions of this section.

20 (e) Where a burial site contains both Native American and non-Native
21 American human remains or funerary objects, the committee shall be
22 responsible for the Native American burials at the site, and the state
23 archaeologist shall be responsible for all other burials at the site.
24 Once stewardship of each is determined, the procedures established in
25 paragraphs (c) and (d) of this subdivision shall apply.

26 6. Disposition of remains and objects. (a) Within ten days after
27 receiving notification from the state archaeologist to lineal descend-
28 ants or a culturally-affiliated group, other than a Native American
29 Nation or tribe, of the discovery of a burial site, the descendants or
30 group shall advise the state archaeologist in writing as to the
31 preferred disposition of the discovered remains or objects, which may
32 include a request to protect the burial site and keep the remains inter-
33 red where they were found. The state archaeologist shall consult with
34 the property owner to try to facilitate the request of the lineal
35 descendants or culturally-affiliated group.

36 (b) Within sixty days after receiving notification from the committee
37 to a lineal descendant or culturally-affiliated group of the discovery
38 of a burial site, the descendants or group shall advise the committee in
39 writing as to the preferred disposition of the discovered remains or
40 objects, which may include a request to protect the burial site and keep
41 the remains interred where they were found. The committee shall consult
42 with the property owner to try to facilitate the request of the lineal
43 descendants or culturally-affiliated group.

44 (c) No later than ten days after receiving the report from the state
45 archaeologist pursuant to subdivision four of this section, the property
46 owner shall inform the state archaeologist of their decision with
47 respect to the interment of the remains on their property. The report
48 from the state archaeologist to the property owner shall clearly include
49 that the property owner has ten days to notify the state archaeologist
50 of their decision. If a property owner fails to notify the state
51 archaeologist of their decision, the state archaeologist or the commit-
52 tee, as appropriate, shall abide by the decision of the lineal descend-
53 ants or culturally-affiliated group.

54 (d) Only the state archaeologist, a registered archaeologist, or a
55 registered professional archaeologist may touch or handle any remains or
56 funerary objects.

1 7. Disposition of human remains and funerary objects, generally. (a)
2 The property owner, their agents, assignees, employees, family members,
3 friends, acquaintances, or any other individuals acting on behalf of
4 such property owner, other than the state archeologist or a registered
5 archeologist or a registered professional archaeologist hired by the
6 property owner and acting pursuant to paragraph (d) of this subdivision,
7 are strictly prohibited from moving, relocating, transferring, selling,
8 possessing, touching, handling, or otherwise intentionally disturbing,
9 in any manner, all human remains and funerary objects that are discov-
10 ered on site. Except as necessary to carry out the purposes of this
11 section, burial sites, human remains and funerary objects shall remain
12 undisturbed after discovery and during the process established by this
13 section.

14 (b) While the disposition of the remains shall be determined by the
15 lineal descendants or culturally-affiliated group, and the property
16 owner, the preferred disposition as a matter of policy is to have the
17 remains stay interred where they are discovered.

18 (c) (i) If the lineal descendants, or culturally-affiliated group, and
19 the property owner agree that the remains shall stay interred, the
20 committee or state archaeologist, as appropriate, shall establish a plan
21 of action for the preservation and protection of the remains.

22 (ii) If the lineal descendants or culturally-affiliated group requests
23 that the remains be excavated and moved to a different location, the
24 committee or state archaeologist, as appropriate, shall establish and
25 implement a plan of action for the respectful, dignified excavation and
26 removal of the remains.

27 (iii) If the lineal descendants or culturally-affiliated group advise
28 that the remains stay interred, but the property owner notifies of their
29 decision, as provided in this section, that the remains should be
30 removed, the committee or state archaeologist, as appropriate, shall
31 establish and implement a plan of action for the respectful, dignified
32 excavation and removal of the remains. Such plan shall not be inconsis-
33 ent with the provisions of this section. The committee or state archae-
34 ologist may, prior to the execution of the plan of action, consult with
35 the property owner in an attempt to realize the request of the lineal
36 descendants or culturally-affiliated group. The committee or state
37 archaeologist may use a mediator, at no cost to the property owner
38 unless mediation is requested by the property owner, as part of this
39 process.

40 (d) (i) If the plan of action has not been implemented within ninety
41 days of the notification to the state archaeologist by the coroner or
42 medical examiner pursuant to paragraph (a) of subdivision four of this
43 section, and any additional time provided pursuant to paragraph (b) of
44 subdivision four of this section, the property owner may decide to exca-
45 vate and remove the remains, provided that they shall engage a regis-
46 tered archeologist or a registered professional archaeologist, regis-
47 tered with the Register of Professional Archaeologists and who practices
48 in the field of bioarchaeology or forensic anthropology, to excavate and
49 remove the remains in a respectful and dignified manner that is not
50 inconsistent with the provisions of this section, and provided further
51 that the property owner may request the state archeologist to perform
52 any such excavation or removal. The culturally-affiliated group shall
53 have the right to have a cultural monitor on site prior to and during
54 any excavation and removal of human remains or funerary objects. Fail-
55 ure of the culturally-affiliated group to have a monitor on site shall

1 not be grounds to prohibit, prevent, or pause any excavation, removal,
2 or other conduct as provided in this section.

3 (ii) If the plan of action has been substantially implemented but not
4 completed within the ninety-day period, and any additional time provided
5 pursuant to paragraph (b) of subdivision four of this section, the
6 committee or state archaeologist may have one additional ten-day period
7 to complete the excavation and removal. The state archaeologist, in
8 consultation with the committee, where appropriate, shall determine
9 whether the plan of action has been substantially implemented.

10 (iii) Any excavation and removal caused by the property owner pursuant
11 to this paragraph shall be done at the expense of the property owner and
12 shall be performed and supervised by the registered archaeologist, or a
13 registered professional archaeologist, hired by the property owner
14 pursuant to this subdivision, provided that the property owner may
15 request the state archeologist to complete any such excavation or
16 removal even after the ninety-day implementation period or any addi-
17 tional time provided in this section has expired. The culturally-affi-
18 liated group may select a cultural monitor to observe the work. Such
19 archaeologist shall review the established plan of action with the state
20 archaeologist or the committee, as appropriate, and act in accordance
21 with that plan. For the purposes of this paragraph, only the state
22 archaeologist, as provided in this section, or the registered archaeol-
23 ogist or registered professional archaeologist hired to perform the
24 excavation pursuant to this subdivision may have physical contact with
25 or otherwise disturb the remains or burial site.

26 (iv) The state archaeologist or committee shall make themselves avail-
27 able to the registered archaeologist or registered professional archae-
28 ologist forthwith for the purposes of discussing the established plan of
29 action for the site. If the state archaeologist or committee fails to
30 make themselves available forthwith, the registered archaeologist or
31 registered professional archaeologist may proceed with the excavation
32 and removal.

33 (v) If no plan of action has been established prior to the expiration
34 of the ninety-day period, and any additional time provided pursuant to
35 paragraph (b) of subdivision four of this section, the registered
36 archaeologist or registered professional archaeologist may proceed with
37 the excavation and removal in a professional, respectful, dignified
38 manner that is not inconsistent with the provisions of this section.

39 (vi) Any remains or funerary objects excavated from the site as a
40 result of the implementation of the process established by this para-
41 graph shall be deposited with the New York state museum for disposition.

42 (vii) Notwithstanding any conflicting provision of this section, the
43 state archeologist may at any time monitor and observe any excavation
44 and removal performed pursuant to this section.

45 (e) If the state archaeologist and the committee have been unable to
46 identify the lineal descendants or culturally-affiliated group for human
47 remains or funerary objects, the state archaeologist shall take steward-
48 ship of the remains and shall make the recommendation for their disposi-
49 tion in accordance with the provisions of this section.

50 (f) Notwithstanding any conflicting provision of paragraph (d) of this
51 subdivision, for project sites that contain the remains of six or more
