29 in the building.

30 (C) As used in this subparagraph the term "charter affiliate" means:
31 (i) any entity that is directly or indirectly controlled by, in control
32 of, or under common control with, the charter school or (ii) any entity

55 (b) If a charter school either alone or together with any charter
56 affiliate has any direct or indirect interest in, or may be entitled to

1 receive any beneficial interest in, any asset or assets of any kind or
2 nature, alone or together, with a value in excess of one million
3 dollars, the charter school shall:

4 (i) ensure that the financial statements of the charter school and
5 each charter affiliate conform to and are reported according to general-

7 (ii) ensure that the financial statements of the charter school and
8 any charter affiliate are audited in accordance with generally accepted
9 auditing standards by an independent certified public accountant or an
10 independent public accountant, that such audit receives an "unqualified"
11 opinion as to, among other things, compliance with generally accepted
12 accounting principles and that such audit is completed within nine
13 months of the conclusion of the fiscal year.

14 (c) If a charter school either alone or together with any charter

16 receive any beneficial interest in, any asset or assets of any kind or

36 trustees or other appropriate member of the board of trustees, that,
37 after the due inquiry, the reports are true and correct to the best of
38 his or her knowledge and have been provided to each member of the
39 school's board of trustees.

40 (ii) A charter school to which paragraphs (b) and (c) of this subdivi-
41 sion do not apply shall, by the fifteenth day of February of each calen-

43 graph (ii) of paragraph (a) of this subdivision, under oath, by the
44 chairperson of the school's board of trustees or other appropriate
45 member of the board of trustees, that, after the due inquiry, the char-

55 report is made publicly available via the department's official internet
56 website within five days of its receipt.

(f) A charter school's failure to comply with the provisions of this subdivision shall be a very significant factor in determining whether the charter entity or the board of regents terminates the school's charter.

(g) As used in this subdivision:

(i) "total compensation" shall include: (A) any compensation or remuneration, whether paid or given, by or on behalf of the charter school or any charter affiliate, for services rendered to, on behalf of, or at the request of the charter school, including but not limited to salary, bonus, and deferred compensation and (B) any benefit having monetary value provided by or on behalf of the charter school or any charter affiliate, including but not limited to, perquisites, fringe benefits, employer contributions to defined contribution retirement plans and other retirement or severance benefits.

(iii) "charter executive" means: (A) an officer, director, trustee, consultant, supervisory employee of a charter school or charter affiliate or (B) anyone who exerts operational or managerial influence or control over the school including, but not limited to, influence or control over the school through a charter management company.

6. Executive compensation. (a) No charter school shall provide any compensation to any individual who is also an officer, director, trustee, consultant, or employee of a charter affiliate or to any individual who exerts operational or managerial influence or control over the school through a charter affiliate.

(b)(i) No charter school or charter affiliate shall permit the total compensation received by a charter executive to be greater than one hundred ninety-nine thousand dollars per annum, including not only state funds and state-authorized payments but also any other sources of funding, and greater than the seventy-fifth percentile of that compensation provided to charter executives of other charter schools and charter affiliates within the same or comparable geographic area as established by a compensation survey identified, provided, or recognized by the department and the director of the division of the budget.

(ii) If the department and the director of the division of the budget find good cause after considering the factors set forth in subparagraph (iv) of this paragraph, a waiver of the limit on total compensation that a charter executive may receive may be granted, provided, however, that in no event shall the total compensation exceed one hundred fifty percent of Level I of the federal government's Rates of Basic Pay for the Executive Schedule promulgated by the United States Office of Personnel Management.

(iii) The application for a waiver must be filed no later than the fifteenth day of February of the year for which the waiver is sought. The application shall be transmitted in the manner and form specified by the department and the director of the division of the budget. A waiver may be only for the single calendar year in which it is granted.

(iv) The following factors, in addition to any other deemed relevant by the department and the director of the division of the budget, shall be considered in the determination of whether good cause exists to grant a waiver:

1 (A) the extent to which the executive compensation that is the subject
2 of the waiver request is comparable to that given to comparable charter
3 executives of charter schools or charter affiliates of the same size and
4 within the same or comparable geographic area;

5 (B) the extent to which the charter school would be unable to provide
6 educational services at the same levels of quality and availability
7 without a waiver of the limit on total compensation that a charter exec-
8 utive may receive;

9 (C) the nature, size, and complexity of the charter school or charter
10 affiliate's operations;

11 (D) the charter school or charter affiliate's review and approval
12 process for the total compensation that is the subject of the waiver,
13 including whether such process involved a review and approval by the
14 board of trustees of the school, whether such review was conducted by at
15 least two independent directors or independent members of the board of
16 trustees, whether such review included an assessment of comparability
17 data including a compensation survey, and a contemporaneous substanti-
18 ation of the deliberation and decision to approve the total compen-
19 sation;

20 (E) the qualifications and experience possessed by or required for the
21 charter executive's position; and

22 (F) the charter school or charter affiliate's efforts, if any, to
23 secure a charter executive with the same levels of experience, exper-
24 tise, and skills for the position of the charter executive at lower
25 levels of compensation.

26 (v) To be considered, an application for such a waiver shall comply
27 with this paragraph in its entirety.

28 (vi) Unless additional information has been requested but not received
29 from the charter school or charter affiliate, a decision on a timely
30 submitted waiver application shall be provided no later than sixty
31 calendar days after submission of the application.

32 (vii) If granted, a waiver to a charter executive shall remain in
33 effect for the calendar year it is issued in, but shall be deemed
34 revoked if:

35 (A) the total compensation that is the subject of the waiver
36 increases; or

37 (B) notice of revocation is provided to the charter executive at the
38 discretion of the department as a result of additional relevant circum-
39 stances.

40 (viii) Information provided in connection with a waiver application
41 shall be subject to public disclosure pursuant to article six of the
42 public officers law.

43 (ix) Where a waiver is granted, the department shall make it publicly
44 available via the department's official internet website within five
45 days.

46 (c) No charter school shall use funds received pursuant to section
47 twenty-eight hundred fifty-six of this article or allow a charter affil-
48 iate to use funds received from the charter school to provide a total
49 compensation to a charter executive greater than one hundred ninety-nine
50 thousand dollars per annum.

51 (d) Failure to comply with the provisions of this subdivision shall
52 result in the assessment of a penalty against the payor in an amount
53 equal to the amount of compensation paid or provided in violation of
54 this subdivision.

55 (e) A charter school's failure to comply with the provisions of this
56 subdivision shall be a very significant factor in determining whether

1 the charter entity or the board of regents terminates the school's char-
2 ter.

3 (f) As used in this subdivision:

4 (i) "total compensation" shall include: (A) any compensation or remun-
5 eration, whether paid or given, by or on behalf of the charter school or
6 any charter affiliate, for services rendered to, on behalf of, or at the
7 request of the charter school, including but not limited to salary,
8 bonus, and deferred compensation and (B) any benefit having monetary

20 iate or (B) anyone who exerts operational or managerial influence or
21 control over the school including, but is not limited to, influence or
22 control over the school through a charter management company.

23 7. Notification of disenrollment. Within five business days of a
24 student who was enrolled by the charter school ceasing to be enrolled, a
25 charter school shall notify the superintendent of the district in which
26 the charter school is located or, for charter schools located within the
27 geographic area served by the city school district of the city of New
28 York, the chancellor of the city school district of the city of New
29 York, of the name of such student.

36 not discriminate against any student, employee or any other person on
37 the basis of ethnicity, national origin, gender, or disability or any
38 other ground that would be unlawful if done by a school. Admission of
39 students shall not be limited on the basis of intellectual ability,
40 measures of achievement or aptitude, athletic ability, disability, race,
41 creed, gender, national origin, religion, or ancestry; provided, howev-
42 er, that nothing in this article shall be construed to prevent the
43 establishment of a single-sex charter school or a charter school
44 designed to provide expanded learning opportunities for students at-risk
45 of academic failure or students with disabilities and English language
46 learners; and provided, further, that the charter school shall demon-
47 strate good faith efforts to attract and retain [~~a-comparable~~] an equal
48 or greater enrollment of students with disabilities, English language
49 learners, and students who are eligible applicants for the free and
50 reduced price lunch program when compared to the enrollment figures for
51 such students in the school district in which the charter school is
52 located. A charter shall not be issued to any school that would be whol-
53 ly or in part under the control or direction of any religious denomi-
54 nation, or in which any denominational tenet or doctrine would be
55 taught.

1 (b) (i) Any child who is qualified under the laws of this state for
2 admission to a public school is qualified for admission to a charter
3 school. Applications for admission to a charter school shall be submit-
4 ted on a uniform application form created by the department and shall be
5 made available by a charter school in languages predominately spoken in
6 the community in which such charter school is located. ~~[The]~~

7 (ii) A charter school shall enroll and continually keep enrolled the
8 minimum number of students in each of the following categories: (A)
9 students who are English language learners as defined in regulations of
10 the commissioner, (B) students who receive or are mandated to receive
11 any special education service, (C) students who have individual educa-
12 tion plans that mandate they receive services for at least sixty percent
13 of the school day outside the general education setting, (D) students
14 who are eligible to receive free lunch in accordance with title I of the
15 elementary and secondary education act, and (E) students who reside in
16 temporary or transitional housing. The minimum number of students a
17 charter school must enroll and continually keep enrolled in each such
18 category shall be the number of students that, as a percentage of the
19 students authorized to be served by the charter school in its charter,
20 is equal to the percentage of students in each category that non-charter
21 public schools in the district where the charter school is located
22 enrolled in the preceding June in all of the grades combined which are
23 served by the charter school. For purposes of this subparagraph, for the
24 city school district of the city of New York, district shall mean the
25 community school district and shall include all non-charter public
26 schools, except those in district seventy-five, geographically located
27 in the community school district.

28 (iii) Prior to a charter school selecting or enrolling students for
29 the next school year, the commissioner shall provide the charter school
30 with the minimum number of students it must enroll and continually keep
31 enrolled in each category pursuant to subparagraph (ii) of this para-
32 graph. The minimum number of students each charter school must enroll
33 and continually keep enrolled in each category pursuant to subparagraph
34 (ii) of this paragraph shall be made public by the commissioner no later
35 than five business days after it has been provided to the charter
36 school.

37 (iv) A charter school shall enroll each eligible student who submits a
38 timely application by the first day of April each year[7] unless the
39 number of applications exceeds the capacity of the grade level or build-
40 ing or would cause the charter school to be below the minimum number of
41 students it must enroll and continually keep enrolled in each category
42 pursuant to subparagraph (ii) of this paragraph. In such cases, students
43 shall be accepted from among applicants by a random selection process,
44 provided[~~, however,~~] that separate random selection processes shall be
45 conducted for students that are not in any category set forth in subpar-
46 agraph (ii) of this paragraph and for students in each category set
47 forth in subparagraph (ii) of this paragraph such that a charter school
48 enrolls at least the minimum number of students required pursuant to
49 subparagraph (ii) of this paragraph.

50 (v) Where a charter school does not enroll the minimum number of
51 students it must enroll and continually keep enrolled in each category
52 set forth in subparagraph (ii) of this paragraph, the charter school
53 shall hold open a sufficient number of enrollment spaces such that it is
54 possible for the charter school, consistent with its charter, to subse-
55 quently enroll the number of students required by subparagraph (ii) of
56 this paragraph.

(vi) A charter school may provide an enrollment preference ~~[shall be provided]~~ to pupils returning to the charter school in the second or any subsequent year of operation and pupils residing in the school district in which the charter school is located, and siblings of pupils already enrolled in the charter school provided that the charter school enrolls and continually keeps enrolled the minimum number of students required in each category pursuant to subparagraph (ii) of this paragraph and holds open the number of enrollment spaces as required by subparagraph (v) of this paragraph. Preference may also be provided to children of employees of the charter school or charter management organization, provided that the charter school enrolls and continually keeps enrolled the minimum number of students required in each category pursuant to subparagraph (ii) of this paragraph and holds open the number of enrollment spaces as required by subparagraph (v) of this paragraph and provided further that such children of employees may constitute no more than fifteen percent of the charter school's total enrollment.

(vii) For purposes of this paragraph, if a student withdraws from a charter school as a result of a voluntary decision of the student's parent or guardian and, as a direct result, the charter school no longer has the minimum number of students in each category required pursuant to subparagraph (ii) of this paragraph, the charter school shall nevertheless be considered to have continually kept enrolled the minimum number of students required by subparagraph (ii) of this paragraph if, within thirty days of the student being withdrawn, the charter school replaces the student that was withdrawn with a different student such that the charter school has the minimum number of students in each category required pursuant to subparagraph (ii) of this paragraph, provided however, that this subparagraph shall not apply (A) if the charter school was already in violation of the requirements of subparagraph (ii) of this paragraph at the time the student was withdrawn or (B) if the decision of the student's parent or guardian was substantially motivated by any action or inaction of the charter school, or any of its agents or employees, that was in violation of any law, rule, or regulation.

(viii) (A) A charter school shall report the names of any parents or guardians of students who are on a waitlist for enrollment in the charter school to the superintendent of the district in which the charter school is located or, for charter schools located within the geographic area served by the city school district of the city of New York, the chancellor of the city school district of the city of New York, whether each such student is in one of the categories set forth in subparagraph (ii) of this paragraph and, if so, which one.

(B) A charter school that, at any time, does not have enrolled the minimum number of students required in each category pursuant to subparagraph (ii) of this paragraph shall notify the superintendent of the district in which the charter school is located or, for charter schools located within the geographic area served by the city school district of the city of New York, the chancellor of the city school district of the city of New York, within five days of the date of the school being below the minimum number of students. A separate notification shall be provided each time a charter school's enrollment falls below the minimum in any category pursuant to subparagraph (ii) of this paragraph.

(C) Where the superintendent of the district or the chancellor of the city school district of the city of New York receives notification pursuant to clause (B) of this subparagraph, he or she shall first offer the enrollment spaces to any parents or guardians of students who are in a category in which the charter school is below the minimum set forth in

1 subparagraph (ii) of this paragraph who are on the school's waitlist,
2 then to any parents or guardians of students who are in a category in
3 which the charter school is below the minimum set forth in subparagraph
4 (ii) of this paragraph who are on the waitlist of another charter school
5 in the district in which the charter school is located or, for charter
6 schools located within the geographic area served by the city school
7 district of the city of New York geographically located in the community
8 school district, and then to any other parents or guardians of students
9 who are in a category in which the charter school is below the minimum
10 set forth in subparagraph (ii) of this paragraph who reside in the
11 district; such process of enrollment offers shall continue until the
12 charter school is no longer below such minimum in any category or such
13 superintendent or chancellor certifies there are no such students seek-
14 ing enrollment.

15 (D) Offers made pursuant to this subparagraph shall be made in writing
16 in the parent or guardian's primary language. Where an offer is made
17 pursuant to this subparagraph and the parent or guardian accepts, the
18 charter school shall enroll the student within five calendar days of the
19 offer being accepted.

20 (ix) (A) For each month during the school year, a charter school shall
21 report the number of students then enrolled, as of the first day of the
22 month, in each category set forth in subparagraph (ii) of this paragraph
23 and the number of students then enrolled, as of the first day of the
24 month, that are in none of the categories set forth in subparagraph (ii)
25 of this paragraph.

26 (B) Reports pursuant to this subparagraph shall be made to the board
27 of regents, the school's charter entity, the comptroller of the city of
28 New York for charter schools located in New York city and the comp-
29 troller of the state of New York for charter schools located outside of
30 the city of New York, and the superintendent of the district in which
31 the charter school is located or, for charter schools located within the
32 geographic area served by the city school district of the city of New
33 York, the chancellor of the city school district of the city of New
34 York. The commissioner shall ensure that such report is made publicly
35 available via such department's official internet website within five
36 days of its receipt.

37 (C) Reports pursuant to this subparagraph shall be made on the fifth
38 day of the ensuing month during the school year and shall be accompanied
39 by a statement, under oath, by the chairperson of the school's board of
40 trustees or other appropriate member of the board of trustees, that,
41 after the due inquiry, the reports are true and correct and have been
42 provided to each member of the school's board of trustees.

43 (x) The commissioner shall establish regulations to require that the
44 random selection [~~process~~] ~~processes~~ conducted pursuant to this para-
45 graph be performed in a transparent and equitable manner and to require
46 that the time and place of the random selection process be publicized in
47 a manner consistent with the requirements of section one hundred four of
48 the public officers law and be open to the public. [~~For~~] ~~Except where~~
49 another definition is provided, for the purposes of this paragraph and
50 paragraph (a) of this subdivision, the school district in which the
51 charter school is located shall mean, for the city school district of
52 the city of New York, the community district in which the charter school
53 is located.

54 (xi) The commissioner may, by regulation, require the board of educa-
55 tion of each school district or the chancellor of the city school
56 district of the city of New York to provide to him or her such informa-

tion as is necessary to calculate the minimum number of students a charter school must enroll and continually have enrolled pursuant to subparagraph (ii) of this paragraph. Such information shall be made public by the commissioner within five business days of receipt.

(xii)(A) If a charter school fails to enroll the number of students required by subparagraph (ii) of this paragraph the appropriate school district shall withhold from the charter school's funding an amount equal to the additional per pupil funding the charter school would have received had each student not enrolled as required by subparagraph (ii) of this paragraph been enrolled.

(B) Money withheld by the school district in accordance with this subparagraph shall be returned to the commissioner for distribution to each of the school districts, using an equitable formula determined by the commissioner, provided the charter school or schools from which the monies are withheld shall not be entitled to the return of any money withheld pursuant to this subparagraph or any additional monies as a result of the commissioner's distribution of funds pursuant to this subparagraph.

(xiii) (A) No charter school shall first commence instruction if it is operated by, managed by, affiliated with, in the same chain as, shares the same management company as, or has any common charter applicant as, a school that has been in violation, within the last two years, of the enrollment requirements of subparagraph (ii) of this paragraph.

(B) No charter school shall expand beyond the grades with enrolled students, even if such expansion is authorized by its charter, if it has been in violation, within the last two years, of the enrollment requirements of subparagraph (ii) of this paragraph.

(C) A charter school that does not have enrolled the minimum number of students as required by subparagraph (ii) of this paragraph shall not be offered or entitled pursuant to paragraph (e) of subdivision three of section twenty-eight hundred fifty-three of this article (1) a co-location site in a public school building at no cost or (2) space in a privately owned or other publicly owned facility at the expense of the city school district. A charter school that has already been co-located in a public school building or given space in a privately owned or other publicly owned facility pursuant to this paragraph and then fails to continually have enrolled the required minimum number of students shall be required to pay the fair market value of such space for such period of time of non-compliance.

(xiv) The provisions of this paragraph shall be enforceable by the commissioner or by a court of competent jurisdiction. Any employee of the school district in which the charter school is located or the parent or guardian of a student attending the district in which the charter school is located shall have standing to enforce the provisions of this paragraph.

(xv) A charter school's failure to comply with the provisions of this paragraph shall be a very significant factor in determining whether the charter entity or the board of regents terminates the school's charter.

(b-1) Prior to submission of enrollment counts to a school district pursuant to subdivision one of section twenty-eight hundred fifty-six of this article, on or after October first of the two thousand twenty-three--two thousand twenty-four school year and October first of each school year thereafter, a charter school shall determine whether that school district is the school district of residence of each student for whom enrollment is claimed. Such residency determination shall be made in accordance with the regulations of the commissioner and the residency

1 policy of the school district in which the charter school is located,
2 provided that the charter school may fulfill such requirement by requir-
3 ing that the parents or other persons in parental relation register
4 their child with the school district they have identified as their
5 school district of residence. Notwithstanding any other provision of
6 law to the contrary, the parents or other persons in parental relation
7 shall not be required to annually prove their continued residency,
8 provided that they either annually certify to the charter school and the
9 school district of residence that their residency has not changed or
10 notify the charter school and the school district that their residency
11 has changed and that a new school district of residence should be iden-
12 tified pursuant to this paragraph. Upon making a residency determi-
13 nation, a charter school making its own residency determination shall
14 promptly submit its proof of residence to the school district identified
15 as the district of residence for purposes of enrollment of the student
16 in such school district in accordance with subdivision one of section
17 twenty-eight hundred fifty-six of this article, and the provision of
18 services pursuant to subdivision four of section twenty-eight hundred
19 fifty-three of this article. In the event of a dispute over the residen-
20 cy of a student, the school district shall make its own residency deter-
21 mination pursuant to the regulations of the commissioner after consider-
22 ing the proof of residency submitted by the charter school, and such
23 determination may be appealed to the commissioner by the charter school
24 or by the parent or other person in parental relation or both pursuant
25 to section three hundred ten of this chapter. During the pendency of
26 such appeal, the student shall be deemed enrolled in the school
27 district, shall be entitled to services pursuant to subdivision four of
28 section twenty-eight hundred fifty-three of this article, and the school
29 district shall be liable for charter school tuition, provided that upon
30 a final determination in such appeal that the student is not a resident
31 of the school district, the school district may deduct the cost of such
32 tuition and services from future payments due the charter school. The
33 provisions of this paragraph shall not apply to charter schools located
34 in a city having a population of one million or more.

35 (c) A charter school shall serve one or more of the grades one through
36 twelve, and shall limit admission to pupils within the grade levels
37 served. Nothing herein shall prohibit a charter school from establishing
38 a kindergarten program.

39 (d) A student may withdraw from a charter school at any time and
40 enroll in a public school. [~~A charter school may refuse admission to any~~
41 ~~student who has been expelled or suspended from a public school until~~
42 ~~the period of suspension or expulsion from the public school has~~
43 ~~expired, consistent with the requirements of due process]~~

44 (i) A student may only be disciplined, suspended or expelled from a
45 charter school in accordance with the applicable provisions of subdivi-
46 sions two-a, three, and three-a of section thirty-two hundred fourteen
47 of this chapter. Every charter school shall develop a code of conduct in
48 accordance with the provisions of section twenty-eight hundred one of
49 this title.

50 (ii) Every charter school shall submit a detailed annual report
51 regarding disciplinary measures imposed on students. The report shall be
52 submitted to the charter entity and the board of regents as part of the
53 annual report required pursuant to subdivision two of section twenty-
54 eight hundred fifty-seven of this article. The report shall be in a form
55 prescribed by the commissioner, and shall include, but not be limited
56 to, number of classroom removals, number of in-school suspensions,

number of out-of-school suspensions, number of expulsions, and the action the student took that led to each disciplinary measure imposed. Such data shall be disaggregated by race/ethnicity, status as a student with a disability and status as an English language learner. The report shall be posted on the department's website.

(iii) For the purposes of this subdivision:

(A) the term "superintendent," "superintendent of schools," "district superintendent of schools," or "community superintendent," as used in subdivision three of section thirty-two hundred fourteen of this chapter, as such terms relate to charter schools shall mean the chairperson of the board of trustees of the charter school or the chief school officer of the charter school; and

(B) the term "board of education" or "board," as used in subdivision three of section thirty-two hundred fourteen of this chapter, as such terms relate to charter schools shall mean the board of trustees of the charter school.

§ 16. Subdivision 1 of section 2855 of the education law, as amended by chapter 101 of the laws of 2010, is amended to read as follows:

1. The charter entity, or the board of regents, may terminate a charter upon any of the following grounds:

(a) When a charter school's outcome on student assessment measures adopted by the board of regents falls below the level that would allow the commissioner to revoke the registration of another public school, and student achievement on such measures has not shown improvement over the preceding three school years;

(b) ~~[Serious violations]~~ A violation of law;

(c) ~~[Material and substantial]~~ A violation of the charter~~[, including fiscal mismanagement];~~

(d) When the public employment relations board makes a determination that the charter school ~~[demonstrates a practice and pattern of egregious and intentional violations of]~~ has violated subdivision one of section two hundred nine-a of the civil service law involving interference with or discrimination against employee rights under article fourteen of the civil service law; or the national labor relations board created pursuant to subchapter II of chapter seven of title twenty-nine of the United States Code, or any person or entity to whom the national labor relations board has lawfully delegated its authority, makes a determination that the charter school has violated section 158(a) of title twenty-nine of the United States Code; or

(e) ~~[Repeated failure to comply with the requirement to meet or exceed enrollment and retention targets of students with disabilities, English language learners, and students who are eligible applicants for the free and reduced price lunch program pursuant to targets established by the board of regents or the board of trustees of the state university of New York, as applicable. Provided, however, if no grounds for terminating a charter are established pursuant to this section other than pursuant to this paragraph, and the charter school demonstrates that it has made extensive efforts to recruit and retain such students, including outreach to parents and families in the surrounding communities, widely publicizing the lottery for such school, and efforts to academically support such students in such charter school, then the charter entity or board of regents may retain such charter.]~~ Failure to comply with the requirements of paragraph (b) of subdivision two of section twenty-eight hundred fifty-four of this article; or

1 (f) Failure to comply with the data reporting requirements prescribed
2 in subdivisions two and two-a of section twenty-eight hundred fifty-sev-
3 en of this article.

4 § 17. Subdivision 3 of section 2855 of the education law, as added by
5 chapter 4 of the laws of 1998, is amended to read as follows:

6 3. (a) In addition to the provisions of subdivision two of this
7 section, the charter entity or the board of regents may place a charter
8 school falling within the provisions of subdivision one of this section
9 on probationary status to allow the implementation of a remedial action
10 plan. The failure of a charter school to comply with the terms and
11 conditions of a remedial action plan may result in summary revocation of
12 the school's charter.

13 (b) A charter school that is placed on probationary status shall annu-
14 ally notify the parents or guardians of all students and applicants of
15 the placement. The initial notice shall be distributed within two weeks
16 of being placed on probationary status. Such notice shall be written and
17 delivered via mail. The department shall identify all charter schools on
18 probationary status on the department's website and shall also post the
19 remedial action plan.

20 § 18. Subdivision 4 of section 2855 of the education law, as added by
21 chapter 4 of the laws of 1998, is amended to read as follows:

22 4. (a) Any individual or group may bring a complaint to the board of
23 trustees of a charter school alleging a violation of the provisions of
24 this article, the charter, or any other provision of law relating to the
25 management or operation of the charter school. If, after presentation of
26 the complaint to the board of trustees of a charter school, the individ-
27 ual or group determines that such board has not adequately addressed the
28 complaint, they may present that complaint to the charter entity, which
29 shall investigate and respond. If, after presentation of the complaint
30 to the charter entity, the individual or group determines that the char-
31 ter entity has not adequately addressed the complaint, they may present
32 that complaint to the board of regents, which shall investigate and
33 respond. The charter entity and the board of regents shall have the
34 power and the duty to issue appropriate remedial orders to charter
35 schools under their jurisdiction to effectuate the provisions of this
36 section.

37 (b) At the beginning of each school year, a charter school shall
38 provide the parent or guardian of each student enrolled in the charter
39 school information detailing the process by which a complaint can be
40 brought against the charter school pursuant to paragraph (a) of this
41 subdivision. In addition to detailing the process by which a complaint
42 can be brought, the information provided shall include, but not be
43 limited to the contact information for the board of trustees of the
44 charter school in which the student is enrolled, the contact information
45 for the charter entity of the charter school, and the contact informa-
46 tion for the board of regents, if the board of regents is not the char-
47 ter entity. Such information shall also be posted and updated annually
48 on the charter school's website.

49 § 19. Subdivisions 2 and 3 of section 2856 of the education law are
50 renumbered subdivisions 3 and 4 and a new subdivision 2 is added to read
51 as follows:

52 2. In the event that in any school year a charter school receives
53 combined payments from any local, state, or federal source that exceed
54 expenditures for such school year related to the operation of such char-
55 ter school by seven percent, then any excess funds above such amount

1 shall be returned proportionately to all school districts that have paid
2 tuition to such charter school.

3 § 20. Subdivision 3 of section 2856 of the education law, as added by
4 chapter 4 of the laws of 1998 and as renumbered by section nineteen of
5 this act, is amended to read as follows:

6 3. (a) In the event of the failure of the school district to make
7 payments required by this section, the state comptroller shall deduct
8 from any state funds which become due to such school district an amount
9 equal to the unpaid obligation. The comptroller shall pay over such sum
10 to the charter school upon certification of the commissioner. The
11 commissioner shall promulgate regulations to implement the provisions of
12 this subdivision.

13 (b) At least thirty days prior to submission of a request for an
14 intercept of state funds pursuant to paragraph (a) of this subdivision,
15 the charter school shall provide the school district of residence with a
16 list of students whose tuition is proposed to be included in the inter-
17 cept and documentation of any special education services provided by the
18 charter school, the cost of which would be included in the intercept.
19 If the school district objects to inclusion of the tuition or cost of
20 services in the intercept, the school district shall provide the charter
21 school with a written statement of its reasons for objecting to the
22 intercept that identifies the students whose costs are in dispute and
23 the charter school shall schedule a resolution session for the purpose
24 of resolving the dispute, which shall be held within five business days
25 of receipt of the school district's objection. Each party shall ensure
26 that their representatives who attend the resolution are fully author-
27 ized to bind the school district or charter school, and any agreement
28 reached at the resolution session shall be final and binding upon both
29 parties. In the event the school district does not notify the charter
30 school of its objections within ten days of its receipt of the list of
31 students or fails to participate in a resolution session, the school
32 district shall be deemed to have waived its objections to the intercept
33 and the charter school shall not be required to offer a resolution
34 session. If the parties are unable to reach agreement at a resolution
35 session, they may agree to schedule additional resolution sessions or,
36 if one of the parties informs the other that agreement is not possible,
37 the dispute may be raised by the district as a charter school complaint
38 pursuant to subdivision four of section twenty-eight hundred fifty-five
39 of this article, or, if the dispute concerns the residency of a student,
40 an appeal may be brought pursuant to paragraph (c) of this subdivision.
41 The department shall not process an intercept for tuition or the cost of
42 services of a student whose costs are in dispute until the charter
43 school notifies the department that a resolution session has been held
44 and no agreement has been reached, or that no resolution session is
45 required because the school district failed to provide timely notice or
46 failed to participate in a scheduled resolution session.

47 (c) In the event of a dispute over the residency of a student, the
48 school district shall make its own residency determination pursuant to
49 the regulations of the commissioner after considering the proof of resi-
50 dency submitted by the charter school, and such determination may be
51 appealed to the commissioner by the charter school or by the parent or
52 other person in parental relation or both pursuant to section three
53 hundred ten of this chapter. During the pendency of such appeal, the
54 student shall be deemed enrolled in the school district, shall be enti-
55 tled to services pursuant to subdivision four of section twenty-eight
56 hundred fifty-three of this article, and the school district shall be

1 liable for charter school tuition, provided that upon a final determi-
2 nation in such appeal that the student is not a resident of the school
3 district, the school district may deduct the cost of such tuition and
4 services from future payments due the charter school.

5 § 21. Subdivision 2 of section 2857 of the education law, as amended
6 by chapter 101 of the laws of 2010, is amended and a new subdivision 2-a
7 is added to read as follows:

8 2. Each charter school shall submit to the charter entity and to the
9 board of regents an annual report. Such report shall be issued no later
10 than the first day of August of each year for the preceding school year
11 and shall be made publicly available by such date and shall be posted on
12 both the charter school's [website] and the department's websites. The
13 annual report shall be in such form as shall be prescribed by the
14 commissioner and shall include at least the following components:

15 (a) a charter school report card, which shall include measures of the
16 comparative academic and fiscal performance of the school, as prescribed
17 by the commissioner in regulations adopted for such purpose. Such meas-
18 ures shall include, but not be limited to, graduation rates, dropout
19 rates, performance of students on standardized tests, college entry
20 rates, total spending per pupil and administrative spending per pupil.
21 Such measures shall be presented in a format that is easily comparable
22 to similar public schools. In addition, the charter school shall ensure
23 that such information is easily accessible to the community including
24 making it publicly available by transmitting it to local newspapers of
25 general circulation and making it available for distribution at board of
26 trustee meetings[~~+~~].;

27 (b) discussion of the progress made towards achievement of the goals
28 set forth in the charter[~~+~~].;

29 (c) a certified financial statement setting forth, by appropriate
30 categories, the revenues and expenditures for the preceding school year,
31 including a copy of the most recent independent fiscal audit of the
32 school and any audit conducted by the comptroller of the state of New
33 York[~~+~~].;

34 (d) efforts taken by the charter school in the existing school year,
35 and a plan for efforts to be taken in the succeeding school year, to
36 meet or exceed the enrollment ~~[and retention targets set by the board of~~
37 ~~regents or the board of trustees of the state university of New York, as~~
38 ~~applicable, of students with disabilities, English language learners,~~
