Introduced by Sens. COMRIE, MAY -- read twice and ordered printed, and when printed to be committed to the Committee on Energy and Telecommunications -- reported favorably from said committee, ordered to first and second report, amended on second report, ordered to a third reading, and to be reprinted as amended, retaining its place in the order of third reading

AN ACT to amend the public authorities law, in relation to requiring the New York state energy and research development authority to develop a comprehensive electric vehicle fast charging station implementation plan

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public authorities law is amended by adding a new 2 section 1874 to read as follows:

§ 1874. Comprehensive electric vehicle fast charging station implemen-4 tation plan. 1. The authority, in consultation with the New York power authority, the department of transportation, the department of environmental conservation, the department of public service and the Fast Charge NY working group established pursuant to subdivision five of this 8 section shall, no later than six months after the effective date of this section, develop a comprehensive electric vehicle fast charging station 10 implementation plan to facilitate the deployment of fast electric vehicle charging stations statewide. As used in this section, the term "the plan" shall mean the comprehensive electric vehicle fast charging station implementation plan developed pursuant to this subdivision.

- 2. Such plan shall at a minimum include:
- 15 (a) methods to increase public availability;
- (b) geographic information pertaining to current fast charger deploy-16
- 17 ment including specific information relating to the fast chargers being
- 18 deployed. Such information shall include, but not be limited to the
- number of ports and charging capacity; 19

EXPLANATION -- Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
