AN ACT to amend the public health law, in relation to requiring hospitals to adopt, implement and periodically update standard protocols for the management of fetal or embryo death in utero

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as "Mickie's law".  
2 § 2. The public health law is amended by adding a new section 2803-o-1  
3 to read as follows:

4 § 2803-o-1. Required protocols for fetal or embryo death in utero.  
5 Hospitals shall adopt, implement and periodically update standard proto-  
6 cols for the management of fetal or embryo death in utero. Such proto-  
7 cols shall include informing the patient of treatment options including  
8 but be not limited to: (a) spontaneous miscarriage; (b) surgical evacu-  
9 ation; and (c) the induction of labor. Such protocols shall require the  
10 hospital to determine whether an expectant mother with a confirmed dead  
11 fetus or embryo in utero is experiencing an emergency medical condition,  
12 and upon making a diagnosis of an emergency medical condition, admit the  
13 expectant mother to the hospital or treat them in the emergency room for  
14 potential intervention, close observation, continuous monitoring and  
15 stabilizing treatment until it is deemed medically safe for discharge or  
16 transfer to another medical facility or unit, if necessary, in accord-  
17 ance with the federal Emergency Medical Treatment and Labor Act (EMTA-  
18 LA).

19 § 3. This act shall take effect on the thirtieth day after it shall  
20 have become a law.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.
