The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 501 of the vehicle and traffic law is amended by  
2 adding a new subdivision 7 to read as follows:

3 7. Driving privilege licenses. (a) The commissioner shall issue driv-  
4 ing privilege licenses as provided in this article. Such license shall  
5 be valid only for the operation of a motor vehicle of a type which could  
6 be operated by the holder of the class of license for which application  
7 is being made, provided, however that no driving privilege license shall  
8 be issued which would be equivalent to a commercial driver's license.

9 (b) (i) No governmental entity shall accept a driving privilege  
10 license as proof of personal identification.

11 (ii) No driving privilege license shall be used as a document provid-  
12 ing proof of a person's age for any government required purpose.

13 § 2. Subdivision 1 of section 502 of the vehicle and traffic law, as  
14 separately amended by chapters 158 and 440 of the laws of 2021, is  
15 amended to read as follows:

ble proof of identity shall also include, but not be limited to, a valid, unexpired foreign passport issued by the applicant's country of citizenship (which shall also be eligible as proof of age), a valid, unexpired consular identification document issued by a consulate from the applicant's country of citizenship, or a valid foreign driver's license that includes a photo image of the applicant and which is unexpired or expired for less than twenty-four months of its date of expiration, as primary forms of such proof. Nothing contained in this subdivision shall be deemed to preclude the commissioner from approving additional proofs of identity and age. The license shall display the sex designation of M, F, or X as certified by the applicant, with no additional documentation required. The applicant may amend the sex designation of their driver's license upon request. Upon amendment of the sex designation, the change shall be made consistent through all affiliated records within the control of the department. The commissioner may also provide that the application procedure shall include the taking of a photo image or images of the applicant in accordance with rules and regulations prescribed by the commissioner. In addition, the commissioner also shall require that the applicant provide such applicant's social security number or, in lieu thereof, with respect to an application for a ~~[non-commercial-driver's]~~ driving privilege license or learner's permit which does not meet federal standards for identification, an affidavit signed by such applicant that they have not been issued a social security number. The commissioner also shall provide space on the application so that the applicant may request a notation upon such license that such applicant is a veteran of the United States armed forces, and space on the application so that the applicant may request a notation upon such license that he or she is a veteran of the United States armed forces, and space on the application so that the applicant may register in the New York state organ and tissue donor registry under section forty-three hundred ten of the public health law with the following stated on the application in clear and conspicuous type:

"You must fill out the following section: Would you like to be added to the Donate Life Registry? Check box for 'yes' or 'skip this question'."

The commissioner of health shall not maintain records of any person who checks "skip this question". Except where the application is made in person or electronically, failure to check a box shall not impair the validity of an application, and failure to check "yes" or checking "skip this question" shall not be construed to imply a wish not to donate. In the case of an applicant under eighteen years of age, checking "yes" shall not constitute consent to make an anatomical gift or registration in the donate life registry, except as otherwise provided pursuant to the provisions of paragraph (b) of subdivision one of section forty-three hundred one of the public health law. Where an applicant has previously consented to make an anatomical gift or registered in the donate life registry, checking "skip this question" or failing to check a box shall not impair that consent or registration. In addition, an applicant for a commercial driver's license who will operate a commercial motor vehicle in interstate commerce shall certify that such applicant meets the requirements to operate a commercial motor vehicle, as set forth in public law 99-570, title XII, and title 49 of the code of federal regulations, and all regulations promulgated by the United States secretary of transportation under the hazardous materials transportation act. In addition, an applicant for a commercial driver's

1 license shall submit a medical certificate at such intervals as required  
2 by the federal motor carrier safety improvement act of 1999 and Part  
3 383.71(h) of title 49 of the code of federal regulations relating to  
4 medical certification and in a manner prescribed by the commissioner.  
5 For purposes of this section and sections five hundred three, five  
6 hundred ten-a, and five hundred ten-aa of this title, the terms "medical  
7 certificate" and "medical certification" shall mean a form substantially  
8 in compliance with the form set forth in Part 391.43(h) of title 49 of  
9 the code of federal regulations. Upon a determination that the holder of  
10 a commercial driver's license has made any false statement, with respect  
11 to the application for such license, the commissioner shall revoke such  
12 license.

13 § 3. Paragraph (a) of subdivision 6 of section 502 of the vehicle and  
14 traffic law, as amended by chapter 37 of the laws of 2019, is amended to  
15 read as follows:

16 (a) A license issued pursuant to subdivision five of this section  
17 shall be valid until the expiration date contained thereon, unless such  
18 license is suspended, revoked or cancelled. Such license may be renewed  
19 by submission of an application for renewal, the fee prescribed by law,  
20 proofs of prior licensing, fitness and acceptable vision prescribed by  
21 the commissioner, the applicant's social security number or, in lieu  
22 thereof, with respect to an application for a [~~non-commercial driver's~~]  
23 driving privilege license or learner's permit which does not meet feder-  
24 al standards for identification, an affidavit signed by such applicant  
25 that they have not been issued a social security number, and if required  
26 by the commissioner, a photo image of the applicant in such numbers and  
27 form as the commissioner shall prescribe. In addition, an applicant for  
28 renewal of a license containing a hazardous material endorsement shall  
29 pass an examination to retain such endorsement. The commissioner shall,  
30 with respect to the renewal of a hazardous materials endorsement, comply  
31 with the requirements imposed upon states by sections 383.141 and  
32 1572.13 of title 49 of the code of federal regulations. A renewal of  
33 such license shall be issued by the commissioner upon approval of such  
34 application, except that no such license shall be issued if its issuance  
35 would be inconsistent with the provisions of section five hundred  
36 sixteen of this title, and except that the commissioner may refuse to  
37 renew such license if the applicant is the holder of a currently valid  
38 or renewable license to drive issued by another state or foreign country  
39 unless the applicant surrenders such license.

40 § 4. Subdivision 8 of section 502 of the vehicle and traffic law, as  
41 added by chapter 37 of the laws of 2019, is amended to read as follows:

42 8. Non-commercial drivers' licenses and learners' permits which do not  
43 meet federal standards for identification. [~~(a)~~] Non-commercial drivers'  
44 licenses and learners' permits which do not meet federal standards for  
45 identification shall be issued in such form as the commissioner shall  
46 determine, provided that such licenses and permits shall be visually  
47 identical to non-commercial drivers' licenses and learners' permits  
48 which do meet federal standards for identification except that such  
49 licenses and permits may state "Not for Federal Purposes". Provided,  
50 however, that the commissioner may promulgate regulations providing for  
51 additional design or color indicators for both such non-commercial driv-  
52 ers' licenses and learners' permits if required to comply with federal  
53 law.

2 provided that such licenses and permits shall be visually distinct to  
3 non-commercial drivers' licenses and learners' permits which do meet  
4 federal standards for identification including, but not limited to, that  
5 such licenses and permits shall state a phrase substantially similar to  
6 "FOR DRIVING PRIVILEGES ONLY - NOT VALID FOR IDENTIFICATION". Provided,  
7 however, that the commissioner may promulgate regulations providing for  
8 additional design or color indicators for driving privilege licenses and  
9 learners' permits applied for with alternative forms of identification  
10 if required to comply with federal law. As used in this section "alter-  
11 native forms of identification" shall mean a valid, unexpired foreign  
12 passport issued by an applicant's country of citizenship (which shall  
13 also be eligible as proof of age), a valid, unexpired consular identifi-  
14 cation document issued by a consulate from the applicant's country of  
15 citizenship, or a valid foreign driver's license that includes a photo  
16 image of the applicant and which is unexpired or expired for less than

23 licenses and learners' permits [which do not meet federal standards for]  
24 applied for with alternative forms of identification or for renewal  
25 thereof shall not state (i) the documents an applicant used to prove age  
26 or identity, or (ii) an applicant's ineligibility for a social security  
27 number where applicable, or (iii) an applicant's citizenship or immi-  
28 gration status.

29 (d) The commissioner and any agent or employee of the commissioner  
30 shall not retain the documents or copies of documents presented by  
31 applicants for [~~non-commercial drivers'~~] driving privilege licenses or  
32 learners' permits [~~which do not meet federal standards for]~~ applied for  
33 with alternative forms of identification to prove age or identity except  
34 for a limited period necessary to ensure the validity and authenticity  
35 of such documents.

36 (e) (i) A [~~non-commercial driver's~~] driving privilege license or  
37 learner's permit [~~which does not meet federal standards for]~~ applied for  
38 with alternative forms of identification shall not be used as evidence  
39 of a person's citizenship or immigration status, and shall not be the  
40 basis for investigating, arresting, or detaining a person. (ii) Neither  
41 the commissioner nor any agent or employee of the commissioner shall  
42 inquire about the citizenship or immigration status of any applicant for  
43 a [~~non-commercial driver's~~] driving privilege license or learner's  
44 permit [~~which does not meet federal standards for]~~ applied for with  
45 alternative forms of identification.

50 required on the application for the driver license portion and shall
