1 access, financial support received by museums from governmental and
2 other entities, and changes in such financial support since the creation
3 of these museums. To that end, the topics to be studied shall include,
4 but not be limited to:

- 5 a. the financial status of such museums, including assets, sources of
6 income, endowment portfolios, and expenses;
- 7 b. current policies and practices of such museums regarding public
8 access, with a focus on laws regarding free access and admission;
- 9 c. historic and current mission, purpose, and operations of such muse-
10 ums;
- 11 d. enabling legislation and other statutory requirements regarding
12 free public access and free admission;
- 13 e. historical changes in free access by the public; and
- 14 f. historical changes in support by various governmental entities,
15 including operational funding, use and value of land and buildings owned
16 by the state or the city of New York.

17 § 3. Report and recommendations. A report of the findings of such
18 study shall be filed with the governor, the temporary president of the
19 senate, and the speaker of the assembly no later than one year after the
20 effective date of this act. The report shall include recommendations on
21 increasing public access, including expanding free public access, and an
22 analysis of what measures will need to be taken to ensure such access
23 while not undermining the operations or missions of the museums.

24 § 4. This act shall take effect immediately.
