AN ACT to amend the public service law, in relation to requiring covered entities to publicly report on franchise fees, consumer complaints and denials of requests for service

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The public service law is amended by adding a new section 28 to read as follows:

§ 28. Publication of reports. 1. As used in this section, the following terms shall have the following meanings:

(a) "covered entities" means a telephone corporation with more than ten thousand customers that has provided line-powered voice service at any point on or after January first, two thousand twenty-one; and

(b) "line-powered voice service" means residential voice service that is provided using copper-based facilities that are line powered.

2. Within ninety days of the effective date of this section, the department shall direct all covered entities, to report publicly on its website or websites all franchise fees paid to the municipality or municipalities served, all consumer complaints, and any denials of requests for service from residents of such municipalities during the term of the current franchise. Covered entities shall report such information without unreasonably exposing consumers' personally identifiable information in a manner that violates public service law, department practice, or federal law. Such reports shall be updated quarterly.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
