The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Section 2615 of the insurance law is REPEALED and a new
2 section 2615 is added to read as follows:

3 § 2615. Discrimination because of genetic predisposition. (a) No
4 life, accident, health, disability, long term care, or medical indemnity
5 insurer shall condition insurance rates, the provision or renewal of
6 coverage or benefits, or any other coverage term on the agreement of an
7 individual to undergo genetic testing. Such insurers shall not require
8 or solicit genetic information, use genetic testing results, or consider
9 a person's decisions or actions relating to genetic testing in any
10 manner for any insurance purpose.

11 (b) No life, accident, health, disability, long term care, or medical
12 indemnity insurer shall refuse to issue or renew a policy, cancel a
13 policy, or alter terms and conditions of coverage based on a genetic
14 predisposition of the insured individual or of a member of the insured's
15 family.

16 (c) Nothing in this section shall be construed as preventing an insur-
17 er from accessing an individual's medical record, if otherwise allowed
18 by law. Nothing in this section prohibits an insurer from considering a
19 medical diagnosis included in an individual's medical record, even if a
20 diagnosis was made based on the results of a genetic test.

23 seventy-nine-1 of the civil rights law.
