2. (a) Each governing body of a county, city, town or village may after a public hearing adopt a local law or resolution to provide that qualifying residential real property shall be exempt from taxation to the extent of fifteen percent of the assessed value of such property, provided however, that such exemption shall not exceed twelve thousand dollars or the product of twelve thousand dollars multiplied by the latest state equalization rate of the assessing unit, or, in the case of a special assessing unit, the latest class ratio, whichever is less.

(b) In addition to the exemption provided by paragraph (a) of this subdivision each governing body of a county, city, town or village may adopt a local law or resolution to provide an active military service member who at any time during the taxable year performed active service in the armed forces of the United States in a combat zone as documented by a copy of such active military service member's military orders or certified letter from such active military service member's commanding officer, qualifying residential real property may also be exempt from taxation to the extent of ten percent of the assessed value of such property, provided, that such exemption shall not exceed eight thousand dollars or the product of eight thousand dollars multiplied by the latest state equalization rate for the assessing unit, or in the case of a special assessing unit, the class ratio, whichever is less.

§ 2. This act shall take effect on the second day of January next succeeding the date on which it shall have become a law and shall apply to real property having a taxable status date on or after such effective date.
