1 provisions of section 13-198 of this chapter and all other monies
2 received by such fund from any other source pursuant to law.

3 (b) It is hereby declared by the legislature that the sanitation vari-
4 able supplements fund shall not be, and shall not be construed to
5 constitute, a pension or retirement system or fund, and that it shall
6 function as a means whereby payments, not constituting a pension or
7 retirement allowance, may be made at the discretion of the variable
8 supplements board, in accordance with the provisions of this section, to
9 eligible beneficiaries, as a supplement to benefits received by them
10 pursuant to this title. The legislature hereby reserves to the state and
11 itself the right and power to amend, modify or repeal any or all of the
12 provisions of this section.

13 3. (a) The sanitation variable supplements fund shall be administered
14 by a board of trustees which shall, subject to applicable provisions of
15 law, from time to time establish rules and regulations for the adminis-
16 tration and transaction of the business of such fund and for the control
17 and disposition thereof.

18 (b) Such variable supplements board shall consist of:

19 (1) The representative of the mayor who is a member of the board of

23 his or her office to act in the place of such representative at meetings
24 of the board, in the event of such representative's absence therefrom.

25 (2) The comptroller of the city, who shall be entitled to cast one
26 vote. Any deputy comptroller authorized, pursuant to subdivision b of
27 section ninety-four of the New York city charter, to act in the place of
28 the comptroller as a member of the board of trustees of the retirement
29 system, may be authorized by the comptroller, in accordance with the
30 provisions of such subdivision, to act in the place of the comptroller
31 as a member of the variable supplements board.

32 (3) One member of the uniformed sanitationmen's association and one
33 member of the sanitation officers' association designated by them, who
34 shall be entitled to cast one vote. The members so designated shall be
35 officers of the associations. Each such designee may at any time, by
36 written authorization filed with the variable supplements board, author-
37 ize any other officer of the association to act in his or her place as a
38 member of the board in the event of such designee's absence from any
39 meeting thereof; provided that the bylaws or constitution of the associ-
40 ation provide for the designation of a representative for such purposes.

41 (c) Every act of the variable supplements board shall be by a resol-
42 ution adopted by the votes of not less than three members of such board,
43 except as otherwise provided in paragraph (d) of this subdivision.

44 (d)(1) In the event that the votes of at least three members of such
45 board are not cast in favor of any resolution proposed, such dispute
46 shall be promptly referred to the arbitrator designated for the purpose
47 of resolving such disputes, in the collective bargaining agreement then
48 in effect, between the city of New York and the associations. Such arbi-
49 trator shall determine such dispute as expeditiously as possible and his
50 or her determination shall be adopted by the board.

51 (2) If the arbitrator designated in such agreement is unwilling or
52 unable to serve, or if there be no such agreement then in effect, and
53 the votes of at least three members of the variable supplements board
54 are not cast in favor of a resolution designating another arbitrator, an
55 arbitrator shall be appointed by the supreme court, on application of
56 any member of such board. The determination of the arbitrator made

1 pursuant to the provisions of this subparagraph shall be adopted by the
2 board.

3 (3) The cost of any arbitration pursuant to the foregoing provisions
4 of this paragraph shall be paid by the sanitation variable supplements
5 fund.

6 (e) The actuary appointed by the board of the retirement system shall
7 be the technical advisor of the variable supplements board.

8 (f) The retirement system shall assign to the variable supplements
9 board such number of clerical and other assistants as may be necessary
10 for the performance of its functions.

11 4. (a) The variable supplements board may in its discretion authorize
12 payments from the sanitation variable supplements fund to beneficiaries
13 pursuant to the provisions of this section. Subject to the provisions of
14 paragraph (b) of this subdivision, such payments may be made in such
15 form, in such amount and in such cases as the variable supplements board
16 may in its discretion determine; provided, however, that the board, in
17 so exercising its discretion, shall give consideration to equity, fair-
18 ness and principles of prudent management.

19 (b) (1) No beneficiary shall have a right to receive variable supple-
20 ments except to the extent, in the manner and for the period authorized
21 by the variable supplements board in the exercise of its discretion
22 pursuant to this section and any such supplements granted may at any
23 time be discontinued by the variable supplements board in the exercise
24 of such discretion.

25 (2) The legislature hereby declares that the variable supplements
26 authorized by this section and the granting and receipt thereof:

27 (i) shall not create or constitute membership in a pension or retire-
28 ment system and shall not create or constitute a contract with any bene-
29 ficiary or with any sanitation member; and

30 (ii) shall not constitute a pension or retirement allowance or benefit
31 under the retirement system or otherwise.

32 (3) Except as otherwise provided in section 13-198 of this chapter,
33 nothing contained in this section shall create or impose any obligation
34 on the part of the retirement system, or the funds or monies thereof, or
35 authorize such funds or monies to be appropriated or used for any
36 payment under this section or for any purpose thereof.

37 (c) Beneficiaries shall be eligible to receive variable supplements
38 pursuant to this section, notwithstanding any other provision of law to
39 the contrary.

40 (d) (1) The variable supplements board shall not grant any variable
41 supplement pursuant to this section unless the sanitation variable
42 supplements fund, at the time of the making of such grant, has in its
43 possession monies or assets which are sufficient to provide such supple-
44 ment and which have not been encumbered by any other grant of any such
45 supplement.

46 (2) Upon the making of any such grant, the monies or assets encumbered
47 thereby shall be set aside and shall not be used for any other purpose,
48 except that they may be invested as authorized by subdivision six of
49 this section.

50 5. The sanitation variable supplements fund shall have the powers and
51 privileges of a corporation and by its name all of its business shall be
52 transacted, all of its funds invested, all warrants for money drawn and
53 payments made, and all of its cash and securities and other property
54 held.

55 6. The members of the variable supplements board shall be the trustees
56 of the monies received by or belonging to the sanitation variable

1 supplements fund pursuant to this section and shall have full power to
2 invest same, subject to the terms, conditions, limitations and
3 restrictions imposed by the law upon savings banks in the making and
4 disposing of investments by savings banks; and subject to like terms,
5 conditions, limitations and restrictions, such trustees shall have full
6 power to hold, purchase, sell, assign, transfer or dispose of any of the
7 securities or investments in which any of such monies shall have been
8 invested as well as the proceeds of such investments and of any monies
9 belonging to such fund.

10 7. The variable supplements board shall publish annually in the City
11 Record a report for the preceding year showing the assets of the sanitation
12 variable supplements fund and a statement as to the accumulated
13 cash and securities of such fund as certified by the comptroller, and
14 shall set forth in such report such other facts, recommendations and
15 data as the board may deem pertinent.

16 8. The comptroller shall be custodian of the monies and assets of the
17 sanitation variable supplements fund. All such monies and assets
18 included in such fund or which shall hereafter accrue to such fund shall
19 be in his or her custody for the purposes of this section subject to the
20 direction, control and approval of such board as to disposition, invest-
21 ment, management and report. All payments from such fund shall be made
22 by the comptroller upon a voucher signed by the secretary of the vari-
23 able supplements board.

24 9. Except as provided in this section, the trustees and employees
25 assigned to the variable supplements board are prohibited from having
26 any interest, directly or indirectly, in the gains or profits of any
27 investment of the sanitation variable supplements fund or as such,
28 directly or indirectly, from receiving any pay or emolument for their
29 services. The trustees and such employees, directly or indirectly, for
30 themselves or as agents or partners of others, shall not borrow any of
31 its funds or deposits or in any manner use the same except to make such
32 current and necessary payments as are authorized by such board.

33 10. (a) The sanitation variable supplements fund shall not make any
34 payments to beneficiaries unless a plan setting forth the basis and
35 amounts of such payments and the qualifications for receipt thereof is
36 first filed with the superintendent of financial services and approved
37 by him or her as consistent with the provisions of this section.

38 (b) The superintendent of financial services may examine the affairs
39 of the sanitation variable supplements fund with the same powers and
40 jurisdiction as are applicable in the case of an examination of a life
41 insurance company by such superintendent under article three of the
42 insurance law.
