AN ACT to amend the private housing finance law, in relation to estab-
lishing the sustainable affordable housing incentive program

The People of the State of New York, represented in Senate and Assem-
bly, do enact as follows:

1 Section 1. The private housing finance law is amended by adding a new
2 article 32 to read as follows:

8 § 1290. Statement of legislative findings and purpose. The legislature
9 finds and declares that climate change is having a significant impact
10 upon our environment, health, and safety and it is necessary to imple-
11 ment programs and policies that immediately reduce greenhouse gas emis-
12 sions. The legislature further finds that residential housing is a
13 source for such emissions and we can only address climate change in a
14 meaningful manner if we change our practices and behaviors as they
15 relate to the construction of and improvements to such housing, such as
16 the use of environmentally-sensitive design and the construction prac-
17 tices and materials; the installation of energy efficient products; and
18 access to renewable energy sources. Establishing a new program to
19 encourage and publicly subsidize more environmentally-friendly practices
20 and materials will reduce greenhouse gas emissions from multi-unit hous-
21 ing throughout New York state and help address climate change for future
22 generations.

23 § 1291. Definitions. For the purposes of this article, the following
24 terms shall have the following meanings:
