

# STATE OF NEW YORK

5660

2023-2024 Regular Sessions

## IN SENATE

March 13, 2023

Introduced by Sen. SANDERS -- read twice and ordered printed, and when printed to be committed to the Committee on Energy and Telecommunications

AN ACT to amend the public service law, in relation to the community wind energy pilot program

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The public service law is amended by adding a new section  
2 66-u to read as follows:

3 § 66-u. Community wind energy pilot program. 1. The commission shall  
4 establish a New York state pilot program promoting the use of community  
5 wind energy.

6 2. The commission shall oversee the implementation of the pilot  
7 program and shall issue an order of the commission authorizing the  
8 construction of a wind energy system installation.

9 3. The commission shall invite consumers to participate in the program  
10 as subscribers, provided that:

11 (a) the commission shall set a subscription schedule, including the  
12 price per watt to subscribe and the percentage of the total installation  
13 each subscription level shall represent;

14 (b) subscribers shall make a one time payment to the commission and,  
15 in return, subscribers shall be paid a quarterly dividend for the energy  
16 generated by the watts covered by their subscription level;

17 (c) a consumer shall be paid on a quarterly basis based on the consum-  
18 er's subscription level;

19 (d) the commission shall set a maximum number of subscriptions at each  
20 level; and

21 (e) the minimum price per subscription shall not exceed five hundred  
22 dollars.

23 4. All energy generated by the wind energy system installation shall  
24 be sold back to an investor-owned utility.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD01770-01-3

1 5. One percent of all payments due to subscribers shall be held by the  
2 commission to pay for the capital investment into the original wind  
3 energy system installation. After the original installation has been  
4 paid in full, the one percent held by the commission shall be used to  
5 fund new wind energy system installations in the same manner.

6 6. The state shall retain ownership of the wind energy system instal-  
7 lation and of any renewable energy credits generated by the installa-  
8 tion.

9 7. Subscribers shall be paid for energy generated at the retail rate  
10 and not at the avoided-cost rate.

11 8. The maximum size of the installation shall be two thousand kilo-  
12 watts.

13 9. Subscriptions may not be resold to any entity other than the state.

14 § 2. This act shall take effect immediately.
