1 ment, analysis, or to give consultation, advice, recommendations and  
2 counseling regarding anatomy, physiology, neurology, general health  
3 matters, wellness and health optimization by any means of communication,  
4 the use of x-ray and diagnostic imaging studies using ionizing and non-  
5 ionizing imaging methods, adjustment, mobilization, manipulation, trac-  
6 tion, and decompression, and other procedures consisting of but not  
7 limited to, heat, cold, light, air, water, sound, electricity, massage,  
8 manual therapies, therapeutic exercise with or without assistive devices  
9 and clinical laboratory testing methods approved by the department as  
10 being appropriate to the practice of chiropractic.

11 b. Chiropractic examination, diagnostic and treatment methods may also  
12 include electrodiagnostic testing and manipulation under anesthesia when  
13 appropriate education standards have been met and as approved by the  
14 department as being appropriate to the practice of chiropractic.

15 c. The practice of the profession of chiropractic allows a licensed  
16 chiropractor who has successfully completed a registered doctoral, post-  
17 doctoral or continuing education certification program of a higher  
18 education credential by an accrediting agency, which contains courses of  
19 study in wellness care methods, nutrition, and dietary advice satisfac-  
20 tory to the department; use of wellness care methods and the ability to  
21 engage in nutritional counseling and dietary advice, including the  
22 dispensing of food concentrates, food extracts, nutraceuticals, vita-  
23 mins, minerals, and other nutritional supplements approved by the  
24 department as being appropriate to, and as a part of, the practice of  
25 chiropractic, as the above relates to the definition of the practice of  
26 chiropractic in subdivision one of this section.

27 3. a. A license to practice as a chiropractor shall permit a chirop-  
28 ractic practitioner in their professional discretion the ability to  
29 take, order and use x-ray and diagnostic imaging studies but shall not  
30 permit the holder thereof to use [~~radio-therapy, fluoroscopy, or any~~  
31 ~~form of ionizing radiation except X-ray which shall be used for the~~  
32 ~~detection of structural imbalance, distortion, or subluxations in the~~  
33 ~~human body]~~ ionizing radiation sources for the purposes of radiotherapy.

34 b. The requirements and limitations with respect to the use of [~~X-ray]~~  
35 diagnostic imaging studies by chiropractors shall be enforced by the  
36 state commissioner of health and [~~he]~~ the commissioner is authorized to  
37 promulgate rules and regulations after conferring with the [~~board]~~  
38 department to carry out the purposes of this subdivision.

39 c. Chiropractors shall retain for a period of three years all [~~X-ray~~  
40 ~~films]~~ diagnostic images taken in the course of their practice, together  
41 with the records pertaining thereto, and shall make such [~~films]~~ images  
42 and records available to the state commissioner of health or his or her  
43 representative on demand.

44 [~~3-~~ 4. Chiropractors may use diagnostic clinical laboratory methods  
45 involving chemical or biological means which particular tests and  
46 services shall be approved by the department as appropriate to the prac-  
47 tice of chiropractic.

48 5. A license to practice chiropractic shall not permit the holder  
49 thereof to treat for any infectious diseases such as pneumonia, any  
50 communicable diseases listed in the sanitary code of the state of New  
51 York, any of the cardio-vascular-renal or cardio-pulmonary diseases, any  
52 surgical condition [~~of the abdomen such as acute appendicitis, or~~  
53 ~~diabetes]~~, or any benign or malignant neoplasms; to operate; to reduce  
54 fractures [~~or dislocations]~~; to prescribe, administer, dispense or use  
55 in [~~his]~~ practice drugs or medicines[~~, or to use diagnostic or therapeutic~~  
56 ~~methods involving chemical or biological means except diagnostic~~

1 ~~services performed by clinical laboratories which services shall be~~  
2 ~~approved by the board as appropriate to the practice of chiropractic, or~~  
3 ~~to utilize electrical devices except those devices approved by the board~~  
4 ~~as being appropriate to the practice of chiropractic. Nothing herein~~  
5 ~~shall be construed to prohibit a licensed chiropractor who has success-~~  
6 ~~fully completed a registered doctoral program in chiropractic, which~~  
7 ~~contains courses of study in nutrition satisfactory to the department,~~  
8 ~~from using nutritional counseling, including the dispensing of food~~  
9 ~~concentrates, food extracts, vitamins, minerals, and other nutritional~~  
10 ~~supplements approved by the board as being appropriate to, and as a part~~  
11 ~~of, his or her practice of chiropractic. Nothing herein shall be~~  
12 ~~construed to prohibit an individual who is not subject to regulation in~~  
13 ~~this state as a licensed chiropractor from engaging in nutritional coun-~~  
14 ~~seling.] or controlled substances or to administer or use anesthetics.~~  
15 Chiropractors may use topical analgesic substances and anesthetic balms,  
16 salves or emollients or advise on over the counter substances.

17 § 2. Section 6552 of the education law, as added by chapter 987 of the  
18 laws of 1971, is amended to read as follows:

19 § 6552. Practice of chiropractic and use of title "chiropractor",  
20 "doctor of chiropractic" or "chiropractic physician". Only a person  
21 licensed [~~or exempt~~] or otherwise authorized under this article [~~shall~~]  
22 to practice chiropractic [~~or~~] may use the title "chiropractor", "doctor  
23 of chiropractic" or "chiropractic physician".

24 § 3. Section 6553 of the education law, as added by chapter 987 of the  
25 laws of 1971, is amended to read as follows:

26 § 6553. State board for chiropractic. A state board for chiropractic  
27 shall be appointed by the board of regents on recommendation of the  
28 commissioner for the purpose of assisting the board of regents and the  
29 department on matters of professional licensing and professional conduct  
30 in accordance with section sixty-five hundred eight of this title. The  
31 board shall be composed of not less than [~~seven~~] eight members, includ-  
32 ing [~~at least four~~] seven licensed chiropractors [~~, one licensed physi-~~  
33 ~~cian who is a doctor of medicine, one licensed physician who is a doctor~~  
34 ~~of osteopathy, and one educator who holds a doctorate or equivalent~~  
35 ~~degree in either anatomy, physiology, pathology, chemistry or microbiol-~~  
36 ~~ogy] in this state for at least five years and one public member. An  
37 executive secretary to the board shall be appointed by the board of  
38 regents on recommendation of the commissioner.~~

39 § 4. Section 6554 of the education law, as added by chapter 987 of the  
40 laws of 1971, subdivision 3 as amended by chapter 994 of the laws of  
41 1971, subdivision 6 as amended by chapter 669 of the laws of 2022, and  
42 subdivision 8 as amended by chapter 62 of the laws of 1989, is amended  
43 to read as follows:

44 § 6554. Requirements for a professional license. To qualify for a

36 department, provided such practice is under the direct supervision of a  
37 licensed chiropractor for a maximum period of twelve months; or

38 3. Any chiropractor authorized to practice chiropractic while travel-  
39 ling from another state or country in which he or she is licensed, to  
40 provide chiropractic services during any emergency services associated  
41 with any rescue, recovery or humanitarian relief effort provided such  
42 practice is limited to the organized emergency services; or

43 4. A chiropractor who is not a resident of this state who is legally  
44 qualified to practice in his or her state and who is travelling from  
45 another state for the purpose of providing chiropractic services for a  
46 specific purpose or event of limited duration; or

47 5. Any chiropractor who is licensed in another state or country and  
48 who is meeting or communicating with a chiropractor licensed in this  
49 state, for purposes of consultation, provided such practice is limited  
50 to such consultation; or

51 6. Any chiropractor who is licensed in another state or country, who  
52 is visiting a chiropractic school or teaching facility in this state to  
53 receive chiropractic instruction for a period not to exceed six months  
54 or to conduct chiropractic instruction, provided such practice is limit-  
55 ed to such instruction and is under the general supervision of a  
56 licensed chiropractor; or

1 7. Any chiropractor who is authorized by a foreign government to practice in relation to its diplomatic, consular or maritime staffs, provided such practice is limited to such staffs; or

2  
3  
4 8. Any commissioned chiropractic officer who is serving in the United States armed forces or public health service or any chiropractor who is employed in the United States Veterans Administration, provided such practice is limited to such service or employment.

5  
6  
7  
8 § 6. Section 6556 of the education law is REPEALED and a new section  
9 6556 is added to read as follows:

10 § 6556. Limited permits. Permits limited as to eligibility, practice and duration, shall be issued by the department to eligible applicants, as follows:

11  
12  
13 1. Eligibility: The following persons shall be eligible for a limited permit:

14  
15 a. A person who fulfills all requirements for a license as a chiropractor except those relating to the examination and citizenship or permanent residence in the United States;

16  
17  
18 b. A licensed foreign chiropractor who meets guidelines developed in accordance with the commissioner's regulations;

19  
20 c. A licensed foreign chiropractor or a foreign intern who is in this country on a non-immigration visa for the continuation of chiropractic study who meets guidelines developed in accordance with the commissioner's regulations;

21  
22  
23  
24 d. Any graduate of a chiropractic school which meets standards satisfactory to the department, provided such practice is under the general supervision of a licensed chiropractor for a maximum period of twelve months from date of graduation.

25  
26  
27  
28 2. Limit of practice. A permittee shall be authorized to practice chiropractic only under the supervision of a licensed chiropractor and only in a licensed chiropractic office or clinical setting.

29  
30  
31 3. Duration. A limited permit shall be valid for one year. A limited permit may be renewed annually at the discretion of the department.

32  
33 4. Fees. The fee for each limited permit and for each renewal shall be one hundred five dollars.

34  
35 § 7. The education law is amended by adding a new section 6557 to read  
36 as follows:

37 § 6557. Special provisions. 1. Non-liability of licensed chiropractors for first aid or emergency treatment. Notwithstanding any inconsistent provision of any general, special or local law, any licensed chiropractor who voluntarily and without the expectation of monetary compensation renders first aid or emergency treatment at the scene of an accident or other emergency, outside a hospital, doctor's office or any other place having proper and necessary chiropractic equipment, to a person who is unconscious, ill or injured, shall not be liable for damages for injuries alleged to have been sustained by such person or for damages for the death of such person alleged to have occurred by reason of an act or omission in the rendering of such first aid or emergency treatment unless it is established that such injuries were or such death was caused by gross negligence on the part of such chiropractor. Nothing in this section shall be deemed or construed to relieve a licensed chiropractor from liability for damages for injuries or death caused by an act or omission on the part of a chiropractor while rendering professional services in the normal and ordinary course of his or her practice.

50  
51  
52  
53  
54  
55 2. This article shall not be construed to affect or prevent the following:

56

1 a. The furnishing of any assistance in an emergency;

2 b. The chiropractor from being a primary portal of entry healthcare  
3 provider.

4 3. There shall be no monetary liability on the part of, and no cause  
5 of action for damages shall arise against, any person, partnership,  
6 corporation, firm, society, or other entity on account of the communi-  
7 cation of information in the possession of such person or entity, or on  
8 account of any recommendation or evaluation, regarding the qualifica-  
9 tions, fitness, or professional conduct or practices of a chiropractor,  
10 to any governmental agency, chiropractic society, a hospital as defined  
11 in article twenty-eight of the public health law, a hospital as defined  
12 in subdivision ten of section 1.03 of the mental hygiene law, or a  
13 health maintenance organization organized under article forty-four of  
14 the public health law or article forty-three of the insurance law,  
15 including a committee of an individual practice association or medical  
16 group acting pursuant to a contract with a health maintenance organiza-  
17 tion. The foregoing shall not apply to information which is untrue and  
18 communicated with malicious intent.

19 § 8. The education law is amended by adding a new section 6558 to read  
20 as follows:

21 § 6558. Definition of chiropractic clinical assistant. 1. A chirop-  
22 ractic clinical assistant is defined as a person certified in accordance  
23 with this article who works under the supervision of a licensed chiro-  
24 practor performing such patient duties as are assigned by the supervis-  
25 ing chiropractor. A chiropractic clinical assistant may only provide  
26 patient services on the orders and instructions of a supervising chiro-  
27 practor. Supervision of a chiropractic clinical assistant by a licensed  
28 chiropractor shall be on-site supervision, but not necessarily direct  
29 personal supervision. The number of chiropractic clinical assistants  
30 supervised by one licensed chiropractor shall not exceed the ratio of  
31 four chiropractic clinical assistants to one licensed chiropractor as  
32 shall be determined by the commissioner's regulations ensuring that  
33 there be adequate supervision in the best interest of public health and  
34 safety. Nothing in this section shall prohibit a hospital or other  
35 public health law article twenty-eight facility from employing chiro-  
36 ractic clinical assistants, provided they work under the supervision of  
37 a chiropractor, physician, nurse practitioner or other medical provider  
38 designated by the hospital or public health law article twenty-eight  
39 facility and not beyond the scope of practice of a chiropractic clinical  
40 assistant.

41 2. A certified chiropractic clinical assistant may only provide clin-  
42 ical services on the orders and instructions of a supervising chiroprac-  
43 tor.

44 3. The scope of services for a certified chiropractic clinical assist-  
45 ant shall include assisting a chiropractor with providing certain clin-  
46 ical procedures common and customary to the chiropractic setting which  
47 include, but are not limited to, the following: collecting general  
48 health data, such as the taking of an oral history, vital signs or  
49 neurological, physiological or anatomical measurements; performing  
50 objective data collection tests common and customary to the chiropractic  
51 setting including, but not limited to dynamic or static surface EMG,  
52 thermography, heart rate variability; applying thermal, light, air,  
53 water, sound, electrical and mechanical modalities; and monitoring  
54 prescribed rehabilitative activities.

55 4. A certified chiropractic clinical assistant must be adequately  
56 trained in the proper operation of any device or equipment and know-

1 ledgeable of anatomy and the appropriate safety procedures and contrain-  
2 dications with respect to the clinical services he or she is directed to  
3 provide.

4 5. Nothing in this section shall be construed to allow a certified  
5 chiropractic clinical assistant to provide a chiropractic adjustment;  
6 manipulation; joint mobilization; perform radiological tests (X-rays);  
7 nutritional instruction; and counseling or other therapeutic service or  
8 procedure which requires individual licensure in New York state.

9 6. Registration as a certified chiropractic clinical assistant is not  
10 required for individuals who perform administrative activities of a  
11 non-clinical nature.

12 § 9. The education law is amended by adding a new section 6559 to read  
13 as follows:

14 § 6559. Duties of chiropractic clinical assistant and the use of title  
15 "chiropractic clinical assistant." Only a person certified or otherwise  
16 authorized under this article shall participate in the practice of  
17 chiropractic as a chiropractic clinical assistant and only a person  
18 certified under this section shall use the title "chiropractic clinical  
19 assistant."

20 § 10. The education law is amended by adding a new section 6560 to  
21 read as follows:

22 § 6560. Requirements for certification as a chiropractic clinical  
23 assistant.

24 1. Application: file an application with the department;

25 2. Education: have received an education and training in a chiroprac-  
26 tic clinical assistant program in accordance with the commissioner's  
27 regulations and department of education; including but not limited to a  
28 minimum of twenty-four hours of didactic study;

29 3. Experience: have experience satisfactory to the department for  
30 chiropractic in accordance with the commissioner's regulations;

31 4. Examination: pass an examination satisfactory to the department and  
32 in accordance with the commissioner's regulations;

33 5. Age: be at least eighteen years of age;

34 6. Character: be of good moral character as determined by the depart-  
35 ment;

36 7. Registration: all certified chiropractic clinical assistants shall  
37 register triennially with the education department in accordance with  
38 the regulations of the commissioner;

39 8. Fees: pay a fee for an initial certificate of fifty dollars, and a  
40 fee of fifty dollars for each subsequent triennial registration period.

41 9. A certified chiropractic clinical assistant shall conduct them-  
42 selves within the boundaries of proper ethical behavior and shall adhere  
43 to acceptable standards of conduct regardless of whether a supervising  
44 chiropractor or person in a position of authority may order, impart or  
45 condone behavior or conduct which is improper.

46 10. "Improper conduct", under the meaning of this section, shall  
47 include conduct delineated under the chiropractic practice act, regu-  
48 lations, and such other New York state laws that may apply.

49 11. The department may refuse to issue, refuse to renew, or may  
50 suspend, revoke, censure, reprimand, restrict, or limit the registration  
51 of, or fine any person pursuant to the laws of New York state or the  
52 procedures set forth herein, upon one or more of the grounds for disci-  
53 pline set forth in this article.

54 § 11. The education law is amended by adding a new section 6561 to  
55 read as follows:

1 § 6561. Exemptions. 1. This article shall not be construed to affect  
2 or prevent a chiropractic clinical assistant student from engaging in  
3 clinical assisting under the supervision of a licensed chiropractor as  
4 part of a program conducted in an approved program for chiropractic  
5 clinical assistants or in a clinical facility or health care agency  
6 affiliated with the program for chiropractic clinical assistants.

7 2. Supervision of a chiropractic clinical assistant student by a  
8 licensed chiropractor shall be on-site supervision and direct super-  
9 vision.

10 § 12. The education law is amended by adding a new section 6562 to  
11 read as follows:

12 § 6562. Limited permits. 1. The department shall issue a limited  
13 permit to an applicant who meets all requirements for admission to the  
14 certification examination.

15 2. All practice under a limited permit shall be under the supervision  
16 of a licensed chiropractor or other licensed medical provider in a  
17 public hospital, an incorporated hospital or clinic, a licensed proprie-  
18 tary hospital, a licensed nursing home, a public health agency, a recog-  
19 nized public or non-public school setting, the office of a licensed  
20 chiropractor, or in the civil service of the state or political subdivi-  
21 sion thereof.

22 3. Limited permits shall be for six months and the department may for  
23 justifiable cause renew a limited permit provided that no applicant  
24 shall practice under any limited permit for more than a total of one  
25 year.

26 4. Supervision of a permittee by a licensed chiropractor shall be  
27 on-site supervision and not necessarily direct personal supervision.

28 5. The fee for each limited permit and for each renewal shall be fifty  
29 dollars.

30 § 13. This act shall take effect on the first of January next succeed-  
31 ing the date on which it shall have become a law.
