AN ACT to amend the alcoholic beverage control law, in relation to wine products

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 36-a of section 3 of the alcoholic beverage control law, as amended by chapter 135 of the laws of 1985, is amended to read as follows:

36-a. "Wine product" means a beverage containing wine to which is added concentrated or unconcentrated juice, flavoring material, water, citric acid, sugar and carbon dioxide and containing not more than six per centum alcohol by volume, to which nothing other than such wine has been added to increase the alcoholic content of such beverage**; or a beverage containing wine which has undergone an alcohol reduction process including but not limited to nanofiltration, reverse osmosis, osmotic distillation, vacuum distillation, spinning cone column, or through a multi-stage membrane-based system**.

§ 2. This act shall take effect immediately.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
