AN ACT directing a state agency telework report

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. Short title. This act shall be known and may be cited as
2 the "State agency telework report act".
- 3 § 2. Legislative intent. The legislature takes notice of the growing
4 practice of the use of telework as a future form of work away from the
5 principal place of employment. Telecommuting is being used more and more
6 by businesses as a way to save money for employers by reducing contribu-
7 tions to workers' compensation premiums, allowing more freedom for a
8 balance between work and family life for employees, reducing air
9 pollution and traffic congestion, reducing absenteeism, and accommodat-
10 ing those who are disabled.
- 11 Teleworking warrants further research to enable the state to move a
12 step closer to using it as a way to save taxpayer's money, while also
13 benefiting the state and its employees.
- 14 § 3. Definitions. As used in this act, the following terms shall have
15 the following meanings:
- 16 (a) "State agency" means any state department, board, bureau, divi-
17 sion, commission, committee, public authority, public benefit corpo-
18 ration, council, office, or other governmental entity performing a
19 governmental or proprietary function for the state.
- 20 (b) "Telework" means to perform normal and regular work functions on a
21 workday that ordinarily would be performed at the state agency's offi-
22 cial principal location or locations, at a different location.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
