

STATE OF NEW YORK

6530--A

2023-2024 Regular Sessions

IN SENATE

April 25, 2023

Introduced by Sens. MATTERA, WEIK -- read twice and ordered printed, and when printed to be committed to the Committee on Health -- recommitted to the Committee on Health in accordance with Senate Rule 6, sec. 8 -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the public health law, the education law and the executive law, in relation to enacting Paige's law

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as
2 "Paige's law".

3 § 2. Subdivision 1 of section 2500-a of the public health law is
4 amended by adding a new paragraph (1) to read as follows:

5 (1) Hereditary hemorrhagic telangiectasia and thoracic aortic aneu-
6 rysms and dissections through gene sequencing, Marfan syndrome and
7 related disorders.

8 § 3. The public health law is amended by adding a new section 2500-m
9 to read as follows:

10 § 2500-m. Hereditary hemorrhagic telangiectasia, thoracic aortic aneu-
11 rysms, Marfan syndrome and related disorders prenatal screening aware-
12 ness. 1. As used in this section, "health care practitioner" means a
13 medical professional that provides prenatal care.

14 2. A health care practitioner caring for a pregnant woman shall
15 provide to such woman materials promulgated by the commissioner which
16 include information on being a potential carrier of hereditary hemor-
17 rhagic telangiectasia, thoracic aortic aneurysms, Marfan syndrome and
18 related disorders and the availability and options for prenatal screen-
19 ing for such conditions and disorders.

20 § 4. The education law is amended by adding a new section 3001-e to
21 read as follows:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD06088-02-4

1 § 3001-e. Brain arteriovenous malformation, brain aneurysm and stroke
2 awareness and response training. 1. (a) Teachers shall annually complete
3 a course or training in the identification of and response to a pupil
4 experiencing a brain arteriovenous malformation, brain aneurysm or
5 stroke.

6 (b) Documentation showing the successful completion of the instruction
7 required pursuant to this section shall be kept in such teacher's
8 personnel file.

9 2. The training required pursuant to this section may be performed by
10 the registered nurse at the school in which the teacher is hired to work
11 or by a recognized training program approved by the commissioner through
12 any method available, including but not limited to courses online or in
13 person.

14 § 5. Section 206 of the public health law is amended by adding a new
15 subdivision 32 to read as follows:

16 32. The commissioner, in consultation with municipal police training
17 council and the superintendent of state police, shall develop a training
18 program and associated training materials to be given annually, to
19 provide instruction and information to police officers and emergency
20 medical services personnel on protocols for the identification of and
21 response to an individual experiencing a brain arteriovenous malforma-
22 tion, brain aneurysm or stroke.

23 § 6. The public health law is amended by adding a new section 3055 to
24 read as follows:

25 § 3055. Brain arteriovenous malformation, brain aneurysm and stroke
26 response training. The commissioner shall provide the training program
27 relating to protocols for the identification of and response to an indi-
28 vidual experiencing a brain arteriovenous malformation, brain aneurysm
29 or stroke pursuant to subdivision thirty-two of section two hundred six
30 of this chapter to all emergency medical services personnel including,
31 but not limited to, first responders, emergency medical technicians,
32 advanced emergency medical technicians and emergency vehicle operators.

33 § 7. Section 840 of the executive law is amended by adding a new
34 subdivision 8 to read as follows:

35 8. The council shall, in addition:

36 (a) Develop, maintain and disseminate, in consultation with the
37 commissioner of health, written policies and procedures consistent with
38 subdivision thirty-two of section two hundred six of the public health
39 law, regarding protocols for the identification of and response to an
40 individual experiencing a brain arteriovenous malformation, brain aneu-
41 rysm or stroke. Such policies and procedures shall make provisions for
42 the education and training of new and veteran police officers on such
43 protocols; and

44 (b) Recommend to the governor, rules and regulations with respect to
45 the establishment and implementation on an ongoing annual basis of a
46 training program for all current and new police officers regarding the
47 policies and procedures established pursuant to this subdivision.

48 § 8. The executive law is amended by adding a new section 214-i to
49 read as follows:

50 § 214-i. Brain arteriovenous malformation, brain aneurysm and stroke
51 response training. The superintendent shall, for all members of the
52 state police:

53 1. Develop, maintain and disseminate, in consultation with the commis-
54 sioner of health, written policies and procedures consistent with subdi-
55 vision thirty-two of section two hundred six of the public health law,
56 regarding protocols for the identification of and response to an indi-

1 vidual experiencing a brain arteriovenous malformation, brain aneurysm
2 or stroke. Such policies and procedures shall make provisions for the
3 education and training of new and veteran police officers on the proto-
4 cols for response to victims of suspected drug overdose and the adminis-
5 tration of opioid antagonists; and

6 2. Recommend to the governor, rules and regulations with respect to
7 the establishment and implementation on an ongoing annual basis of a
8 training program for all current and new police officers regarding the
9 policies and procedures established pursuant to this subdivision.

10 § 9. The education law is amended by adding a new section 926 to read
11 as follows:

12 § 926. Brain arteriovenous malformation and brain aneurysm awareness.
13 Each school shall provide to the parent or guardian of every child
14 entering kindergarten educational materials promulgated by the commis-
15 sioner, in consultation with the commissioner of health, regarding brain
16 arteriovenous malformation and brain aneurysms, as well as information
17 on being a potential carrier of hereditary hemorrhagic telangiectasia,
18 thoracic aortic aneurysms, Marfan syndrome and related disorders and the
19 availability and options for genetic testing for such conditions and
20 disorders.

21 § 10. This act shall take effect on the one hundred eightieth day
22 after it shall have become a law. Effective immediately, the addition,
23 amendment and/or repeal of any rule or regulation necessary for the
24 implementation of this act on its effective date are authorized to be
25 made and completed on or before such effective date.
