AN ACT to amend the public health law, in relation to hospital care for
mastectomy, lumpectomy, and lymph node dissection patients

The People of the State of New York, represented in Senate and Assem-
bly, do enact as follows:

- 1 Section 1. Subdivision 2 of section 2803-o of the public health law,
2 as amended by chapter 571 of the laws of 2022, is amended to read as
3 follows:
4 2. Every general hospital that provides mastectomy surgery, lymph node
5 dissection or a lumpectomy shall provide information to the patient
6 concerning the option of reconstructive surgery following such proce-
7 dures, including both breast and chest wall reconstructive surgery and
8 the availability of coverage for reconstructive surgery, in accordance
9 with the provisions of sections three thousand two hundred sixteen,
10 three thousand two hundred twenty-one and four thousand three hundred
11 three of the insurance law and applicable provisions of federal law. The
12 information shall be provided to the patient in writing and in advance
13 of obtaining consent to the surgical procedure. The information provided
14 shall include at least the following:
15 (a) a description of the various reconstructive options and the advan-
16 tages and disadvantages of each. Such description shall include going
17 breastless or flat and having an aesthetic flat closure as such term is
18 defined by the National Cancer Institute;
19 (b) a description of the provisions assuring coverage by public and
20 private insurance plans of the costs related to reconstructive surgery
21 under federal and state law;
22 (c) a description of how a patient may access reconstructive care,
23 including the potential of transferring care to a facility that provides
24 reconstructive care or choosing to pursue reconstruction after
