AN ACT authorizing Michael J. Cappiello to purchase service credit for service with the Long Island Railroad Company police department

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any other provision of law, Michael J.
2 Cappiello, a former member of the Long Island Railroad Company police
3 department, shall be eligible to apply to purchase up to three years of
4 service credit for such employment with the New York state and local
5 police and fire retirement system if, within one year of the effective

14 act shall be borne by the state of New York.

15 § 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow Michael J. Cappiello, a current member of the New York State and Local Police and Fire Retirement System (NYSLPFRS) employed by the County of Suffolk, the ability to purchase up to three years of service credit for employment as a police officer with the Long Island Railroad Company. Under current law, service with the Long Island

Railroad Company must be credited in the Metropolitan Transportation Authority police retirement program before it can be transferred to the NYSLPFRS. Michael J. Cappiello never became a member of the Metropolitan Transportation Authority police retirement program and therefore has no service credit to transfer.

If this bill is enacted during the 2024 Legislative Session, there will be an immediate past service cost of approximately \$172,000. Of this amount, approximately \$14,000 will be borne by the member to purchase the additional service. The remaining \$158,000 will be borne by the State of New York as a one-time payment, based on the assumption that payment will be made on March 1, 2025.

This bill will not increase the future annual contributions of the County of Suffolk.
