1 of funding level, shall be based upon, but not limited to, factors such
2 as: the research value of materials to be preserved and/or conserved;
3 appropriateness of conservation and preservation techniques in accord-
4 ance with statewide planning and national standards; institutional
5 capacity for successful completion of the project, including facilities,
6 experience, and technical expertise; availability of staff with appro-
7 priate training and expertise; contribution of the institution to the
8 project in matching funds and staff resources; and the volume of inter-
9 library lending and access to holdings by the public. Ninety percent of
10 each such grant shall be payable upon approval by the department and the
11 remaining ten percent shall be payable upon project completion.
12 § 2. This act shall take effect immediately.
