AN ACT granting retroactive tier IV membership in the New York state and local employees' retirement system to Raymond Ruckel

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Notwithstanding any other provision of law to the contrary, Raymond Ruckel, a tier VI member of the New York state and local employees' retirement system employed by the Rockland county sheriff's office correction division and who was employed as a full-time employee with Clarkstown Central School District from August 1, 1990 through December 1, 1990 and who, through no fault of his own, did not become a member of the New York state and local employees' retirement system on August 1, 1990 when he became eligible for membership in such system, shall be deemed to have a date of membership with the New York state and local employees' retirement system of August 1, 1990 if he shall file an application therefore with the state comptroller within one year of the effective date of this act. Upon the receipt of such application, Raymond Ruckel shall be granted tier IV status in the New York state and local employees' retirement system and shall be eligible for all the rights and benefits thereof.

§ 2. All past service costs of implementing the provisions of this act shall be borne by Clarkstown Central School District, and there shall be no refund of member contributions to Raymond Ruckel.

§ 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would grant Tier 4 status in the New York State and Local Employees' Retirement System to Raymond Ruckel, a current Tier 6 member employed by Rockland County, by changing their date of membership to August 1, 1990. There will be no refund of member contributions.

LBD10878-03-3

If this bill is enacted during the 2023 legislative session, we anticipate that there will be an increase of approximately $5,900 in the annual contributions of Rockland County for the fiscal year ending March 31, 2024. In future years, this cost will vary as the billing rates and salary of Raymond Ruckel change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately $40,300 which will be borne by the Clarkstown Central School District as a one-time payment. This estimate assumes that payment will be made on February 1, 2024.
