AN ACT to amend the cannabis law and the state finance law, in relation to enacting the "cannabis adult-use transition act"

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "cannabis adult-use transition act".
3 § 2. Legislative findings and intent. Chapter 92 of the laws of 2021,
4 known as the Marijuana Regulation and Taxation Act, legalized and regu-
5 lated cannabis for adult-use; expanded and improved the medical cannabis
6 program and the hemp program; established the Cannabis Control Board and
7 the Office of Cannabis Management, and codified historical social and
8 economic equity policies. Chapter 18 of the laws of 2022 created the
9 conditional adult-use cultivator and processor licenses to jump start
10 New York's adult-use cannabis market with small New York farmers.
11 The legislature recognizes that due to a variety of circumstances
12 beyond the control of New York's cannabis licensees and applicants,
13 there have been delays and unforeseen challenges with the implementation
14 of various components of the state's cannabis markets. Conditional
15 cultivators cannot afford to process their cannabis or sell their
16 finished products; conditional processors are struggling with limited
17 retail outlets; conditional adult-use retail dispensary licensees and
18 applicants do not have access to capital, locations, or the resources
19 they need to become operational; and the state's medical registered
20 organizations and patients are facing a diminishing medical cannabis
21 market. As a result, the state's cannabis industries are losing value

11 department of education, serving as non-voting ex-officio members. The
12 governor shall have [~~seven~~ eleven appointments, the temporary president
13 of the senate and the speaker of the assembly shall each have three
14 appointments to the board. The members shall be appointed to each serve
15 three year terms and in the event of a vacancy, the vacancy shall be
16 filled in the manner of the original appointment for the remainder of

48 this article in accordance with any regulations promulgated by the
49 board.

50 § 7. Subdivisions 3 and 13 of section 68-c of the cannabis law, as
