

# STATE OF NEW YORK

7098--A

2023-2024 Regular Sessions

## IN SENATE

May 18, 2023

Introduced by Sen. HOYLMAN-SIGAL -- read twice and ordered printed, and when printed to be committed to the Committee on Investigations and Government Operations -- recommitted to the Committee on Investigations and Government Operations in accordance with Senate Rule 6, sec. 8 -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the public buildings law, in relation to directing the commissioner of general services to incorporate practices and strategies to reduce bird fatality resulting from collisions with certain state-owned buildings, and for other purposes

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. This act shall be known and may be cited as the "feathered  
2 lives also count act".

3 § 2. The public buildings law is amended by adding a new section 148  
4 to read as follows:

5 § 148. Use of bird-safe features, practices, and strategies in state-  
6 owned buildings. 1. As used in this section:

7 (a) "state agency" means any state department, office, board, bureau,  
8 commission, agency, or any public authority or public benefit corpo-  
9 ration at least one of whose members is appointed by the governor;

10 (b) "state-owned building" means any building owned by a state agency  
11 used for official state business; and

12 (c) "state-leased building" means any building or portion of any  
13 building leased by a state agency for office, departmental, or residen-  
14 tial occupancy.

15 2. The commissioner of general services shall incorporate features,  
16 practices, and strategies to reduce bird fatality resulting from colli-  
17 sions with state-owned buildings and, where practicable, state-leased  
18 buildings. Such features, practices and strategies shall be incorpo-  
19 rated for each building:

20 (a) constructed;

21 (b) acquired; or

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

LBD11333-04-4

1 (c) of which more than fifty percent of the facade is substantially  
2 altered, as determined by the commissioner.

3 3. The commissioner, in consultation with the department of environ-  
4 mental conservation, shall develop a design guide to carry out the  
5 provisions of subdivision two of this section that includes the follow-  
6 ing:

7 (a) features for reducing bird fatality resulting from collisions with  
8 state-owned buildings and, where practicable, state-leased buildings,  
9 throughout all construction phases, taking into account the number of  
10 each such bird fatality that occurs at different types of state-owned  
11 buildings and, where practicable, state-leased buildings;

12 (b) methods and strategies for reducing bird fatality resulting from  
13 collisions with state-owned buildings and, where practicable, state-  
14 leased buildings, during the operation and maintenance of such build-  
15 ings;

16 (c) best practices for reducing bird fatality resulting from colli-  
17 sions with state-owned buildings and, where practicable, state-leased  
18 buildings, including but not limited to:

19 (i) eliminating non-essential lighting during spring and fall  
20 migration;

21 (ii) use of bird-safe film or other after-market products designed to  
22 reduce bird collisions;

23 (iii) architectural or design elements that reduce the risk of colli-  
24 sions;

25 (iv) use of bird-friendly glass in new construction or renovations  
26 that require substantial alterations; and

27 (v) placement of landscaping features and green roofs; and

28 (d) information on how to participate in citizen science efforts that  
29 document bird collisions in New York state.

30 4. To carry out the provisions of paragraph (c) of subdivision three  
31 of this section, the commissioner shall identify best practices for  
32 reducing bird fatality resulting from collisions with state-owned build-  
33 ings and, where practicable, state-leased buildings, including best  
34 practices recommended by:

35 (a) state, federal, and municipal agencies with expertise in bird  
36 conservation;

37 (b) nongovernmental organizations with expertise in bird conservation;  
38 and

39 (c) representatives of green building certification systems.

40 5. The commissioner shall disseminate the design guide developed  
41 pursuant to subdivision three of this section to all state agencies with  
42 independent leasing authority from the commissioner.

43 6. The commissioner shall, every five years, update the design guide  
44 developed pursuant to subdivision three of this section with respect to  
45 the priorities of the commissioner for reducing bird fatality resulting  
46 from collisions with state-owned buildings and, where practicable,  
47 state-leased buildings.

48 7. This section shall not apply to any building or site listed, or  
49 eligible for listing, on the National Register of Historic Places.

50 8. Not later than October first of each fiscal year, the commissioner  
51 shall certify to the governor, the temporary president of the senate,  
52 and the speaker of the assembly that the commissioner uses the design  
53 guide developed pursuant to subdivision three of this section for build-  
54 ings described in subdivision two of this section.

55 § 3. This act shall take effect immediately.
