EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD11397-18-4

1 § 289-g. Definitions. For the purposes of this article, the following
2 terms shall have the following meanings:

3 1. "Helicopter" means an aircraft, the support of which in the air is
4 normally derived from airfoils mechanically rotated about an approxi-
5 mately vertical axis.

6 2. "Helicopter or seaplane operator" means a person or entity which
7 conducts non-essential helicopter or seaplane flights within a city with
8 a population of one million or more.

9 3. "Seaplane" means any aircraft defined or classified as such by
10 federal law, rule or regulation.

11 4. "Non-essential flight" means a flight made by a helicopter or seap-
12 lane other than those conducted:

13 (a) for purposes of heavy-lift operations in support of construction
14 and infrastructure maintenance;

15 (b) for purposes of public health and safety, including law enforce-
16 ment, emergency response, disaster response, the provision of medical
17 services, and providing other services; or

18 (c) for the benefit of the general public, including flights carried
19 out for research or for official purposes by a news organization.

20 5. "Quiet aircraft" means a helicopter or seaplane of a model that has
21 been certified as meeting the threshold to be classified as a quiet
22 aircraft as per section two hundred eighty-nine-j of this article.

23 § 289-h. Imposition of the noise tax on non-essential helicopter and
24 seaplane flights. In addition to any other tax or assessment imposed by
25 this chapter or any other law, there is hereby imposed beginning January
26 first, two thousand twenty-five a noise tax on non-essential seaplane
27 and helicopter flights at the rate of fifty dollars per seat ticket or
28 two hundred dollars per flight, whichever is greater.

29 § 289-i. Liability for the tax. Any non-essential helicopter or seap-
30 lane flight is subject to the tax imposed by this article. The tax
31 imposed by this section shall not be imposed on any helicopter or seap-
32 lane flights if such imposition is superseded by federal law or regu-
33 lation.

34 § 289-j. Exemptions from the tax. 1. Any non-essential helicopter or
35 seaplane flight conducted using a quiet aircraft is exempted from the
36 tax imposed by section two hundred eighty-nine-h of this article. 2. The
37 department, in consultation with the department of transportation shall
38 create a registry of models of helicopters and seaplanes that will be
39 defined as quiet aircraft for the purposes of this article. Such regis-
40 try shall be established by January first, two thousand twenty-six, and
41 shall be updated no less than every two years. 3. For a helicopter or
42 seaplane model to be considered to be a quiet aircraft, the aircraft
43 must be electric powered and, (a) for helicopters, create at least ten
44 decibels less of noise, as measured under the procedures of Appendix H
45 of 14 CFR Part 36, as a helicopter that would meet the GCNP Quiet
46 Aircraft Technology Designation established by 14 CFR Appendix A to
47 Subpart U of Part 93, or any federal limits on noise from helicopters
48 enacted that are more strict than the GCNP Quiet Aircraft Technology
49 Designation and (b) for seaplanes, create at least ten decibels less of
50 noise, as measured under the procedures of Appendix G of 14 CFR Part 36,
51 than a seaplane would make to comply with the stage 5 noise levels
52 adopted under 14 CFR Parts 36 and 91, which are equal to the levels
53 established under International Civil Aviation Organization (ICAO) Chap-
54 ter 14 of Annex 16, Volume I, or any federal limits on noise from seap-
55 lanes enacted that are more strict than the stage 5 noise levels.

1 § 289-k. Payment and returns. 1. Every helicopter and seaplane opera-
2 tor shall file a return quarterly with the commissioner. Provided,
3 however, that if the commissioner in the exercise of their discretion
4 deems it necessary to protect the revenues to be obtained under this
5 article, such commissioner may give notice requiring such operator, in
6 addition to filing a quarterly return, to file either short-form or
7 long-form part-quarterly returns, as specified in such notice. For
8 purposes of this article the term "long-form, part-quarterly return"
9 shall mean a return in a form determined by the commissioner providing
10 for the calculation of the actual taxes for the preceding month. For
11 purposes of this article the term "short-form, part-quarterly return"
12 shall mean a return which shall be available for use in filing as a
13 return for the first two months of any quarter and only by a person
14 required to file a return monthly who has had at least four successive
15 quarterly tax periods immediately preceding the month for which the
16 return is to be filed and who elects such use, and is in a form deter-
17 mined by the commissioner and providing for the calculation of one-third
18 of the total taxes paid by the person to the commissioner in the compa-
19 rable quarter of the immediately preceding year under this article.

20 2. The returns and information returns required by this section to be
21 filed quarterly shall be filed for quarterly periods ending on the last
22 day of February, May, August and November of each year, and each return
23 and each information return shall be filed within twenty days after the
24 end of the quarterly period covered thereby. The returns required by
25 this section to be filed monthly shall be filed for monthly periods
26 ending on the last day of each month and each return shall be filed
27 within twenty days after the end of each prior month. The information
28 returns required to be filed annually shall be filed for twelve-month
29 periods ending on the last day of May of each year, and each such infor-
30 mation return shall be filed within twenty days after the end of the
31 twelve-month period covered thereby.

32 3. The tax commission may permit or require returns to be made cover-
33 ing other periods and upon such dates as it may specify. If the tax
34 commission deems it necessary in order to ensure the payment of the
35 taxes imposed by this article, it may require returns to be made for
36 shorter periods than those prescribed pursuant to the foregoing subdivi-
37 sions of this section, and upon such dates as it may specify.

38 4. The form of returns shall be prescribed by the tax commission and
39 shall contain such information as it may deem necessary for the proper
40 administration of this article. The commission may require amended
41 returns to be filed within twenty days after notice and to contain the
42 information specified in the notice.

43 5. In addition to any other penalty or interest provided for under
44 this article or other law, and unless it is shown that such failure is
45 due to reasonable cause and not due to willful neglect, any person
46 liable for the tax imposed by this article that fails to pay such tax
47 when due shall be liable for a penalty in an amount equal to four
48 hundred percent of the total tax amount that is due.

49 § 289-l. Records to be kept. Every operator liable for the surcharge
50 imposed by this article shall keep, and shall make available for review
51 upon demand by the commissioner:

52 1. records of helicopter and seaplane flights undertaken by such opera-
53 tor;

54 2. total amount of taxes collected under this article;

55 3. any information required by the department by rule or regulation;

1 4. true and complete copies of any records required to be kept by any
2 applicable regulatory department or agency; and

3 5. such other records and information as the commissioner may require
4 to perform their duties under this article.

5 § 289-m. Secrecy of returns and reports. 1. Except in accordance with
6 proper judicial order or as otherwise provided by law, it shall be
7 unlawful for the commissioner, any officer or employee of the depart-
8 ment, any person engaged or retained by the department on an independent
9 contract basis, or any person who in any manner may acquire knowledge of
10 the contents of a return or report filed with the commissioner pursuant
11 to this article, to divulge or make known in any manner any particulars
12 set forth or disclosed in any such return or report. The officers
13 charged with the custody of such returns and reports shall not be
14 required to produce any of them or evidence of anything contained in
15 them in any action or proceeding in any court, except on behalf of the
16 commissioner in an action or proceeding under the provisions of this
17 chapter, or in any other action or proceeding involving the collection
18 of a surcharge due under this chapter to which the state, the commis-
19 sioner or an agency that is authorized to permit or regulate the
20 provision of any relevant transportation is a party or a claimant, or on
21 behalf of any party to any action, proceeding or hearing under the
22 provisions of this article, when the returns or the reports or the facts
23 shown thereby are directly involved in such action, proceeding or hear-
24 ing, in any of which events the court, or in the case of a hearing, the
25 division of tax appeals, may require the production of, and may admit in
26 evidence so much of said returns or reports or of the facts shown there-
27 by as are pertinent to the action or proceeding and no more. Nothing
28 herein shall be construed, however, to prohibit the commissioner, in
29 their discretion, from allowing the inspection or delivery of a certi-
30 fied copy of any return or report filed under this article, or from
31 providing any information contained in any such return or report, by or
32 to a duly authorized officer or employee of the comptroller; nor to
33 prohibit the inspection or delivery of a certified copy of any return or
34 report filed under this article, or the provision of any information
35 contained therein, by or to the attorney general or other legal repre-
36 sentatives of the state when an action shall have been recommended or
37 commenced pursuant to this chapter in which such returns or reports or
38 the facts shown thereby are directly involved; nor to prohibit the
39 commissioner from providing or certifying to the division of budget or
40 the comptroller the total number of returns or reports filed under this
41 article in any reporting period and the total collections received ther-
42 efrom; nor to prohibit the delivery to a person liable for the tax
43 imposed by this article, or a duly authorized representative of such, a
44 certified copy of any return or report filed by such person pursuant to
45 this article, nor to prohibit the publication of statistics so classi-
46 fied as to prevent the identification of particular returns or reports
47 and the items thereof; nor to prohibit the disclosure, in such manner as
48 the commissioner deems appropriate, of the names and other appropriate
49 identifying information of those persons required to pay the tax imposed
50 by this article.

51 2. Notwithstanding the provisions of subdivision one of this section,
52 the commissioner may permit the secretary of the treasury of the United
53 States or such secretary's delegate, or the authorized representative of
54 either such officer, to inspect any return filed under this article, or
55 may furnish to such officer or such officer's authorized representative
56 an abstract of any such return or supply such person with information

1 concerning an item contained in any such return, or disclosed by any
2 investigation of liability under this article, but such permission shall
3 be granted or such information furnished only if the laws of the United
4 States grant substantially similar privileges to the commissioner or
5 officer of this state charged with the administration of the tax imposed
6 by this article, and only if such information is to be used for purposes
7 of tax administration only; and provided further the commissioner may
8 furnish to the commissioner of internal revenue or such commissioner's
9 authorized representative such returns filed under this article and
10 other tax information, as such commissioner may consider proper, for use
11 in court actions or proceedings under the internal revenue code, whether
12 civil or criminal, where a written request therefor has been made to the
13 commissioner by the secretary of the treasury of the United States or
14 such secretary's delegate, provided the laws of the United States grant
15 substantially similar powers to the secretary of the treasury of the
16 United States or their delegate. Where the commissioner has so author-
17 ized use of returns and other information in such actions or
18 proceedings, officers and employees of the department may testify in
19 such actions or proceedings in respect to such returns or other informa-
20 tion.

21 3. (a) Any officer or employee of the state who willfully violates the
22 provisions of subdivision one of this section shall be dismissed from
23 office and be incapable of holding any public office for a period of
24 five years thereafter.

25 (b) Cross-reference: For criminal penalties, see article thirty-seven
26 of this chapter.

27 4. (a) Notwithstanding the provisions of subdivision one of this
28 section, upon written request from the chairperson of the committee on
29 ways and means of the United States House of Representatives, the chair-
30 person of the committee on finance of the United States Senate, or the
31 chairperson of the joint committee on taxation of the United States
32 Congress, the commissioner shall furnish such committee with any current
33 or prior year returns specified in such request that were filed under
34 this article by the president of the United States, vice-president of
35 the United States, member of the United States Congress representing New
36 York state, or any person who served in or was employed by the executive
37 branch of the government of the United States on the executive staff of
38 the president, in the executive office of the president, or in an acting
39 or confirmed capacity in a position subject to confirmation by the
40 United States Senate; or, in New York state: a statewide elected offi-
41 cial, as defined in paragraph (a) of subdivision one of section seven-
42 ty-three-a of the public officers law; a state officer or employee, as
43 defined in subparagraph (i) of paragraph (c) of subdivision one of such
44 section seventy-three-a; a political party chairperson, as defined in
45 paragraph (h) of subdivision one of such section seventy-three-a; a
46 local elected official, as defined in subdivisions one and two of
47 section eight hundred ten of the general municipal law; a person
48 appointed, pursuant to law, to serve due to vacancy or otherwise in the
49 position of a local elected official, as defined in subdivisions one and
50 two of section eight hundred ten of the general municipal law; a member
51 of the state legislature; or a judge or justice of the unified court
52 system; or filed by a partnership, firm, association, corporation,
53 joint-stock company, trust or similar entity directly or indirectly
54 controlled by any individual listed in this paragraph, whether by
55 contract, through ownership or control of a majority interest in such
56 entity, or otherwise, or filed by a partnership, firm, association,

1 corporation, joint-stock company, trust or similar entity of which any
2 individual listed in this paragraph holds ten percent or more of the
3 voting securities of such entity; provided however that, prior to
4 furnishing any return, the commissioner shall redact any copy of a
5 federal return (or portion thereof) attached to, or any information on a
6 federal return that is reflected on, such return, and any social securi-
7 ty numbers, account numbers and residential address information.

8 (b) No returns shall be furnished pursuant to this subdivision unless
9 the chairperson of the requesting committee certifies in writing that
10 such returns have been requested related to, and in furtherance of, a
11 legitimate task of the Congress, that the requesting committee has made
12 a written request to the United States secretary of the treasury for
13 related federal returns or reports or return or report information,
14 pursuant to 26 U.S.C. Section 6103(f), and that if such requested
15 returns are inspected by and/or submitted to another committee, to the
16 United States House of Representatives, or to the United States Senate,
17 then such inspection and/or submission shall occur in a manner consist-
18 ent with federal law as informed by the requirements and procedures
19 established in 26 U.S.C. Section 6103(f).

20 § 289-n. Practice and procedure. The provisions of article twenty-sev-
21 en of this chapter shall apply with respect to the administration of and
22 procedure with respect to the tax imposed by this article in the same
23 manner and with the same force and effect as if the language of such
24 article twenty-seven had been incorporated in full into this article and
25 had expressly referred to the surcharge imposed by this article, except
26 to the extent that any such provision is either inconsistent with a
27 provision of this article or is not relevant to this article.

28 § 289-o. Deposit and disposition of revenue. All funds collected under
29 this article shall be deposited into the environmental protection fund
30 established by section ninety-two-s of the state finance law.

31 § 2. This act shall take effect immediately.
