1 contracts must be authorized by local law or, in the case of a district
2 corporation, school district or board of cooperative educational
3 services, by rule, regulation or resolution adopted at a public meeting.
4 In any case where a responsible bidder's or responsible offerer's gross
5 price is reducible by an allowance for the value of used machinery,
6 equipment, apparatus or tools to be traded in by a political subdivi-
7 sion, the gross price shall be reduced by the amount of such allowance,
8 for the purpose of determining the best value. In cases where two or
9 more responsible bidders furnishing the required security submit identi-
10 cal bids as to price, such officer, board or agency may award the
11 contract to any of such bidders. Such officer, board or agency may, in
12 his or her or its discretion, reject all bids or offers and readvertise
13 for new bids or offers in the manner provided by this section. In deter-
14 mining whether a purchase is an expenditure within the discretionary
15 threshold amounts established by this subdivision, the officer, board or
16 agency of a political subdivision or of any district therein shall
17 consider the reasonably expected aggregate amount of all purchases of
18 the same commodities, services or technology to be made within the
19 twelve-month period commencing on the date of purchase. Purchases of
20 commodities, services or technology shall not be artificially divided
21 for the purpose of satisfying the discretionary buying thresholds estab-
22 lished by this subdivision. A change to or a renewal of a discretionary
23 purchase shall not be permitted if the change or renewal would bring the
24 reasonably expected aggregate amount of all purchases of the same
25 commodities, services or technology from the same provider within the
26 twelve-month period commencing on the date of the first purchase to an
27 amount greater than the discretionary buying threshold amount. For
28 purposes of this section, "sealed bids" and "sealed offers", as that
29 term applies to purchase contracts, (including contracts for service
30 work, but excluding any purchase contracts necessary for the completion
31 of a public works contract pursuant to article eight of the labor law)

34 hundred three-d of this article, provided that the governing board of
35 the political subdivision or district, by resolution, has authorized the
36 receipt of bids and offers in such format. Submission in electronic
37 format may, for technology contracts only, be required as the sole meth-
38 od for the submission of bids and offers. Provided however, the appro-
39 priate officer, board or agency of a city with a population of one
40 million inhabitants or more, or any district, board or agency with
41 jurisdiction exclusively within such city, may authorize or require bids
42 and offers for any contract to be submitted in an electronic format.
43 Bids and offers submitted in an electronic format shall be transmitted
44 by bidders and offerers to the receiving device designated by the poli-
45 tical subdivision or district. Any method used to receive electronic
46 bids and offers shall comply with article three of the state technology
47 law, and any rules and regulations promulgated and guidelines developed
48 thereunder and, at a minimum, must (a) document the time and date of
49 receipt of each bid and offer received electronically; (b) authenticate
50 the identity of the sender; (c) ensure the security of the information
51 transmitted; and (d) ensure the confidentiality of the bid or offer
52 until the time and date established for the opening of bids or offers.
53 The timely submission of an electronic bid or offer in compliance with
54 instructions provided for such submission in the advertisement for bids
55 or offers and/or the specifications shall be the responsibility solely
56 of each bidder or offerer or prospective bidder or offerer. No political

1 subdivision or district therein shall incur any liability from delays of
2 or interruptions in the receiving device designated for the submission
3 and receipt of electronic bids and offers.

4 § 2. Subdivision 2 of section 103 of the general municipal law, as
5 amended by section 1 of chapter 367 of the laws of 2014, is amended to

30 post a record of such bids or offers and any other required information
31 on a website maintained or controlled by such district, officer, board
32 or agency on such date within five days. At least five days shall elapse
33 between the first publication of such advertisement and the date so
34 specified for the opening and reading of bids and offers.

35 § 3. This act shall take effect March 1, 2024; provided, however, that
